5.38.020 Authority and Purpose.

The purpose of this Ordinance is to adopt a tax, for revenue purposes, pursuant to Sections 37101 and 37100.5 of the California Government Code, upon cannabis businesses that engage in business in the City. The Cannabis Business Tax is levied based upon business gross receipts except for commercial cannabis or industrial hemp cultivation which shall be taxed on square footage. It is not a sales and use tax, a tax upon income, or a tax upon real property and shall not be calculated or assessed as such. The Cannabis Business Tax shall not be separately identified or otherwise specifically assessed or charged to any member, customer, patient, or caretaker. The Cannabis Business Tax is a general tax enacted solely for general, governmental purposes of the City and not for specific purposes. All of the proceeds from the tax imposed by this Chapter shall be placed in the City's general fund and be available for any lawful municipal purpose.

5.38.030 Intent.

The intent of this Ordinance is to levy a tax on all cannabis or industrial hemp businesses that operate in the City, regardless of whether such business would have been legal at the time this Chapter was adopted. Nothing in this Chapter shall be interpreted to authorize or permit any business activity that would not otherwise be legal or permissible under laws applicable to the activity at the time the activity is undertaken.

5.38.040 Definitions.

The following words and phrases shall have the meanings set forth below when used in this Chapter:

- A. "Business" shall include all activities engaged in or caused to be engaged in within the City, including any commercial or industrial enterprise, trade, profession, occupation, vocation, calling, or livelihood, whether or not carried on for gain or profit, but shall not include the services rendered by an employee to his or her employer.

However, the exemption may be amended by the City Council by resolution or ordinance pursuant to Section 5.38.050 (B) to increase or decrease the percentage of the business's hemp and/or hemp products gross receipts reporting from zero to one hundred percent. Such tax is payable regardless of whether the business has been issued a business license or commercial cannabis permit to operate lawfully in the City or is operating unlawfully. The City’s acceptance of a cannabis business tax payment from a cannabis business operating illegally shall not constitute the City’s approval or consent to such illegal operations.
- B. The City Council may, by resolution or ordinance, increase or decrease the rate of the cannabis business tax, including the initial rate of cannabis business tax. The City Council may, by resolution or ordinance, increase or decrease the rate of the medicinal cannabis business tax, including the initial rate of the medicinal business tax, independent of other cannabis business tax activities. In addition, the City Council may, by resolution or ordinance, increase or decrease the rate of the cannabis business tax on hemp or hemp products, including the initial rate of the tax on hemp or hemp products independent of other cannabis activities. Notwithstanding the foregoing, in no event shall the City Council repeal this tax or set any adjusted rate that exceeds the maximum rates calculated pursuant to this Chapter.
- C. The maximum rate of the cannabis business tax shall be calculated as follows:
 - 1. For every person engaged in commercial cannabis cultivation, including cultivation of industrial hemp, in the City:
 - a. Through January 1, 2024, the annual maximum rate shall be:
 - i. Ten dollars (\$10.00) per square foot of canopy space in a facility that uses exclusively artificial lighting.

 - iii. Four dollars (\$4.00) per square foot of canopy space in a facility that uses no artificial lighting.
 - iv. Two dollars (\$2.00) per square foot of canopy space for any nursery.
 - b. On January 1, 2024 and on each January 1, thereafter, the maximum annual tax rates specified in subsection 5.38.050 (C) (1) (a), shall increase by the percentage increase in the Consumer Price Index (“CPI”) for consumers in the San Francisco-Oakland-Hayward Region as published by the United States Government Bureau of Labor Statistics. However, no CPI adjustment resulting in a decrease of any tax imposed by this subsection shall be made.
 2. Every person engaged in the operation of a testing laboratory for cannabis, cannabis products, industrial hemp and/or industrial hemp products shall be subject to the maximum tax rate not to exceed two percent (2%) of gross receipts.
 3. Every person engaged in retail sales of cannabis, cannabis products, industrial hemp, and/or industrial hemp products, including as a retailer (dispensary) or non-storefront retailer (retail delivery business), or microbusiness, shall be subject to the maximum tax rate not to exceed six percent (6%) of gross receipts.
 4. Every person engaged in distribution of cannabis, cannabis products, industrial hemp and/or industrial hemp products, shall be subject to the maximum tax rate not to exceed three percent (3%) of gross receipts.
 5. Every person engaged in manufacturing or processing of cannabis, cannabis products, industrial hemp and/or industrial hemp products, or any other type of cannabis business not described in Section 5.38.050 (C) (1), (2), (3), or (4) shall be subject to the maximum tax rate not to exceed four percent (4%) of gross receipts.
- D. Persons subject to the cannabis business tax shall register with the City and pay the registration fee pursuant to Section 5.38.060. 5.38.060 Registration, reporting and remittance of tax.

