Project Title: Flock Safety Automated License Plate Reading Camera Installation

Project Applicant: Solano County Resource Management, Public Works Engineering

Deputy Emily Shephard

Project Location - Specific:

Hwy 37 at Solano County Line - EB at approximately 38.155414, -122.403790 in Caltrans ROW

Project Location - City: Unincorporated

Project Location - County: Solano

Description of Nature, Purpose and Beneficiaries of Project:

The project consists of the installation of a Flock Safety automated license plate reading camera to be installed on behalf of the Solano County Sheriff's Office. The proposed project consists of the installation of a pole with a camera and solar panel to power the camera mounted to the pole with minimal ground disturbance consisting of a 6" wide by 24" deep hole. The purpose of the installation is to provide law enforcement with the ability to respond to detect license plates associated with criminal activity and to assist law enforcement with intercepting these vehicles. The beneficiaries of the project are both law enforcement and the public at large as this installation will serve public safety interests and help make Solano County a safer community.
