Solano State Legislative Delegation Bills

Wolk, Lois		
Bill ID/Topic	Location	Summary
SB 7 Wolk D Housing: water meters: multiunit structures.	1/1/2016-A. UNFINISHED BUSINESS 1/1/2016-Set for Hearing.	Existing law generally regulates the hiring of dwelling units and, among other things, imposes certain requirements on landlords and tenants. Among these requirements, existing law requires landlords to provide tenants with certain notices or disclosures pertaining to, among other things, pest control and gas meters. This bill would express the intent of the Legislature to encourage the conservation of water in multifamily residential rental buildings through means either within the landlord's or the tenant's control, and to ensure that the practices involving the submetering of dwelling units for water service are just and reasonable, and include appropriate safeguards for both tenants and landlords. This bill contains other related provisions and other existing laws.
SB 441 Wolk D California Public Records Act: exemptions.	6/9/2016-A. RLS. 6/9/2016-Read third time and amended. Ordered to third reading. Re-referred to Com. on RLS. pursuant to Assembly Rule 77.2.	The California Public Records Act requires that public records be open to inspection at all times during the office hours of a public agency, defined as any state or local agency, and that every person has a right to inspect any public record, except as specifically provided. The act further requires that a reasonably segregable portion of a public record be available for inspection by any person requesting the public record after deletion of the portions that are exempted by law. This bill would prohibit disclosure of any identification number, alphanumeric character, or other unique identifying code used by a public agency to identify a vendor or contractor, or an affiliate of a vendor or contractor. This bill contains other related provisions and other existing laws.
SB 543 Wolk D Veterans: Veterans' Home of California.	6/15/2016-A. APPR. 6/15/2016-From committee: Do pass and re-refer to Com. on APPR. (Ayes 8. Noes 0.) (June 14). Re-referred to Com. on APPR.	Existing law provides for the establishment and operation of the Veterans' Home of California at various sites, including homes in Barstow, Chula Vista, Lancaster, Ventura, and Yountville, and provides for an administrator for each home or homesite. Existing law defines "home" and "administrator" for these purposes. Existing law establishes the Veterans' Home Fund in the State Treasury, which includes the proceeds of certain bonds. Existing law requires, upon appropriation of the Legislature, the Department of Veterans Affairs to use money in the fund for the purpose of designing and constructing veterans' homes in California. This bill would clarify that veterans' homes include the Veterans' Homes of California located in Chula Vista, Fresno, Lancaster, Redding, Ventura, West Los Angeles, and any future Veterans' Home of California that is established. This bill contains other related provisions and other existing laws.
SB 552 Wolk D Public water systems: disadvantaged communities: consolidation or extension of service: administrative and managerial services.	6/16/2016-A. W.,P. & W. 6/16/2016-Action From W.,P. & W.: Read second time and amended.Re-referred to W.,P. & W..	Existing law, the California Safe Drinking Water Act, provides for the operation of public water systems, and imposes on the State Water Resources Control Board various responsibilities and duties. The act authorizes the state board to order consolidation with a receiving water system where a public water system, or a state small water system within a disadvantaged community, consistently fails to provide an adequate supply of safe drinking water. The act authorizes the state board to order

		<p>the extension of service to an area that does not have access to an adequate supply of safe drinking water so long as the extension of service is an interim extension of service in preparation for consolidation. Existing law, for these purposes, defines "disadvantaged community" to mean a disadvantaged community that is in an unincorporated area or is served by a mutual water company. This bill would make a community disadvantaged for these purposes if the community is in a mobilehome park even if it is not in an unincorporated area or served by a mutual water company. The bill would limit the authority of the state board to order consolidation or extension of service to provide that authority only with regard to a disadvantaged community. This bill contains other related provisions and other existing laws.</p>
<p>SB 554 Wolk D</p> <p>Delta levee maintenance.</p>	<p>6/14/2016-A. APPR. 6/14/2016-From committee: Do pass and re-refer to Com. on APPR. (Ayes 10. Noes 3.) (June 14). Re-referred to Com. on APPR.</p>	<p>Existing law establishes a delta levee maintenance program pursuant to which a local agency may request reimbursement for costs incurred in connection with the maintenance or improvement of project or nonproject levees in the Sacramento-San Joaquin Delta. Existing law declares legislative intent to reimburse eligible local agencies under this program, until July 1, 2018, in an amount not to exceed 75% of those costs that are incurred in excess of \$1,000 per mile of levee. Existing law, until July 1, 2018, authorizes the board to provide funds to an eligible local agency under this program in the form of an advance in an amount that does not exceed 75% of the estimated state share. Existing law, on and after July 1, 2018, declares the intent of the Legislature to reimburse eligible local agencies under this program in an amount not to exceed 50% of those costs that are incurred in any year for the maintenance and improvement of levees. This bill would declare legislative intent to reimburse up to 75% of those costs incurred in any year for the maintenance or improvement of levees in excess of \$1,000 per mile of levee and would authorize the board to advance funds in an amount that does not exceed 75% of the estimated state share to an eligible local agency.</p>
<p>SB 683 Wolk D</p> <p>Alcoholic beverage licenses: nonprofit sales license.</p>	<p>6/14/2016-A. G.O. 6/14/2016-From committee with author's amendments. Read second time and amended. Re-referred to Com. on G.O.</p>	<p>Existing law, the Alcoholic Beverage Control Act, regulates the application for, the issuance of, the suspension of, and the conditions imposed upon, various alcoholic beverage licenses pursuant to which the licensees may exercise specified privileges in the state. Existing law authorizes the specified licenses to nonprofit organizations, as provided. Existing law also provides for various annual fees for the issuance of alcoholic beverage licenses depending upon the type of license issued. This bill would authorize the Department of Alcoholic Beverage Control to issue a special nonprofit sales license to a nonprofit mutual benefit corporation, as described, that would authorize the licensee to, among other things, accept the transfer of, and take title to, up to 20,000 gallons of wine per year produced by the public university, as described, and sell transferred wine to consumers and licensees, as provided. The bill would impose an original fee and an annual renewal fee for the license, which would be deposited in the Alcohol Beverage Control Fund. This bill contains other related provisions.</p>

<p>SB 746 Wolk D</p> <p>Olive Oil Commission of California: voting members: chair of advisory committee.</p>	<p>6/6/2016-A. AGRI. 6/6/2016-From committee with author's amendments. Read second time and amended. Re-referred to Com. on AGRI.</p>	<p>Existing law establishes the Olive Oil Commission of California and provides for the board of directors of the commission comprised of 10 voting members, as specified. Existing law further provides for an advisory committee to advise the commission board of directors, provides for the selection of the chair of the advisory committee by the members of the commission, and specifies that the chair of the advisory committee shall be a nonvoting member of the commission board of directors. This bill would instead establish the chair of the advisory committee to be a member, rather than a nonvoting member, of the commission board of directors. The bill would also require the chair of the advisory committee to designate an alternate advisory committee member to serve in the chair's absence.</p>
<p>SB 885 Wolk D</p> <p>Construction contracts: indemnity.</p>	<p>6/9/2016-A. JUD. 6/9/2016-Referred to Com. on JUD.</p>	<p>Existing law makes specified provisions in construction contracts void and unenforceable, including provisions that purport to indemnify the promisee against liability for damages for death or bodily injury to persons, injury to property, or any other loss arising from the sole negligence or willful misconduct of the promisee or the promisee's agents who are directly responsible to the promisee, or for defects in design furnished by those persons. This bill would specify, with certain exceptions, for construction contracts entered into on or after January 1, 2017, that a design professional, as defined, only has the duty to defend himself or herself from claims or lawsuits that arise out of, or pertain or relate to, negligence, recklessness, or willful misconduct of the design professional. The bill would prohibit these provisions from being construed to affect any duty of a design professional to pay a reasonable allocated share of defense fees and costs with respect to claims and lawsuits alleging negligence, recklessness, or willful misconduct of the design professional, as specified. The bill would prohibit waiver of these provisions and would provide that any clause, covenant, or agreement contained in, collateral to, or affecting a contract that requires a design professional to defend claims or lawsuits against other persons or entities is void and unenforceable. The bill would provide legislative findings and declarations in support of these provisions.</p>
<p>SB 1006 Wolk D</p> <p>Firearm Violence Research Center.</p>	<p>6/1/2016-A. HIGHER ED. 6/14/2016-June 14 set for first hearing canceled at the request of author.</p>	<p>Existing law establishes and funds various research centers and programs in conjunction with the University of California. This bill would enact the California Firearm Violence Research Act. The bill would declare the intent of the Legislature that the Regents of the University of California establish the California Firearm Violence Research Center to research firearm-related violence. The bill would declare legislative intent regarding the principles by which the university would administer the center and award research funds, as prescribed. The bill would require the university to report, on or before December 31, 2017, and every 5 years thereafter, specified information regarding the activities of the center and information pertaining to research grants. The bill would require the center and the grant recipients to provide copies of their research publications to the Legislature and specified agencies. The bill would specify that its provisions would apply to the university only to the extent that the</p>

