VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of your home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-Off:

Starting 5-days before the election through Election Day - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1-day) - Poll Place drop-off locations are available on Election Day- all locations are open 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, all voters can request to vote "curbside" from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

COVID-19 INFO:

Poll Workers and Staff:

All poll workers will be provided masks and shields, additionally the Registrar of Voters will provide gloves, hand sanitizer, and disinfecting wipes.

Voters:

Face coverings will be provided to any voter requesting/needing one. Hand sanitizer and disposable pens will be provided to all voters. Voters without face coverings may vote from the safety of their vehicles as described above.

The Registrar of Voters encourages all citizens to follow the mandated health requirements to help protect our staff and community partners. Without our staff and volunteers we cannot successfully execute an election! Please help us minimize the risk to those helping to administer your voting rights!

The following pages outline the specific addresses, dates and hours available for each of the options on this page.

WHAT OFFICES ARE ON THE BALLOT FOR THIS ELECTION?

In the November Statewide General Election, all voters receive the same ballot, no matter what political party you are registered with (or if you have no party preference). The address where you are registered to vote determines which local contests are on your ballot.

In the June Primary Election, all Californians were able to vote to decide which candidates for federal and state offices moved on to the November General Election. You will see two different types of primaries: **Nominated by Voters**, and **Local Nonpartisan**.

California Top-Two Primary Nominated by Voters

Nonpartisan Candidates

- U.S. Senator
- U.S. Representative
- Governor
- Lieutenant Governor
- Secretary of State
- Controller
- Treasurer
- Attorney General
- Insurance Commissioner
- Board of Equalization
- State Assembly
- State Superintendent of Public Instruction

- County Supervisor*
- School Boards*
- Special District Boards*
- Municipal Offices*

The top two candidates—the ones with the most votes—move to the General Election.

If a candidate for these local offices received at least 50% plus 1 vote in the Primary, they are elected and are not in the General Election.

If no candidate won by a majority, the two candidates with the most votes are on the ballot.

There is no write-in for these offices.

You can write-in a qualified candidate for these offices.

The candidates' party preference (or "None") **always** appears on the ballot.

The candidates' party preference **never** appears on the ballot.

Both candidates on the ballot may have the same party preference.

* Not all districts have an election.

On June 8, 2010, California voters approved the Top-Two Open Primary Act (Proposition 14).

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 8**

JOHN GARAMENDI

Occupation: Member of Congress

Education and Qualifications: I get things done for Solano County. As your Congressman, I fight for good jobs, good schools, good healthcare, and a good future.

The economy can't move if people can't move. I helped design and pass the Bipartisan Infrastructure Law to create jobs in Solano County. We'll upgrade I-80, rebuild highway 37, improve public transportation and water supply, and build green energy systems with American materials and workers.

As Chair of the Armed Services Readiness Subcommittee, I've secured \$440 million to upgrade Travis Air Force Base, guaranteeing the future of the base and its jobs.

I'll never forget our Veterans. In Congress, we've tripled funding for vets and passed the toxic burn pits act. We're building new VA medical facilities and expanding veteran healthcare services.

The middle class is America's backbone. That's why I support the Inflation Reduction Act, which lowers healthcare costs, allows Medicare to negotiate drug prices, decreases home energy costs, invests in environmental and economic justice, and expands solar, wind, and battery production

Healthcare is a right. As California's Insurance Commissioner, I designed America's first single-payer universal healthcare legislation. I lowered home and auto insurance rates, and stopped discriminatory redlining. I support Medicare for All.

Congress must pass a new voting rights law and legislation to provide universal child care, preschool, and paid family leave.

Experience matters. I would be honored to have your support to keep fighting for you in Congress.

**DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE LOS ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 8**

JOHN GARAMENDI

Ocupación: Miembro del Congreso

Educación y Competencia: Logro que las cosas se hagan para el Condado de Solano. Como su Congresista lucho por buenos empleos, buenas escuelas, buen cuidado de la salud y un buen futuro.

La economía no puede movilizarse si la gente no puede moverse. Ayudé a diseñar y aprobar la Ley Bipartidista de Infraestructura para crear puestos de trabajo en el Condado de Solano. Mejoraremos la I-80, reconstruiremos la autopista 37, mejoraremos el transporte público y el suministro de agua y construiremos sistemas de energía ecológica con materiales y trabajadores estadounidenses.

Como Presidente del Subcomité de Preparación de las Fuerzas Armadas, he obtenido \$440 millones para mejorar la Base Travis de la Fuerza Aérea, garantizando el futuro de la base y sus puestos de trabajo.

Nunca olvidaré a nuestros Veteranos. En el Congreso, hemos triplicado los fondos para los veteranos y hemos aprobado la ley de fosas tóxicas. Estamos construyendo nuevas instalaciones médicas para la Administración de Veteranos y ampliando los servicios de cuidados de la salud para los veteranos.

La clase media es la columna vertebral de Estados Unidos. Es por este motivo que apoyo la Ley de Reducción de la Inflación, que reduce los costos de cuidados de la salud, permite a Medicare negociar los precios de los medicamentos, disminuye los costos de la energía para los hogares, invierte en la justicia medioambiental y económica, y amplía la producción de energía solar, eólica y de baterías

El cuidado de la salud es un derecho. Como Comisionado de Seguros de California, diseñé la primera legislación de asistencia sanitaria universal de pago único de Estados Unidos. Reduje las tarifas de los seguros del hogar y de los automóviles, y puse fin a las prácticas discriminatorias. Apoyo Medicare para Todos.

El Congreso debe aprobar una nueva ley sobre el derecho al voto y una legislación que proporcione atención infantil universal, educación preescolar y licencias familiares remuneradas.

La experiencia importa. Sería un honor contar con su apoyo para seguir luchando por usted en el Congreso.

**PAHAYAG NG KANDIDATO PARA
KINATAWAN NG ESTADOS UNIDOS SA KONGRESO, DISTRITO 8**

JOHN GARAMENDI

Trabaho: Miyembro ng Kongreso

Edukasyon at Kuwalipikasyon: Nagagawa ko ang mga bagay para sa County ng Solano. Bilang inyong Kongresista, lumalaban ako para sa magagandang trabaho, magagandang paaralan, magandang pangangalagang pangkalusugan, at magandang hinaharap.

Ang ekonomiya ay hindi makakasulong kung ang mga tao ay hindi makakasulong. Tumulong akong idisenyo at ipasa ang Dalawang Partidong Batas sa Impra-istruktura upang lumikha ng mga trabaho sa County ng Solano. Pagagandahin natin ang kalagayan ng I-80, muling itatayo ang highway 37, pahuhusayin ang suplay ng tubig, at itatayo ang mga sistema ng luntiang enerhiya sa pamamagitan ng mga materyal at manggagawa Amerikano.

Bilang Tagapangulo ng Subkomite sa Kahandaan ng Sandatahang mga Serbisyo, nakakuha ako ng \$440 milyon upang pagandahin ang Travis Air Force Base, iginagarantiya ang kinabukasan ng base at ng mga trabaho nito.

Hindi ko kalilimutan ang ating mga Beterano. Sa Kongreso, natriples namin ang pagpopondo para sa mga beterano at ipinasa ang batas sa nakakalasang burn pits. Nagtatayo tayo ng mga bagong pasilidad na medikal ng VA at nagpapalawak ng mga serbisyo sa pangangalagang pangkalusugan ng beterano.

