INFORMATION RELEASE

Search Warrant Service Leads to Drugs and Firearms Seizures January 13, 2011 Solano County Sheriff's Office

On January 12, 2011 at approximately 9:00 PM, a month-long investigation ended when detectives from the Solano County Sheriff's Office Cal-MMET (California Multi-Jurisdictional Methamphetamine Enforcement Team) and Sol-NET (Solano Narcotics Enforcement Team) executed a search warrant at an apartment located on the 200 block of Cadloni Lane, in the City of Vallejo. Scott Clemente, a 33-year-old resident of Vallejo, was first detained in a traffic stop by sheriff's patrol deputies, who were operating off a search warrant granting authority to search Mr. Clemente, his residence and his vehicle. Mr. Clemente was the sole occupant inside the vehicle.

The search of Mr. Clemente's car resulted in the seizure of \$1,100 in cash, which detectives believe is illegal proceeds from drug sales, and a Ruger .45 caliber handgun with ammunition.

The search of Mr. Clemente's residence resulted in the seizure of four ounces of methamphetamine, four ounces of marijuana, 22 ecstasy pills, and 39 Vicodin pills. Digital scales and packaging materials were also discovered inside the residence.

Mr. Clemente was booked into the Solano County Jail on charges including possession of methamphetamine for sales, possession of marijuana for sales, being a felon in possession of a firearm, possession of a concealable firearm, and being a felon in possession of ammunition. Bail was set at \$93,333.