- A. Registration of Cannabis Business. All cannabis businesses shall be required to annually register as follows:
1. All persons engaging in business as a cannabis business, whether an existing, newly established or acquired business shall register with the Tax Administrator within thirty (30) days of commencing operation and shall annually renew such registration within 30 days of the business registration anniversary date of each year thereafter. In registering, such persons shall furnish to the Tax Administrator a sworn statement, upon a form provided by the Tax Administrator, setting forth the following information:
 - i. The name of the business
 - ii. The names and addresses of each owner
 - iii. The exact nature or kind of business;
 - iv. The place where such business is to be carried on; and
 - v. Any additional information which the Tax Administrator may require.
- B. An annual registration fee in accordance with the current and approved City fee schedule shall be presented with the sworn statement submitted under this section. This fee shall not be considered a tax and may be adjusted by resolution of the City Council.
- C. The cannabis business tax imposed by this Chapter shall be paid, in arrears, on a monthly basis. Each person owing a cannabis business tax each calendar month shall, no later than the last day of the month following the close of the calendar month, file with the Tax Administrator a statement (“tax statement”) of the tax owed for that calendar month and the basis for calculating that tax. The Tax Administrator may require that the tax statement be submitted on a form prescribed by the Tax Administrator. The tax for each calendar month shall be due and payable on that same date that the tax statement for the calendar month is due.
- D. Upon cessation of a cannabis business, tax statements and payments shall be immediately due for all calendar months up to the calendar month during which cessation occurred.
- E. The Tax Administrator may, at his or her discretion, establish alternative reporting and payment periods for any taxpayer as the Tax Administrator deems necessary to ensure effective collection of the cannabis business tax. The Tax Administrator may also require that a deposit, to be applied against the taxes for a calendar month, be made by a taxpayer at the beginning of that calendar month. In no event shall the deposit required by the Tax Administrator exceed the tax amount

he or she projects will be owed by the taxpayer for the calendar month. The Tax Administrator may require that a taxpayer make payments via a cashier's check, money order, wire transfer, or similar instrument.

5.38.070 Payments and communications – timely remittance.

Whenever any payment, statement, report, request or other communication is due, it must be received by the Tax Administrator on or before the final due date. A postmark will not be accepted as timely remittance. If the due date would fall on a Saturday, Sunday or a holiday observed by the City, the due date shall be the next regular business day on which the City is open to the public.

5.38.080 Payment - when taxes deemed delinquent.

Unless otherwise specifically provided under other provisions of this Chapter, the taxes required to be paid pursuant to this Chapter shall be deemed delinquent if not received by the Tax Administrator on or before the due date as specified in Sections 5.38.060 and 5.38.070.

5.38.090 Notice not required by the City.

The City may as a courtesy send a tax notice to the cannabis business which owes the City a cannabis business tax. However, the Tax Administrator is not required to send a delinquency or other notice or bill to any person subject to the provisions of this Chapter. Failure to send such notice or bill shall not affect the validity of any tax or penalty due under the provisions of this Chapter.