Ang gitnang uri ay gulugod ng Amerika. Iyon ang dahilan kung bakit sinusuportahan ko ang Batas sa Pagbawas ng Implasyon, na nagbababa ng mga gastos sa pangangalagang pangkalusugan, nagpapahintulot sa Medicare upang isailalim sa negosasyon ang mga preeyo ng gamot, nagbabawas ng mga gastos sa enerhiya sa bahay, namumuhunan at hustisyang pangkapaligiran at pangkabuhayan, at nagpapalawak ng paglikhang kaugnay ng araw, hangin, at baterya

Ang pangangalagang pangkalusugan ay isang karapatan. Bilang Komisyoner ng Seguro ng California, idinisenyo ko ang kauna-unahang batas na nag-iisang tagabayad sa panlahat ng pangangalagang pangkalusugan. Ibinaba ko ang mga halaga ng seguro sa bahay at awto, at pinatigil ang nagdidiskriminang pagkakait ng serbisyo sa lugar ng mahihirap. Sinusuportahan ko ang Medicare para sa Lahat.

Ang Kongreso ay dapat magpasa ng isang bagong batas sa pagboto at batas upang magkaloob ng panlahat na pag-alaga sa bata, preschool, binabayaran na pampamilyang bakasyon.

Mahalaga ang karanasan. Ikararangal kong makuha ang inyong suporta upang manatiling lumalaban para sa inyo sa Kongreso.

RUDY RECILE

AGE: 54

Occupation: Retired-Military/Small-Business-Owner

Education and Qualifications: Hello, fellow Americans! I'm a proud Retired US Army Major, former US Department of Agriculture employee and owner of a small web design company. My family made Solano County our home for the past 16 years and hopefully for many years to come. My platform issues include energy independence for America, supporting the Bill of Rights, tax dollars accountability, public safety, support for veterans, California's environmental-water issues and quality education. I support successful public schools and I believe in equality of opportunity, where parents in every neighborhood should be free to send their children to a public, private, or charter school if they choose. I'm President of a children's education non-profit organization, and serve as treasurer for a Veterans of Foreign Wars Post. I volunteer with community organizations at monthly meetings, voter registration drives and other events. I served as a logistics officer at the Pentagon in Washington DC, interacting with staff and agencies in the highest levels of the military. I became savvy with the inner workings of various agencies, and how to successfully accomplish the mission. During the 2020 election cycle, I wasn't pleased with what I witnessed. I decided to run for congress because my 33 years of service to the United States has well prepared me to immediately serve you in Congress. I am on a mission to restore our country with new blood and fresh ideas. "Ang Inyong Lingkod" (At Your Service), Rudy

Los temas de mi plataforma incluyen la independencia energética de los Estados Unidos, apoyo a la Declaración de Derechos, responsabilidad por el dinero de los impuestos, seguridad pública, apoyo a los veteranos, asuntos ambientales del agua de California y educación de calidad. Apoyo a las escuelas públicas exitosas y creo en la igualdad de oportunidades, donde los padres de todos los vecindarios deberían ser libres de enviar a sus hijos a una escuela pública, privada o autónoma si así lo desean. Soy Presidente de una organización sin fines de lucro dedicada a la educación de los niños y soy tesorero de una publicación de Veteranos de Guerras en el Extranjero. As promised, I hit the ground running fighting for issues you care about.

Homelessness: Securing funding for transitional shelters with wraparound services.

Jobs: Attracting new businesses to our communities to create jobs.

I'm using my degree in Business Administration and years of experience overseeing financial operations to trim the fat and make sure California's budget works for you!

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

JENNY LEILANI CALLISON

AGE: 37

Occupation: Veteran, Legislative Consultant, Mother

Education and Qualifications: As a mother, United States Army Veteran, and native Californian - I am running to represent California State Assembly, District 11, to advocate on your behalf. I am passionate about improving the quality of life in our state to ensure a healthy and fulfilling future for the next generation.

For the previous ten years I worked for the California State Assembly, Veterans Affairs Committee. During that time I aided in drafting policy, analyzing potential legislation, and advocating for veterans, active duty military, and their families. As an Assemblymember, I will continue to build on that experience and those relationships to equip our veterans and the people of Assembly District 11 with the resources and tools needed to succeed.

I believe that the American Dream offers each generation the opportunity to do better than the next. I see my parents live that dream, and I live that dream thanks to them and their experiences. Today's generation is held back from that dream. There are too few housing options, and it is too expensive to start and run a business. My plan is to help small businesses succeed so they can create fulfilling employment for others, and to examine regulations that restrict the housing market.

With the right policy changes to make Californians lives easier, the American Dream can be yours.

I humbly ask for confidence and your vote.

MATTHEW BIDOU

AGE: 62

Occupation: Former Vanden High School Director of Athletics

Education and Qualifications: I am an 18-year resident of Travis Unified School District, a father of a 2021 Vanden graduate who was a twelve-year student in TUSD. I have been involved with the youth of our community for the past 18 years, served as Vanden HS director of athletics, volunteer, mentor, coach, and 25 years in law enforcement. My formal education is limited; however, job experiences and life have taught me much.

I understand the needs of TUSD. I most importantly understand the need to listen to the parents and students, and the need to support the teachers to allow each student to achieve the best possible education. Let's reduce discipline and focus more on the wellness of the students, let's make sure we have the resources so no student is left behind.

There are issues that need solutions like yesterday, these include class size, faculties, teacher staffing levels and retention and, most importantly, student support services.

I will work every day to insure all students have a safe and healthy environment to come to each school day. An educational environment and culture that allows for success for preparing students for their career path.

NIKOLAUS SUTTON

AGE: 23

Occupation: Staff Services Analyst (Project Manager)

Education and Qualifications: Hi! My name is Nikolaus Sutton. I have a Bachelor of Science in Business Administration and a minor in Economics. I have been in the education field for over 5 years.

I am currently a Project Manager for the State of California, Office of Public School Construction. In this job, I analyze school district construction applications for both eligibility and funding. I perform this process for both new construction and modification applications.

Prior to working for the State of California, I was a Remote Learning Instructor at TUTORWORKS. TUTORWORKS provides after-school English and Math tutoring to students. This experience gave me the opportunity to witness some of the issues inside schools.

I have spent over 5 years volunteering with Vanden High School's Academic Decathlon team and 2 years volunteering with the California Academic Decathlon. These two experiences gave me more opportunities to communicate with our students and see what they deal with daily.

Finally, I am a graduate of Vanden High School (2017). This gives me a unique experience, that of a recent student of the district, which other candidates may not necessarily have.

I hope I can have your vote in this November's election!

MARIA T FIGUEROA
Occupation: Parent

AGE: 44

Education and Qualifications: I am a proud and involved parent of Travis Unified School District students. My family and their well-being are everything to me. By extension, the Travis USD community is a part of my family. I have been a part of this family for 7 years now, participating on a PTA executive board, school site council, volunteering at schools, organizing community events, attending board meetings, creating forums where we as parents can figure out how to make things better for our children. At the end of the day my priority is and will always be, my family and my extended family...the Travis USD community. When I lay my head down at night, my question is, "did I do enough for my family today?" Lately, that answer is... not enough. There is still so much left to accomplish for our students and their families.

