

WEAPONS/RANGE QUALIFICATIONS AND TRAINING

1. Solano County allows a CCW license holder to list **six (6) weapons on an issued license.**
2. Each CCW license holder is mandated by California state law to attend a firearms safety class. Individuals are also required to qualify with their weapon(s) under the direction of a qualified range master to ensure that each license holder is competent in the safe handling of firearms. All weapons listed on a CCW license must be registered in the name of the license holder.
3. **Your training and qualification certification must be dated and submitted within 90 days of your written notification approving you to proceed with training.** Training certification will not be accepted prior to approval notification or after 90 days.
4. Proof of training and qualification can be submitted via US mail or electronically uploaded to your Permittium account (preferred method).
5. The Solano County Sheriff's Office recognizes only the following training facilities to satisfy your training and qualification requirements. Training from any other facility **will not** be accepted. **NO EXCEPTIONS.**
