VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of your home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-Off:

Starting 5-days before the election through Election Day - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1-day) - Poll Place drop-off locations are available on Election Day- all locations are open 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, all voters can request to vote "curbside" from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

COVID-19 INFO:

Poll Workers and Staff:

All poll workers will be provided masks and shields, additionally the Registrar of Voters will provide gloves, hand sanitizer, and disinfecting wipes.

Voters:

Face coverings will be provided to any voter requesting/needing one. Hand sanitizer and disposable pens will be provided to all voters. Voters without face coverings may vote from the safety of their vehicles as described above.

The Registrar of Voters encourages all citizens to follow the mandated health requirements to help protect our staff and community partners. Without our staff and volunteers we cannot successfully execute an election! Please help us minimize the risk to those helping to administer your voting rights!

The following pages outline the specific addresses, dates and hours available for each of the options on this page.

WHAT OFFICES ARE ON THE BALLOT FOR THIS ELECTION?

In the November Statewide General Election, all voters receive the same ballot, no matter what political party you are registered with (or if you have no party preference). The address where you are registered to vote determines which local contests are on your ballot.

In the June Primary Election, all Californians were able to vote to decide which candidates for federal and state offices moved on to the November General Election. You will see two different types of primaries: **Nominated by Voters**, and **Local Nonpartisan**.

California Top-Two Primary Nominated by Voters	Nonpartisan Candidates
<ul style="list-style-type: none"> • U.S. Senator • U.S. Representative • Governor • Lieutenant Governor • Secretary of State • Controller • Treasurer • Attorney General • Insurance Commissioner • Board of Equalization • State Assembly • State Superintendent of Public Instruction 	<ul style="list-style-type: none"> • County Supervisor* • School Boards* • Special District Boards* • Municipal Offices*
<p>The top two candidates—the ones with the most votes—move to the General Election.</p>	<p>If a candidate for these local offices received at least 50% plus 1 vote in the Primary, they are elected and are not in the General Election.</p> <p>If no candidate won by a majority, the two candidates with the most votes are on the ballot.</p>
<p>There is no write-in for these offices.</p>	<p>You can write-in a qualified candidate for these offices.</p>
<p>The candidates' party preference (or "None") always appears on the ballot.</p> <p>Both candidates on the ballot may have the same party preference.</p>	<p>The candidates' party preference never appears on the ballot.</p> <p>* Not all districts have an election.</p>

On June 8, 2010, California voters approved the Top-Two Open Primary Act (Proposition 14).

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 8**

JOHN GARAMENDI

Occupation: Member of Congress

Education and Qualifications: I get things done for Solano County. As your Congressman, I fight for good jobs, good schools, good healthcare, and a good future.

The economy can't move if people can't move. I helped design and pass the Bipartisan Infrastructure Law to create jobs in Solano County. We'll upgrade I-80, rebuild highway 37, improve public transportation and water supply, and build green energy systems with American materials and workers.

As Chair of the Armed Services Readiness Subcommittee, I've secured \$440 million to upgrade Travis Air Force Base, guaranteeing the future of the base and its jobs.

I'll never forget our Veterans. In Congress, we've tripled funding for vets and passed the toxic burn pits act. We're building new VA medical facilities and expanding veteran healthcare services.

The middle class is America's backbone. That's why I support the Inflation Reduction Act, which lowers healthcare costs, allows Medicare to negotiate drug prices, decreases home energy costs, invests in environmental and economic justice, and expands solar, wind, and battery production

Healthcare is a right. As California's Insurance Commissioner, I designed America's first single-payer universal healthcare legislation. I lowered home and auto insurance rates, and stopped discriminatory redlining. I support Medicare for All.

Congress must pass a new voting rights law and legislation to provide universal child care, preschool, and paid family leave.

Experience matters. I would be honored to have your support to keep fighting for you in Congress.

**DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE LOS ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 8**

JOHN GARAMENDI

Ocupación: Miembro del Congreso

Educación y Competencia: Logro que las cosas se hagan para el Condado de Solano. Como su Congresista luché por buenos empleos, buenas escuelas, buen cuidado de la salud y un buen futuro.