Edukasyon at Kuwalipikasyon: Ang mahuhusay na pampublikong paaralan ay lumilikha ng isang mahusay na komunidad! Sa mga pagbabagong dinala ng COVID-19, bagong teknolohiya at mga reporma sa pagpopondo sa pampublikong paaralan, dapat tayong lumikha ng isang kapaligirang pang-edukasyon na lumilikha ng pinakamahuay na resulta sa akademiko para sa mga bata ng ating distrito habang nakikipagtulungan sa mga magulang, guro, tauhan at nagbabayad ng buwis upang makuha ang pinakamahusay na pakinabang sa ating pamumuhunan para sa ating komunidad.

Ako ay isang nakakapagmalaking ama ng tatlong estudyante ng Pinag-isang Distrito ng Paaralan ng Travis, asawa ng isang guro ng espesyal na edukasyon sa Espesyal na Edukasyon ng Vacaville, at isang nagretiro kamakailan na Koronel sa Hukbong Panghimpapawid. City of Fairfield**

CHAUNCEY BANKS
Occupation:

AGE: 55

Education and Qualifications: I have lived in Fairfield my entire life, graduating from Armijo High School and earning an A.S. Degree in Healthcare Management. I have witnessed the decline of Fairfield over the last 30-years and have seen virtually no growth in so many areas. Economic stimulation and growth opportunities will bring in a fresh source of revenue creating more jobs allowing Fairfield to reach new economic heights.

If I'm elected, I will work closely with our City Planning Commission, developers, and new companies looking to make a home in Fairfield for their business. The youth of Fairfield is also a main concern I will address as Mayor. We need to create safe places for our youth to go, venues for them to participate in sports, employment development, and training opportunities.

Without enough funding for more family recreation facilities, we will continue to see violence, drugs and alcohol as an issue in our city. I will work very hard to help to develop programs and opportunities for people in our community including our homeless population.

I love this city and will be presenting my 10-Point Blueprint for Change-Now as a roadmap to a prosperous and progressive future for Fairfield going forward.

Ocupación:

Educación y Competencia: He vivido en Fairfield toda mi vida, me gradué de la Escuela Secundaria Armijo y obtuve una Licenciatura en Administración de Cuidados de la Salud. He sido testigo del declive de Fairfield en los últimos 30 años y no he visto prácticamente ningún tipo de crecimiento en muchas áreas. El estímulo económico y las oportunidades de crecimiento aportarán una nueva fuente de ingresos que creará más puestos de trabajo y permitirá a Fairfield alcanzar nuevos logros económicos.

Si me elige, trabajaré de cerca con la Comisión de Planificación Municipal, con los urbanizadores y con las nuevas compañías que deseen instalarse en Fairfield para realizar actividades comerciales. La juventud de Fairfield constituye también una de las principales preocupaciones que abordaré como Alcalde. Debemos crear lugares seguros para nuestros jóvenes, sitios de participación deportiva, desarrollo de empleo y oportunidades de capacitación.

Sin el financiamiento suficiente para más establecimientos recreativos familiares, la violencia, las drogas y el alcohol seguirán siendo un problema en nuestra ciudad. Trabajaré muy arduamente para ayudar a desarrollar programas y oportunidades para la gente de nuestra comunidad, incluida la población indigente.

Amo esta ciudad y presentaré mi Plan de 10 Puntos para el Cambio Ahora a fin de que sirva como hoja de ruta para un futuro próspero y progresista para Fairfield conforme avancemos.

Edukasyon at Kuwalipikasyon: Ako ay naninirahan sa Fairfield sa aking buong buhay, nagtapos sa Mataas na Paaralan ng Armijo at tumanggap ng A.S. ns Digri sa Pamamahala ng Pangangalagang Pangkalusugan. Nasaksihan ko ang paghina ng Fairfield sa nakalipas na 30 taon at nakita ang talagang kawalan ng pagyabong sa napakaraming lugar. Ang pagpapasiglang pangkabuhayan at mga pagkakataon sa pagyabong ay magdadala ng sariwang pinagkukunan ng kita na lillikha ng mga karagdagang trabaho na nagpapahintulot sa Fairfield na maabot ang mga bagong antas ng kabuhayan.

Kung ako ay mahalal, ako ay malapit na makikipagtulungan sa ating Komisyon ng Pagpapalano ng Lunsod, mga tagapagpaunlad, at mga bagong kompanya na naghahanap ng lugar sa Fairfield para sa kanilang negosyo. Ang mga kabataan ng Fairfield ay isa ring pangunahing inaalala na tutugunan ko bilang Alkalde. Kailangan nating lumikha ng mga ligtas na lugar para puntahan ng ating mga kabataan, mga lugar para sa kanila upang lumahok sa mga oportunidad sa palakasan, pagbuo ng trabaho, at pagsasanay.

Kung walang sapat na pagpopondo para sa mga karagdagang pasilidad na panlibangan, patuloy tayong makakakita ng karahasan, droga at alkohol bilang isyu sa ating lunsod. Ako ay masipag na magtatrabaho upang makatulong na bumuo ng mga programa at oportunidad para sa mga tao sa ating komunidad kabilang ang populasyon ng walang tirahan.

HARRY T. PRICE
Occupation: Mayor

Education and Qualifications: Fairfield needs an experienced, proven leader to tackle all the challenges we face..

As your Mayor, I have built a successful track record improving streets and roads, bringing more jobs to Fairfield, strengthening our local economy and advocating for programs to keep our community safe.

I helped develop the Safe Routes to School program, improved public transportation for our seniors and continue to support public safety.

I have assured the city has a balanced budget fully funding stable and professional police and fire departments.

I will continue to work with our community partners to protect Travis Air Force Base and support our residents who serve our country.

Fairfield has a bright future in light of our challenges. I have brought the council together to tackle public safety and homelessness.

I've worked so that Solano's cities and the County are now officially partnering to finally solve homelessness with real solutions, cooperation and the ability to leverage outside funding.

Join my fellow councilmembers, veterans, seniors, teachers, community leaders and working families who endorse me. There is much to be done. It takes leadership and cooperation.

Working together we can make Fairfield a better place for future generations.

Ocupación: Alcalde

Educación y Competencia: Fairfield necesita un líder experimentado y acreditado para resolver todos los desafíos a los que nos enfrentamos..

En mi carácter de Alcalde, he desarrollado un exitoso historial de mejoramiento de calles y carreteras, generé más puestos de trabajo en Fairfield, fortalecí nuestra economía local y fui defensor de programas para proteger a nuestra comunidad.

Ayudé a desarrollar el programa de Rutas Seguras a la Escuela, mejoré el transporte público para las personas mayores y sigo brindando apoyo a la seguridad pública.

Me aseguré de que la ciudad contara con un presupuesto equilibrado que brindara financiamiento pleno a departamentos de policía y bomberos estables y profesionales.

Seguiré trabajando con nuestros colaboradores comunitarios para proteger la Base Aérea Travis y brindar apoyo a los residentes que defienden a nuestro país.

Fairfield tiene un futuro brillante en vista de los desafíos a los que nos enfrentamos. He unido al concejo para abordar la seguridad pública y la indigencia.