		regents, by resolution, make any of the provisions of the bill applicable to the university.
<p>SB 1119 Wolk D</p> <p>Surplus state property: Napa County Regional Park and Open Space District.</p>	<p>6/1/2016-S. INACTIVE FILE 6/1/2016-Ordered to inactive file on request of Senator Wolk.</p>	<p>Existing law authorizes the Director of General Services to sell or exchange, at fair market value based upon an appraisal approved by the Department of General Services, all or part of a specified parcel of state property only to the County of Napa upon those terms, conditions, reservations, and exceptions the director determines are in the best interest of the state, by January 1, 2015, and subject to other requirements. Existing law requires reimbursement of the Department of General Services for any cost or expense incurred in the disposition of the property from the proceeds of the disposition of the property. Existing law requires the proceeds from this sale to be deposited in the Deficit Recovery Bond Retirement Sinking Fund Subaccount until the bonds associated with this subaccount are finally paid. This bill would apply the authorization described above to apply to the Napa County Regional Park and Open Space District instead of Napa County and would extend the period within which the sale described above may be made to January 1, 2021. The bill would revise the reference to the Deficit Recovery Bond Retirement Sinking Fund Subaccount, given that the principal and interest on the bonds have been provided and no more bonds are outstanding. Consistent with requirements of the California Constitution, the bill would direct that proceeds be paid into the Special Fund for Economic Uncertainties, which is continuously appropriated. By depositing money in a continuously appropriated fund, the bill would make an appropriation. This bill contains other related provisions.</p>
<p>SB 1120 Wolk D</p> <p>Director of General Services: state medical facilities: leases.</p>	<p>6/13/2016-A. A. & A.R. 6/13/2016-From committee with author's amendments. Read second time and amended. Re-referred to Com. on A. & A.R.</p>	<p>Existing law authorizes the Director of General Services, with the consent of the State Department of State Hospitals to lease specified property located within the Napa State Hospital to a nonprofit corporation for the purpose of conducting its trainable mentally retarded program consistent with specified requirements. This bill would update the names of the programs being offered and would authorize the lease to be renewed for a term not exceeding 50 years. This bill contains other related provisions and other existing laws.</p>
<p>SB 1317 Wolk D</p> <p>Groundwater extraction permit.</p>	<p>6/9/2016-A. W., P. & W. 6/9/2016-Referred to Coms. on W., P., & W. and L. GOV.</p>	<p>The California Constitution requires the reasonable and beneficial use of water and that the conservation of the water resources of the state is to be exercised with a view to the reasonable and beneficial use of the water in the interest of the people and for the public welfare. Existing law, the Sustainable Groundwater Management Act, requires all groundwater basins designated as high- or medium-priority basins by the Department of Water Resources and designated as subject to critical conditions of overdraft to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2020, and requires all other groundwater basins designated as high- or medium-priority basins to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2022, except as specified. This bill, by January 1, 2018, would require a city or county overlying a basin designated as a high- or medium-priority basin to</p>

		<p>establish a process for the issuance of a groundwater extraction permit for the development of a groundwater extraction facility that requires an applicant for a groundwater extraction permit to demonstrate, based on substantial evidence, that extraction of groundwater from a proposed groundwater extraction facility will not contribute to or create an undesirable result, as prescribed. The bill would prohibit a groundwater extraction facility in a high- or medium-priority basin from being developed without a valid groundwater extraction permit, with certain exceptions. The bill would not require a city or county overlying a medium- or high-priority basin to have a process for the issuance of a groundwater extraction permit for the development of a groundwater extraction facility on or after January 31, 2022, or once the department has evaluated a groundwater sustainability plan for the basin the city or county overlies and determined the plan to be adequate and likely to achieve the sustainability goal for the basin, whichever comes first. By increasing the duties of cities and counties, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.</p>
<p>SB 1318 Wolk D</p> <p>Local government: drinking water infrastructure or services: wastewater infrastructure or services.</p>	<p>6/9/2016-A. L. GOV. 6/9/2016-Referred to Coms. on L. GOV. and E.S. & T.M.</p>	<p>The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 governs the procedures for the formation and change of organization of cities and special districts. This bill would additionally authorize a local agency formation commission to initiate a proposal by resolution of application for the annexation of a disadvantaged unincorporated community, as specified. This bill contains other related provisions and other existing laws.</p>
<p>SB 1340 Wolk D</p> <p>Water Conservation in Landscaping Act.</p>	<p>6/8/2016-A. W.,P. & W. 6/14/2016-June 14 set for first hearing. Failed passage in committee. (Ayes 6. Noes 8.) Reconsideration granted.</p>	<p>Existing law, the Water Conservation in Landscaping Act, requires the Department of Water Resources to update a specified model water efficient landscape ordinance by regulation and prescribes various requirements for the updated model ordinance. Existing law requires each local agency to adopt either the updated model water efficient landscape ordinance or an ordinance that is at least as effective in conserving water as the updated model ordinance. If the local agency does not make a selection, the model ordinance shall apply within the jurisdiction of the local agency. This bill would provide that no reimbursement is required by this act for a specified reason. This bill contains other existing laws.</p>
<p>SB 1386 Wolk D</p> <p>Resource conservation: working and natural lands.</p>	<p>5/19/2016-A. NAT. RES. 5/19/2016-Referred to Com. on NAT. RES.</p>	<p>The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act requires all state agencies to consider and implement strategies to reduce their greenhouse gas emissions. This bill would declare it to be the policy of the state that the protection and management of natural and working lands, as defined, is a key strategy in meeting the state's greenhouse gas reduction goals, and would require all relevant state agencies, departments, boards, and commissions to consider this policy when revising, adopting, or establishing policies, regulations, expenditures, or grant criteria relating to the protection and management of natural and working lands.</p>