La economía no puede movilizarse si la gente no puede moverse. Ayudé a diseñar y aprobar la Ley Bipartidista de Infraestructura para crear puestos de trabajo en el Condado de Solano. Mejoraremos la I-80, reconstruiremos la autopista 37, mejoraremos el transporte público y el suministro de agua y construiremos sistemas de energía ecológica con materiales y trabajadores estadounidenses.

Como Presidente del Subcomité de Preparación de las Fuerzas Armadas, he obtenido \$440 millones para mejorar la Base Travis de la Fuerza Aérea, garantizando el futuro de la base y sus puestos de trabajo.

Nunca olvidaré a nuestros Veteranos. En el Congreso, hemos triplicado los fondos para los veteranos y hemos aprobado la ley de fosas tóxicas. Estamos construyendo nuevas instalaciones médicas para la Administración de Veteranos y ampliando los servicios de cuidados de la salud para los veteranos.

La clase media es la columna vertebral de Estados Unidos. Es por este motivo que apoyo la Ley de Reducción de la Inflación, que reduce los costos de cuidados de la salud, permite a Medicare negociar los precios de los medicamentos, disminuye los costos de la energía para los hogares, invierte en la justicia medioambiental y económica, y amplía la producción de energía solar, eólica y de baterías

El cuidado de la salud es un derecho. Como Comisionado de Seguros de California, diseñé la primera legislación de asistencia sanitaria universal de pago único de Estados Unidos. Reduje las tarifas de los seguros del hogar y de los automóviles, y puse fin a las prácticas discriminatorias. Apoyo Medicare para Todos.

El Congreso debe aprobar una nueva ley sobre el derecho al voto y una legislación que proporcione atención infantil universal, educación preescolar y licencias familiares remuneradas.

La experiencia importa. Sería un honor contar con su apoyo para seguir luchando por usted en el Congreso.

**PAHAYAG NG KANDIDATO PARA
KINATAWAN NG ESTADOS UNIDOS SA KONGRESO, DISTRITO 8**

JOHN GARAMENDI

Trabaho: Miyembro ng Kongreso

Edukasyon at Kuwalipikasyon: Nagagawa ko ang mga bagay para sa County ng Solano. Bilang inyong Kongresista, lumalaban ako para sa magagandang trabaho, magagandang paaralan, magandang pangangalagang pangkalusugan, at magandang hinaharap.

Ang ekonomiya ay hindi makakasulong kung ang mga tao ay hindi makakasulong. Tumulong akong idisenyo at ipasa ang Dalawang Partidong Batas sa Impra-istruktura upang lumikha ng mga trabaho sa County ng Solano. Pagagandahin natin ang kalagayan ng I-80, muling itatayo ang highway 37, pahuhusayin ang suplay ng tubig, at itatayo ang mga sistema ng luntiang enerhiya sa pamamagitan ng mga materyal at manggagawa Amerikano.

Bilang Tagapangulo ng Subkomite sa Kahandaan ng Sandatahang mga Serbisyo, nakakuha ako ng \$440 milyon upang pagandahin ang Travis Air Force Base, iginagarantiya ang kinabukasan ng base at ng mga trabaho nito.

Hindi ko kalilimutan ang ating mga Beterano. Sa Kongreso, natriple namin ang pagpopondo para sa mga beterano at ipinasa ang batas sa nakakalasang burn pits. Nagtatayo tayo ng mga bagong pasilidad na medikal ng VA at nagpapalawak ng mga serbisyo sa pangangalagang pangkalusugan ng beterano.

Ang gitnang uri ay gulugod ng Amerika. Iyon ang dahilan kung bakit sinusupportahan ko ang Batas sa Pagbawas ng Implasyon, na nagbababa ng mga gastos sa pangangalagang pangkalusugan, nagpapahintulot sa Medicare upang isailalim sa negosasyon ang mga preeyo ng gamot, nagbabawas ng mga gastos sa enerhiya sa bahay, namumuhunan at hustisyang pangkapaligiran at pangkabuhayan, at nagpapalawak ng paglikhang kaugnay ng araw, hangin, at baterya

Ang pangangalagang pangkalusugan ay isang karapatan. Bilang Komisyoner ng Seguro ng California, idinisenyo ko ang kauna-unahang batas na nag-iisang tagabayad sa panlahat ng pangangalagang pangkalusugan. Ibinaba ko ang mga halaga ng seguro sa bahay at awto, at pinatigil ang nagdidiskriminang pagkakait ng serbisyo sa lugar ng mahihirap. Sinusuportahan ko ang Medicare para sa Lahat.

