VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of their home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting October 7th through Election Day (29 days) - Ballot drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-off:

Starting October 31st through Election Day (5 days) - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1 day) - Poll Place drop-off locations are available on Election Day-all locations are open from 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, you can request to vote “curbside” from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

If you need assistance...

As a voter, you may bring up to two individuals with you to your polling place to help you cast your ballot, as long as those individuals do not represent your employer or your union. Your polling place will have copies of the ballot in Spanish and Tagalog and may have poll workers ready to assist you who speak Spanish and Tagalog.

Si necesitas ayuda ...

Como votante, usted puede traer dos individuos a la estación de votación para que le ayuden a emitir su voto. Sus acompañantes no pueden ser representantes de su empleador o sindicato. La estación de votación quizá mantenga copias en español de la papeleta de votación y emplee trabajadores que le puedan asistir en español.

Kung kailangan mo ng tulong...

Bilang botante, maaari kang magkaroon ng hanggang dalawang tao sa iyong lugar ng botohan o presinto upang matulungan kang i-record ang iyong balota, hangga’t ang mga taong ito ay hindi kinakatawan ng iyong tagapag-empleyo o iyong unyon. Magkakaroon ng mga kopya ng iyong balota na isinalin sa Tagalog sa iyong lugar ng botohan. Maaaring may mga taong nagtatrabaho na nagsasalita ngtagalog sa lugar ng botohan.

RUDY RECILE

AGE: 56

Occupation: Business Owner / Consultant

Education and Qualifications: Hello, fellow Americans! I'm a proud Retired US Army Major, former US Department of Agriculture employee and owner of a small web design company. My family made Solano County our home for 18 years. My platform issues include energy independence, supporting the Bill of Rights, tax dollars accountability, public safety, supporting veterans, California's water issues and quality education. I support successful public schools, protecting our children and I believe in equality of opportunity for everyone. I'm President of a children's education non-profit organization, and treasurer for a Veterans of Foreign Wars Post. I volunteer with community organizations at voter registration drives and other events. I was a logistics officer at the Pentagon in Washington DC,. I became savvy with the inner workings of various agencies, and how to successfully accomplish the mission. During the 2020 election cycle, I wasn't pleased with what I witnessed. I decided to run for congress because my 33 years of service to the USA prepared me well to immediately serve you in Congress. I am on a mission to restore our country with new blood and fresh ideas. "Ang Inyong Lingkod" (At Your Service), Rudy

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

THOM BOGUE

Occupation: City Council Member / Business Owner

Education and Qualifications: As a former Vice Mayor, Mayor, current City Council Member, and Small Business owner, I have held key positions with esteemed organizations including the Solano Transportation Authority (STA), Solano County Water Agency (SCWA), Yolo-Solano Air Resource Board, Green Belt Authority, Association Bay Area Governments (ABAG) Planning Commission and Executive Board.

I have collaborated with Congressmen to secure housing for our homeless veterans. Successfully housed up to 75% of our local homeless population. Developed a comprehensive plan to incorporate income-based housing within every residential project, effectively addressing this crisis head-on. By doing so, we will create safer and more prosperous communities.

In partnership with STA significantly enhanced public transportation: Expanding bus routes, ferry services throughout the bay area, and door-to-door services for the elderly.

Additionally, we allocated funds to support our agricultural community in meeting climate change mandates. While I do not fully endorse California's complete transition to electric energy, I acknowledge the importance of expanding our resource base while concurrently improving our use of fossil fuels. I believe that diversification is the key to our future success.

As a father, I have always prioritized parental rights. I strongly advocate for parents having the final say in matters concerning their children's education.

Recognizing California residents possess tremendous potential, I believe that transcending partisan politics, working together, we can restore our Golden State to its former glory, regain its esteemed status, bring prosperity and an enhanced quality of life back to all Californians. People before politics! www.ThomBogue4StateSenate.com

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

CHRISTOPHER CABALDON
Occupation:

Education and Qualifications: Like so many of us, the opportunity for a good education changed my life. I was honored when President Obama appointed me to create over 400 initiatives across the country to guarantee a tuition-free college education for graduating local high school seniors.

As Vice-Chancellor of California Community Colleges and university professor, I've worked to strengthen California's education system. In the Senate, I'll deliver resources to help students succeed and prepare them for modern careers.

