INFORMATION RELEASE
HOMICIDE INVESTIGATION UPDATE

On Monday, August 3, 2015, at 7:15 a.m., Solano County Sheriff's Office deputies responded to the call of gunshots fired in the 300 block of Benicia Rd, Vallejo. Deputies arrived to find a female victim, later identified as 21-year old Vallejo resident A'Tierra Westbrook, sitting in the driver seat of a white sedan.

The victim's vehicle collided with a parked car after the victim was struck multiple times by gun fire. Medical intervention was unsuccessful and the victim was pronounced deceased at the scene.

Sheriff's Office Detectives, Crime Scene Technicians, and District Attorney Investigators responded and processed the scene. The California Highway Patrol (CHP) Multidisciplinary Accident Investigation Team (MAIT) and CHP Air-Support assisted with diagraming and aerial photographs.

Witnesses describe the suspect as a tall, skinny, male wearing a gray colored hooded sweatshirt. The suspect was seen entering a blue or silver sedan that fled the area southbound on Sperry Avenue immediately following the shooting.

At this point in the investigation, detectives do not believe this was a random crime as it appears the victim was targeted. Sheriff's detectives continue to actively investigate and interview witnesses.
