INFORMATION RELEASE Suspicious Death Investigation Update

On Thursday, December 24th, 2015, Deputies were dispatched to assist the California Highway Patrol (CHP) with a "man down" call in the area of Lynch Canyon Road, Vallejo. Medical personnel responded and pronounced Rebart Ordonio, a 53 year old Fairfield resident deceased. Ordonio's car was located by CHP in the median of Westbound I-80, east of American Canyon unattended.

The Solano County Coroner's Office conducted an autopsy and determined Ordonio's death was caused by blunt force chest trauma. Based on information and evidence, Sheriff's Detectives believe Ordonio was traveling on westbound I-80 when his car struck debris in the roadway, causing him to stop in the median. Ordonio exited his vehicle in darkness and accidentally fell down the Lynch Canyon overpass embankment.

Mr. Ordonio's death appears to be a tragic accident. Our thoughts are with his loved ones during this difficult time.