As West Sacramento mayor, I turned our forgotten industrial town into a place that was named "America's Most Livable City" with good jobs, safe neighborhoods, and quality housing that's affordable. I'm running for Senate to expand prosperity and economic opportunity to families everywhere.

During my tenure as mayor, we lowered unsheltered homelessness by 58%. I'll focus on building more housing, expanding mental health and job training services, and keeping us safe. I know we can make communities more secure because I've done it, cutting burglary and assault rates by more than half.

A proven champion for the environment and agriculture, I've cracked down on polluters and protected thousands of acres of habitat, farmland, and open space. I'll protect our water supplies and communities threatened by wildfires and floods.

My campaign is supported by the California Democratic Party, Planned Parenthood Northern California Action Fund, the Sierra Club, and Congressman Mike Thompson. I have a track record of delivering real results on the biggest challenges facing our communities. I hope to earn your vote. www.CabaldonforSenate.com

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

LORI WILSON

Occupation: Assemblymember, 11th District

Education and Qualifications: As your state representative, I'm delivering results for our community and focused on building a California for everyone!

I made a promise to you in early 2022 to hit the ground running fighting for the issues you care about. I've kept that promise!

I've delivered over \$20 million in state resources directly to our District for public safety, housing, electric vehicle infrastructure, flood resiliency, and transportation projects while passing landmark legislation supporting manufacturing, people with disabilities, flood control projects, habitat restoration, and the needs of farmers.

All this was accomplished while I battled breast cancer! Now, cancer-free and with a continued sense of purpose and optimism for the future, "y'all ain't seen nothing yet".

We need long-term solutions for homelessness, housing, public safety, climate change, transportation and more. That's why I led negotiations for the statewide bond measures on your ballot, Proposition 2 and Proposition 4, giving you the choice to fund education, key infrastructure projects, and other priorities for our state.

As the chair of the Assembly Transportation Committee, I'm working to speed construction to improve traffic circulation and lessen commute times. Making Interstate 80, Highway 12, State Route 37 and our local roads safer!

I'm also deeply concerned about our democracy. To that end, as the Chair of the California Legislative Black Caucus, I'm reaching out across diverse communities to reinforce everyone's right to live their version of the California Dream with dignity and respect.

Let's build a California for everyone, I would be honored to have your vote. Thank you.

**DECLARACIÓN DE CANDIDATA PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 11**

LORI WILSON

Ocupación: Miembro de la Asamblea, Distrito 11

Educación y Competencia: Como su representante estatal, ofrezco resultados a nuestra comunidad y me centro en construir una California para todos.

A principios de 2022 le prometí que me pondría manos a la obra para luchar por los asuntos que a usted le preocupan. ¡He cumplido esa promesa!

He obtenido más de \$20 millones en recursos estatales directamente para nuestro Distrito para proyectos de seguridad pública, vivienda, infraestructura de vehículos eléctricos, resiliencia a las inundaciones y transporte, al tiempo que aprobaba leyes históricas de apoyo a la industria manufacturera, las personas con discapacidad, los proyectos de control de inundaciones, la restauración del hábitat y las necesidades de los granjeros.

¡Todo esto lo conseguí mientras luchaba contra el cáncer de seno! Ahora, sin cáncer y con una sensación de propósito y optimismo para el futuro, "todavía no han visto nada".

Necesitamos soluciones a largo plazo para la indigencia, la vivienda, la seguridad pública, el cambio climático, el transporte y mucho más. Por eso encabezé las negociaciones para las iniciativas de ley de bonos a nivel estatal en su boleta, la Propuesta 2 y la Propuesta 4, que le dan la opción de financiar la educación, proyectos clave de infraestructura y otras prioridades para nuestro estado.

Como presidenta del Comité de Transporte de la Asamblea, estoy trabajando para acelerar las obras que mejoren la circulación del tráfico y reduzcan los tiempos de desplazamiento al trabajo. ¡Hacer más seguras la Interestatal 80, la Autopista 12, la Ruta Estatal 37 y nuestras carreteras locales!

También me preocupa profundamente nuestra democracia. Con ese fin, como Presidenta de la Asamblea Partidaria Legislativa Negra de California, estoy tendiendo la mano a diversas comunidades para reforzar el derecho de todos a vivir su versión del Sueño de California con dignidad y respeto.

