Re: Solano County Claybank Detention Facility PREA Audit – FINAL Report

Sheriff Ferrara:

Correctional Consulting Services LLC conducted a Prison Rape Elimination Act (PREA) audit on the Solano County Claybank Detention Facility from October 7, 2024 through October 11, 2024. (7) Seven PREA Standard deficiencies were identified and documented in the PREA Audit Interim Summary Report. The deficiencies place the Solano County Claybank Detention Facility into the 180-day Corrective Action period. PREA Coordinators, Lieutenant Craig Collins, Lieutenant Daniel Schick and PREA Compliance Manager Steve Clemente worked to correct the identified deficiencies which brings the Solano County Claybank Detention Facility into compliance with the PREA Standards.

The Final PREA Audit Summary Report is attached. The agency shall ensure that the auditor's final report is published on the agency's website to be made readily available to the public per PREA Standard provision 115.403(f).
