**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3**

JOHN GARAMENDI

Occupation: Congressman & Rancher

Education and Qualifications: It's been a very difficult and tragic year, a year of anxiety and fear, a year of shutdowns and layoffs. The Covid-19 pandemic has shattered American life and for many their personal dreams of a good tomorrow. The very nature of our society and system of government, education and employment have been called into question.

Since 1776 Americans have endured hardships and pulled together to renew, restart, and continue the promise of our democracy. Now is the test of our character, our courage, and our capacity to respond to the challenge. I find optimism in our nation's history of perseverance to find the light in the face of seemingly insurmountable despair.

My greatest concern is the safety, health, and economic security of the people in my district. That is why I am proud to have voted for both the Cares Act and the Heroes Act, legislation that sent relief to millions of Americans. By following public health guidelines and working together we can get the infection rate down and have a reasonable chance of staying healthy, reopening businesses, and going back to work.

It's an honor being your voice in Congress as we work together to put our economy back on track. Together we must fight for quality education and health care for everyone. We must protect our environment, tackle climate change, create good middle class jobs and assure opportunities for everyone.

I thank you and express my sincere gratitude for your past support. I humbly ask for your vote.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DEL CONGRESO DE LOS ESTADOS UNIDOS, DISTRITO 3**

JOHN GARAMENDI

Ocupación: Congresista y Hacendado

Educación y perfil profesional: Ha sido un año muy difícil y trágico; un año de ansiedad, miedo, cierres y despidos. La pandemia de la Covid-19 ha destruido la vida de Estados Unidos y en el caso de muchos, sus sueños personales de un mejor futuro. Se ha puesto en duda la naturaleza misma de nuestra sociedad y sistemas de gobierno, educación y empleo.

Desde 1776, los estadounidenses han superado dificultades y han unido esfuerzos para renovar, reiniciar y continuar con la promesa de nuestra democracia. Estamos viviendo una prueba para nuestro carácter, nuestra valentía y nuestra capacidad para responder ante los desafíos. Encuentro el optimismo en la historia de perseverancia de nuestra nación para encontrar la luz ante la aparentemente insuperable desesperanza.

Mi mayor preocupación es la seguridad, salud y seguridad económica de las personas de mi distrito. Es por eso que me enorgullezco de haber votado tanto por la Ley Cares y la Ley Heroes que brindan asistencia a millones de estadounidenses. Cumpliendo con las normas de salud pública y trabajando en conjunto podemos disminuir la tasa de infección y tener la posibilidad razonable de mantenernos saludables, abrir nuevamente los comercios y volver a trabajar.

Es un honor ser su voz en el Congreso mientras trabajamos juntos para retomar el buen camino de nuestra economía. Juntos podemos luchar por una educación de calidad y cuidados de la salud para todos. Debemos proteger nuestro ambiente, enfrentar el cambio climático, crear buenos empleos para la clase media y garantizar oportunidades para todos.

Le agradezco sinceramente su apoyo en el pasado. Respetuosamente le pido su voto.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3**

TAMIKA HAMILTON

AGE: 35

Occupation: Air Force Sergeant

Education and Qualifications: I'm a veteran of the United States Air Force and proud mother. I take pride in serving my country and community. I'm passionate about restoring the hope of the American dream to our neighborhoods and securing the future for the next generation.

We need new representatives in Congress if we're going to secure that future – representatives who understand government exists to serve the whole community, not just the politically connected. As your representative in Congress, I promise to rise above the partisan rhetoric and empty battles that only end up hurting underserved communities and the very people government is supposed to protect.

Our farmers, small business owners, veterans and residents deserve the simple assurance of knowing they're fairly represented and that their needs come first. As your Congresswoman, I'll fight to ensure our farmers have access to water resources and to make sure government respects hardworking taxpayers by protecting free enterprise and keeping tax rates low, stable, and fair.

As a working woman and mother of four, I know all too well the struggles women face professionally – it's time to implement paid family leave at the federal level. I will work to get that done. To make sure underserved communities have access to opportunities, I'll work with the federal government to expand opportunity zones to working-class areas of our district.

You can count on me to complete the mission. I humbly ask for your trust and your vote. For more info visit VoteTamika.com.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 3**

TAMIKA HAMILTON

EDAD: 35

Ocupación: Sargento de la Fuerza Aérea

Educación y perfil profesional: Soy una veterana de la Fuerza Aérea de los Estados Unidos y una madre orgullosa. Me enorgullece servir a mi país y a mi comunidad. Me apasiona restaurar la esperanza del Sueño Americano en nuestros vecindarios y asegurar el futuro para la próxima generación.