<p>SB 1396 Wolk D</p> <p>Wildlife Conservation Board: Inner Coast Range Program.</p>	<p>6/9/2016-A. W.,P. & W. 6/9/2016-Referred to Com. on W., P., & W.</p>	<p>Existing law, the Wildlife Conservation Law of 1947, establishes the Wildlife Conservation Board in the Department of Fish and Wildlife. Under existing law, the board consists of the president of the Fish and Game Commission, the Director of Fish and Wildlife, and the Director of Finance. Existing law prescribes the board's duties with regard to, among other things, real property acquisitions for property used for wildlife preservation and conservation purposes. This bill would establish the Inner Coast Range Program with specified goal areas and authorization related to the Inner Coast Range Region, as defined. This bill would require the board to establish an advisory board for the program consisting of one representative of each of the counties within the region and would authorize the board to invite certain legislators and representatives of state and federal agencies to participate as members on the advisory board. The bill would create the Inner Coast Range Program Fund in the State Treasury and would provide that moneys in the fund would be available, upon appropriation, for the purposes of the program. This bill contains other related provisions.</p>
<p>SB 1414 Wolk D</p> <p>Energy.</p>	<p>6/14/2016-A. U. & C. 6/14/2016-From committee with author's amendments. Read second time and amended. Re-referred to Com. on U. & C.</p>	<p>Existing law requires the State Energy Resources Conservation and Development Commission (Energy Commission) to prescribe, by regulation, building design and construction standards and energy and water conservation design standards for new residential and nonresidential buildings. Existing law requires the Energy Commission to prescribe, by regulation, standards for minimum levels of operating efficiency to promote the use of energy-efficient and water-efficient appliances whose use requires a significant amount of energy or water on a statewide basis. Existing law requires that the minimum levels of operating efficiency be based on feasible and attainable efficiencies or feasible improved efficiencies that will reduce the energy or water consumption growth rates. Existing law prohibits a new appliance manufactured on or after the effective date of the operating efficiency standards to be sold or offered for sale in the state unless it is certified by the manufacturer to be in compliance with those standards. This bill would require the Energy Commission, by January 1, 2019, to approve a plan that will promote the installation of central air conditioning and heat pumps in compliance with specified regulations. The bill would authorize the Energy Commission to adopt regulations to increase compliance with permitting and inspection requirements for central air conditioning and heat pumps and associated sales and installations, consistent with that plan. This bill contains other related provisions and other existing laws.</p>
<p>SCA 14 Wolk D</p> <p>Legislative procedure.</p>	<p>6/14/2016-S. THIRD READING 6/14/2016-Read second time. Ordered to third reading.</p>	<p>The California Constitution requires that the proceedings of each house of the Legislature and the committees thereof be open and public, except as specified. This measure, the California Legislature Transparency Act, would require the Legislature, commencing January 1, 2018, to make audiovisual recordings of the open and public proceedings of each house of the Legislature and the committees thereof, as prescribed. The measure would require the Legislature to provide these recordings to the Legislative Counsel for purposes of making the recordings promptly available to the</p>

		public and would require that the recordings remain reasonably accessible to the public for not less than 20 years. The measure would require the Legislature to enact laws to implement these provisions, provided that the bills enacting such laws would be required to be published in final form on the Internet for at least 12 days prior to the final vote in each house. This bill contains other related provisions and other existing laws.
SCR 137 Wolk D Police Officer Vilho Ahola Memorial Highway.	6/15/2016-S. APPR. 6/15/2016-From committee: Be adopted and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 11. Noes 0.) (June 14). Re-referred to Com. on APPR.	This measure would designate a specified interchange on State Highway 101 in the County of Sonoma as the Police Officer Vilho Ahola Memorial Interchange. The measure would also request the Department of Transportation to determine the cost of appropriate signs showing this special designation and, upon receiving donations from nonstate sources covering that cost, to erect those signs.

<p>AB 1174 Bonilla D</p> <p>Automotive Repair Act: violations: regulations: reports.</p>	<p>3/7/2016-S. B., P. & E.D. 6/8/2016-In committee: Set, first hearing. Hearing canceled at the request of author.</p>	<p>The Automotive Repair Act provides for the licensure and regulation of automotive repair dealers, among others, by the Chief of the Bureau of Automotive Repair under the supervision and control of the Director of Consumer Affairs. The act requires the director, on the director's initiative or in response to a complaint, to investigate a violation of the act, or of any regulation adopted pursuant to the act, by any automotive repair dealer, automotive technician, or employee, partner, officer, or member of any automotive repair dealer. The act authorizes the director to adopt and enforce the rules and regulations that the director determines are reasonably necessary to carry out the purposes of the act and declaring the policy of the bureau, including a system for the issuance of citations pursuant to a specified law. The act, except as specified, makes a violation of any requirement of the act by any person punishable as a misdemeanor. This bill would clarify that the specified law under which the director may adopt and enforce rules and regulations under the Automotive Repair Act authorizes any board, bureau, or commission within the Department of Consumer Affairs to establish, by regulation, a system for the issuance to a licensee of a citation when the licensee is in violation of the applicable licensing act or any regulation adopted pursuant thereto. This bill contains other related provisions.</p>	
<p>AB 1592 Bonilla D</p> <p>Autonomous vehicles: pilot project.</p>	<p>6/14/2016-S. T. & H. 6/14/2016-Action From T. & H.: Do pass as amended.</p>	<p>Existing law permits the operation of an autonomous vehicle on public roads for testing purposes if, among other requirements, a driver is seated in the driver's seat and is capable of taking immediate manual control of the vehicle in the event of an autonomous technology failure or other emergency. This bill would, notwithstanding the above provision, authorize the Contra Costa Transportation Authority to conduct a pilot project for the testing of autonomous vehicles that do not have an operator and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted only at specified locations and the autonomous vehicle operates at speeds of less than 35 miles per hour.</p>	
<p>AB 1665 Bonilla D</p> <p>Transactions and use taxes: County of Alameda, County of Contra Costa, and Contra Costa Transportation Authority.</p>	<p>6/15/2016-S. GOV. & F. 6/15/2016-From committee: Do pass and re-refer to Com. on GOV. & F. with recommendation: To Consent Calendar. (Ayes 11. Noes 0.) (June 14). Re-referred to Com. on GOV. & F.</p>	<p>Existing law authorizes the County of Alameda and the County of Contra Costa to impose a transactions and use tax for the support of countywide transportation programs at a rate of no more than 0.5% that, in combination with other specified taxes, exceeds the combined rate of all these taxes that may be imposed, if certain requirements are met, including a requirement that the ordinance proposing the transactions and use tax be submitted to, and approved by, the voters. Existing law repeals this authority on December 31, 2020, if the ordinance is not approved by the voters by that date. This bill would remove this taxing authority from the County of Alameda and the County of Contra Costa and grant this taxing authority to the Contra Costa Transportation Authority. This bill contains other related provisions.</p>	
<p>AB 1692 Bonilla D</p> <p>County employees'</p>	<p>6/14/2016-S. THIRD READING 6/14/2016-Read second time. Ordered to third reading.</p>	<p>The California Public Employees' Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its pension plan or plans to comply with the act and, among other things, prohibits a public employer that offers a defined benefit pension plan from exceeding specified</p>