Ang Kongreso ay dapat magpasa ng isang bagong batas sa pagboto at batas upang magkaloob ng panlahat na pag-alaga sa bata, preschool, binabayaran na pampamilyang bakasyon.

Mahalaga ang karanasan. Ikararangal kong makuha ang inyong suporta upang manatiling lumalaban para sa inyo sa Kongreso.

RUDY RECILE

AGE: 54

Occupation: Retired-Military/Small-Business-Owner

Education and Qualifications: Hello, fellow Americans! I'm a proud Retired US Army Major, former US Department of Agriculture employee and owner of a small web design company. My family made Solano County our home for the past 16 years and hopefully for many years to come. My platform issues include energy independence for America, supporting the Bill of Rights, tax dollars accountability, public safety, support for veterans, California's environmental-water issues and quality education. I support successful public schools and I believe in equality of opportunity, where parents in every neighborhood should be free to send their children to a public, private, or charter school if they choose. I'm President of a children's education non-profit organization, and serve as treasurer for a Veterans of Foreign Wars Post. I volunteer with community organizations at monthly meetings, voter registration drives and other events. I served as a logistics officer at the Pentagon in Washington DC, interacting with staff and agencies in the highest levels of the military. I became savvy with the inner workings of various agencies, and how to successfully accomplish the mission. During the 2020 election cycle, I wasn't pleased with what I witnessed. I decided to run for congress because my 33 years of service to the United States has well prepared me to immediately serve you in Congress. I am on a mission to restore our country with new blood and fresh ideas. "Ang Inyong Lingkod" (At Your Service), Rudy

UU. y propietario de una pequeña empresa de diseño web. Mi familia hizo del Condado de Solano nuestro hogar durante los últimos 16 años y espero que por muchos años más. Los temas de mi plataforma incluyen la independencia energética de los Estados Unidos, apoyo a la Declaración de Derechos, responsabilidad por el dinero de los impuestos, seguridad pública, apoyo a los veteranos, asuntos ambientales del agua de California y educación de calidad. Apoyo a las escuelas públicas exitosas y creo en la igualdad de oportunidades, donde los padres de todos los vecindarios deberían ser libres de enviar a sus hijos a una escuela pública, privada o autónoma si así lo desean. Soy Presidente de una organización sin fines de lucro dedicada a la educación de los niños y soy tesorero de una publicación de Veteranos de Guerras en el Extranjero. As promised, I hit the ground running fighting for issues you care about.

Homelessness: Securing funding for transitional shelters with wraparound services.

Jobs: Attracting new businesses to our communities to create jobs.

I'm using my degree in Business Administration and years of experience overseeing financial operations to trim the fat and make sure California's budget works for you!

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

JENNY LEILANI CALLISON

AGE: 37

Occupation: Veteran, Legislative Consultant, Mother

Education and Qualifications: As a mother, United States Army Veteran, and native Californian - I am running to represent California State Assembly, District 11, to advocate on your behalf. I am passionate about improving the quality of life in our state to ensure a healthy and fulfilling future for the next generation.

For the previous ten years I worked for the California State Assembly, Veterans Affairs Committee. During that time I aided in drafting policy, analyzing potential legislation, and advocating for veterans, active duty military, and their families. As an Assemblymember, I will continue to build on that experience and those relationships to equip our veterans and the people of Assembly District 11 with the resources and tools needed to succeed.

I believe that the American Dream offers each generation the opportunity to do better than the next. I see my parents live that dream, and I live that dream thanks to them and their experiences. Today's generation is held back from that dream. There are too few housing options, and it is too expensive to start and run a business. My plan is to help small businesses succeed so they can create fulfilling employment for others, and to examine regulations that restrict the housing market.

With the right policy changes to make Californians lives easier, the American Dream can be yours.

I humbly ask for confidence and your vote.

