Re: Solano County Stanton Detention Facility PREA Audit – Final Report

Sheriff Ferrara:

Correctional Consulting Services LLC conducted a Prison Rape Elimination Act (PREA) audit on the Solano County Stanton Detention Facility from June 19, 2023 through June 23, 2023. (6) Six PREA Standard deficiencies were identified placing the Solano County Stanton Detention Facility into the 180-day Corrective Action period, scheduled to expire on 2/2/2024. Agency PREA Coordinator and staff worked in coordination with the PREA Auditor to bring the facility into compliance with the PREA Standards.

PREA Coordinator, Lieutenant Craig Collins and PREA Compliance Manager Steve Clemente's work brings the Solano County Stanton Detention Facility into compliance with the PREA Standards in record time. I commend your staff for their professionalism and hard work. The Final PREA Audit Summary Report is attached. The attached Final PREA report Summary is to be placed on the Agency's within 90 days of receipt of the Final Report.

Should you have any questions or concerns, please feel free to contact me. It was a pleasure working with your staff.