The County Employees Retirement Law of 1937 (CERL) authorizes counties to establish retirement systems pursuant to its provisions in order to provide pension benefits to county and district employees. CERL, among other things, authorizes the Board of Supervisors of Contra Costa County to make a Tier Three retirement plan applicable to certain nonsafety officers and employees for whom the board is the governing body, as specified, and sets forth the terms and conditions of disability retirement allowances for Tier Three members. This bill would authorize the Board of Supervisors of Contra Costa County to apply those terms and conditions to nonsafety officers and employees who are new members subject to the retirement formulas specified in PEPRA and for whom the board is the governing body.	
AB 1697 Bonilla D Alternative and Renewable Fuel and Vehicle Technology Program.	6/9/2016-S. T. & H. 6/9/2016-Referred to Com. on T. & H.	Existing law establishes the Alternative and Renewable Fuel and Vehicle Technology Program, administered by the State Energy Resources Conservation and Development Commission. Existing law requires the program to provide funding measures to certain entities to develop and deploy innovative technologies that transform California's fuel and vehicle types to help attain the state's climate change policies. Existing law requires the commission to provide preferences to projects that maximize the goals of the program based on certain criteria, including the project's ability to provide economic benefits for California by promoting California-based technology firms, jobs, and businesses. Existing law specifies that projects eligible for funding include workforce training programs related to various sectors or occupations related to the purposes of the program. This bill would add a project's ability to provide a path for trained workers to transition to jobs in the clean technology and renewable fuels sectors and a project's ability to promote employment of trained workers in those sectors as additional criteria on which preference under the program shall be provided. The bill would revise the eligibility criteria for workforce training programs, as specified.	
AB 1756 Bonilla D Teacher credentialing: integrated programs of professional preparation.	6/9/2016-S. ED. 6/9/2016-Referred to Com. on ED.	(1) Existing law establishes minimum requirements for the issuance of a preliminary multiple or single subject teaching credential by the Commission on Teacher Credentialing. Among other requirements, existing law requires satisfactory completion of a program of professional preparation accredited by the Committee on Accreditation, but specifies that the program shall not include more than 2 years of full-time study, except for certain programs, including for integrated programs of subject matter and professional preparation. Existing law requires an integrated program of professional preparation to enable candidates for teaching credentials to engage in professional preparation, concurrently with subject matter preparation, while completing baccalaureate degrees at regionally accredited postsecondary institutions, and to provide opportunities for candidates to complete intensive field experiences in public elementary and secondary schools early in the undergraduate sequence. This bill would require those intensive field experiences to include student teaching. This bill contains other related provisions and other existing laws.	
AB 1914 Bonilla D	6/15/2016-S. APPR. 6/15/2016-Action From ED.: Do pass as amended.To APPR..	Existing law, known as the Donahoe Higher Education Act, sets forth the missions and functions of the segments of postsecondary education in this state. The California State University, under the administration of the Trustees of the	

<p>Public postsecondary education: academic materials: textbooks: access codes.</p>		<p>California State University, the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, and the University of California, under the administration of the Regents of the University of California, constitute the 3 segments of public postsecondary education in this state. Provisions of the Donahoe Higher Education Act apply to the University of California only to the extent that the regents act, by appropriate resolution, to make those provisions applicable. This bill would add to this chapter a provision that requires the respective academic senates of campuses of the California State University and the University of California, in collaboration with students and campus administrators, to develop policies regarding required academic materials in order to encourage efforts to reduce redundancy in the delivery of academic materials, including, but not necessarily limited to, textbooks, as defined, and access codes, as defined. The bill would require that the policies adopted pursuant to the bill include, but not necessarily be limited to, guidelines prioritizing the use of ancillary and additional academic platforms and materials, not including textbooks, already available to enrolled students that are determined by faculty to serve the requirements of a course of study at no additional cost to enrolled students on their campuses or to the campus itself, a requirement that the cost of academic materials from the current semester or quarter be provided to faculty as specified, the establishment, in consultation with the campus bookstore, of deadlines by the campus for a faculty member or academic department to notify the campus bookstore of required and recommended textbooks and other instructional materials, as specified, and a determination, in consultation with the campus bookstore, of approved descriptors to post next to academic materials offered for sale at the campus bookstore, as specified. This bill contains other related provisions and other existing laws.</p>	
<p>AB 2149 Bonilla D</p> <p>State Board of Equalization: state agencies: collection of cash payments: medical marijuana-related businesses.</p>	<p>6/9/2016-S. GOV. & F. 6/9/2016-Referred to Com. on GOV. & F.</p>	<p>Existing law, the Compassionate Use Act of 1996, an initiative measure enacted by the approval of Proposition 215 at the November 5, 1996, statewide general election, allows the use of marijuana for medical purposes. The Medical Marijuana Regulation and Safety Act provides for the licensure and regulation of commercial medical marijuana activity by various state entities, as specified. The Fee Collection Procedures Law, the violation of which is a crime, provides procedures for the collection of certain fees and surcharges. This bill would authorize the State Board of Equalization to collect cash payments from medical marijuana-related businesses for other state agencies, including the Department of Consumer Affairs and the Employment Development Department, if that state agency has entered into an agreement with the board. The bill would require the agreement to include specified provisions, including that the board be reimbursed for the administrative costs of the collection, as specified, from the fund for which collection was authorized, upon appropriation by the Legislature. Existing law regulates water transfers and authorizes a permittee or licensee to change the point of diversion, place of use, or purpose of use due to a transfer or exchange of water or water rights if certain conditions are met. This bill would enact the Open and Transparent Water Data Act. The act would require the department, by January 1, 2018, to create, operate, and maintain a statewide integrated water data platform that, among other things, would integrate existing water and ecological data information from multiple databases and provide data on completed water transfers and exchanges. This bill contains other existing laws.	
AB 1783 Dodd D School facilities: nonstructural earthquake hazards: assessment.	6/9/2016-S. ED. 6/9/2016-Referred to Com. on ED.	Existing law, the Field Act, generally requires the Department of General Services to supervise the design and construction of, the reconstruction or alteration of, or the addition to, a school building to ensure, among other things, that plans and specifications comply with adopted rules and regulations and building standards, including those relating to seismic safety. Existing law requires the Office of Emergency Services, in cooperation with the State Department of Education, the Department of General Services, and the Alfred E. Alquist Seismic Safety Commission, to develop an educational pamphlet for use by school personnel to identify and mitigate the risks posed by nonstructural earthquake hazards. This bill would require each school district, county office of education, and charter school located in an area of higher seismicity, as defined, on or before January 1, 2018, to develop a plan for the inspection of the contents in each of its school buildings of areas that are	

		<p>accessible to or occupied by pupils to assess whether the contents comply with the guidelines set forth in the pamphlet, to identify school building contents that do not comply with the guidelines, and to develop corrective actions to bring noncompliant contents into compliance. The bill would require, among other things, that the plan be developed in consultation with specified persons, that it designate the responsible person or persons who will perform the assessment and develop the corrective action plans for noncompliant contents, and that it include a cost estimate for the assessment. The bill would require each school district, county office of education, and charter school to complete the assessment on or before January 1, 2020. The bill would require, within 60 days of completing an assessment for each school building, that a checklist of compliant and noncompliant contents be reported to the governing board of the school district, the county board of education, or the governing body of the charter school, as applicable, with a prioritization of noncompliant items that threaten the safety of pupils and school personnel and a set of recommended corrective actions to bring high-priority noncompliant contents into compliance with the published guidelines. By imposing additional duties on local educational agency officials, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.</p>

This bill would provide that such a label for renewal may be registered for a limited period of time while labels are being corrected and reprinted or during registration renewal. This bill contains other related provisions and other existing laws.</p>	
<p>AB 1890 Dodd D</p> <p>Discrimination: equal pay: state contracting.</p>	<p>6/9/2016-S. <p>AB 933 Frazier D</p> <p>Vehicles: 24/7 Sobriety programs.</p>	<p>6/14/2016-S. RLS. 6/14/2016-Re-referred to Com. on RLS.</p>	<p>Existing law prohibits a person who has 0.08% or more, by weight, of alcohol in his or her blood from driving a vehicle. Existing law also prohibits a person while having 0.08% or more, by weight, of alcohol in his or her blood from driving a vehicle and concurrently doing any act forbidden by law, or neglecting any duty imposed by law in driving the vehicle, when the act or neglect proximately causes bodily injury to a person other than the driver. A violation of either of these prohibitions is a crime. Existing law authorizes a court, in addition to imposing penalties and sanctions for those violations, to require the person to enroll and participate in, and successfully complete, a driving-under-the-influence program, which may include, among other things, education, group counseling, and individual interview sessions. This bill would authorize the court to order a person convicted of a crime described above to enroll and participate in, and successfully complete, a qualified "24/7 Sobriety program," as defined, as a condition of probation, if the program is available and deemed appropriate, and the person committed the crime within 10 years of one or more separate crimes described above that resulted in a conviction. The bill also would authorize a court to order participation in a 24/7 Sobriety program as a condition of release on bond for a person who has been charged with a crime described above. The bill would permit a person whose driving privilege has been suspended or revoked for certain violations, and who subsequently applies to the department for a restricted driving privilege, to be permitted to participate in a 24/7 Sobriety program as a condition of obtaining the restricted driving privilege as an alternative to, or in conjunction with, participation in an</p>