He trabajado para que las ciudades de Solano y el Condado se asocien oficialmente con el objeto de resolver de una vez por todas el problema de la indigencia a partir de soluciones reales, cooperación y la capacidad de aprovechar el financiamiento externo.

Acompañé a los miembros del concejo, veteranos, personas mayores, maestros, líderes de la comunidad y familias trabajadoras que me apoyan. Hay mucho por hacer. Se necesita liderazgo y cooperación.

HARRY T. PRICE
Trabaho: Alkalde

Edukasyon at Kuwalipikasyon: Ang Fairfield ay nangangailangan ng isang may karanasan, subok na lider upang harapin ang lahat ng hamon sa atin.

Bilang inyong Alkalde, nakabuo ako ng isang matagumpay na rekord ng pagpapahusay sa mga kalye at daan, nagdadala ng mga karagdagang trabaho sa Fairfield, pinalalakas ang ating lokal na ekonomiya at nagtataguyod para sa mga programa upang panatilihin ligtas ang ating komunidad.

Tumulong akong buuin ang programang Safe Routes to School, pinahusay ang pampublikong transportasyon para sa ating mga nakatatanda at ipinagpatuloy ang suporta sa kaligtasan ng publiko.

Tiniyak ko na ang lunsod ay may balanseng badyet na lubos na pinopondohan ang matatag na mga kagawaran ng propesyonal na pulis at bumbero.

Ako ay patuloy na makikipagtulungan sa ating mga kasama sa komunidad upang protektahan ang Travis Air Force Base at suportahan ang ating mga residenteng naglilingkod sa ating bansa.

Ang Fairfield ay may maningning na hinaharap dahil sa ating mga hamon. Pinag-isa ko ang konseho upang harapin ang kaligtasan ng publiko at kawalan ng tirahan.

Nagtrabaho ako upang ang mga lunsod ng Solano at ang County ay opisyal na nagtutulungan upang lutasin sa wakas ang kawalan ng tirahan sa pamamagitan ng mga tunay na solusyon, kooperasyon at kakayahang gumamit ng panlabas na pagpoondo.

Sumama sa aking mga kapwa miyembo ng konseho, beterano, nakatatanda, guro, lider ng komunidad at nagtatrabahong pamilya na nag-eendorso sa akin. Maraming dapat gawin. Nangangailangan ng pamumuno at kooperasyon.

Sa pagtatrabahong magkakasama magagawa natin ang Fairfield na isang mas mahusay na lugar para sa susunod na henerasyon.

MAYOR
City of Fairfield**

CATHERINE “CAT” MOY

Occupation: Fairfield Councilwoman

Education and Qualifications: Protecting Fairfield is my top priority. That's why neighbors and community leaders support me, not insiders.

I'll tackle homelessness and crime with fresh policies and bold leadership.

I demanded an audit on all funds spent on homelessness in Solano County. Taxpayers paid too much and homelessness increased. Mismanagement slows Fairfield's progress. We must focus on mental illness, addiction, or chronic homelessness will increase.

I voted against defunding 14 police officers, warning crime would increase if approved. Officers were lost and crime increased. As mayor, I'll hire more police for our neighborhoods, like when I pushed for Cordelia's new police substation.

I voted against cutting Fairfield's fire services, warning of a disaster. It came and homes were lost. I voted to add a fire station, re-establish fire prevention, and pay for a fire-training tower. Fairfield is now safer and better prepared.

The Grand Jury found poor countywide planning left us vulnerable during wildfires. I'll lead Solano's mayors and supervisors to build a comprehensive disaster and evacuation plan.

I'll continue to protect Suisun Valley by creating a permanent committee of farmers and residents who work to promote the region and prevent unnecessary development from threatening our crown jewel.

**DECLARACIÓN DE CANDIDATA PARA
MIEMBRO DEL CONCEJO MUNICIPAL
ALCALDE
Ciudad de Fairfield**

CATHERINE “CAT” MOY

Ocupación: Concejala de Fairfield

Educación y Competencia: Proteger a Fairfield es mi máxima prioridad. Por eso me apoyan los vecinos y los líderes de la comunidad, no los infiltrados.

Me enfrentaré a la indigencia y a la delincuencia con políticas nuevas y un liderazgo audaz.

Exigi una auditoria de todos los fondos destinados a los indigentes del Condado de Solano. Los contribuyentes pagaron demasiado y la indigencia aumentó. La administración inadecuada frena el progreso de Fairfield. Debemos centrarnos en las enfermedades mentales y las adicciones, o aumentará la indigencia crónica.

He votado en contra del desfinanciamiento de 14 oficiales de policías y advertí que el crimen aumentaría si se aprobaba. Se perdieron oficiales y aumentó el crimen. Como alcaldesa, contrataré más policías para nuestros vecindarios, del mismo modo que cuando impulsé la nueva subestación de policía de Cordelia.

He votado en contra de recortar los servicios de bomberos de Fairfield y advertí que se produciría un desastre. Sucedió y se perdieron hogares. He votado para incorporar una estación de bomberos, restablecer la prevención de incendios y pagar una torre de capacitación de bomberos. Fairfield se encuentra ahora más seguro y mejor preparado.

El Gran Jurado descubrió que la escasa planificación de todo el condado nos hizo vulnerables durante los incendios forestales. Dirigiré a los alcaldes y supervisores de Solano para que elaboren un plan integral ante desastres y de evacuación.

Seguiré protegiendo a Suisun Valley mediante la creación de un comité permanente de granjeros y residentes que trabajen para promover la región y evitar que la urbanización innecesaria amenace nuestro tesoro máspreciado.

**PAHAYAG NG KANDIDATO PARA
MIYEMBRO NG KONSEHO NG LUNSOD
ALKALDE
Lunsod ng Fairfield**

CATHERINE “CAT” MOY

Trabaho: Konsehala ng Fairfield

Edukasyon at Kuwalipikasyon: Ang pagprotekta sa Fairfield ay aking pangunahing prioridad. Iyon ang dahilan kung bakkit ang mga kapitbahay at lider ng komunidad ay sumusuporta sa akin, hindi mga tagaloob.

Haharapin ko ang kawalan ng tirahan at krimen sa pamamagitan ng mga sariwang patakaran at matapang na pamumuno.

Humingi ako ng pagsusuri sa lahat ng pondong ginagamit sa kawalan ng tirahan sa County ng Solano. Ang mga nagbabayad ng buwis ay nagbabayad ng napakalaki at ang kawalan ng tirahan ay tumaas. Ang maling pamamahala ay nagpapabagal sa progreso ng Fairfield. Dapat tayong magpokus sa sakit sa isip, pagkasugapa, o ang patuloy na kawalan ng tirahan ay tataas.

Ako ay bumoto laban sa pagtanggap ng pondo sa 14 na opisyal ng pulisya, nagbabala na ang krimen ay tataas kung aprubahan. Nawala ang mga opisyal at ang krimen ay tumaas. Bilang alkalde, kukuha ako ng mga karagdagang pulis para sa ating mga kapitbahayan, tulad ng panahong itinutak ko ang bagong napapailalim na istasyon ng pulis ng Cordelia.

Ako ay bumoto laban sa pagputol ng mga serbisyo sa sunog ng Fairfield, nagbabala ng kalamidad. Ito ay dumating at ang mga bahay ay nawala. Ako ay bumoto upang magdagdag ng isang istasyon ng bumbero, muling itatag ang pagpigil, at magbayad para sa tore ng pagsasanay para sa sunog. Ang Fairfield ay mas ligtas ngayon at mas handa.