Construyamos una California para todos, sería un honor contar con tu voto. Gracias.

**PAHAYAG NG KANDIDATO PARA SA
MIYEMBRO NG ASEMBLEYA NG ESTADO, DISTRITO 11**

LORI WILSON

Trabaho: Miyembro ng Asembleya, Ika-11 Distrito

Edukasyon at mga Kuwalipikasyon: Bilang inyong kinatawan ng estado, maghahatid ako ng mga resulta para sa ating komunidad at nakatuon sa pagbuo ng California para sa lahat!

Nangako ako sa inyo sa unang bahagi ng 2022 na simulan ang pakikipaglaban para sa mga usaping pinahahalagahan ninyo. Tinupad ko ang pangakong iyon!

Direkta kong inihatid ang mahigit \$20 milyon sa mga mapagkukunan ng estado sa Distrito para sa pampublikong kaligtasan, pabahay, imprastruktura ng de-kuryenteng sasakyan, katatagan sa baha, at mga proyektong pantransportasyon habang nagpapasa ng makasaysayang lehislyasyon na sumusuporta sa pagmamamunapaktura, mga taong may mga kapansanan, mga proyekto sa pagkontrol ng baha, pagpapanumbalik ng tahanan ng buhay-ilang, at mga pangangailangan ng mga magsasaka.

Naisakatuparan ang lahat ng ito habang nilalabanan ko ang kanser sa suso! Ngayong walang na akong kanser at may nagpapatuloy na layunin at optimismo para sa hinaharap, "hindi niyo pa nakikita ang lahat".

Kailangan natin ang mga pangmatagalang solusyon para sa kawalan ng tirahan, pabahay, pampublikong kaligtasan, pagbabago sa klima, transportasyon at marami pa. Kung kaya pinangunahan ko ang mga negosasyon para sa mga panukala sa bono sa inyong balota sa buong estado, ang Proposisyon 2 at Proposisyon 4, na magbibigay sa inyo ng mapagpipilian para pondohan ang edukasyon, mga pangunahing proyektong imprastruktura, at iba pang mga prioridad para sa ating estado.

Bilang tagapangulo ng Komite ng Asembleya sa Transportasyon, nagsusumikap ako upang mapabilis ang konstruksyon upang mapabuti ang sirkulasyon ng trapiko at mabawasan ang mga oras ng biyahe. Ginagawang mas ligtas ang Interstate 80, Highway 12, State Route 37 at ang ating mga lokal na daan.

Lubos kong inaalala ang ating demokrasya. Sa layuning iyon, bilang Tagapangulo ng California Legislative Black Caucus, nakikipag-ugnayan ako sa iba't ibang komunidad upang mabigyang-diin ang karapatan ng bawat isa na mamuhay sa kanyang bersyon ng California Dream nang may dignidad at paggalang.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

DAVID ENNIS

Occupation: Professional Civil Engineer

Education and Qualifications: People in our District are struggling to make ends meet. While the homeless look for shelter, our state legislatures focus on issues that do not put food on the table, stop crime, or improve our schools. I have a new vision, back to basics and getting our children a good education, helping small business stay in business, and creating jobs for hard working folks. With common sense and community spirit, we can make California proud again.

I am a professional civil engineer (Duke) licensed in California since 1994 with executive experience in the aerospace industry. I envision a crime free and affordable District with local jobs and shorter commutes. I want our local schoolboards to focus on reading, writing, and arithmetic (STEM), independent of statewide educational mandates. I support school choice, and a back-to-basics approach to education. I want to stop crime, and reform criminals, mindful that the victims are not guilty! We need to prevent crime and fix Prop 47.

I spent 2 years on the San Leandro Planning Commission and 4 years as President of the United Parents for San Leandro High School. I have spent 6 years reviewing cost effectiveness and technical feasibility for FEMA projects in California, Texas, and Puerto Rico approving over \$1BN of projects with Federal funding for resilient infrastructure instead of more local taxes.

Details are on my website: <https://www.ennis2024.org>

I will earn your vote, focused on supporting our families, building affordable housing, crime free safety, education, and jobs.