5.38.100 Penalties and interest.

A. Any person who fails or refuses to pay any cannabis business tax required to be paid pursuant to this Chapter on or before the due date shall pay penalties and interest as follows:

1. A penalty equal to ten percent (10%) of the amount of the tax, in addition to the amount of the tax, plus interest on the unpaid tax calculated from the due date of the tax at the rate of one percent (1%) per month.

2. If the tax remains unpaid for a period exceeding one calendar month beyond the due date, an additional penalty equal to twenty-five percent (25%) of the amount of the tax, plus interest at the rate of one percent (1%) per month on the unpaid tax and on the unpaid penalties.

3. Interest shall be applied at the rate of one percent (1%) per month on the first day of the month for the full month and will continue to accrue monthly on the tax and penalty until the balance is paid in full.

B. Whenever a check or electronic payment is submitted in payment of a cannabis business tax and the payment is subsequently returned unpaid by the bank for any reason, the

taxpayer will be liable for the tax amount due plus any fees, penalties, and interest as provided for in this Chapter, and any other amount allowed under state law.

5.38.110 Refunds and credits.

A. No refund shall be made of any tax collected pursuant to this Chapter, except as provided in Section 5.38.120.

B. No refund of any tax collected pursuant to this Chapter shall be made because of the discontinuation, dissolution, or other termination of a business.

5.38.120 Refunds and procedures.

A. Whenever the amount of any cannabis business tax, penalty or interest has been overpaid, paid more than once, or has been erroneously collected or received by the City under this Chapter, it may be refunded to the claimant who paid the tax provided that a written claim for refund is filed with the Tax Administrator within one (1) year of the date the tax was originally due or paid, whichever came first.

B. The Tax Administrator, his or her designee or any other City officer charged with the administration of this Chapter shall have the right to examine and audit all the books and business records of the claimant in order to determine the eligibility of the claimant to the claimed refund. No claim for refund shall be allowed if the claimant refuses to allow such examination of claimant's books and business records after request by the Tax Administrator to do so.

C. In the event that the cannabis business tax was erroneously paid in an amount in excess of the tax due, and the error is attributable to the City, the City shall refund the amount of tax erroneously paid; provided that (i) a claim for refund has been timely filed with the Tax Administrator; and (ii) the refund cannot exceed, under any circumstance, the amount of tax overpaid during the twelve months preceding the last month for which the claim states the tax was overpaid.

5.38.130 Personal Cultivation Not Taxed.

The provisions of this Chapter shall not apply to personal cannabis cultivation or personal use of cannabis, to the extent those activities are authorized in the “Medicinal and Adult Use Cannabis Regulation and Safety Act,” as may be amended. This Chapter shall not apply to personal use of cannabis that is specifically exempted from state licensing requirements, that meets the definition of personal use or equivalent terminology under state law, and provided that the individual receives no compensation whatsoever related to that personal cultivation or use.

5.38.140 Administration of the tax.

A. It shall be the duty of the Tax Administrator to collect the taxes, penalties, fees, and perform the duties required by this Chapter.

B. For purposes of administration and enforcement of this Chapter generally, the Tax Administrator may from time to time promulgate such administrative interpretations, rules, and procedures consistent with the purpose, intent, and express terms of this Chapter as he or she deems necessary to implement or clarify such provisions or aid in enforcement.

C. The Tax Administrator may take such administrative actions as needed to administer the cannabis business tax, including but not limited to:

1. Provide to all cannabis business taxpayers forms for the reporting of the tax;
2. Provide information to any taxpayer concerning the provisions of this Chapter;
3. Receive and record all taxes remitted to the City as provided in this Chapter;
4. Maintain records of taxpayer reports and taxes collected pursuant to this Chapter;
5. Assess penalties and interest to taxpayers pursuant to this Chapter;
6. Determine amounts owed under and enforce collection pursuant to this Chapter.