MEASURE E

SOLANO COUNTY LOCALLY CONTROLLED FUNDING FOR ESSENTIAL SERVICES MEASURE:

To provide general County services, such as enhancing fire protection to reduce wildfire risk, preventing spread of wildfires from wildland areas to residential neighborhoods, improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection shall Solano County's ordinance enacting a 1/8% sales tax until ended by voters be adopted, requiring independent oversight, audits, and all revenue controlled locally?	YES
	NO

Impartial Analysis of Measure E

SOLANO COUNTY – TRANSACTION AND USE TAX ORDINANCE

The County of Solano has proposed a general transactions and use tax (sales tax) of one-eighth of one cent per dollar (0.125%).

State law authorizes the County to levy a general sales tax if the ordinance proposing the tax is approved by a two-thirds vote of all members of the Board of Supervisors and the tax is approved by a majority of the qualified voters of the entire county voting in the election. On August 9, 2022 the Solano County Board of Supervisors adopted the ordinance and approved submitting it to the voters with four Supervisors voting in favor and one Supervisor voting against. If a majority of the voters in the County who vote on this measure vote "Yes," the measure will pass and the sales tax will be levied.

The proposed tax is a general sales tax that is estimated to raise \$9,000,000.00 annually. All revenue generated from the tax would be deposited into the County's General Fund and would be available for general governmental purposes. This measure does not restrict the use of the tax revenue to any specific purpose.

The tax would be paid in addition to the current sales tax. Like the current sales tax, the proposed tax would be imposed on all retailers in the incorporated and unincorporated territory of the County for the selling of tangible personal property, subject to certain exemptions and exclusions identified in the measure.

If approved, the tax would take effect immediately on November 8, 2022 and become operative on April 1, 2023. The tax would be levied for an indefinite term and could be terminated by a majority of the voters of the County of Solano by means of a ballot measure to repeal the tax at a future general or special election.

Measure E requires approval by simple majority of the voters of the County voting on it.

A "Yes" vote is a vote to authorize the County to levy a general sales tax of one-eighth of one cent per dollar (0.125%) on purchases throughout the County with certain exemptions and exclusions.

A "No" vote is a vote to not authorize the County to levy the proposed tax.

Sec. 11-710 Amendments. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

ARGUMENT IN FAVOR OF MEASURE E

With an ever-present and growing risk of wildfire that threatens our residential and rural communities, Measure E will provide enhanced wildfire prevention and protection to all of Solano County's residents.

The effect of prolonged drought conditions and extreme weather has increased the occurrence of wildfire in Solano County. The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities. This is what happened during the 2020 LNU Lightning Complex Fire that killed two Solano County residents, leveled 309 homes, destroyed thousands of livestock and family pets and forced the evacuations of Travis Air Force Base and portions of Fairfield and Vacaville.

A 2022 Solano County Civil Grand Jury report stated: "Solano County Is Not Prepared for Future Emergencies."

It is time to dedicate additional money and resources to address the challenges we face in Solano County. Wildfire does not respect county lines or city boundaries and revenues dedicated to wildfire prevention are shrinking.

Measure E will provide an estimated \$9,000,000 annually to support fire prevention and protection efforts across Solano County. It will provide additional fire response, including equipment and support programs, to improve 9-1-1 response times, thereby saving life and property.

Measure E will reduce the risk of wildfires threatening residential neighborhoods from rural areas by providing enhanced fire protection services to prevent the spread of fires into cities. Revenues will be used to create and maintain rural and city firebreaks and reduce dead trees and weeds in public open spaces.

We strongly urge you to vote YES on Measure E.

S// John M. Vasquez, Chair and District 4 Supervisor, Solano County Board of Supervisors

S// Jim Spering, District 3 Supervisor, Solano County Board of Supervisors

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE E

Vote NO on Measure E. More taxes don't mean better services or better decisions.

They're using scare tactics to just tax you more. You shouldn't pay for their uncontrolled overspending and mismanagement! They don't even tell you this is a GENERAL TAX and allows any three members of the elected Board of Supervisors to spend it for any purpose.

The County claims that "The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities." So, what has the County done taking care of "dead trees and tinder dry conditions?"

Property values are continuing to increase and as adjustments are made the County will receive more tax revenue. This sales tax increase is unnecessary. People are continuing paying higher costs of housing, food, energy, utilities and automobile fuel. And let's not even mention the looming recession. This measure totally disregards our current struggles.