DAVID ENNIS

Ocupación: Ingeniero Civil Profesional

Educación y Competencia: La gente de nuestro Distrito tiene dificultades para llegar a fin de mes. Mientras los indigentes buscan refugio, nuestras legislaturas estatales se enfocan en asuntos que no ponen comida en la mesa, ni detienen el delito, ni mejoran nuestras escuelas. Tengo una nueva visión, volver a lo básico y lograr que nuestros hijos reciban una buena educación, ayudar a las pequeñas empresas a seguir funcionando y crear puestos de trabajo para la gente trabajadora. Con sentido común y espíritu comunitario, podemos hacer que California vuelva a sentirse orgullosa.

Soy ingeniero civil profesional (Duke) licenciado en California desde 1994 con experiencia ejecutiva en la industria aeroespacial. Imagino un Distrito sin crímenes y asequible, con empleos locales y desplazamientos más cortos. Quiero que nuestras juntas escolares locales se centren en la lectura, la escritura y la aritmética STEM (Ciencia, Tecnología, Ingeniería, Matemática), independientemente de los mandatos educativos estatales. Apoyo la elección de escuela y un enfoque de la educación que vuelva a lo básico. Quiero acabar con el crimen y reformar a los delincuentes, ¡sin olvidar que las víctimas no son culpables! Necesitamos prevenir el crimen y corregir la Prop 47.

Pasé 2 años en la Comisión de Planificación de San Leandro y 4 años como Presidente de Padres Unidos para la Escuela Secundaria San Leandro. He pasado 6 años revisando la rentabilidad y la viabilidad técnica de los proyectos de la FEMA en California, Texas y Puerto Rico, aprobando más de \$1Mil Millones en proyectos con financiamiento Federal para infraestructuras resilientes en lugar de más impuestos locales.

Me ganaré su voto, centrándome en el apoyo a nuestras familias, la construcción de viviendas asequibles, la seguridad sin delitos, la educación y el empleo.

BONNIE HAMILTON

Occupation: Pediatrician/Parent

Education and Qualifications: I'm running for Solano County Board of Education Area 2 to help ensure our students have access to the best education possible and can reach their full potential. As a pediatrician, mom, and community volunteer, I have decades of expertise and practical experience caring for local kids and families.

Education was my pathway to opportunity. It wasn't easy growing up, losing my father at a young age and witnessing the challenges my mother faced, raising me and my 4 brothers on her own. My mother taught me tenacity, compassion and devotion to family. My father taught me service, curiosity and a love of learning.

My daughter attended Fairfield public schools and struggled due to a hearing disAbility. We worked closely with teachers and school administration. She ultimately graduated with honors and is now a research scientist.

I know that enriching the lives of our children and youth will improve our community and help create a thriving future. On the Board of Education, I will work to make life better for kids and parents and to ensure our schools are places where every student can find opportunity, purpose and success, whether they are college bound or learn a valuable trade.

I'd be honored to have your vote!

Occupation: Mom/Children's Advocate/Solano County Board of Education Trustee

Education and Qualifications: BA, Government, CSU Sacramento; Masters in Governance, CSBA

Kids aren't one-size-fits-all, and their education shouldn't be either.

I'm focused on quality education with a solid path for all kids. From high achievers to those struggling and every student in between; kids with special needs, those needing a second chance, and those failed by the system. As a longtime Children's Advocate and mom, I know every child deserves the best education.

My direct-to-teacher grants plan is putting needed supplies in classrooms. I helped parents and educators get Board approval for a charter school that is improving test scores and morale for an entire community. I continue my push for career technical education programs, sports and arts.

I'm your independent voice in schools. I ask tough questions, oppose wasteful spending and bad policies, while working together to find solutions. I voted against closing schools and for community-driven programs that make a difference. I was unanimously elected by my colleagues and chosen by local districts to represent Solano County at the California School Boards Association.

MEASURE L

THE FAIRFIELD BUSINESS LICENSE MODERNIZATION AND SIMPLIFICATION MEASURE

Fairfield Business License Modernization and Simplification Measure. To protect essential city services such as pothole/street repair; fire protection/9-1-1 response; neighborhood police patrols; city park maintenance; senior and youth programs; and for general government use, shall the measure be adopted modernizing and simplifying Fairfield’s business license ordinance, with rates of \$55 and up, and other rates as specified in the ordinance, until ended by voters, providing approximately \$1,000,000 annually, including independent audits?	YES
	NO

IMPARTIAL ANALYSIS OF MEASURE L

Measure L is the “Fairfield Business License Modernization and Simplification Measure.” Measure L was placed on the ballot by a unanimous vote of the City Council. If approved by the voters, this Measure would amend the Fairfield Municipal Code to update the City’s business license structure, and increase the rates of business license tax paid by businesses in the City.