5.38.150 Appeal procedure.

Any taxpayer aggrieved by any decision of the Tax Administrator with respect to the amount of tax, interest, penalties and fees, if any, due under this Chapter may appeal to the City Council by filing a notice of appeal with the City Clerk within thirty (30) calendar days of the serving or mailing of the Tax Administrator's determination of the amount due. The City Clerk, or his or her designee, shall fix a time and place for hearing such appeal, and the City Clerk, or his or her designee, shall give notice in writing to such operator at the last known place of address. The finding of the City Council shall be final and conclusive and shall be served upon the appellant in the manner prescribed by this section 5.38.150 for service of notice of hearing. Any amount found to be due shall be immediately due and payable upon the service of the notice.

5.38.160 Enforcement - action to collect.

Any taxes, penalties and/or fees required to be paid under the provisions of this Chapter shall be deemed a debt owed to the City. Any person owing money to the City under the provisions of this Chapter shall be liable in an action brought in the name of the City for the recovery of such debt. The provisions of this section shall not be deemed a limitation upon the right of the City to bring any other action including criminal, civil and equitable actions, based upon the failure to pay the tax, penalties and/or fees imposed by this Chapter or the failure to comply with any of the provisions of this Chapter.

5.38.170 Apportionment.

If a business subject to the tax is operating both within and outside the City, it is the intent of the City to apply the cannabis business tax so that the measure of the tax fairly reflects the proportion of the taxed activity actually carried on in the City. To the extent federal or state law requires that any tax due from any taxpayer be apportioned, the taxpayer may indicate said apportionment on his or her tax return. The Tax Administrator may promulgate administrative procedures for apportionment as he or she finds useful or necessary.

5.38.180 Constitutionality and legality.

This tax is intended to be applied in a manner consistent with the United States and California Constitutions and state law. None of the tax provided for by this Chapter shall be applied in a manner that causes an undue burden upon interstate commerce, a violation of the equal protection or due process clauses of the Constitutions of the United States or the State of California or a violation of any other provision of the California Constitution or state law. If a person believes that the tax, as applied to him or her, is impermissible under applicable law, he or she may request that the Tax Administrator release him or her from the obligation to pay the impermissible portion of the tax.

5.38.190 Audit and examination of premises and records.

A. In addition to those powers granted to the Tax Administrator under Section 5.20.050 and Section 5.20.060, for the purpose of ascertaining the amount of cannabis business tax owed or verifying any representations made by any taxpayer to the City in support of his or her tax calculation, the Tax Administrator shall have the power to inspect any location where commercial cannabis activity occurs and to audit and examine all books and records (including, but not limited to bookkeeping records, state and federal income tax returns, and other records relating to the gross receipts of the business) of persons engaged in cannabis businesses. In conducting such investigation, the Tax Administrator shall have the power to inspect any equipment, such as computers or point of sale machines, which may contain such records.

B. It shall be the duty of every person liable for the collection and payment to the City of any tax imposed by this Chapter to keep and preserve, for a period of at least three (3) years, all records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and payment to the City, which records the Tax Administrator or his/her designee shall have the right to inspect at all reasonable times.

5.38.200 Other licenses, permits, taxes, fees or charges.

A. Nothing contained in this Chapter shall be deemed to repeal, amend, be in lieu of, replace or in any way affect any requirements for any commercial cannabis permit or City license required by, under or by virtue of any provision of any other Chapter of this code or any other ordinance or resolution of the City, nor be deemed to repeal, amend, be in lieu of, replace or in any way affect any tax, fee or other charge imposed, assessed or required under any other Chapter of this code or any other ordinance or resolution of the City. Any references made or contained in any other Chapter of this code to any licenses, license taxes, fees, or charges, or to any schedule of license fees, shall be deemed to refer to the licenses, license taxes, fees or

charges, or schedule of license fees, provided for in other Chapters of this code.

B. The Tax Administrator may revoke or refuse to renew the license required by Chapter 5.08 of this code for any business that is delinquent in the payment of any tax due pursuant to this Chapter or that fails to make a deposit required by the Tax Administrator pursuant to Section 5.38.060.