Napag-alaman ng Dakilang Lupon ng mga Tagahatol na ang mahinang pagpapalano sa buong estado ay iniwan tayo na madaling maapektuhan kapag may mga napakalaking sunog. Pamumunuan ko ang mga alkalde at superbisor ng Solano upang magtayo ng isang komprehensibong plano para sa kalamidad at paglikas.

Patuloy kong poprotektahan ang Suisun Valley sa pamamagitan ng paglikha ng isang permanenteng komite ng mga magsasaka at residente na nagtatrabaho upang itaguyod ang rehiyon at pigilan ang hindi kailangang pagtatayo sa pagbabanta sa ating kinikilalang hiyas.

MEASURE E

SOLANO COUNTY LOCALLY CONTROLLED FUNDING FOR ESSENTIAL SERVICES MEASURE:

To provide general County services, such as enhancing fire protection to reduce wildfire risk, preventing spread of wildfires from wildland areas to residential neighborhoods, improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection shall Solano County's ordinance enacting a 1/8% sales tax until ended by voters be adopted, requiring independent oversight, audits, and all revenue controlled locally?	YES
	NO

Impartial Analysis of Measure E

SOLANO COUNTY – TRANSACTION AND USE TAX ORDINANCE

The County of Solano has proposed a general transactions and use tax (sales tax) of one-eighth of one cent per dollar (0.125%).

State law authorizes the County to levy a general sales tax if the ordinance proposing the tax is approved by a two-thirds vote of all members of the Board of Supervisors and the tax is approved by a majority of the qualified voters of the entire county voting in the election. On August 9, 2022 the Solano County Board of Supervisors adopted the ordinance and approved submitting it to the voters with four Supervisors voting in favor and one Supervisor voting against. If a majority of the voters in the County who vote on this measure vote "Yes," the measure will pass and the sales tax will be levied.

The proposed tax is a general sales tax that is estimated to raise \$9,000,000.00 annually. All revenue generated from the tax would be deposited into the County's General Fund and would be available for general governmental purposes. This measure does not restrict the use of the tax revenue to any specific purpose.

The tax would be paid in addition to the current sales tax. Like the current sales tax, the proposed tax would be imposed on all retailers in the incorporated and unincorporated territory of the County for the selling of tangible personal property, subject to certain exemptions and exclusions identified in the measure.

If approved, the tax would take effect immediately on November 8, 2022 and become operative on April 1, 2023. The tax would be levied for an indefinite term and could be terminated by a majority of the voters of the County of Solano by means of a ballot measure to repeal the tax at a future general or special election.

Measure E requires approval by simple majority of the voters of the County voting on it.

A "Yes" vote is a vote to authorize the County to levy a general sales tax of one-eighth of one cent per dollar (0.125%) on purchases throughout the County with certain exemptions and exclusions.

A "No" vote is a vote to not authorize the County to levy the proposed tax.

- (a) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285 of Part 1.7 of Division 2 which authorizes the County to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- (b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Transactions (Sales) and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- (c) To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Transactions (Sales) and Use Taxes.
- (d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

Sec. 11-703 Transaction Tax Rate. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated and unincorporated territory of the County at the rate of one eighth of one per cent (0.125%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Sec. 11-704 Place of Sale. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

Sec. 11-705 Use Tax Rate. An excise tax is hereby imposed on the storage, use or other consumption in the County of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of one eighth of one per cent (0.125%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state transactions (sales) or use tax regardless of the place to which delivery is made.

Sec. 11-706 Adoption of Provisions of State Law. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

Sec. 11-707 Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- (a) Wherever the State of California is named or referred to as the taxing agency, the name of this County shall be substituted therefor. However, the substitution shall not be made when:

 - (3) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

Sec. 11-710 Amendments. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

ARGUMENT IN FAVOR OF MEASURE E

With an ever-present and growing risk of wildfire that threatens our residential and rural communities, Measure E will provide enhanced wildfire prevention and protection to all of Solano County's residents.

The effect of prolonged drought conditions and extreme weather has increased the occurrence of wildfire in Solano County. The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities. This is what happened during the 2020 LNU Lightning Complex Fire that killed two Solano County residents, leveled 309 homes, destroyed thousands of livestock and family pets and forced the evacuations of Travis Air Force Base and portions of Fairfield and Vacaville.

A 2022 Solano County Civil Grand Jury report stated: "Solano County Is Not Prepared for Future Emergencies."

It is time to dedicate additional money and resources to address the challenges we face in Solano County. Wildfire does not respect county lines or city boundaries and revenues dedicated to wildfire prevention are shrinking.

Measure E will provide an estimated \$9,000,000 annually to support fire prevention and protection efforts across Solano County. It will provide additional fire response, including equipment and support programs, to improve 9-1-1 response times, thereby saving life and property.

Measure E will reduce the risk of wildfires threatening residential neighborhoods from rural areas by providing enhanced fire protection services to prevent the spread of fires into cities. Revenues will be used to create and maintain rural and city firebreaks and reduce dead trees and weeds in public open spaces.

We strongly urge you to vote YES on Measure E.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE E

Vote NO on Measure E. More taxes don't mean better services or better decisions.

They're using scare tactics to just tax you more. You shouldn't pay for their uncontrolled overspending and mismanagement! They don't even tell you this is a GENERAL TAX and allows any three members of the elected Board of Supervisors to spend it for any purpose.

The County claims that "The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities." So, what has the County done taking care of "dead trees and tinder dry conditions?"

Property values are continuing to increase and as adjustments are made the County will receive more tax revenue. This sales tax increase is unnecessary. People are continuing paying higher costs of housing, food, energy, utilities and automobile fuel. And let's not even mention the looming recession. This measure totally disregards our current struggles.

The measure boasts a so called "independent citizen oversight," but the measure contains no spending guarantees that an oversight committee could enforce or they wouldn't be friends of the Board.

Increasing existing taxes isn't the solution! County officials must do more to cut costs! Stop overspending, and definitely cut back on their waste. We demand better management of our money, not higher taxes!

.Vote NO on Measure E. You alone are the best "Oversight" on how your money is spent, not their Appointees!

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

ARGUMENT AGAINST MEASURE E

How much more taxes are you willing to pay? When enough is enough?

Under our state constitution, “protection of public safety is the first responsibility of local government.” When budgeting, “local officials have an **obligation** to give priority to the provision of adequate public safety services.”

The County has neglected their responsibilities and now with this sales tax increase wants YOU to cover their negligence.

The Board of Supes wants to increase the sales tax to raise money for public safety services and probably your City has another local sales tax increase on the same ballot.

This is a General Fund tax that the County can spend on anything it desires. So you have to ask yourself, where is the \$9 million in additional taxes per year will be spend? The County claims that the money collected will be used for “ enhancing fire protection to reduce wildfire risk, preventing spread of wildfires , improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection. CAN YOU REALLY TRUST THEM?

This proposed General Fund tax is nothing more than an effort to circumvent the two-thirds vote requirement for special taxes. Measure E can be approved by only the simple majority vote (50%). This also circumvents state accountability laws designed to ensure that taxes imposed for specific purposes are spent as intended.

