PURPOSE STATEMENT – Community Corrections Partnership

The mission of the Community Corrections Partnership (CCP) is to discuss issues related to the implementation of various pieces of state legislation that focus on adult criminal offenders, including the realignment of many state public safety functions to local jurisdictions. The overall objective is to reduce the recidivism rate of adult offenders in the local criminal justice system.

Membership of the CCP is defined by the Community Corrections Performance Incentive Act of 2009 (SB 678) and includes the Chief Probation Officer (Chair)*, Presiding Judge of the Superior Court* or his or her designee, a County Supervisor or County Administrator, District Attorney*, Public Defender*, Sheriff*, the head of the Department of Social Services*, the head of the County Department of Mental Health, the head of the County Department of Employment, the head of the County Alcohol and Substance Abuse programs, the County Superintendent of Education, a local chief of police*, a representative of a community-based organization with experience in successfully providing rehabilitative services to persons convicted of criminal offenses, and an individual who represents the interests of victims.

Through AB 109/AB117 the CCP is responsible for recommending a local plan to the county Board of Supervisors (BOS) for the implementation of public safety realignment. This legislation also established an Executive Committee within the CCP. Each Executive Committee member is identified with an asterisk (*) above. The Executive Committee is responsible for approving the local plan for recommendation to the BOS.

This agenda shall be made available upon request in alternative formats to persons with a disability, as required by the Americans with Disabilities Act of 1990 (42 U.S.C. § 12132) and the Ralph M. Public Safety Local Plan Development Minutes
February 13, 2013**

Chief Hansen welcomed members and requested introductions. In addition, he welcomed the Chief Walt Tibbet from the Fairfield Police Department, and introduced Melissa Johnson, Criminal Justice Researcher. Melissa will work on the AB109 project and is assigned to the Probation Department.

Dennis Bunting, County Counsel clarified speaking allotments for public comments pertaining to action items. The committee will follow the Board of Supervisors' rules. The public is allotted three (3) minutes to speak on each action item. Public speakers may ask the Chair for additional time, if needed. With regards to public comments, five (5) minutes are allotted.

Approval of Agenda

Patrick Duterte made a motion to approve the agenda. Motion seconded by Lesli Caldwell. No opposition. Motion carried (6-0).

Public Comment:

Robert Schussel - A Vallejo resident voiced his concerns regarding the seating arrangements. He believes this particular arrangement is pushing the public further away from the meeting. He would like tables, for writing purposes, for the public as opposed to just chairs. He is asking the committee to be cognizant of this request.

Mr. Schussel felt the Vallejo City meeting on January 31, 2013, located at the Florence Douglas Senior Center was "staged, condescending, and a waste of time." He felt the public was not being heard. Also he inquired regarding the presence of four (4) Deputy Sheriffs at both City meetings, which he believes wasted over a \$1,000 per meeting of taxpayers' money.

Chief Hansen spoke regarding the Sheriff's Enforcement Team's (SET) presence at the City meetings. He clarified that the four team members were asked to be at the meeting. The SET Team is part of and funded by the Community Corrections Partnership (CCP). The purpose of the team's presence was to answer the public's questions regarding enforcement at the Service Center.

Approval of Minutes

Correction noted for the January 16, 2013 minutes replacing "disturbed" with distributed on page 5.

Richard Word made a motion to approve the minutes. Motion seconded by Don du Bain. No opposition. Motion carried (6-0).

Stephan Betz presented statistical information for offenders referred and receiving services through Health and Social Services from January – December 2012.

Public Comments Regarding the Data Report:

Robert Schussel – A Vallejo resident requested the distribution of a handout explaining CCP acronyms. In addition, he asked for previous criminal statistics (5-10 years) on the 1170(h) (N3's) population.

**Community Corrections Partnership Meeting
Public Safety Local Plan Development Minutes
February 13, 2013**

Don du Bain clarified 1170 (h) inmates are not eligible for local jail treatment if violent or serious felonies have been committed. The PRCS offenders (inmates exiting prison) are released based on their last offense. If the last offense is non-serious, non-violent, or a non-sex offense; inmates are eligible for PRCS supervision under the jurisdiction of the probation department.

Budget Update: *(See Handout – 2011 Public Safety Realignment (AB109) Budget – February 13, 2013)*

Ian Goldberg, Liaison for the Criminal Justice Section of the Budget, gave an overview and explanation of the updates regarding the Public Safety Realignment Budget. In addition, all requests for this meeting were included in the Budget Report handout.

Public Comments Regarding the Budget Report:

No name given: She expressed concerns regarding the Fairfield location and if that will be about 50% of the parolees going to each area.

Chief Hansen stated a discussion will take place when we get to that area of the agenda.