The City of Fairfield, like many cities, requires businesses that operate in the City to obtain a business license, and pay an annual business license tax to help support the City’s infrastructure, programs, and services. In a 2024 City Council study session on the issue, staff informed the City Council that the structure and tax rates have not been changed since 1984. The current business license tax ordinance includes a structure that determines business license tax rates based on multiple tiered rates for different types of businesses and levels of gross annual revenue. Measure L would reduce the number of tiers of businesses, and simplify administration of the ordinance. Business license tax rates would increase by various amounts specified in Measure L for businesses in each of the new tiers. The rates for smaller businesses would be less than for larger businesses.

The business license tax is a general tax, which means the tax revenue can be spent for all general governmental purposes. The City estimated that this Measure will raise approximately \$1,000,000 per year in new local revenue for use in the City. The City Council’s adopted ballot question states this new revenue could be used to protect essential City services, including fixing potholes and maintaining streets; maintaining 9-1-1 response times; city park maintenance; senior and youth programs; and other general government purposes.

Measure L would permit the City Council to make other adjustments to the business license ordinance that do not increase the tax rates above what is allowed by Measure L. In the future, tax rates would be adjusted annually to reflect CPI increases. Measure L would be in effect until ended by the voters. Revenue from Measure L is subject to the City’s annual budget and audit requirements.

Article XIII C of the California Constitution, commonly known as Proposition 218, requires that the proposed general tax be approved by a majority of the voters voting on the Measure. A “yes” vote on Measure L is to amend the business license

ordinance and increase tax rates. A “no” vote on Measure L is to not amend the business license ordinance and keep the tax rates and structure the same.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT IN FAVOR OF MEASURE L

Vote Yes on L & M to maintain essential services in Fairfield without increasing taxes on most residents.

Measures L & M are companion measures that work together to provide **locally controlled funding for local services in Fairfield.**

Measure L only impacts **businesses operating in Fairfield and does not increase taxes on residents.**

Measure M only impacts **guests staying in hotels and motels in Fairfield and does not increase taxes on residents.**

Specifically, **voting Yes on L modernizes and simplifies Fairfield's business license ordinance** that was last updated in 1984.

Measure L is designed to **attract, retain, and encourage business growth and job creation in Fairfield** while simplifying oversight and compliance. It also helps to **protect small businesses** as they grow and ensures the **largest businesses in Fairfield pay their fair share** for the local city services and infrastructure they rely upon.

Funds from Measure L will:

- Repair potholes and maintain Fairfield's 793 miles of local streets
- Ensuring fire protection and disaster preparedness for storms, flooding, and wildfires
- Maintain rapid 9-1-1 emergency medical response services
- Maintain city parks, recreation centers, playgrounds, and athletic fields and courts
- Support neighborhood police patrols

Measure L requires fiscal accountability and local control:

- Measure L gives Fairfield local control over funds for local needs. No funds can be taken by the State.
- **Annual independent audits and public disclosure of all spending** ensures that all funds are spent properly

For victims of heart attacks, strokes, accidents and other emergencies, seconds can be the difference between life and death.

Voting Yes on Measures L & M will help maintain fast 9-1-1 emergency medical response times, fire protection, police patrols and good roads to keep us safe.

Vote Yes on L & M to maintain essential services in Fairfield without increasing taxes on most residents.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE L

Measures L and M tax local businesses. The City says neither measure will affect local residents. That's not true.

When Measure L raises license taxes on businesses, they can absorb the added cost by accepting a lower profit, cutting expenses, or passing the increase on to us. The result is that service suffers or prices rise. That affects us.

Measure M affects guests at our local hotels and motels first. Those visitors will either pay the price or look elsewhere. Some will make the second choice and that will affect businesses who benefit from out-of-towners - restaurants, shopping centers, entertainment. When patronage declines, businesses lose revenue and face the same choice they did with the license tax: reduce service or raise prices. Again, that affects us.

The City cannot continue raising taxes that eventually harm us citizens. The City Council has to take the lead and direct departments to reduce spending so the City lives within its means - its present revenue sources -- like the rest of us do.