Sales tax revenues are falling because of the shift to on-line retailing. Increasing the sales tax now will hurt local merchants. There is no need to increase the sales tax!

Even the promise of “citizen oversight” is hollow. We know how “oversight committee appointees” work.

Are you tired of been taken for a chump? Don't be fooled. Vote NO on Measure E

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

REBUTTAL TO ARGUMENT AGAINST MEASURE E

Don't be misled by the argument posed by opponents of Measure E, as there is too much at stake – namely the life and safety of Solano County residents.

This Board recognizes that it is time for everyone to come together to address the imminent threat of wildfire to our rural and residential neighborhoods. Devastating wildfires do not respect county lines nor city boundaries.

Your first line of defense, rural fire districts, are in the untenable position of providing fire protection with dwindling funding. Revenues are not keeping pace with the rising cost of fighting fires. Some of our rural fire districts are already in a state of crisis due to shortfalls.

These are largely volunteer departments made up of our friends and neighbors. They deserve better. When it comes to protecting life and property, we all have a responsibility to ensure our first responders have the tools and ability to do their job.

Measure E benefits from sales tax generated by those travelling in and out of Solano County. Oversight and routine audits will come with approval of Measure E. Claims to the contrary are designed to distract you from the dire need for enhanced fire protection and prevention services that could prevent the spread of wildfires into our residential neighborhoods.

Now is the time for action. Vote YES on Measure E.

TRAVIS UNIFIED SCHOOL DISTRICT BOND MEASURE:	
To repair aging schools by replacing plumbing, electrical, heating, and air conditioning systems; updating/adding classrooms for math, science, English, robotics/technology instruction; and improving safety and security, shall the Travis Unified School District measure authorizing \$64 million dollars in bonds at legal rates be adopted, levying 6 cents per \$100 dollars of assessed value (\$4 million dollars annually) while bonds are outstanding, with independent citizen oversight, no funds for administrators, and all funds for local schools only?	BONDS - YES
	BONDS - NO

**IMPARTIAL ANALYSIS OF MEASURE M
TRAVIS UNIFIED SCHOOL DISTRICT – SCHOOL BOND MEASURE**

Measure **M** would authorize the sale of general obligation bonds of the Travis Unified School District (“District”) in series in the aggregate amount of up to \$64,000,000. Measure **M** will not amend any existing laws. The District’s governing board (“Board”) placed Measure **M** on the ballot.

The California Constitution limits the use of proceeds from such bonds to construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities. If approved by the voters of the District, bond proceeds could only be used for those activities identified in the Bond Project List (reprinted completely in the sample ballot pamphlet). Bond funds could not be used for teacher or administrator salaries or other school operating expenses.

The District cannot guarantee that the bonds will provide sufficient funds to allow completion of all the Bond Projects. Certain projects may require State matching funds for their completion.

Independent performance and financial audits must be conducted annually. By law, the District is required to have an independent citizens’ oversight committee to help ensure that bond funds are spent only for projects included in the Bond Project List.

If Measure **M** is approved, the District may issue bonds either under the Government or Education Code. Bonds issued under the Government Code must mature within 40 years and may not have interest rates that exceed 12%. Bonds issued under the Education Code must mature within 25 years and may not have interest rates that exceed 8%.

The bonds would be repaid through a property tax levied and collected by the County each year on all taxable property within the District in an amount sufficient to pay the interest and principal coming due prior to the next year’s tax levy. The District’s stated best estimate of the average annual tax rate that would need to

be levied to fund the proposed bonds is \$60 per \$100,000 of assessed value of taxable property within the District. The District’s stated best estimate of the highest tax rate that would need to be levied to repay the proposed bonds is \$60 per \$100,000 of assessed value of taxable property within the District. The District estimates that the total debt service during the life of the bonds, including principal and interest, would be \$124,000,000.

The procedures required for the approval and issuance of the general obligation bonds, including the process of submitting Measure **M** to the vote of the District’s electors, were satisfied.

Measure **M** requires approval by 55 percent of the voters of the district voting on it.

A “Yes” vote is a vote to authorize the issuance of bonds totaling up to \$64,000,000 to fund specified school facilities projects secured by the levy of ad valorem taxes on property located within the District.

A “No” vote is a vote to not authorize the issuance of the bonds.

Section 9. Ballot Arguments. The members of the Board are hereby authorized to prepare and file with the County Registrar a ballot argument in favor of the proposition contained in Section 1 hereof, and a rebuttal, if necessary, to any arguments against the measure, within the time established by the County Registrar.

Section 10. Intention to Reimburse. The District may incur costs associated with bond-funded projects described in **Exhibit B** hereto prior to the issuance of bonds. For purposes of establishing compliance with the requirements of Section 1.150-2 of the regulations of the U.S. Treasury Department, the Board hereby declares its official intent to use proceeds of the bond to reimburse itself for lawful expenditures on capital projects described on the Bond Project List, up to a maximum principal amount of \$21 million.

Section 11. Further Authorization. The Superintendent and Chief Business Officer (each, a "District Representative") are hereby authorized and directed, individually and collectively, to do any and all things that they deem necessary or advisable in order to effectuate the purposes of this Resolution, including selection of a final Ballot Label and modification of the Full Ballot Text, the Ballot Label, and Tax Rate Statement if he or she determines such modifications are necessary and in the District's best interests. This Resolution and all of its Exhibits that are filed with the County Registrar by a District Representative shall constitute the final, binding ballot measure of the District.

TRAVIS UNIFIED SCHOOL DISTRICT FACILITIES REPAIR AND IMPROVEMENT MEASURE

By approval of this measure by at least fifty-five percent (55%) of the registered voters voting thereon, the Travis Unified School District shall be authorized to issue and sell bonds of up to \$64 million in aggregate principal amount to provide financing for the specific high school facilities projects listed below in the Bond Project List, subject to all of the accountability safeguards specified herein.

SECTION I: KEY FINDINGS

- The Governing Board of the District believes that a high quality education is the fundamental right of every student, and seeks to provide a 21st century education in a safe and engaging learning environment for all students;
- Many schools and buildings are over 50 years old, and many of schools need repairs and improvements to meet modern educational standards;
- The District must repair, construct, acquire or equip classrooms, sites, and facilities to make them safe and help ensure that all students have equal access to 21st century classrooms, labs and school facilities;
- Classrooms and educational facilities require updates for improved student learning in subjects like reading and science, technology, engineering, arts and math to accommodate 21st century learning methods and support hand-on instruction and learning by doing;
- The Board believes it is a wise investment to protect the quality of our schools, the quality of life in our community and the value of our homes;
- The District has reviewed its facilities needs and aligned them to the District's educational goals;
- Because State funding is limited, passing this bond measure provides a guaranteed source of local funding to maintain and improve this community's local school facilities;
- This bond measure will benefit local schools, and its funding will be controlled locally; no funds may be taken away by the State or other school districts, and by law, no money may be used for administrator salaries or pensions;
- This bond measure requires strict fiscal accountability protections including mandatory annual audits and an independent citizens' oversight committee to ensure funds are managed and spent properly.

SECTION II: ACCOUNTABILITY MEASURES

The provisions in this section are included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Governing Board has evaluated the facilities needs of the District, and has identified projects to finance from a local bond measure at this time. The Governing Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Independent Citizens' Oversight Committee. The Governing Board shall establish an independent Citizens' Oversight Committee to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established within sixty (60) days of the date when the Board enters the results of the election in its official minutes.