Necesitamos nuevos representantes en el Congreso si queremos asegurar ese futuro, representantes que entiendan que el gobierno existe para servir a toda la comunidad, no solo a quienes están conectados políticamente. Como su representante en el Congreso, prometo superar la retórica partidista y las batallas vacías que solo terminan perjudicando a las comunidades desatendidas y a las mismas personas que se supone que el gobierno debe proteger.

Nuestros agricultores, pequeños propietarios de negocios, veteranos y residentes merecen la seguridad de saber que están representados de manera justa y que sus necesidades son lo primero. Como su congresista, lucharé para asegurar que nuestros agricultores tengan acceso a los recursos hídricos y para asegurarme de que el gobierno respete a los contribuyentes trabajadores protegiendo la libre empresa y manteniendo las tasas impositivas bajas, estables y justas.

Como mujer trabajadora y madre de cuatro hijos, conozco muy bien las luchas que enfrentan las mujeres profesionalmente; es hora de implementar la licencia familiar remunerada a nivel federal. Trabajaré para lograrlo. Para asegurarme de que las comunidades desatendidas tengan acceso a oportunidades, trabajaré con el gobierno federal para expandir las zonas de oportunidad a las áreas de clase trabajadora de nuestro distrito.

Pueden contar conmigo para cumplir la misión. Les pido humildemente su confianza y su voto. Para obtener más información, visite VoteTamika.com.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY
DISTRICT 11**

JIM FRAZIER

Occupation: Representing Solano County in the California State Assembly

Education and Qualifications: I am honored to represent Solano County in the California State Assembly. These are challenging times. Through weekly email/online updates, I have provided important information/resources for all of us effected by COVID-19 (sign up for updates at a11.asmdc.org). My office continues to be available for “hands-on” help with unemployment paperwork (call 707-399-3011). We have fought to preserve money in the budget for childcare, adult daycare and the intellectual and developmentally disabled.

Public safety remains my top priority. I support Black Lives Matter, banning chokeholds, peaceful protest and have the utmost respect for law enforcement, firefighters, 911 first responders and our Sheriff, who support my re-election.

As Transportation Committee Chair, I fought for funds to improve our aging roads, highways and bridges – requiring accountability for every dollar spent.

We established Solano County’s first Commission for Women and Girls; authored legislation to add domestic violence education to school curriculums and supported Solano County’s Family Justice Center which assists victims of domestic violence; voted to require prompt testing of rape kits to speed up criminal identification; authored legislation requiring PG&E to underground lines in fire prone areas; required drug makers to give 90-day notice before raising prices; authored laws to recognize Veterans on drivers’ licenses, protect overseas military rights, fund Veteran street banners, provide resources for Travis Air Force Base.

I am here to serve you – and will continue to scrutinize every issue, every dollar spent, so that each decision I make remains in your best interest.

Educación y perfil profesional: Es un honor para mí representar al Condado de Solano en la Asamblea del Estado de California. Estos son momentos difíciles. A través de actualizaciones semanales por correo electrónico o en línea, he proporcionado información y recursos importantes para todos nosotros que hemos sido afectados por la COVID-19 (regístrese para recibir las actualizaciones en a11.asmdc.org). Mi oficina sigue disponible para aportar ayuda “activa” con los trámites de desempleo (llame al 707-399-3011). Hemos luchado por preservar dinero en el presupuesto para el cuidado de niños, adultos y discapacitados intelectuales y del desarrollo.

La seguridad pública sigue siendo mi máxima prioridad. Apoyo a Black Lives Matter, la prohibición de estrangulamientos, las protestas pacíficas y tengo el mayor respeto por la preservación del orden público, los bomberos, los socorristas del 911 y nuestro Alguacil, quien apoya mi reelección.

Como Presidente del Comité de Transportación, luché por recaudar fondos para mejorar nuestras carreteras, autopistas y puentes antiguos, lo que requiere responsabilidad por cada dólar gastado.

Establecimos la primera Comisión para Mujeres y Niñas del Condado de Solano; redactamos la legislación para agregar la educación sobre violencia doméstica a los planes de estudio escolares y apoyamos el Centro de Justicia Familiar del Condado de Solano, el cual ayuda a las víctimas de violencia doméstica; votamos a favor de exigir pruebas rápidas con los kits de exámenes de violación para acelerar la identificación criminal; redactamos la legislación que le solicitó a la Compañía de Gas y Electricidad del Pacífico (Pacific Gas and Electric, PG&E) las líneas subterráneas en áreas propensas a incendios; exigimos a los fabricantes de medicamentos que avisaran con 90 días de antelación antes de subir los precios; redactamos leyes para reconocer a los Veteranos en las licencias de conducir, proteger los derechos militares en el extranjero, financiar las señalizaciones para Veteranos en las calles y proporcionar recursos para la Base de la Fuerza Aérea Travis.