The bill would require a person participating in the program to pay the program costs, commensurate with the person's ability to pay, as specified. This bill contains other existing laws.	
AB 1591 Frazier D Transportation funding.	2/1/2016-A. TRANS. 2/1/2016-Referred to Coms. on TRANS. and REV. & TAX.	Existing law provides various sources of funding for transportation purposes, including funding for the state highway system and the local street and road system. These funding sources include, among others, fuel excise taxes, commercial vehicle weight fees, local transactions and use taxes, and federal funds. Existing law imposes certain registration fees on vehicles, with revenues from these fees deposited in the Motor Vehicle Account and used to fund the Department of Motor Vehicles and the Department of the California Highway Patrol. Existing law provides for the monthly transfer of excess balances in the Motor Vehicle Account to the State Highway Account. This bill would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria to ensure efficient use of the funds available for the program. The bill would provide for the deposit of various funds for the program in the Road Maintenance and Rehabilitation Account, which the bill would create in the State Transportation Fund, including revenues attributable to a \$0.225 per gallon increase in the motor vehicle fuel (gasoline) tax imposed by the bill, including an inflation adjustment as provided, an increase of \$38 in the annual vehicle registration fee, and a new \$165 annual vehicle registration fee applicable to zero-emission motor vehicles, as defined. This bill contains other related provisions and other existing laws.

This bill would require revenues apportioned to the state from the National Highway Freight Program established by the federal Fixing America's Surface Transportation Act to be allocated for trade corridor improvement projects approved pursuant to these provisions. This bill contains other related provisions and other existing laws.</p>	
<p>AB 2289 Frazier D Department of Transportation: capital improvement projects.</p>	<p>6/15/2016-S. This bill would, on July 1, 2017, delete the transfer of these miscellaneous revenues to the Transportation Debt Service Fund, thereby eliminating the offsetting</p>	

		transfer to the General Fund for debt service on general obligation transportation bonds issued pursuant to Proposition 116 of 1990. The bill, subject to a specified exception, would, on July 1, 2017, instead require the miscellaneous revenues to be retained in the State Highway Account and to be used solely for transportation expenditures consistent with the restrictions for expenditure of fuel tax revenues in Article XIX of the California Constitution.

LEGISLATIVE COUNSEL'S DIGEST

AB 1997, as amended, Mark Stone. Foster care.

Existing law provides for the early implementation, by counties and foster family agencies, of the resource family approval process, which is a unified, family friendly, and child-centered approval process that replaces the multiple processes for licensing foster family homes, approving relatives and nonrelative extended family members as foster care providers, and approving adoptive families. Existing law requires the State Department of Social Services to implement the resource family approval process in all counties and with all foster family agencies by January 1, 2017.

This bill would also ~~provide~~ *specify* that the resource family approval process replaces *certification of foster homes by foster family agencies and the approval of guardians*. The bill would make conforming statutory changes related to the statewide implementation of the resource family approval process, including prohibiting the department from accepting applications to license foster family homes on and after January 1, 2017. The bill would also *make specified changes relating to resource families including by, among others, requiring that the basic rate paid to resource families be the same whether the family is approved by a foster family agency or a county, and would* revise certain aspects of the resource family approval process, including ~~by~~ *by, among other things*, requiring counties and foster family agencies to conduct annual, announced inspections of resource family homes and to inspect resource family homes as often as necessary to ensure the quality of care provided, ~~and by~~ authorizing counties to grant, deny, or rescind criminal records ~~exemptions~~. *exemptions, and making it a misdemeanor to declare as true, in a resource family application form, any material matter that the applicant knows to be false*. By imposing additional duties on counties, by creating a new ~~crime~~ *crime*, and by expanding the duties of foster family agencies, for which the failure to comply is a crime, this bill would impose a state-mandated local program.

Existing law requires the State Department of Social Services to develop, implement, and maintain a ratesetting system for foster family agencies that have been granted a specified rate exception extension. Existing law makes these provisions inoperative on January 1, 2018.

This bill would instead make those provision inoperative on January 1, 2019. *The bill would require the department to establish rates for foster family agencies that include an interim rate, provisional rate, and probationary rate, and would provide for the implementation of those rates.*

Existing law requires certain foster care providers, in accordance with the federal Single Audit Act, to annually submit a financial audit on its most recent fiscal period to the State Department of Social Services, and ~~would require~~ *requires* the department to provide timely notice to the providers of the date that submission of the financial audits is required. Existing law provides that repeated late financial audits may result in monetary penalties or termination of the provider's rate.

This bill would delete the requirement that the department provide timely notice of the date that submission of the financial audits is required and would instead require those foster care providers to submit a financial audit pursuant to Generally Accepted Government Auditing Standards. The bill would instead provide that repeated late submission of financial audits, repeat findings in financial audits, or failure to comply with corrective action in a management decision letter may result in monetary penalties or a reduction, suspension, or termination of the provider's rate.

Existing law authorizes the juvenile court to make any reasonable orders for the care, supervision, custody, conduct, maintenance, and support of a minor or nonminor who is adjudged a ward of the court, and provides that, once the court makes a placement order, it is the sole responsibility of the probation agency to determine the appropriate placement for the ward. Existing law requires, if a placement is with a foster family agency or in a short-term residential treatment center and is for longer than 12 months, the placement to be approved by the chief probation officer or his or her designee.

This bill would require, for youth 13 years of age and older, a placement with a foster family agency or in a short-term residential treatment center to be approved by the chief probation officer or his or her designee, only if the placement is longer than 12 months.

Existing law, the California Community Care Facilities Act, provides for the licensure of short-term residential treatment centers, which are residential facilities licensed by the State Department of Social Services and operated by any public agency or private organization that provides short-term, specialized, and intensive treatment, and 24-hour care and supervision to children. A violation of the act is a crime.

This bill would *require the department to establish rates for short-term residential treatment centers that include an interim rate, provisional rate, and probationary rate, and would provide for the implementation of those rates.* The bill would require a private short-term residential treatment center to be organized and operated on a nonprofit

basis. By expanding the scope of a crime, this bill would impose a state-mandated local program.

Existing law requires the department to, at least annually, compile specified information relating to the use of psychotropic medication for each group home and to establish a methodology to identify those group homes that have levels of psychotropic drug utilization warranting additional review.

This bill would also require the department to compile that information for short-term residential treatment centers and require that methodology to apply to short-term residential treatment centers in a manner determined by the department.

Existing law requires, on and after January 1, 2017, a foster family agency to have national accreditation, as specified, and requires a short-term residential treatment center to have national accreditation, as specified. Existing law also authorizes, in certain circumstances, the department to extend the term of a foster family agency's or short-term residential treatment center's provisional license to 2 years if it determines that additional time is required to secure that accreditation.

This bill would delete that authorization. The bill would specify that a foster family agency licensed before January 1, 2017, has until December 31, 2018, to obtain accreditation, and that a foster family agency licensed on or after January 1, 2017, or a short-term residential treatment center has up to 24 months from the date of licensure to obtain accreditation. The bill would authorize the department to revoke a foster family agency's or a short-term treatment centers license for failure to obtain accreditation within these timeframes.

Existing law generally requires, commencing January 1, 2017, a community treatment facility program to have accreditation from a nationally recognized accrediting entity identified by the State Department of Social Services pursuant to a specified process. Existing law provides that a community treatment facility program that has been granted a specified extension does not have to comply with that requirement until January 1, 2018.

This bill would provide that a community treatment facility program that has been granted that specified extension does not have to comply with the accreditation requirement until January 1, 2019.