The measure boasts a so called "independent citizen oversight," but the measure contains no spending guarantees that an oversight committee could enforce or they wouldn't be friends of the Board.

Increasing existing taxes isn't the solution! County officials must do more to cut costs! Stop overspending, and definitely cut back on their waste. We demand better management of our money, not higher taxes!

.Vote NO on Measure E. You alone are the best "Oversight" on how your money is spent, not their Appointees!

S// Michael Nolan, President Solano County Taxpayers Association

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

ARGUMENT AGAINST MEASURE E

How much more taxes are you willing to pay? When enough is enough?

Under our state constitution, “protection of public safety is the first responsibility of local government.” When budgeting, “local officials have an **obligation** to give priority to the provision of adequate public safety services.”

The County has neglected their responsibilities and now with this sales tax increase wants YOU to cover their negligence.

The Board of Supes wants to increase the sales tax to raise money for public safety services and probably your City has another local sales tax increase on the same ballot.

This is a General Fund tax that the County can spend on anything it desires. So you have to ask yourself, where is the \$9 million in additional taxes per year will be spend? The County claims that the money collected will be used for “ enhancing fire protection to reduce wildfire risk, preventing spread of wildfires , improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection. CAN YOU REALLY TRUST THEM?

This proposed General Fund tax is nothing more than an effort to circumvent the two-thirds vote requirement for special taxes. Measure E can be approved by only the simple majority vote (50%). This also circumvents state accountability laws designed to ensure that taxes imposed for specific purposes are spent as intended.

Sales tax revenues are falling because of the shift to on-line retailing. Increasing the sales tax now will hurt local merchants. There is no need to increase the sales tax!

Even the promise of “citizen oversight” is hollow. We know how “oversight committee appointees” work.

Are you tired of been taken for a chump? Don't be fooled. Vote NO on Measure E

S// Michael Nolan, President, Solano County Taxpayers Association

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

REBUTTAL TO ARGUMENT AGAINST MEASURE E

Don't be misled by the argument posed by opponents of Measure E, as there is too much at stake – namely the life and safety of Solano County residents.

This Board recognizes that it is time for everyone to come together to address the imminent threat of wildfire to our rural and residential neighborhoods. Devastating wildfires do not respect county lines nor city boundaries.

Your first line of defense, rural fire districts, are in the untenable position of providing fire protection with dwindling funding. Revenues are not keeping pace with the rising cost of fighting fires. Some of our rural fire districts are already in a state of crisis due to shortfalls.

These are largely volunteer departments made up of our friends and neighbors. They deserve better. When it comes to protecting life and property, we all have a responsibility to ensure our first responders have the tools and ability to do their job.

Measure E benefits from sales tax generated by those travelling in and out of Solano County. Oversight and routine audits will come with approval of Measure E. Claims to the contrary are designed to distract you from the dire need for enhanced fire protection and prevention services that could prevent the spread of wildfires into our residential neighborhoods.

Now is the time for action. Vote YES on Measure E.

CITY OF VALLEJO SAFE STREETS AND ESSENTIAL SERVICES MEASURE:	
To maintain critical city services, such as keeping public spaces healthy/safe/clean; maintaining fire protection/emergency medical response/crime prevention; addressing homelessness/blight/ dumping; repairing deteriorating neighborhood streets/roads/sidewalks; and for general government use; shall the City of Vallejo adopt a measure establishing a 0.875% sales tax, providing \$18,000,000 annually until ended by voters, requiring audits, independent citizen oversight, and all funds legally required to be spent locally?	YES
	NO

**CITY ATTORNEY’S IMPARTIAL ANALYSIS OF MEASURE P
CITY OF VALLEJO SAFE STREETS
AND ESSENTIAL SERVICES MEASURE**

The Vallejo City Council approved Measure P at its meeting on July 12, 2022 and requested that Solano County place Measure P on the ballot at the November 8, 2022 general election. Measure P is a transactions and use tax within the City of Vallejo that would tax retail sales at the rate of seven eighths of one percent (.875%) of the retail sales price, i.e. seven eighths of one cent for an item that costs one dollar.

The current sales tax rate in Vallejo is 8.375%. The City receives 2% and the remainder is divided between the State of California and other taxing entities within Solano County.