We send that message by voting NO on Measures L and M.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT AGAINST MEASURE L

Measure L increases the cost of a business license for most businesses, some doubling.

Does this tax improve operating conditions for the businesses in the City? NO

Many businesses may increase their prices, thus passing the tax on to us.

Is the City reducing its spending enough to make this tax unnecessary? NO

Businesses already pay income and property taxes for public services. Why another one?

The only reason for this tax is to increase revenue for the City.

Tell the City that everybody is taxed enough and to cut spending.

Vote NO on Measure L.

REBUTTAL TO ARGUMENT AGAINST MEASURE L

The opponents don't understand Measure L and ignore these FACTS:

- **Yes on L modernizes an outdated law.** Fairfield's business license tax was set 40 years ago. Businesses pay the same flat tax they paid in 1984. Measure L modernizes the tax to match service costs and streamlines compliance.
- **Yes on L protects small businesses.** The city recently cut expenses and services by more than \$5 million. Measure L protects small business from further cuts, like police and emergency medical response.
- **Yes on L ensures large businesses pay their fair share.** Businesses use city services just like residents and Measure L ensures large businesses pay their fair share for the local city streets, police, fire protection, and rapid emergency response they rely upon.
- **Yes on L DOES NOT increase taxes on residents.** Measure L only impacts businesses operating in Fairfield and does not increase taxes on residents by one dime.
- **Yes on L means local control for Fairfield.** Measure L gives Fairfield local control over local funds for local needs. Every penny stays in Fairfield and cannot be taken away.
- **Yes on L protects essential services in Fairfield.** Locally controlled funding will help repair potholes, maintain local streets, support fire protection, neighborhood police patrols, and rapid 9-1-1 emergency response.
- **Yes on L requires fiscal accountability.** Annual independent audits and public disclosure of all spending ensures that all funds are spent properly.

Vote Yes on L, and its companion Measure M, to maintain essential services in Fairfield without increasing taxes on residents.

MEASURE M

THE FAIRFIELD TRANSIENT OCCUPANCY TAX (TOT) MEASURE

Fairfield Essential Services Protection Measure. To protect essential city services such as pothole/street repair; fire protection/9-1-1 response; neighborhood police patrols; city park maintenance; senior and youth programs; and for general government use, shall the ordinance be adopted updating Fairfield’s existing transient occupancy (hotel) tax, paid only by hotel/ lodging guests, from 10% to 12%, until ended by voters, providing approximately \$600,000 annually, that cannot be taken by the State, including annual independent audits?	YES
	NO

CITY ATTORNEY’S IMPARTIAL ANALYSIS OF MEASURE M

Measure M is the “Fairfield Transient Occupancy Tax (TOT) Measure.” If approved by the voters, this Measure would amend Fairfield’s existing Transient Occupancy Tax Ordinance (the “TOT Ordinance”) to increase the rate of the City’s TOT by two percent. The TOT is paid by guests who occupy, or have the right to occupy, hotels, inns, or other short-term lodgings within the City for 30 consecutive calendar days or fewer. The current TOT rate is ten percent (10%). This Measure would increase the TOT rate to twelve percent (12%).

At the proposed new rate, for example, a hotel stay costing a guest \$100 would generate a tax of \$12, instead of the current \$10. The TOT is collected from the lodging guests and paid to the City by operators of such lodgings.

The Measure would be a general tax, which means the tax revenue could be spent for all general governmental purposes. The City estimated that this Measure will raise approximately \$600,000 per year in new local revenue for use in the City. The City Council’s adopted ballot question states this new revenue would be used to protect essential City services, including pothole/street repair; fire protection/9-1-1 response; neighborhood police patrols; city park maintenance; senior and youth programs; and for general government use.

Measure M would permit the City Council to adjust the TOT to a rate that is less than 12%, but not higher, without further voter approval. The TOT Ordinance would be in effect from January 1, 2025 until ended by the voters. Measure M was placed on the ballot by a unanimous vote of the City Council.

Article XIIC of the California Constitution, commonly known as Proposition 218, requires that the proposed general tax be approved by a majority of the voters voting on the Measure. A “yes” vote on Measure M is to amend the TOT Ordinance. A “no” vote on Measure M is to not amend the TOT Ordinance and keep the tax rate the same.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT IN FAVOR OF MEASURE M

Vote Yes on L & M to maintain essential services in Fairfield without increasing taxes on most residents.

