VOTING OPTIONS FOR ALL VOTERS

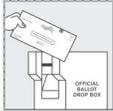

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of your home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-Off:

Starting 5-days before the election through Election Day - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1-day) - Poll Place drop-off locations are available on Election Day- all locations are open 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, all voters can request to vote "curbside" from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

COVID-19 INFO:

Poll Workers and Staff:

All poll workers will be provided masks and shields, additionally the Registrar of Voters will provide gloves, hand sanitizer, and disinfecting wipes.

Voters:

Face coverings will be provided to any voter requesting/needing one. Hand sanitizer and disposable pens will be provided to all voters. Voters without face coverings may vote from the safety of their vehicles as described above.

The Registrar of Voters encourages all citizens to follow the mandated health requirements to help protect our staff and community partners. Without our staff and volunteers we cannot successfully execute an election! Please help us minimize the risk to those helping to administer your voting rights!

The following pages outline the specific addresses, dates and hours available for each of the options on this page.

WHAT OFFICES ARE ON THE BALLOT FOR THIS ELECTION?

In the November Statewide General Election, all voters receive the same ballot, no matter what political party you are registered with (or if you have no party preference). The address where you are registered to vote determines which local contests are on your ballot.

In the June Primary Election, all Californians were able to vote to decide which candidates for federal and state offices moved on to the November General Election. You will see two different types of primaries: **Nominated by Voters**, and **Local Nonpartisan**.

California Top-Two Primary Nominated by Voters

- U.S. Senator
- U.S. Representative
- Governor
- Lieutenant Governor
- Secretary of State
- Controller
- Treasurer
- Attorney General
- Insurance Commissioner
- Board of Equalization
- State Assembly
- State Superintendent of Public Instruction

The top two candidates—the ones with the most votes—move to the General Election.

There is no write-in for these offices.

The candidates' party preference (or "None") **always** appears on the ballot.

Both candidates on the ballot may have the same party preference.

Nonpartisan Candidates

- County Supervisor*
- School Boards*
- Special District Boards*
- Municipal Offices*

If a candidate for these local offices received at least 50% plus 1 vote in the Primary, they are elected and are not in the General Election.

If no candidate won by a majority, the two candidates with the most votes are on the ballot.

You can write-in a qualified candidate for these offices.

The candidates' party preference **never** appears on the ballot.

* Not all districts have an election.

On June 8, 2010, California voters approved the Top-Two Open Primary Act (Proposition 14).

AGE: 46

Occupation: Assemblymember, 11th District

Education and Qualifications: In April, I was proudly serving as Suisun City's Mayor when the voters of the 11th Assembly District gave me the honor of serving out the remaining term of Assemblymember Jim Frazier – and I'm proud to have his endorsement.

Now, I'm asking for your support to allow me to represent you in the newly drawn Assembly District 11.

As promised, I hit the ground running fighting for issues you care about.

Homelessness: Securing funding for transitional shelters with wraparound services.

Jobs: Attracting new businesses to our communities to create jobs.

Healthcare: Fighting to expand healthcare options and improve our commitment to mental health services.

Education: I support increased accountability and transparency in schools, higher funding to improve student-teacher ratios, and making sure schools are staffed with nurses to keep students safe and healthy.

Inflation: I voted for the Middle Class Tax Refund to help Californians like you get through tough times by putting \$400 to \$700 in your pocket to fight inflation spurred by rising gas prices.

I'm using my degree in Business Administration and years of experience overseeing financial operations to trim the fat and make sure California's budget works for you!

I'm married to my high school sweetheart, retired Air Force Reserve Technical Sergeant Chavares Wilson. We have two sons, Tyler and Kiren, and a daughter-in-law, Brittny.

I am endorsed by: Senator Alex Padilla, Congressman John Garamendi, Congressman Mike Thompson, Lieutenant Governor Eleni Kounalakis, Attorney General Rob Bonta, State Senator Bill Dodd, Assemblymembers Tim Grayson, Cecilia Aguiar-Curry, Solano County Supervisors Erin Hannigan, John Vasquez, Assessor/Recorder Marc Tonnesen, Contra Costa County Supervisors Diane Burgis, Federal Glover, District Attorney Diana Becton I'd be proud to have your vote too.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

JENNY LEILANI CALLISON

AGE: 37

Occupation: Veteran, Legislative Consultant, Mother

Education and Qualifications: As a mother, United States Army Veteran, and native Californian - I am running to represent California State Assembly, District 11, to advocate on your behalf. I am passionate about improving the quality of life in our state to ensure a healthy and fulfilling future for the next generation.

For the previous ten years I worked for the California State Assembly, Veterans Affairs Committee. During that time I aided in drafting policy, analyzing potential legislation, and advocating for veterans, active duty military, and their families. As an Assemblymember, I will continue to build on that experience and those relationships to equip our veterans and the people of Assembly District 11 with the resources and tools needed to succeed.