A commercial cannabis permit issued under the Vacaville Municipal Code may be revoked, suspended, or not renewed in the event that the business holding that permit has failed to (i) make a deposit required by the Tax Administrator pursuant to Section 5.38.060 or (ii) timely pay all taxes, interest, and penalties owed by that business under this Chapter.

5.38.210 Payment of tax does not authorize unlawful business.

A. The payment of a cannabis business tax required by this Chapter, and its acceptance by the City, shall not entitle any person to carry on any cannabis business unless the person has complied with all of the requirements of this code and all other applicable state laws.

B. No tax paid under the provisions of this Chapter shall be construed as authorizing the conduct or continuance of any illegal or unlawful business, or any business in violation of any local or state law.

5.38.220 Deficiency determinations.

If the Tax Administrator is not satisfied that any statement filed as required under the provisions of this Chapter is correct, or that the amount of tax is correctly computed, he or she may compute and determine the amount to be paid and make a deficiency determination upon the basis of the facts contained in the statement or upon the basis of any information in his or her possession or that may come into his or her possession within three (3) years of the date the tax was originally due and payable. One or more deficiency determinations of the amount of tax due for a period or periods may be made. When a person discontinues engaging in a cannabis business, a deficiency determination may be made at any time within three (3) years thereafter as to any liability arising from engaging in such cannabis business whether or not a deficiency determination is issued prior to the date the tax would otherwise be due. Whenever a deficiency determination is made, a notice shall be given to the person concerned in the same manner as notices of assessment are given under Section 5.38.240.

5.38.230 Failure to report—nonpayment, fraud.

A. Under any of the following circumstances, the Tax Administrator may make and give notice of an assessment of the amount of tax owed by a person under this Chapter at any time:

1. If the person has not filed a complete statement required under the provisions of this Chapter;

2. If the person has not paid the tax due under the provisions of this Chapter;
3. If the person has not, after demand by the Tax Administrator, filed a corrected statement, or furnished to the Tax Administrator adequate substantiation of the information contained in a statement already filed, or paid any additional amount of tax due under the provisions of this Chapter; or
4. If the Tax Administrator determines that the nonpayment of any cannabis business tax due under this Chapter is due to fraud, a penalty of twenty-five percent (25%) of the amount of the tax shall be added thereto in addition to penalties and interest otherwise payable under this Chapter and any other penalties allowed by law.

B. The notice of assessment shall separately set forth the amount of any tax known by the Tax Administrator to be due or estimated by the Tax Administrator, after consideration of all information within the Tax Administrator's knowledge concerning the business and activities of the person assessed, to be due under each applicable provision of this Chapter and shall include the amount of any penalties or interest accrued on each amount to the date of the notice of assessment.

5.38.240 Tax assessment - notice requirements.

The notice of assessment shall be served upon the person either by personal delivery, by overnight delivery by a nationally-recognized courier service, or by a deposit of the notice in the United States mail, postage prepaid thereon, addressed to the person at the address of the location of the business or to such other address as he or she shall register with the Tax Administrator for the purpose of receiving notices provided under this section; or, should the person have no address registered with the Tax Administrator for such purpose, then to such person's last known address. For the purpose of Section 5.38.240, a service by overnight delivery shall be deemed to have occurred one (1) calendar day following deposit with a courier and service by mail shall be deemed to have occurred three (3) days following deposit in the United States mail.

5.38.250 Tax assessment - hearing, application and determination.

Within thirty (30) calendar days after the date of service of the notice of assessment the person may apply in writing to the Tax Administrator for a hearing on the assessment. If application for a hearing before the City is not made within the time herein prescribed, the tax assessed by the Tax Administrator shall become final and conclusive. Within thirty (30) calendar days of the receipt of any such application for hearing, the Tax Administrator shall cause the matter to be set for hearing before him or her no later than thirty (30) calendar days after the receipt of the application, unless a later date is agreed to by the Tax Administrator and the person requesting the hearing. Notice of such hearing shall be given by the Tax Administrator to the person requesting such hearing not later than five (5) calendar days prior to such hearing. At such hearing said applicant may appear and offer evidence why the assessment as made by the Tax Administrator should not be confirmed and fixed as the tax due. After such hearing the Tax Administrator shall determine and reassess (if necessary) the proper tax to be charged and shall

give written notice to the person in the manner prescribed in Section 5.38.240 for giving notice of assessment.