Measures L & M are companion measures that work together to provide **locally controlled funding for local services in Fairfield.**

Measure L only impacts **businesses operating in Fairfield and does not increase taxes on residents.**

Measure M only impacts **guests staying in hotels and motels in Fairfield and does not increase taxes on residents.**

Specifically, voting Yes on M increases Fairfield's hotel/ motel tax paid by visitors to ensure they contribute **to maintain the roads, infrastructure, public safety services and other resources they utilize while staying in Fairfield.**

The current 10% tax rate was last adjusted 40 years ago in 1984 and would increase to 12%, **in line with the rate in other communities in the area.**

Funds from Measure M will:

- Repair potholes and maintain Fairfield's 793 miles of local streets
- Ensuring fire protection and disaster preparedness for storms, flooding, and wildfires
- Maintain rapid 9-1-1 emergency medical response services
- Maintain city parks, recreation centers, playgrounds, and athletic fields and courts
- Support neighborhood police patrols
- Measure M requires fiscal accountability and local control:
- Measure M gives Fairfield local control over funds for local needs. No funds can be taken by the State.
- **Annual independent audits and public disclosure of all spending** ensures that all funds are spent properly

For victims of heart attacks, strokes, accidents and other emergencies, seconds can be the difference between life and death.

Voting Yes on Measures L & M will help maintain fast 9-1-1 emergency medical response times, fire protection, police patrols and good roads to keep us safe.

Vote Yes on L & M to maintain essential services in Fairfield without increasing taxes on most residents.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE M

Measures L and M tax local businesses. The City says neither measure will affect local residents. That's not true.

When Measure L raises license taxes on businesses, they can absorb the added cost by accepting a lower profit, cutting expenses, or passing the increase on to us. The result is that service suffers or prices rise. That affects us.

Measure M affects guests at our local hotels and motels first. Those visitors will either pay the price or look elsewhere. Some will make the second choice and that will affect businesses who benefit from out-of-towners - restaurants, shopping centers, entertainment. When patronage declines, businesses lose revenue and face the same choice they did with the license tax: reduce service or raise prices. Again, that affects us.

The City cannot continue raising taxes that eventually harm us citizens. The City Council has to take the lead and direct departments to reduce spending so the City lives within its means - its present revenue sources -- like the rest of us do.

We send that message by voting NO on Measures L and M.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT AGAINST MEASURE M

Measure M increases the City's Transient Occupancy Tax from 10% to 12%.

Does this improve business conditions for our hotels and motels, or for the businesses that benefit from visitors? NO

It just makes hotels and motels tax collectors.

It discourages employers who house employees temporarily in long-term hotels. It may be less expensive to pay their travel costs.

The City Manager asked each department to cut 5% from its coming budget request. Only a few came close to doing it. Was it enough to make this tax unnecessary? NO

Measure M's increase is solely to boost revenue for the City.

Use this opportunity to tell the City to cut spending. We're taxed enough already.

Vote NO on Measure M.

REBUTTAL TO ARGUMENT AGAINST MEASURE M

The opponents don't understand Measure M and ignore these FACTS:

- **Yes on M brings Fairfield in line with other cities.** Fairfield's hotel/ motel tax was last updated 40 years ago and is lower than other cities in the area. Measure M simply brings our rate to the same as others.
- **Yes on M DOES NOT increase taxes on residents.** Measure M only impacts guests staying in hotels and motels in Fairfield and does not increase taxes on residents by one dime.
- **Yes on M ensures visitors to Fairfield pay their fair share.** When visitors stay in Fairfield, they use our infrastructure and services. Measure M ensures visitors pay their fair share for the local city streets, police, fire protection, and rapid emergency response they rely upon.
- **Yes on M means local control for Fairfield.** Measure M gives Fairfield local control over local funds for local needs. Every penny stays in Fairfield and cannot be taken away.
- **Yes on M protects essential services in Fairfield. Locally controlled funding will help repair potholes,** maintain local streets, support fire protection, neighborhood police patrols, and rapid 9-1-1 emergency response.
- **Yes on M requires fiscal accountability.** Annual independent audits and public disclosure of all spending ensures that all funds are spent properly.

Vote Yes on M, and its companion Measure L, to maintain essential services in Fairfield without increasing taxes on residents.
