SECTION 1: SCOPE OF PROJECTS

A. Background/Overview

The First 5 Solano Children and Families Commission (First 5 Solano) is pleased to announce its Second Cycle Annual Grants Program. A total of \$100,000 is available in the Annual Grants Fund for FY2019/20 through this Request for Applications (RFA #2019-04).

First 5 Solano's 2018-2023 Program Investment Plan allocated \$8.6 million in programmatic investment to support the Commission's mission and vision for Solano's young children and generate tangible results for children and families. In this Program Investment Plan, the Commission allocated \$235,000 for annual grants, including \$200,000 for an Annual Grants Fund, \$25,000 for the Co-Sponsorship of Conferences and Training, and \$10,000 for Community Engagement.¹ There is a remaining balance of \$100,000 in the Annual Grants fund for a second cycle of funding through this RFA.

The Annual Grants Fund is designed for one-time projects to address the needs of children ages 0-5, their parents/caregivers, and/or providers of services to children ages 0-5 in Solano County. Applications will be accepted for a wide-variety of activities that meet one or more of the following criteria:

1. Fills a community gap
2. Pilots a new or innovative idea
3. Addresses a time-sensitive community need

B. What can be funded?

Funding through this RFA is available in the amount of \$100,000 for FY2019/20. Multiple grants of up to \$20,000 each will be awarded for up to an 8-month period from October 21, 2019-June 30, 2020. Projects must be provided in Solano County and benefit children ages 0-5, their parents/caregivers, and/or providers of services to children ages 0-5.

All projects proposed for the Annual Grants Fund must support First 5 Solano's mission to promote, support and improve the lives of young children, their families and their communities. In addition, projects must support at least one of the Commission's strategic plan Priorities:

- Priority 1: Health & Well-Being
- Priority 2: Early Childhood Learning & Development
- Priority 3: Family Support & Parent Education
- Priority 4: Systems Change

More information on the Priorities, including underlying Goals, and Results which can be found in the Commission's Strategic Plan at:

<http://www.solanocounty.com/civicax/filebank/blobdload.aspx?blobid=21881>.

In addition, projects must fill a community gap, pilot a new or innovative idea, and/or address a time-sensitive community need. Examples which would meet these criteria are:

- A completely new idea which has never been tried
- An idea that has been tried in another community, but not the community you are proposing
- An enhancement to an existing project/program

¹ Applications for Co-Sponsorship of Conference and Training and Community Engagement activities can be found on the First 5 Solano website at www.First5Solano.org Funding Opportunities page.

- Filling a specific gap in services or systems that has been identified.

Funding may be requested for staff time (such as orientation, training, outreach, direct services, and evaluation activities), program supplies, administrative costs and other costs as agreed. At least one component of the project must be sustainable beyond the initial funding period from First 5 Solano.

The annual grant may not be used for religious purposes, to benefit an individual, or to promote a candidate for public office. **First 5 grantees that are funded for an activity or have been funded in the last 5 years via other First 5 Solano funds may not use annual grant funds for that same activity.** Activities funded for projects under this RFA must be new or enhancements to existing activities. Consistent with the intent of the California Children and Families Act of 1998, no monies from this program may be used to supplant state, county or local general fund monies available to the agency for any purpose