Existing federal law, the Adoption and Safe Families Act of 1997, among other provisions, establishes a permanent placement option for older children as an alternative to long-term foster care, referred to in the act as "another planned permanent living arrangement" (APPLA).

Existing law declares the intent of the Legislature to conform state law to the federal act, as specified. Existing law generally provides a minor 16 years of age and older with another planned permanent living arrangement, as prescribed.

This bill would make conforming changes by deleting references to long-term foster care and instead providing for placement in another planned permanent living arrangement.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for specified reasons.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 7911.1 of the Family Code is amended

16 Regulations for each child in care regardless of whether he or she
17 is a California placement, by submitting a copy of the required
18 reports to the Compact Administrator within regulatory timeframes.
19 The Compact Administrator within one business day of receiving
20 a serious events report shall verbally notify the appropriate
21 placement agencies ~~and~~ *and*, within five working days of receiving
22 a written report from the out-of-state group home, forward a copy
23 of the written report to the appropriate placement agencies.

1 (b) Any contract, memorandum of understanding, or agreement

4 of a child out of state by a California county social services agency
5 or probation department shall include the language set forth in
6 subdivision (a).

7 (c) (1) The State Department of Social Services or its designee
8 shall perform initial and continuing inspection of out-of-state group
9 homes in order to either certify that the out-of-state group home
10 meets all licensure standards required of group homes operated in
11 California or that the department has granted a waiver to a specific
12 licensing standard upon a finding that there exists no adverse
13 impact to health and safety.

14 (2) On and after January 1, 2017, the licensing standards
15 applicable to out-of-state group homes certified by the department,
16 as described in paragraph ~~(1)~~ (1), shall be those required of

23 standing issued by the appropriate authority or authorities of the
24 state in which it is operating.

25 (4) On and after January 1, 2017, an out-of-state group home
26 program shall, in order to receive an AFDC-FC rate, meet the
27 requirements of paragraph (2) of subdivision (c) of Section 11460
28 of the Welfare and Institutions Code.

29 (5) Any failure by an out-of-state group home facility to make
30 children or staff available as required by subdivision (a) for a
31 private interview or make files available for review shall be
32 grounds to deny or discontinue the certification.

33 (6) Certifications made pursuant to this subdivision shall be
34 reviewed annually.

35 (d) A county shall be required to obtain an assessment and
36 placement recommendation by a county multidisciplinary team
37 prior to placement of a child in an out-of-state group home facility.

38 (e) Any failure by an out-of-state group home to obtain or
39 maintain its certification as required by subdivision (c) shall
40 preclude the use of any public funds, whether county, state, or

1 federal, in the payment for the placement of any child in that
2 out-of-state group home, pursuant to the Interstate Compact on
3 the Placement of Children.

4 (f) (1) A multidisciplinary team shall consist of participating
5 members from county social services, county mental health, county
6 probation, county superintendents of schools, and other members
7 as determined by the county.

11 services related to child abuse or neglect.

12 (g) (1) The department may deny, suspend, or discontinue the
13 certification of the out-of-state group home if the department makes
14 a finding that the group home is not operating in compliance with
15 the requirements of subdivision (c).

16 (2) Any judicial proceeding to contest the department's
17 determination as to the status of the out-of-state group home
18 certificate shall be held in California pursuant to Section 1085 of
19 the Code of Civil Procedure.

20 (h) The certification requirements of this section shall not impact
21 placements of emotionally disturbed children made pursuant to an
22 individualized education program developed pursuant to the federal
23 Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400
24 et seq.) if the placement is not funded with federal or state foster
25 care funds.

26 (i) Only an out-of-state group home authorized by the Compact
27 Administrator to receive state funds for the placement by a county
28 social services agency or probation department of any child in that
29 out-of-state group home from the effective date of this section
30 shall be eligible for public funds pending the department's
31 certification under this section.

32 SEC. 2. Section 1501.1 of the Health and Safety Code is
33 amended to read:

34 1501.1. (a) It is the policy of the state to facilitate the proper
35 placement of every child in residential care facilities where the
36 placement is in the best interests of the child. A county may require
37 placement or licensing agencies, or both placement and licensing
38 agencies, to actively seek out-of-home care facilities capable of
39 meeting the varied needs of the child. Therefore, in placing children
40 in out-of-home care, particular attention should be given to the

1 individual child's needs, the ability of the facility to meet those
2 needs, the needs of other children in the facility, the licensing
3 requirements of the facility as determined by the licensing agency,
4 and the impact of the placement on the family reunification plan.

5 (b) Pursuant to this section, children with varying designations
6 and varying needs, including, on and after January 1, 2012,
7 nonminor dependents, as defined in subdivision (v) of Section
8 11400 of the Welfare and Institutions Code, except as provided
9 by statute, may be placed in the same facility provided the facility
10 is licensed, complies with all licensing requirements relevant to
11 the protection of the child, and has a special permit, if necessary,
12 to meet the needs of each child so placed. A facility may not
13 require, as a condition of placement, that a child be identified as
14 an individual with exceptional needs as defined by Section 56026
15 of the Education Code.

16 (c) Neither the requirement for any license nor any regulation
17 shall restrict the implementation of the provisions of this section.
18 Implementation of this section does not obviate the requirement
19 for a facility to be licensed by the department.

20 (d) Pursuant to this section, children with varying designations
21 and varying needs, including, on and after January 1, 2012,
22 nonminor dependents, as defined in subdivision (v) of Section
23 11400 of the Welfare and Institutions Code, except as provided
24 by statute, may be placed in the same licensed foster family home
25 or with a foster family agency for subsequent placement in a
26 certified family home or with a resource family. Children, including
27 nonminor dependents, with developmental disabilities, mental
28 disorders, or physical disabilities may be placed in licensed foster
29 family homes or certified family homes or with resource families,
30 provided that an appraisal of the child's or nonminor dependent's
31 needs and the ability of the receiving home to meet those needs is
32 made jointly by the placement agency and the licensee in the case
33 of licensed foster family homes or the placement agency and the
34 foster family agency in the case of certified family homes or
35 resource families, and is followed by written confirmation prior
36 to placement. The appraisal shall confirm that the placement poses
37 no threat to any child in the home.

38 (e) (1) For purposes of this chapter, the placing of children by
39 foster family agencies shall be referred to as "subsequent

1 placement” to distinguish the activity from the placing by public
2 agencies.

3 (2) For purposes of this chapter, and unless otherwise specified,
4 references to a “child” shall include a “nonminor dependent” and
5 “nonminor former dependent or ward” as those terms are defined
6 in subdivision (v) and paragraph (1) of subdivision (aa) of Section
7 11400 of the Welfare and Institutions Code.

24 (a) of Section 17710 of the Welfare and Institutions Code. In

2 Institutions Code.

3 Nothing in this section shall be construed to prohibit or
4 discourage placement of persons who have mental or physical

6 the needs of the individual placed, if the placement is consistent
7 with the licensing regulations of the department.

8 (9) "Full-service adoption agency" means any licensed entity

6 resource family home or facility licensed by the department, a
7 foster family agency shall cease review of the individual's
8 application unless the excluded individual has been reinstated

23 or 10 days after the notice has been placed in the mail or sent by
24 electronic mail, or at the expiration of the time prescribed by the
25 order for publication.

26 (2) Service of notice in cases where publication is ordered shall
27 be completed at least 30 days before the date of the hearing.

28 (d) Regardless of the type of notice required, or the manner in
29 which it is served, once the court has made the initial finding that
30 notice has properly been given to the parent, or to any person
31 entitled to receive notice pursuant to this section, subsequent notice
32 for any continuation of a Section 366.26 hearing may be by
33 first-class mail to any last known address, by an order made
34 pursuant to Section 296, except as provided in paragraphs (2) and
35 (3) of subdivision (h) and subdivision (i), by electronic mail if the

40 reasonably calculated, under any circumstance, to provide notice

1 of the continued hearing. However, if the recommendation changes
2 from the recommendation contained in the notice previously found
3 to be proper, notice shall be provided to the parent, and to any
4 person entitled to receive notice pursuant to this section, regarding
5 that subsequent hearing.