CDCR Parole Update:

Chief Hansen clarified the following for the public: The PRCS population should not be referred to as “Parolees.” The correct term is Post Release Community Supervision offenders (PRCS). The terms Parolee and PRCS are not interchangeable. Parolees are supervised by the state. The Probation Department supervises probationers and PRCS offenders released from the California Department of Correction and Rehabilitation (CDCR) under Post Release Supervision.

Deborah Johnson, North Bay District Administrator reported statistical information on active parole cases and violators in Solano County.

- 730 Active Parolees in Solano County
- 90 Additional Parolees are Suspended or in Revoked Status
- Active Parolees by City: 416 Fairfield; 49 Suisun; 294 Vallejo; 92 Vacaville
- 55,000 on Parole Currently down from 120,000 in Fiscal Year 2009-2010
- 30,000 on Parole by Fiscal Year 2015-16

Deborah Johnson reported Parole Offices are being consolidated or closing down monthly. The Concord and Richmond office will consolidate into one Parole Unit, and the Hayward Unit has been closed and moved to the Oakland Unit. The Vallejo office will be moving into the Fairfield Unit. Deborah included the following websites for more information regarding Public Safety Realignment:

Sheriff's Office Request Update:

Gary Faulkner reported for the Sheriff's Office, which requested the CCP to approve a recommendation to the Board of Supervisors (BOS) for funding for the purpose of retaining consultants in the fields of evidence-based inmate programming, educational/vocational programming, cognitive behavioral therapy, facility policy and operations to review current programs and policies/procedures in order to develop pro-active programs. Through expanded programming, inmates will receive life-skills' training. Don du Bain made a motion to approve the recommendation for funding. Motion seconded by Patrick Duterte. No opposition. Motion carried (6-0).

Gary Faulkner also requested the CCP approve a recommendation to the BOS for funding, not to exceed the amount of \$107,000, for a 1.0 FTE Program Manager. The Program Manager will manage the Sheriff's inmate program and reentry services. This request is needed to further develop jail programs and services geared at reducing recidivism. Lesli Caldwell made a motion to approve the request. Don du Bain seconded the motion. No opposition. Motion carried (6-0).

Public Comments Regarding the Sheriff's Office Request:

Robert Schussel - A Vallejo resident feels the Sheriff's request is a great idea. He expressed concerns in that the staff report was not clear regarding the role of the consultant working with the Sheriff's Office as well as Health and Social Services. In addition, he voiced concerns in that the staff report was not clear regarding the role of the Program Manager.

Day Reporting Center Subcommittee Update:

Donna Robinson presented an update on the DRC subcommittee's assigned tasks. The committee met on January 24, 2013 to review Corrections Consultant Tom White's updated Framework, which included Component 7- Positive Reinforcement and Sanctions, and a name for the Service Center that would reflect the actual services being provided and align with the goals of the Center. The subcommittee requested that the CCP approve a recommendation to the BOS to accept the Service Center Framework submitted by Tom White dated February 2013, and a name change for the Service Center from the Day Reporting Center (DRC) to the Solano County Center for Positive Change (CPC). Also, the Probation Department requested the CCP approve a recommendation to the BOS for personnel, contracted services, and miscellaneous expenses related to the service centers. Lesli Caldwell made a motion to approve the request. Patrick Duterte seconded the motion. Motion carried (5-0-1). Don du Bain was absent from the vote.

Public Comments Regarding the DRC:

Robert Schussel – A Vallejo resident expressed concerns regarding the language of the staff report. He stated this document did not state there would be two Service Centers (Vallejo/Fairfield). He believes the document should express the intended goal which is to have

**Community Corrections Partnership Meeting
Public Safety Local Plan Development Minutes

one center in Vallejo and one in Fairfield. Also, he expressed the document does not state the specific location of the requested personnel for the centers. As a resident, Mr. Schussel asked for specific goals –one center in Vallejo and one center in Fairfield— written in the staff reports. He requested, in writing, that there will be mirrored services of the Vallejo Center in the Fairfield Center as well.

Natalia Clark – A Vallejo resident expressed her concerns regarding the current violence in Vallejo. She believes putting a Service Center in the middle of the City (near schools and Children’s Wonderland) will enhance crime and fear in the downtown area. She is asking the committee not to place the Service Center in Vallejo at this time. She would like to see the experiment in Fairfield. If it works in Fairfield, then, place it in Vallejo.

Pastor Anthony Summers – A Vallejo resident expressed there is a greater hope in Vallejo than people can see. He feels we must give hope and opportunity for the citizens of Vallejo, who are already in the city. Pastor Summers’ business has experienced more success in the last three (3) years, than in 29 years. This is due to businesses investing in the city. He would like to encourage the committee to bring the services to Vallejo, where the services are needed the most.

