PURPOSE STATEMENT – Juvenile Justice Delinquency Prevention Commission

The mission of the Juvenile Justice Delinquency Prevention Commission (JJJPC) is to inquire into the administration of juvenile justice in Solano County. The overall objective is to reduce the recidivism rate of juvenile offenders in the local criminal justice system.

The Solano County JJJPC was established by the Solano County Board of Supervisors under authority of California Welfare and Institutions Code Section 233. Its predecessor organizations were the Juvenile Justice Commission, mandated by Section 225 of the W&I Code and the Delinquency Prevention Commission authorized by Section 233 of the W&I Code.

The duties and functions of the Commission are stated in Sections: 228, 229, 229.5, 230, 233, and 234 of the Welfare and Institutions Code

The JJJPC is granted access to all publicly administered institutions in Solano County authorized by the Juvenile Court Law. This includes annual inspections of probation-administered institutions, jails, and other lockups detaining juveniles.