Annual Performance Audit. The Board shall conduct or cause to be conducted an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List.

Annual Financial Audit. The Board shall conduct or cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List.

Annual Report to Board. Upon approval of this measure and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent shall cause a report to be filed with the Board no later than April 30 of each year, commencing on the first April 30 after bonds have been issued and proceeds spent, stating (1) the amount of bond proceeds received and expended in the past fiscal year, and (2) the status of any project funded or to be funded from bond proceeds. The report may be incorporated into the annual budget, annual financial report, or other appropriate routine report to the Board.

SECTION III: BOND PROJECT LIST

This Bond Project List, which is an integral part of this measure, describes the projects the District proposes to finance with proceeds of the bonds. All information contained within this "Section III: Bond Project List" (hereinafter "Bond Project List") comprises the list and description of permissible projects and expenses that may be paid from bond proceeds, and where such projects may be or are intended to be completed.

Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities listed in the Bond Project List, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher or administrator salaries and other school operating expenses.

In order to meet all identified facility needs, the District may complete projects using a combination of funding sources, including development impact fees, mitigation fees, use funding, and state funding when and if available. The District will pursue state matching funds if and when they become available, and if received, they will be used for projects on the Bond Project List or other high priority capital outlay expenditures as permitted in Education Code section 17070.63(c).

While the District has budgeted to complete specific projects, due to potential cost escalation, unforeseen conditions, and other factors, placement of a project, or component thereof, on the Bond Project List is not a guarantee that each project or project component listed will be completed or that it will be completed at every location. While no project is dependent on the receipt of state funding, state funding may enable the District to perform additional projects or projects at additional sites, and bond funds may be used to meet any matching share contribution requirements.

Specific projects to be funded by the bond measure include, without limitation, the following:

A. PROJECTS TO PROVIDE UPGRADED SPACE FOR INSTRUCTION AND TO SUPPORT 21ST-CENTURY LEARNING

- Replace outdated and deteriorating utility infrastructure, electrical, lighting, plumbing, heating, sewer and ventilation systems; Install air conditioning or other classroom cooling systems;
- Upgrade/improve energy efficiency and install or replace energy conservation or generation systems (lighting, electrical, solar, geothermal) to reduce utility costs and to improve energy efficiency and implement sustainability and best/green energy practices;
- Improve security at schools by providing wayfinding, signage, fire and classroom intrusion alarms, public address and emergency communication systems, video surveillance cameras and other security systems, safety locks on classroom doors, and exterior lighting for student safety;
- Repaint school exteriors and interiors and refresh or replace landscaping;
- Replace doors and windows;
- Update and/or renovate classrooms by repairing and/or replacing flooring, ceiling tiles and casework, and re-painting and updating electrical systems;
- Install new or replace deteriorating campus fencing and gates;
- Improve student safety and traffic circulation by upgrading or providing additional school drop-off areas, safe paths of travel and parking lots;
- Improve site accessibility and install ramps to meet Americans with Disabilities Act (ADA) compliance;
- Repair and replace aging student and staff restrooms, including gender neutral toilet modernization, reconfiguration, and additions;
- Install or repair shade structures on school campuses and create sheltered eating and outdoor learning areas as needed.

- Pay down capital leases or other lease-based debt obligations incurred for capital projects

B. PROJECTS TO ENABLE SCHOOLS TO MEET CURRENT ACADEMIC STANDARDS

- Construct, furnish and equip and/or renovate, modernize, upgrade, repair, replace:

- Improve school site network infrastructure and provide updated classroom audio/visual technology;
- Acquire and install centrally manageable, networked loudspeaker/bell/clock systems;
- Furnish classrooms, learning and support spaces with furniture, screens, bulletin boards, and window coverings.

Projects listed above may be completed at any and all school sites and facilities where such project is determined by the Governing Board to be necessary or required, including administrative support facilities, and projects are authorized to be performed at any and all of the following locations:

Cambridge Elementary	Center Elementary
Foxboro Elementary	Scandia Elementary
Travis Elementary	Golden West Middle School
Travis Community Day School	Travis Education Center
Vanden High School	

Listed projects, repairs, improvements, rehabilitation projects and upgrades will be completed as needed and feasible. Projects may be done in phases over time, based on Governing Board priorities and available funding. Decisions regarding the scope, timing, prioritization or other facets of project implementation will be made solely by the Governing Board by subsequent action. Where terms such as “repair,” “upgrade,” “replace” and “improve” are used in the Bond Project List, the Governing Board has the discretion to determine the best method for accomplishing the project’s objective. For any listed project involving renovation or modernization of a building or the major portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition), if the District determines that replacement and new construction is more practical than renovation, considering the building’s age, condition, expected remaining life, comparative cost and other relevant factors. In addition, where feasible, projects may be completed in partnership with other public or private agencies on a joint use basis using bond proceeds, subject to federal tax rules and regulations. Property, buildings and equipment on the bond project list may be acquired through lease, sale, lease-purchase, lease-leaseback or other project delivery or acquisition methods determined appropriate by the Board. Bond funds may be used to support local match contribution requirements of state facility funding that becomes available for projects on the Bond Project List.

Each project is assumed to include its share of costs of bond issuance, architectural, engineering, legal and similar planning costs; construction management; bond project staff and consultants; staff development and training expenses associated with learning construction techniques and approaches and new bond-funded equipment and systems; the furnishing and equipping of all projects, including equipment to maintain facilities in a safe and clean condition; and a customary contingency for unforeseen design and construction costs. Payment of the costs of preparation of facilities planning and project implementation studies, feasibility and assessment reviews, master planning, environmental studies, permit and inspection fees, Division of State Architect (DSA) - related requirements, studies and assessments, including ADA and seismic, and temporary housing and relocation costs for dislocated programs or activities caused or necessitated by projects on the Bond Project List are permissible bond expenditures.

The final cost of each project will be determined as plans are finalized and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Necessary site preparation, grading or restoration may occur in connection with acquisition of property, new construction, modernization, renovation or remodeling, or installation or removal of modular classrooms, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, relocating fire access roads and acquiring any necessary easements, leases, licenses or rights of way to the property, all of which are permitted expenses.

SECTION IV: ADDITIONAL SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of Bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation or replacement of school facilities on the Bond Project List, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses as interpreted by applicable law.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the California Education Code, and all the enumerated purposes shall constitute the specific single purpose of the bonds and proceeds of the bonds shall be spent only for such purpose.

No Long Term Debt for Short Lifespan Items. The weighted average maturity of each issue of bonds will not exceed 120 percent (120%) of the average reasonably expected economic life of the projects financed by the bonds, consistent with federal tax law.

Other Terms of the Bonds. The bonds may be issued and sold in several series, and in accordance with a financing plan determined by the Governing Board pursuant to requirements of law. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum and with a maximum term not exceeding the statutory maximum, provided that Bond funds may be used to reimburse the District for Bond Project list expenditures incurred prior to the election and bond issuance, in accordance with federal tax law.

Attention of all voters is directed to the fact that the financial information contained in this measure is based upon the District's projections and estimates only, which are not binding upon the District, nor are the summary estimates, if any, provided in the Ballot Label. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

In preparing this information, the District obtained reasonable and informed projections of assessed property valuations that took into consideration projections of assessed property valuations made by the County Assessor, if any, in accordance with Education Code Section 15100(c).