Measure P is a “transactions and use tax.” A transactions and use tax is collected in the same manner as a traditional sales tax with minor exceptions. Measure P would authorize a seven eighths of one percent (.875%) transactions and use tax which would increase the combined sales tax in Vallejo to 9.25 percent (9.25%).

Measure P is classified as a general tax and not a special tax. General tax proceeds may be used for any municipal purpose including, but not limited to keeping public spaces healthy, safe and clean; maintaining fire protection, emergency medical response and crime prevention; addressing homelessness, blight and dumping; and repairing deteriorating neighborhood streets, roads and sidewalks. Retailers collect the tax from customers at the time of a retail purchase and remit the funds to the California Department of Tax and Fee Administration, which administers the tax. The tax will be paid by anyone who purchases goods at retail establishments within Vallejo. The tax will also apply to the purchase, by Vallejo residents, of automobiles, boats and aircraft purchased anywhere within the State of California.

Measure P is estimated to generate approximately eighteen (18) million dollars in revenue annually which may be used as identified above. Measure P requires oversight in the form of independent financial audits and citizen oversight. These audits are public records and available for inspection by any member of the public. The City Council will appoint a seven-member citizen oversight board. The board will review tax expenditures and report to the City Council. The City Council will hold a public hearing to review, discuss and have public comment on the citizen oversight board report.

A “Yes” vote is a vote in favor of the tax. A “No” vote is a vote against the tax. Measure P will be approved if it receives a simple majority of “Yes” votes.

THE PEOPLE OF THE CITY OF VALLEJO DO ORDAIN AS FOLLOWS:

SECTION 1. Section 3.09.020 of the Vallejo Municipal Code is hereby amended to read as follows:

3.09.020 - Definitions.

For the purposes of this chapter the following terms shall have the meanings given in this section:

A. "City" means the incorporated territory of the city.

B. "Operative date" means the first day of the first calendar quarter commencing more than one hundred ten days after the adoption of this chapter and the approval by the voters of the city of a measure approving the imposition of a transaction and use tax; provided, that if the city shall not have contracted with the ~~state board of equalization~~ **California Department of Tax and Fee Administration** as required by Section 3.09.040 prior to such date, the city shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

SECTION 2. Section 3.09.030 of the Vallejo Municipal Code is hereby amended to read as follows:

3.09.030 - Purpose.

The city council hereby declares that this chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the city to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the sales and use tax law of the state of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the **California Department of Tax and Fee Administration** in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the **California Department of Tax and Fee Administration** in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of recordkeeping upon persons subject to taxation under the provisions of this ordinance.

SECTION 3. Section 3.09.040 of the Vallejo Municipal Code is hereby amended to read as follows:

SECTION 5. Section 3.09.060 of the Vallejo Municipal Code is hereby amended to read as follows:

3.09.060 - Place of sale.

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. SECTION 6. Section 3.09.075 of the Vallejo Municipal Code is hereby added to read as follows:

3.09.075 - Imposition of use tax, use tax rate.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the state of California is named or referred to as the taxing agency, the name of the city shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, *California Department of Tax and Fee Administration*, or the Constitution of the State of California;
2. The result of that substitution would require action to be taken by or against this city or any agency, officer, or employee thereof rather than by or against the state board of equalization *California Department of Tax and Fee Administration*, in performing the functions incident to the administration or operation of this chapter.
3. In those sections, including, but not necessarily limited to, sections referring to the exterior boundaries of the state of California, where the result of the substitution would be to:
 - a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the state under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or
 - b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "city" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

SECTION 8. Section 3.30.160 is hereby added to Chapter 3.09 and shall read as follows:

3.30.160 Independent annual audit.

The proceeds resulting from the transactions and use tax imposed by this chapter shall be deposited into the City's general fund and shall be subject to the same independent annual audit requirements as other general fund revenue. The independent auditor's report, which shall include an accounting of the revenues received and expenditures made from the transactions and use tax, will be presented annually to the Citizens' Oversight Committee, the City Council and made available for public review.

SECTION 9. Section 3.30.170 is hereby added to Chapter 3.09 and shall read as follows:

3.30.170 Citizens' Oversight Committee.

A. A Citizens' Oversight Committee is hereby established to independently review and advise upon the City's expenditure of proceeds generated by the transactions and use tax. The Committee shall meet at least twice each calendar year and more frequently, if necessary, to discharge the responsibilities of the Committee. All meetings of the Committee shall be held in accordance with provisions of the Ralph M. Brown Act (California Government Code Section 54950 et seq.).