Estoy aquí para servirles y continuaré examinando cada asunto, cada dólar gastado, de manera que cada decisión que tome sea de su mejor interés.

SCHOOL FACILITIES IMPROVEMENT DISTRICT NO. 2, RIVER DELTA UNIFIED SCHOOL DISTRICT – SCHOOL BOND MEASURE

Measure **K** would authorize the sale of general obligation bonds of the River Delta Unified School District (“District”) in series in the aggregate amount of up to \$14,600,000 on behalf of School Facilities Improvement District No. 2. This measure will not amend any existing laws. The District’s governing board placed the measure on the ballot.

Measure **K** requires approval by 55 percent of the voters of the District voting on it.

The stated purpose of this measure is to upgrade schools, retain/attract quality teachers by repairing leaky roofs; removing asbestos/mold; building science labs; updating aging technology, fire/drinking water safety; repairing, constructing, equipping/acquiring educational facilities to prepare students for college/careers.

Bond proceeds would be used to modernize, replace, renovate, expand, construct, acquire, equip, furnish, and otherwise improve the classrooms and school facilities of School Facilities District No. 2 as identified in the Project List (reprinted completely in the sample ballot pamphlet).

Inclusion of a project on the Project List does not guarantee that the project would be completed. The listed projects would be completed as needed at a school or facility site according to the Board’s priorities, and the order in which the projects appear on the Bond Project List is not an indication of priority. The District cannot guarantee that the bonds would provide sufficient funds to allow completion of all listed projects.

Some projects may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. Certain projects may require State matching funds for their completion.

The bond proceeds could not be used to pay for salaries and other operating expenses. The District would be required to conduct annual, independent financial and performance audits and appoint a citizen’s oversight committee to ensure that the bond proceeds are spent only for the specific projects listed in the Project List.

If Measure **K** is approved by the voters, the District may issue bonds either under the Government or Education Code. Bonds issued under the Government Code must mature within 30 years and may not have interest rates over 12%. Bonds issued under the Education Code must mature within 25 years and may be subject to a maximum interest rate of 8%. Each option comes with its own parameters, but in either case, the Board would be required to adopt a resolution indicating the reasons for the selected method of sale.

The procedures required for the approval and issuance of the general obligation bonds, including the process of submitting Measure **K** to the vote of the District’s electors, are as specified in the California Government, Education and Election Codes.

A “Yes” vote on this measure means: general obligation bonds totaling up to \$14,600,000 will be issued to fund specified school facilities projects.

A “No” vote on this measure means: general obligation bonds totaling up to \$14,600,000 will not be issued to fund specified school facilities projects.

MEASURE K
TAX RATE STATEMENT

An election will be held within the boundaries of School Facility Improvement District No. 2 ("SFID No. 2) of the River Delta Unified School District (the " School District") on November 3, 2020, to authorize the sale of up to \$14,600,000 in bonds to upgrade schools, retain/attract quality teachers by repairing leaky roofs; removing asbestos/mold; keeping schools safe; updating technology, fire/drinking water safety; repairing, constructing, equipping/acquiring educational facilities to prepare students for college/jobs/careers, with local funding that cannot be taken by the State, independent citizen oversight, no money for administrators, and all funds used for River Delta Schools within SFID No. 2.

If the bonds are authorized and sold, debt service thereon will be payable from the proceeds of tax levies made upon the taxable property in the SFID No. 2. The following information is provided in compliance with Sections 9400-9405 of the Elections Code of the State of California. It is anticipated that the School District will sell the bonds on behalf of SFID No. 2 in three series.

1. The best estimate of the average tax rate which would be required to be levied to fund this bond issue during the life of the bonds, based on estimated assessed valuations available at the time of filing of this statement, is 59.82¢ per \$100 (\$59.82 per \$100,000) of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2053- 2054.

2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 6.0¢ per \$100 (\$60.00 per \$100,000) of assessed valuation which would first occur in fiscal year 2021 – 2022.

3. The best estimate of total debt service, including principal and interest, which would be required to be repaid if all the bonds are issued and sold is \$27,724,507. This estimate is based on assumptions that interest rates will increase over time, and the Bonds will have a maximum term of 30 years per series. Voters should note that the estimated tax rates are based on the ASSESSED VALUE of taxable property on Sacramento, Solano, and Yolo County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the School District's projections and estimates only, which are not binding upon the School District. The actual tax rates, debt service, and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds.

The dates of sale and the amount of bonds sold at any given time will be determined by the School District based on the need for construction funds and other factors, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the School District as determined by the Sacramento County, Solano County, and Yolo County Assessors in the annual assessment and the equalization process.
