Dedicated to Mayor Harry Price

I would like to dedicate the newsletter in honor of Mayor Harry Price. Mayor Price deeply cared about the citizens of Fairfield. He attended many activities in the community. A retired English teacher, his gift of the language when he gave speeches will be missed.

Where I've Been Lately...

During the holiday break, I attended several events.

On Friday, December 16, I along with Vallejo Mayor Robert McConnell recognized the Taylor Family and the joy they brought thousands of families over the last 20 years with their Christmas display.

On Saturday, December 17 at 9 a.m. there was a ceremony at Mare Island cemetery known at Wreaths Across America. With the help of many, every grave site received a Christmas wreath. I always find the event very moving.

On Sunday, December 18 my family and friends and I went to see the Benicia Ballet production of the Nutcracker at Solano Community College Theater. What a delight to see a live event.

Good paying Court Recorder jobs, local community college offer classes

In a recent Cal Matters e-newsletter article by the [Voice of OC](#), Court Chiefs are ringing the alarm bells when it comes to a shortage of Court Reporters to transcribe hearings. Court reporters serve a critical role in the justice system, providing a key record crucial for appeals and misconduct probes of attorneys and judges. These are good paying jobs where people can get trained locally, including [programs at the College of Marin](#) with campuses in Kenfield and Novato. Check it out to learn more.

First elected in 2016, Monica represents District 2 on the Solano County Board of Supervisors. District 2 encompasses the city of Benicia, the portion of Vallejo south of Georgia Street, Mare Island, Cordelia, Green Valley and a portion of Fairfield.