1. The Committee shall consist of seven members, all of whom shall be residents of the City of Vallejo. The City shall initially post and publish notice soliciting applications for persons interested in being members of the Committee and shall thereafter repost and republish notice soliciting applications as necessary to fill vacancies on the Committee. The City Council shall review all applications for eligibility and at a public meeting appoint seven eligible applicants to serve as members of the Committee. Council Members and the Mayor shall each appoint one member. Members appointed by Council Members shall be residents of the corresponding Council District of the appointing Council Member. Four members of the Committee shall constitute a quorum. Members of the Committee shall not receive a stipend for their service. Any additional responsibilities and duties of the Committee shall be established by resolution of the City Council. Except as otherwise set forth in this section 3.09.170, the Committee shall be subject to Chapter 2.26 of this Code.

2. The Citizens' Oversight Committee shall annually review and report on (a) the City's proposed and actual expenditure of proceeds generated by the transactions and use tax and (b) the independent annual audit required under this chapter. The Committee's report shall be submitted to the City Council for review and discussion at a public meeting of the City Council and shall be available to the public.

3. The City shall provide such staff resources as are reasonably necessary to assist the Committee with the discharge of its duties under this chapter. The Committee shall not have authority to hire or retain its own staff, consultants, or contractors.

SECTION 10. SEVERABILITY. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the Ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 11. CONSTRUCTION. To the extent the provisions of the Vallejo Municipal code as amended by this Ordinance are substantially the same as the provisions of that Code as it read earlier, those provisions shall be read as continuations of earlier enactments and not as new enactments.

SECTION 12. EFFECTIVE DATE. This Ordinance shall be submitted to the voters at an election to be held on November 8, 2022. Upon approval by a majority of the voters of the City voting on this Ordinance, this Ordinance shall take effect 10 days after the City Council certifies the result of the election, as provided by Elections Code section 9217, and the Transactions and Use Tax shall be increased as provided for in this Ordinance.

ARGUMENT IN FAVOR OF MEASURE P

Vote YES on P for a Healthy, Safe, and Clean Vallejo!

YES on P for safe streets! It's no secret - Vallejo has some of the worst roads in the entire Bay Area. More than half of our streets are rated poor or very poor by the US Army Corps of Engineers! They will only get MORE dangerous, damage more cars, endanger more children on the way to school, and get more expensive to fix -we need **Measure P** NOW.

YES on P for fast emergency response times! Vallejo 911 emergency response times are much longer than national standards. **YES on P** reopens Vallejo's closed fire station so firefighters can more quickly respond to medical and other emergencies, especially with fire season nearly year round now. This is when seconds count!

YES on Measure P will:

- Keep public spaces safe/clean
- Maintain fire protection/crime prevention/emergency medical response
- Address homelessness
- Repairing deteriorating streets/prevent damages to cars
- Attract/retain local jobs and businesses
- Prevent blight/dumping

YES on P to keep OUR public spaces safe and clean! Too many public places in Vallejo have become rundown, providing areas for illegal activities and illegal dumping of trash. We need **Measure P** to prevent blight and dangerous illegal dumping in our community.

YES of P is accountable. Measure P requires Independent Citizens Oversight, public disclosure of spending, and mandatory financial audits to ensure funds are spent on OUR priorities. By law, ALL Measure P funds must stay here in Vallejo - not a penny can be taken by the State.

Measure P is NOT a tax on your home or property, visitors pay their fair share, and it does NOT apply to food purchased as groceries and prescription medications.

Join us in voting **YES on P** for Healthy, Safe, Clean Vallejo for ALL!

REBUTTAL TO ARGUMENT IN FAVOR OF VALLEJO SALES TAX MEASURE P

This Measure P sales tax increase **doesn't guarantee** street repairs, improved emergency response, or addressing homelessness and illegal dumping. This money goes into the City's general fund, where it can be used however the City Council or staff wants, including filling other shortfalls caused by City mismanagement.

Measure P is City Hall deceiving us taxpayers to fund their gross fiscal negligence, using the same empty promises we've heard before.