5.38.260 Relief from taxes - disaster relief.

A. If a cannabis business is unable to comply with any tax requirement imposed under this Chapter due to a disaster, the business may notify the Tax Administrator of its inability to comply and request relief from the tax requirement. For purposes of this Chapter, “disaster” means fire, flood, storm, tidal wave, earthquake, or similar public calamity, whether or not resulting from natural causes.

B. The cannabis business shall provide any information required by the Tax Administrator including, without limitation, why relief is requested, the time period for which the relief is requested, and the reason relief is needed for the specific amount of time. The cannabis business agrees to grant the Tax Administrator or his/her designee access to the location where the cannabis business has been impacted due to a disaster.

C. The Tax Administrator, in his/her sole discretion, may provide relief from the cannabis business tax requirement for businesses whose operations have been impacted by a disaster if such tax relief does not exceed ten thousand (\$10,000) dollars. Such temporary relief may be granted for a reasonable amount of time, in the Tax Administrator’s sole discretion, and the amount and duration of relief should be based upon how long it would reasonably take for the cannabis business to recover from the disaster. The Tax Administrator may require that the cannabis business follow certain conditions to receive temporary relief from the cannabis business tax requirement.

5.38.270 Conviction for violation - taxes not waived.

The conviction and punishment of any person for failure to pay the required tax shall not excuse or exempt such person from any civil action for the tax debt unpaid at the time of such conviction. No civil action shall prevent a criminal prosecution for any violation of the provisions of this Chapter or of any state law requiring the payment of all taxes.

5.38.280 Violation deemed misdemeanor.

Any person violating any of the provisions of this Chapter shall be guilty of a misdemeanor.

5.38.290 Severability.

If any provision of this Chapter, or its application to any person or circumstance, is determined by a court of competent jurisdiction to be unlawful, unenforceable or otherwise void, that determination shall have no effect on any other provision of this Chapter or the application of this Chapter to any other person or circumstance and, to that end, the provisions hereof are severable.

5.38.300 Remedies cumulative.

All remedies and penalties prescribed by this Chapter or which are available under any other provision of this code and any other provision of law or equity are cumulative. The use of one or more remedies by the City shall not bar the use of any other remedy for the purpose of enforcing the provisions of this Chapter.

5.38.310 Amendment or modification.

Except as set forth in this section 5.38.310, this Chapter may be amended or modified but not repealed by the City Council without a vote of the people. However, as required by Article XIII C of the California Constitution, voter approval is required for any amendment that would expand, extend, or increase the rate of any tax levied pursuant to this Chapter. The people of the City of Vacaville affirm that the following actions shall not constitute an increase of the rate of a tax:

A. The restoration or adjustment of the rate of the tax to a rate that is no higher than that allowed by this chapter, in those circumstances where, among others, the City Council has previously acted to reduce the rate of the tax or is incrementally implementing an increase authorized by this chapter;

B. An action that interprets or clarifies (i) the methodology of applying or calculating the tax or (ii) any definition applicable to the tax, so long as the interpretation or clarification (even if contrary to some prior interpretation or clarification) is not inconsistent with the provisions of this Chapter 5.38; or

C. The collection of the tax imposed by this Chapter even if the City had, for some period of time, failed to collect the tax.

SECTION 2. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The people of the City of Vacaville hereby declare that they would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 3. ENVIRONMENTAL COMPLIANCE. The findings establishing that this Ordinance is in compliance with the California Environmental Quality Act (“CEQA”) are the same as those set forth in the City Council’s Resolution No. _____ calling for an election on this Ordinance. The CEQA findings in Resolution No. _____ are incorporated herein by this reference.