I believe that the American Dream offers each generation the opportunity to do better than the next. I see my parents live that dream, and I live that dream thanks to them and their experiences. Today's generation is held back from that dream. There are too few housing options, and it is too expensive to start and run a business. My plan is to help small businesses succeed so they can create fulfilling employment for others, and to examine regulations that restrict the housing market.

With the right policy changes to make Californians lives easier, the American Dream can be yours.

I humbly ask for confidence and your vote.

Candidate - Assembly District 11

MEASURE E

SOLANO COUNTY LOCALLY CONTROLLED FUNDING FOR ESSENTIAL SERVICES MEASURE:

To provide general County services, such as enhancing fire protection to reduce wildfire risk, preventing spread of wildfires from wildland areas to residential neighborhoods, improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection shall Solano County's ordinance enacting a 1/8% sales tax until ended by voters be adopted, requiring independent oversight, audits, and all revenue controlled locally?	YES
	NO

Impartial Analysis of Measure E

SOLANO COUNTY – TRANSACTION AND USE TAX ORDINANCE

The County of Solano has proposed a general transactions and use tax (sales tax) of one-eighth of one cent per dollar (0.125%).

State law authorizes the County to levy a general sales tax if the ordinance proposing the tax is approved by a two-thirds vote of all members of the Board of Supervisors and the tax is approved by a majority of the qualified voters of the entire county voting in the election. On August 9, 2022 the Solano County Board of Supervisors adopted the ordinance and approved submitting it to the voters with four Supervisors voting in favor and one Supervisor voting against. If a majority of the voters in the County who vote on this measure vote "Yes," the measure will pass and the sales tax will be levied.

The proposed tax is a general sales tax that is estimated to raise \$9,000,000.00 annually. All revenue generated from the tax would be deposited into the County's General Fund and would be available for general governmental purposes. This measure does not restrict the use of the tax revenue to any specific purpose.

The tax would be paid in addition to the current sales tax. Like the current sales tax, the proposed tax would be imposed on all retailers in the incorporated and unincorporated territory of the County for the selling of tangible personal property, subject to certain exemptions and exclusions identified in the measure.

If approved, the tax would take effect immediately on November 8, 2022 and become operative on April 1, 2023. The tax would be levied for an indefinite term and could be terminated by a majority of the voters of the County of Solano by means of a ballot measure to repeal the tax at a future general or special election.

Measure E requires approval by simple majority of the voters of the County voting on it.

A "Yes" vote is a vote to authorize the County to levy a general sales tax of one-eighth of one cent per dollar (0.125%) on purchases throughout the County with certain exemptions and exclusions.

A "No" vote is a vote to not authorize the County to levy the proposed tax.

- (b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Transactions (Sales) and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- (c) To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Transactions (Sales) and Use Taxes.
- (d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

Sec. 11-703 Transaction Tax Rate. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated and unincorporated territory of the County at the rate of one eighth of one per cent (0.125%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Sec. 11-704 Place of Sale. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

Sec. 11-705 Use Tax Rate. An excise tax is hereby imposed on the storage, use or other consumption in the County of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of one eighth of one per cent (0.125%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state transactions (sales) or use tax regardless of the place to which delivery is made.

Sec. 11-706 Adoption of Provisions of State Law. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

Sec. 11-707 Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- (a) Wherever the State of California is named or referred to as the taxing agency, the name of this County shall be substituted therefor. However, the substitution shall not be made when:
 - (1) The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California.
 - (2) The result of that substitution would require action to be taken by or against this County or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.
 - (3) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
 - (A) Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
 - (B) Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

 - (1) "A retailer engaged in business in the County" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

Sec. 11-708 Permit Not Required. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

Sec. 11-709 Exemptions and Exclusions.

- (a) There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Bums Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

 - (A) With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-County address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and
 - (B) With respect to commercial vehicles, by registration to a place of business out-of-County and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
 - (3) The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.
 - (4) A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.
 - (5) For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
 - (3) If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.
 - (4) If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

 - (6) Except as provided in subparagraph (7), a retailer engaged in business in the County shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the County or participates within the County in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the County or through any representative, agent, canvasser, solicitor, subsidiary, or person in the County under the authority of the retailer.
 - (7) "A retailer engaged in business in the County" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3 .5 (commencing with Section 9840) of the Vehicle Code. Sec. 11-710 Amendments. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

Sec. 11-711 Enjoining Collection Forbidden. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the County, or against any officer of the State or the County, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

ARGUMENT IN FAVOR OF MEASURE E

With an ever-present and growing risk of wildfire that threatens our residential and rural communities, Measure E will provide enhanced wildfire prevention and protection to all of Solano County's residents.