Nathan Stout – A Vallejo resident made reference to Supervisor Hannigan’s report to the City Council. He says she did not mention the Supervisors’ response to the Council’s Resolution regarding the DRC. His question is: Will the CCP respond or is it up to the BOS to respond to the City’s Resolution? If there could be an official response, this would be very good.

BJ Conrad - A Vallejo resident voiced her concerns as she is waiting to hear if there is going to be an on-going cycle of parolees who come to our community. She is concerned about the successful recidivism rate, which she believes to be between 2% and 15%. She feels between 98% and 85% of the Parolees who participate in the program will recidivate. Her questions are: Will there be an annual group of people coming into the City of Vallejo going through this program? Will these people be settling in Vallejo so that we go from whatever our current level of troublemakers to an additional 20% more each year? How often will this happen?

There was a clarification from Chief Hansen: Parolees are not under supervision of the Probation Department. Parolees are under the jurisdiction of CDCR. PRCS is under Probation’s purview. In addition, there are no statistics on the PRCS population regarding rates of recidivism.

Employment/Education/Housing Subcommittee Update:

Stephan Betz presented an update on the Employment/Education/Housing subcommittee’s meeting on January 17, 2013. At that meeting, the committee discussed the 7-point employment framework, the \$250,000 allocation for an employment pilot project, and authorization for the Chair to interview applicants for the project. Based on the discussions and recommendations, the Employment/Education/Housing subcommittee requested the CCP approve a recommendation to the BOS for funding, not to exceed \$250,000 for employment/vocational/training services; and direct the Chair of the CCP to convene a panel to

**Community Corrections Partnership Meeting
Public Safety Local Plan Development Minutes
February 13, 2013**

review local proposals for such services and/or pursue formal Request for Proposals or Request for Qualifications. The placement of the funding will be determined before the recommendation is presented before the Board. Patrick Duterte made a motion to approval the request. Tom Ferrara seconded the motion. No opposition. Motioned carried (6-0).

Public Comments Regarding the Employment/Education/Housing Subcommittee:

Robert Schussel – A Vallejo resident voiced his concerns regarding the panel to review local proposals for services. He would like to see members on the committee who are familiar with the job component. He urges the committee to put together a task force to enhance future coordination.

Doug Darling – A Vallejo resident stated he appreciates the committee looking for others outside the committee to be involved on the panel. In addition, he believes Vallejo residents are concerned about families, property and lives. Also he inquired about Parolees living in Section 8/low-income housing units? He would like to join the Housing Committee as well.

Raymond Courtemanche – As the Chief Program Officer for Mission Solano, Mr. Courtemanche indicated that Mission Solano has had the privilege of serving this population (Parolees). The mission has had tremendous success working with people with a criminal history. He believes it is important to have entities such as Fighting Back, Mission Solano, and Genesis House at the table when reviewing the proposals. In addition, he would love to bring his experience to the table.

Probation Department Request Update:

The Probation Department requested the CCP to approve a recommendation to the BOS to approve a contract extension for Corrections Consultant Tom White, for an amount not to exceed \$125,000, through December 31, 2014, and for Corrections Consultant Richard Crawford, for an amount not to exceed \$24,000 through December 31, 2013. Mr. White will continue to support the CCP and assist in updating the Solano County Public Safety Realignment Plan. Mr. Crawford will assist with Community Forum Meetings and will assist the Probation Department in revising the pre-sentence report format to align with Evidence Based Practices. Patrick Duterte made a motion to approve the request. Lesli Caldwell seconded the motion. No opposition. Motion carried (6-0).

Public Comments Regarding the Probation Department's Request:

Robert Schussel – A Vallejo resident requested clarity in the language in the staff report regarding the responsibilities/tasks given to the consultant.

The next meeting is scheduled for Wednesday, March 13, 2013 from 1:00 p.m. – 2:45 p.m. at the County Administration Center, 675 Texas Street, Multi-Purpose Rm 1600-1620 (1st Floor).

1170(h) PC: Allows a judge to split the sentence of any person sentenced to prison for defendants sentenced after October 1, 2011. When a sentence is split, part of the sentence is served in custody and part of the sentence is served outside of custody on probation. For the part that is served in custody, a defendant will usually receive "day for day" credit for good behavior. However, any part of the sentence that is served out of custody must be served in full. A defendant will only receive actual time credit for any part of the sentence that is served out of custody. It is the judge's discretion as to how much time will be served in custody and how much time will be served out of custody. Penal Code section 1170(h) does not require split sentences, but gives the judge authority to allow the entire sentenced to be served in custody.