6 (e) The notice shall contain the following information:

16 for the child.

17 (f) Notice to the parents may be given in any one of the
18 following manners:

19 (1) If the parent is present at the hearing at which the court
20 schedules a hearing pursuant to Section 366.26, the court shall
21 advise the parent of the date, time, and place of the proceedings,
22 their right to counsel, the nature of the proceedings, and the
23 requirement that at the proceedings the court shall select and
24 implement a plan of adoption, legal guardianship, ~~or long-term~~
25 ~~foster care placement with a fit and willing relative, or another~~
26 *planned permanent living arrangement, as appropriate,* for the
27 child. The court shall direct the parent to appear for the proceedings
28 and then direct that the parent be notified thereafter by first-class
29 mail to the parent's usual place of residence or business only. In
30 lieu of notice by first-class mail, notice may be served by electronic
31 mail if the county, or city and county, and the court choose to
32 permit service by electronic mail and the person to be served has
33 consented to service by electronic mail by signing Judicial Council
34 Form EFS-005.

35 (2) Certified mail, return receipt requested, to the parent's last
36 known mailing address. This notice shall be sufficient if the child

39 (4) Delivery to a competent person who is at least 18 years of
40 age at the parent's usual place of residence or business, and

2 mail at the place where the notice was delivered.

3 (5) If the residence of the parent is outside the state, service
4 may be made as described in paragraph (1), (3), or (4) or by
5 certified mail, return receipt requested.

6 (6) If the recommendation of the probation officer or social
7 worker is ~~legal guardianship or long-term foster care~~, *guardianship,*
8 *placement with a fit and willing relative, or another planned*
9 *permanent living arrangement, as appropriate*, or, in the case of
10 an Indian child, tribal customary adoption, service may be made
11 by first-class mail to the parent's usual place of residence or
12 business. In lieu of notice by first-class mail, notice may be served
13 by electronic mail if the county, or city and county, and the court
14 choose to permit service by electronic mail and the person to be
15 served has consented to service by electronic mail by signing
16 Judicial Council Form EFS-005.

17 (7) If a parent's identity is known but his or her whereabouts
18 are unknown and the parent cannot, with reasonable diligence, be
19 served in any manner specified in paragraphs (1) to (6), inclusive,
20 the petitioner shall file an affidavit with the court at least 75 days
21 before the hearing date, stating the name of the parent and
22 describing the efforts made to locate and serve the parent.

23 (A) If the court determines that there has been due diligence in
24 attempting to locate and serve the parent and the probation officer
25 or social worker recommends adoption, service shall be to that
26 parent's attorney of record, if any, by certified mail, return receipt
27 requested. If the parent does not have an attorney of record, the
28 court shall order that service be made by publication of citation
29 requiring the parent to appear at the date, time, and place stated in
30 the citation, and that the citation be published in a newspaper
31 designated as most likely to give notice to the parent. Publication
32 shall be made once a week for four consecutive weeks. Whether
33 notice is to the attorney of record or by publication, the court shall
34 also order that notice be given to the grandparents of the child, if
35 their identities and addresses are known, by first-class mail.

36 (B) If the court determines that there has been due diligence in
37 attempting to locate and serve the parent and the probation officer
38 or social worker recommends ~~legal guardianship or long-term~~
39 ~~foster care~~, *guardianship, placement with a fit and willing relative,*
40 *or another planned permanent living arrangement, as appropriate,*

1 no further notice is required to the parent, but the court shall order
2 that notice be given to the grandparents of the child, if their
3 identities and addresses are known, by first-class mail.

4 (C) In any case where the residence of the parent becomes
5 known, notice shall immediately be served upon the parent as
6 provided for in either paragraph (2), (3), (4), (5), or (6).

7 (g) (1) If the identity of one or both of the parents, or alleged
8 parents, of the child is unknown, or if the name of one or both
9 parents is uncertain, then that fact shall be set forth in the affidavit
10 filed with the court at least 75 days before the hearing date and
11 the court, consistent with the provisions of Sections 7665 and 7666
12 of the Family Code, shall issue an order dispensing with notice to
13 a natural parent or possible natural parent under this section if,
14 after inquiry and a determination that there has been due diligence
15 in attempting to identify the unknown parent, the court is unable
16 to identify the natural parent or possible natural parent and no
17 person has appeared claiming to be the natural parent.

18 (2) After a determination that there has been due diligence in
19 attempting to identify an unknown parent pursuant to paragraph
20 (1) and the probation officer or social worker recommends
21 adoption, the court shall consider whether publication notice would
22 be likely to lead to actual notice to the unknown parent. The court
23 may order publication notice if, on the basis of all information
24 before the court, the court determines that notice by publication
25 is likely to lead to actual notice to the parent. If publication notice
26 to an unknown parent is ordered, the court shall order the published
27 citation to be directed to either the father or mother, or both, of
28 the child, and to all persons claiming to be the father or mother of
29 the child, naming and otherwise describing the child. An order of
30 publication pursuant to this paragraph shall be based on an affidavit
31 describing efforts made to identify the unknown parent or parents.
32 Service made by publication pursuant to this paragraph shall
33 require the unknown parent or parents to appear at the date, time,
34 and place stated in the citation. Publication shall be made once a
35 week for four consecutive weeks.

36 (3) If the court determines that there has been due diligence in
37 attempting to identify one or both of the parents, or alleged parents,
38 of the child and the probation officer or social worker recommends
39 ~~legal guardianship or long-term foster care~~, *guardianship,*
40 *placement with a fit and willing relative, or another planned*

1 *permanent living arrangement, as appropriate*, no further notice
2 to the parent shall be required.

3 (h) (1) Notice to all counsel of record shall be by first-class
4 mail, or by electronic mail if the county, or city and county, and
5 the court choose to permit service by electronic mail and the person
6 to be served has consented to service by electronic mail by signing
7 Judicial Council Form EFS-005.

8 (2) Except as provided in paragraph (3), if notice is required to
9 be provided to a child, written notice may be served on the child
10 by electronic mail only if all of the following requirements are
11 satisfied:

12 (A) The county, or city and county, and the court choose to
13 permit service by electronic mail.

14 (B) The child is 16 years of age or older.

15 (C) The child has consented to service by electronic mail by
16 signing Judicial Council Form EFS-005.

17 (D) The attorney for the child has consented to service of the
18 minor by electronic mail by signing Judicial Council Form
19 EFS-005.

20 (3) If notice is required to be provided to a child, written notice
21 may be served on the child by electronic mail as well as by regular
22 mail if all of the following requirements are satisfied:

23 (A) The county, or city and county, and the court choose to
24 permit service by electronic mail.

25 (B) The child is 14 or 15 years of age.

26 (C) The child has consented to service by electronic mail by
27 signing Judicial Council Form EFS-005.

28 (D) The attorney for the child has consented to service of the
29 minor by electronic mail by signing Judicial Council Form
30 EFS-005.

31 (i) If the court knows or has reason to know that an Indian child
32 is involved, notice shall be given in accordance with Section 224.2.

33 (j) Notwithstanding subdivision (a), if the attorney of record is
34 present at the time the court schedules a hearing pursuant to Section
35 366.26, no further notice is required, except as required by
36 subparagraph (A) of paragraph (7) of subdivision (f).

37 (k) This section shall also apply to children adjudged wards
38 pursuant to Section 727.31.

39 (l) The court shall state the reasons on the record explaining
40 why good cause exists for granting any continuance of a hearing

1 held pursuant to Section 366.26 to fulfill the requirements of this
2 section.