The effect of prolonged drought conditions and extreme weather has increased the occurrence of wildfire in Solano County. The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities. This is what happened during the 2020 LNU Lightning Complex Fire that killed two Solano County residents, leveled 309 homes, destroyed thousands of livestock and family pets and forced the evacuations of Travis Air Force Base and portions of Fairfield and Vacaville.

A 2022 Solano County Civil Grand Jury report stated: "Solano County Is Not Prepared for Future Emergencies."

It is time to dedicate additional money and resources to address the challenges we face in Solano County. Wildfire does not respect county lines or city boundaries and revenues dedicated to wildfire prevention are shrinking.

Measure E will provide an estimated \$9,000,000 annually to support fire prevention and protection efforts across Solano County. It will provide additional fire response, including equipment and support programs, to improve 9-1-1 response times, thereby saving life and property.

Measure E will reduce the risk of wildfires threatening residential neighborhoods from rural areas by providing enhanced fire protection services to prevent the spread of fires into cities. Revenues will be used to create and maintain rural and city firebreaks and reduce dead trees and weeds in public open spaces.

We strongly urge you to vote YES on Measure E.

S// John M. Vasquez, Chair and District 4 Supervisor, Solano County Board of Supervisors

S// Jim Spering, District 3 Supervisor, Solano County Board of Supervisors

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE E

Vote NO on Measure E. More taxes don't mean better services or better decisions.

They're using scare tactics to just tax you more. You shouldn't pay for their uncontrolled overspending and mismanagement! They don't even tell you this is a GENERAL TAX and allows any three members of the elected Board of Supervisors to spend it for any purpose.

The County claims that "The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities." So, what has the County done taking care of "dead trees and tinder dry conditions?"

Property values are continuing to increase and as adjustments are made the County will receive more tax revenue. This sales tax increase is unnecessary. People are continuing paying higher costs of housing, food, energy, utilities and automobile fuel. And let's not even mention the looming recession. This measure totally disregards our current struggles.

The measure boasts a so called "independent citizen oversight," but the measure contains no spending guarantees that an oversight committee could enforce or they wouldn't be friends of the Board.

Increasing existing taxes isn't the solution! County officials must do more to cut costs! Stop overspending, and definitely cut back on their waste. We demand better management of our money, not higher taxes!

.Vote NO on Measure E. You alone are the best "Oversight" on how your money is spent, not their Appointees!

S// Michael Nolan, President Solano County Taxpayers Association

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

ARGUMENT AGAINST MEASURE E

How much more taxes are you willing to pay? When enough is enough?

Under our state constitution, “protection of public safety is the first responsibility of local government.” When budgeting, “local officials have an **obligation** to give priority to the provision of adequate public safety services.”

The County has neglected their responsibilities and now with this sales tax increase wants YOU to cover their negligence.

The Board of Supes wants to increase the sales tax to raise money for public safety services and probably your City has another local sales tax increase on the same ballot.

This is a General Fund tax that the County can spend on anything it desires. So you have to ask yourself, where is the \$9 million in additional taxes per year will be spend? The County claims that the money collected will be used for “ enhancing fire protection to reduce wildfire risk, preventing spread of wildfires , improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection. CAN YOU REALLY TRUST THEM?

This proposed General Fund tax is nothing more than an effort to circumvent the two-thirds vote requirement for special taxes. Measure E can be approved by only the simple majority vote (50%). This also circumvents state accountability laws designed to ensure that taxes imposed for specific purposes are spent as intended.

Sales tax revenues are falling because of the shift to on-line retailing. Increasing the sales tax now will hurt local merchants. There is no need to increase the sales tax!

Even the promise of “citizen oversight” is hollow. We know how “oversight committee appointees” work.

Are you tired of been taken for a chump? Don't be fooled. Vote NO on Measure E

S// Michael Nolan, President, Solano County Taxpayers Association

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

REBUTTAL TO ARGUMENT AGAINST MEASURE E

Don't be misled by the argument posed by opponents of Measure E, as there is too much at stake – namely the life and safety of Solano County residents.

This Board recognizes that it is time for everyone to come together to address the imminent threat of wildfire to our rural and residential neighborhoods. Devastating wildfires do not respect county lines nor city boundaries.

Your first line of defense, rural fire districts, are in the untenable position of providing fire protection with dwindling funding. Revenues are not keeping pace with the rising cost of fighting fires. Some of our rural fire districts are already in a state of crisis due to shortfalls.

These are largely volunteer departments made up of our friends and neighbors. They deserve better. When it comes to protecting life and property, we all have a responsibility to ensure our first responders have the tools and ability to do their job.

Measure E benefits from sales tax generated by those travelling in and out of Solano County. Oversight and routine audits will come with approval of Measure E. Claims to the contrary are designed to distract you from the dire need for enhanced fire protection and prevention services that could prevent the spread of wildfires into our residential neighborhoods.

Now is the time for action. Vote YES on Measure E.