EXHIBIT C

TAX RATE STATEMENT

An election will be held within the boundaries of the Travis Unified School District ("District") on November 8, 2022 to authorize the sale of up to \$64,000,000 in bonds to finance facilities as described in the measure. If the bonds are approved, the District expects to sell the bonds in multiple series. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property located within the District. The following information is provided in compliance with Sections 9400 to 9404, inclusive, of the California Elections Code.

1. The best estimate from official sources of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors, is estimated to be approximately \$0.06 per \$100 (\$60 per \$100,000). The final fiscal year in which the tax is anticipated to be collected is fiscal year 2051-52.
2. The best estimate from official sources of the highest tax rate that would be required to be levied to fund this bond issue, based on assessed valuations available at the time of filing this statement or a projection based on experience within the same jurisdiction or other demonstrable factors, is estimated to be approximately \$0.06 per \$100 (\$60 per \$100,000) of assessed valuation, which is projected to be the same in every fiscal year that the bonds remain outstanding.
3. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$124 million, considering the assumptions set forth in paragraphs (1) and (2) above. This estimate results in a debt service ratio of 1.9 to 1, which is less than the maximum ratio of 4.0 to 1 allowed by Education Code Section 15144.1.

If the bonds are approved, the duration of the tax levy shall continue until final payment of all bonds issued pursuant to the authorization. The tax shall be levied in an amount each year sufficient to pay the principal of and interest on all outstanding bonds issued pursuant to the authorization. Voters should note that the estimated tax rate is based on the ASSESSED VALUE of taxable property on the Solano County official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that while the foregoing information includes conservative projections and estimates of assessed value, market interest rates, and the timing and amount of bonds issued in the future, the District will only issue bonds if the tax rate is at or below the maximum set forth above. The County Assessor is responsible for determining assessed value, the County Auditor-Controller is responsible for setting tax rates, and the County Treasurer-Tax Collector is responsible for the collection of taxes. The actual tax rates may vary over time based on changes in assessed value, and actual debt service may vary based on market interest rates and the timing of when the bonds are issued. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on bond market conditions at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process. The District is responsible for the timing and amount of bonds to be issued, which the District will only undertake if tax rates meet the parameters set forth in the above tax rate statement.

ARGUMENT IN FAVOR OF MEASURE M

Vote YES on Measure M to repair our local schools and provide safe, modern classrooms for all our students!

Travis Unified School District believes that a high-quality education in a safe and engaging learning environment is the fundamental right of every student. We are proud of our award-winning science and technology teachers and programs that support student success.

However, many of our schools were built over 50 years ago and require critical repairs and upgrades to keep up with current safety and academic standards. To succeed in the world today, our students must be skilled in the use of 21st-century educational technology and have a solid background in science, math and technology.

Measure M makes this possible by ensuring that all students have equal access to modern classrooms and learning tools. Measure M will also make essential improvements to school safety and security, including updating security systems, cameras, lighting, playgrounds walkways and paving.

By law, all money raised by Measure M stays locally controlled to support local students. It cannot be taken away by the State or used for other purposes.

Vote YES on M —Safe and Modern Classrooms:

- Replace aging plumbing, electrical, lighting, heating and air conditioning systems
- Repair, modernize and add classrooms for core academic subjects, including robotics and career technical education
- Enhance safety and security at all schools
- Improve access for students with disabilities

Mandatory Taxpayer Protections and Local Control:

- All funds would stay local to improve our schools—the State cannot touch one penny
- Independent citizen oversight and audits are required
- No funds can be used for administrator salaries or pensions

Even if you do not have school-age children, protecting the quality of our schools helps keep our community and property values strong.

Our students are counting on you. Join our community – Vote YES on M!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE M

Look at your property tax bill for a list of the current school general obligation bonds that you are still paying with interest for the next 25 plus years.

Much of the work described in Measure M is deferred maintenance of school properties for which the Education Code requires school districts to pay for from a deferred maintenance fund. Now the District tells us that the schools require replacing aging plumbing, electrical, lighting, heating and air conditioning systems.

If the District had been a good steward, repairs and replacements would have been completed as needed rather than waiting for a bond.

Since items listed in Measure M are not specific to any school site, the Measure is bait that gives the District a BLANK CHECK to squander bond dollars on whatever they want.

Over fifty percent (50%) of your property taxes go to schools. As property values are increasing schools will be receiving more money.

The measure boasts for a so called “independent citizen oversight committee,” but the measure contains no spending guaranties that the oversight committee could enforce or wouldn’t be friends of the Board.

NO MORE TAXES! -- Taxpayers must maintain and repair their homes and businesses pay for high costs of food, energy, utilities and automobile fuel. And let’s not even mention the looming recession.

Join overtaxed property owners-VOTE NO on Measure M!

ARGUMENT AGAINST MEASURE M

Oppose this bond and VOTE NO ON MEASURE M

A bond works like a government credit card -- paying off that credit card requires the government to raise your taxes. The increased taxes you will be forced to pay would be IN ADDITION TO ALL THE OTHER TAXES RESIDENTS ALREADY PAY, including: Property Taxes; Existing Community College School Bond Taxes; Income Taxes; Sales Taxes; Utility Taxes; Gasoline Taxes. This is a TAX you will be paying until fiscal year 2053- 54. Aren't you taxed enough already?

What would this property tax increase likely mean for you?

Property Owners: will be forced to pay increased property taxes. Oh but don't worry it will only be \$60 per \$100,000 of the assessed value of your home. Just think the quality of education your children will get in modernized schools!

Many Renters: will suffer rent increases as landlords pass on the costs of higher taxes.

Customers: will see higher prices as businesses pass on the cost of higher taxes.

This measure boasts an "independent citizen bond oversight committee." A committee handpicked by the School District that has no teeth!

NO MORE TAXES -- tell education bureaucrats they need to live within their means (instead of relying upon over-burdened taxpayers to pay ever increasing taxes)! VOTE NO ON MEASURE M

REBUTTAL TO THE ARGUMENT AGAINST MEASURE M

This election brings the opportunity to see a brighter future for our students. While our opponent filed an argument against every school district in Solano County, Travis Unified School District (TUSD) voters understand supporting quality education is a wise investment.

When you **consider the FACTS, voting Yes on M is the obvious choice for our community.**

- **Measure M provides locally controlled funding to update our classrooms and schools to meet new educational standards.** All funds must stay in our community for our students – the State can't take one penny.
- **Strong schools support our community.** Over the last 2 years, many students and families struggled as everyone was being responsible to protect our community from COVID-19. Supporting our local schools now is more important than ever.
- **Measure M will ensure all local schools meet current health and safety codes.** Many of the District's schools are over 50 years old and in need of repairs and updates to ensure the health and safety of all students.
- **Measure M will upgrade classrooms and educational facilities to provide up-to-date classrooms** for core academics including math, science, technology, engineering, reading and writing.
- **Measure M requires mandatory fiscal accountability.** An independent citizens' oversight committee of local residents must review the use of funds and report their findings to the community. **Annual public disclosure of spending** is required.

Let's improve the quality of life in our community and protect the value of our homes.

Join us - Vote YES on M for strong schools and a strong community.