That's precisely what's happening with the current City of Vallejo Measure B sales tax increase we've been paying for over 10 years. Promises were made and broken.

We don't need another taxpayer-funded bailout, we need city accountability!

Our City leaders want taxpayers to suffer yet another burden at a time our community is still recovering from the pandemic and struggling with inflation. This sales tax bailout disproportionately hits our most vulnerable citizens and hurts our small businesses. This lifetime tax increase has no end date. Our leaders pass the buck to us **permanently**, rather than cleaning up City Hall.

Their promised citizens oversight committee is a farce. Sales taxes are included in the overall city budget. Appointing a committee that oversees only this portion of city spending is absurd. Oversight is the City Council's responsibility, which they've consistently abdicated. Future City Councils can also ignore this committee, spending our money once again for salary raises, lawsuit payouts, and even more wasteful spending.

Until our leaders have earned our trust, they haven't earned even more taxes.

ARGUMENT AGAINST MEASURE P

Last city election we were asked to increase our sales tax yet again. Vallejo voters said NO. Now the Vallejo City Council majority places another, higher tax on the ballot.

Their promises about this tax increase are the same as 2020, and 2011 when voters agreed to a 1% sales tax increase. Those promises weren't kept. Instead the "temporary" 2011 tax was made permanent.

This tax increase can be spent however the Vallejo City Council wants, regardless of how they say they'll spend it. The Vallejo City Council majority spends our money irresponsibly.

Consider this reckless spending:

- **\$13 million** for a new waterfront police building needing **\$43 million** more for police use. The City is now looking for better locations.
- **\$500,000** cell phone tower emulator, despite no staff to use it.
- **\$800,000** house purchase near water department, with no explanation why it's needed.
- 157 acres on Mare Island sold for **\$3 million** ignoring another offer for *triple* that. The City spent **\$3 million** on hazardous cleanup resulting in a giveaway.
- **\$700,000** "discretionary" slush fund. **\$100,000** for each Councilmember to spend without accountability.
- **\$300,000** promoting the 2020 City of Vallejo Measure G tax increase!
- **\$500,000** payout to fire the city manager. Hired inexperienced replacement for top dollar.
- **\$2.6 million** affordable housing grant must be returned to Feds due to city "mismanagement".
- **\$50 million** liability for police killings/misconduct.

Vallejo received **\$26 million** American Rescue Plan funding. Millions more are coming from new infrastructure law for street repairs.

The Vallejo City Council is now considering giving themselves a pay raise!

This regressive tax increase hits low/middle income people hardest and damages businesses. We'll have the highest tax in Solano County. You'll pay the city **\$420 more for the average price new car!**

The City spends carelessly and wants us to pay their bill. Say **NO** to city waste and more new taxes.

REBUTTAL TO ARGUMENT AGAINST MEASURE P

Let's be clear - Measure P lets the COMMUNITY decide Vallejo's direction - not politicians and bureaucrats.

We have all driven Vallejo's roads-hitting potholes, swerving to avoid them, narrowly avoiding someone else swerving!

The safety of our streets is a dire situation. Getting around Vallejo should never be dangerous - we should not risk expensive damage to our vehicles just to get to work or put kids in danger just trying to get to school.

Vallejoans expect, demand and deserve safe streets and healthy, safe, clean neighborhoods. Homelessness, crime, gangs, and public dumping/blight are serious concerns. Measure P ensures that COMMUNITY priorities for Vallejo are addressed.

Your **YES on P** vote will:

- Make Vallejo's roads/neighborhoods safer and improves our quality of life
- Provide safe routes to school for children
- Help ensure our firefighters/paramedics can reach people in crisis quickly
- Maintain youth programs that keeps kids out of trouble

When our community is safe, our economy will get stronger. NO ONE will want to do business here if it is not safe!

Measure P is NOT applied to food purchased as groceries or prescription medication.

Measure P is NOT a tax on your home or property.

Measure P includes Independent Citizens Oversight and mandatory financial audits to ensure funds are spent on OUR priorities -- NO politician can spend one penny without oversight.

ALL Measure P funds STAY LOCAL to benefit Vallejoans and can't be touched by state or federal government.

Vote YES on P - make our neighborhoods and streets safer!
