

MILITARY PROCEDURE APPENDIX – A

Department Inventory of Military Equipment – Period: 11/1/2023-10/31/2024

[*NOTE: The inventory of certain items of consumable military equipment (i.e. ammunition, diversionary devices, chemical agents, etc.) can fluctuate throughout the year. This can be due to operational usage, training usage, operational wear, and/or manufacturer-recommended replacement guidelines. While the Department strives to provide accuracy in its inventory reporting as prescribed by law, this appendix reflects approximations of certain consumable items of military equipment at the time of this procedure’s publication.]
