

As a Dixon business owner, I fully support Measure J. Our city is thriving, and it's crucial we equip our community with the necessary tools to keep Dixon a great place to live and do business.

Dixon has maintained the lowest possible sales tax rate, getting just one cent for every taxable dollar spent. Meanwhile, neighboring communities with higher rates are luring away our valued police officers, firefighters and city employees.

Measure J is an important change to ensure Dixon remains competitive in retaining and attracting those we rely on to keep our community safe and maintain our quality of life. Every penny generated by Measure J will be used and spent in Dixon for Dixon.

Our city benefits from a vibrant commercial and retail corridor along Highway 80, attracting numerous non-residents who shop and dine here and contribute to our local economy every day. Measure J ensures these visitors also contribute to preserving our community. According to estimates from revenue auditors HDL Companies, over half of the revenue generated by Measure J will be paid by non-residents.

Contrary to opponents' concerns, Measure J will enhance Dixon's attractiveness to new businesses by promoting a well-funded, stable, and secure environment. A robust local economy draws businesses, enhances commerce, and creates jobs.

I urge you to join business leaders and our local police and firefighters in supporting Measure J. It's a vital investment in our future, ensuring Dixon remains a safe, prosperous community where both business and quality of life can flourish.

s/Jill Elizabeth Orr, Business Owner