3 (m) Notwithstanding any choice by a county, or city and county,
4 and the court to permit service of written notice of court
5 proceedings by electronic mail, or consent by any person to service
6 of written notice by electronic mail by signing Judicial Council
7 Form EFS-005, notice of any hearing at which the county welfare
8 department is recommending the termination of parental rights
9 may only be served by electronic mail if supplemental and in
10 addition to the other forms of notice provided for in this section.

11 (n) This section shall remain in effect only until January 1, 2019,
12 and as of that date is repealed, unless a later enacted statute, that
13 is enacted before January 1, 2019, deletes or extends that date.

26 proceeding or has been adjudged to be a dependent child of the
27 juvenile court. If the sibling is 10 years of age or older, the sibling,
28 the sibling's caregiver, and the sibling's attorney. If the sibling is
29 under 10 years of age, the sibling's caregiver and the sibling's
30 attorney. However, notice is not required to be given to any sibling

32 (5) The grandparents of the child, if their address is known and
33 if the parent's whereabouts are unknown.

34 (6) All counsel of record.

35 (7) To any unknown parent by publication, if ordered by the
36 court pursuant to paragraph (2) of subdivision (g).

37 (8) The current caregiver of the child, including foster parents,
38 relative caregivers, preadoptive parents, ~~and~~ nonrelative extended
39 family ~~members~~. *members, or resource family.* Any person notified

1 may attend all hearings and may submit any information he or she
2 deems relevant to the court in writing.

3 (b) The following persons shall not be notified of the hearing:

4 (1) A parent who has relinquished the child to the State
5 Department of Social Services, county adoption agency, or licensed
6 adoption agency for adoption, and the relinquishment has been
7 accepted and filed with notice as required under Section 8700 of
8 the Family Code.

9 (2) An alleged father who has denied paternity and has executed
10 a waiver of the right to notice of further proceedings.

11 (3) A parent whose parental rights have been terminated.

12 (c) (1) Service of the notice shall be completed at least 45 days
13 before the hearing date. Service is deemed complete at the time
14 the notice is personally delivered to the person named in the notice
15 or 10 days after the notice has been placed in the mail, or at the
16 expiration of the time prescribed by the order for publication.

17 (2) Service of notice in cases where publication is ordered shall
18 be completed at least 30 days before the date of the hearing.

19 (d) Regardless of the type of notice required, or the manner in
20 which it is served, once the court has made the initial finding that
21 notice has properly been given to the parent, or to any person
22 entitled to receive notice pursuant to this section, subsequent notice
23 for any continuation of a Section 366.26 hearing may be by
24 first-class mail to any last known address, by an order made
25 pursuant to Section 296, or by any other means that the court
26 determines is reasonably calculated, under any circumstance, to
27 provide notice of the continued hearing. However, if the
28 recommendation changes from the recommendation contained in
29 the notice previously found to be proper, notice shall be provided
30 to the parent, and to any person entitled to receive notice pursuant
31 to this section, regarding that subsequent hearing.

32 (e) The notice shall contain the following information:

33 (1) The date, time, and place of the hearing.

34 (2) The right to appear.

35 (3) The parents' right to counsel.

36 (4) The nature of the proceedings.

37 (5) The recommendation of the supervising agency.

38 (6) A statement that, at the time of hearing, the court is required
39 to select a permanent plan of adoption, legal guardianship, ~~or~~
40 ~~long-term foster care~~ *placement with a fit and willing relative, or*

1 *another planned permanent living arrangement, as appropriate,*
2 *for the child.*

3 (f) Notice to the parents may be given in any one of the
4 following manners:

5 (1) If the parent is present at the hearing at which the court
6 schedules a hearing pursuant to Section 366.26, the court shall
7 advise the parent of the date, time, and place of the proceedings,
8 their right to counsel, the nature of the proceedings, and the
9 requirement that at the proceedings the court shall select and
10 implement a plan of adoption, legal guardianship, ~~or long-term~~
11 ~~foster care placement with a fit and willing relative, or another~~
12 *planned permanent living arrangement, as appropriate,* for the
13 child. The court shall direct the parent to appear for the proceedings
14 and then direct that the parent be notified thereafter by first-class
15 mail to the parent's usual place of residence or business only.

16 (2) Certified mail, return receipt requested, to the parent's last
17 known mailing address. This notice shall be sufficient if the child
18 welfare agency receives a return receipt signed by the parent.

19 (3) Personal service to the parent named in the notice.

20 (4) Delivery to a competent person who is at least 18 years of
21 age at the parent's usual place of residence or business, and
22 thereafter mailed to the parent named in the notice by first-class
23 mail at the place where the notice was delivered.

24 (5) If the residence of the parent is outside the state, service
25 may be made as described in paragraph (1), (3), or (4) or by
26 certified mail, return receipt requested.

27 (6) If the recommendation of the probation officer or social
28 worker is legal ~~guardianship or long-term foster care,~~ *guardianship,*
29 *placement with a fit and willing relative, or another planned*
30 *permanent living arrangement, as appropriate,* or, in the case of
31 an Indian child, tribal customary adoption, service may be made
32 by first-class mail to the parent's usual place of residence or
33 business.

34 (7) If a parent's identity is known but his or her whereabouts
35 are unknown and the parent cannot, with reasonable diligence, be
36 served in any manner specified in paragraphs (1) to (6), inclusive,
37 the petitioner shall file an affidavit with the court at least 75 days
38 before the hearing date, stating the name of the parent and
39 describing the efforts made to locate and serve the parent.

1 (A) If the court determines that there has been due diligence in
2 attempting to locate and serve the parent and the probation officer
3 or social worker recommends adoption, service shall be to that
4 parent's attorney of record, if any, by certified mail, return receipt
5 requested. If the parent does not have an attorney of record, the
6 court shall order that service be made by publication of citation
7 requiring the parent to appear at the date, time, and place stated in
8 the citation, and that the citation be published in a newspaper
9 designated as most likely to give notice to the parent. Publication
10 shall be made once a week for four consecutive weeks. Whether
11 notice is to the attorney of record or by publication, the court shall
12 also order that notice be given to the grandparents of the child, if
13 their identities and addresses are known, by first-class mail.

14 (B) If the court determines that there has been due diligence in
15 attempting to locate and serve the parent and the probation officer
16 or social worker recommends ~~legal guardianship or long-term~~
17 ~~foster care, guardianship, placement with a fit and willing relative,~~
18 ~~or another planned permanent living arrangement, as appropriate,~~
19 no further notice is required to the parent, but the court shall order
20 that notice be given to the grandparents of the child, if their
21 identities and addresses are known, by first-class mail.

22 (C) In any case where the residence of the parent becomes
23 known, notice shall immediately be served upon the parent as
24 provided for in either paragraph (2), (3), (4), (5), or (6).

25 (g) (1) If the identity of one or both of the parents, or alleged
26 parents, of the child is unknown, or if the name of one or both
27 parents is uncertain, then that fact shall be set forth in the affidavit
28 filed with the court at least 75 days before the hearing date and
29 the court, consistent with the provisions of Sections 7665 and 7666
30 of the Family Code, shall issue an order dispensing with notice to
31 a natural parent or possible natural parent under this section if,
32 after inquiry and a determination that there has been due diligence
33 in attempting to identify the unknown parent, the court is unable
34 to identify the natural parent or possible natural parent and no
35 person has appeared claiming to be the natural parent.

36 (2) After a determination that there has been due diligence in
37 attempting to identify an unknown parent pursuant to paragraph
38 (1) and the probation officer or social worker recommends
39 adoption, the court shall consider whether publication notice would
40 be likely to lead to actual notice to the unknown parent. The court

1 may order publication notice if, on the basis of all information
2 before the court, the court determines that notice by publication
3 is likely to lead to actual notice to the parent. If publication notice
4 to an unknown parent is ordered, the court shall order the published
5 citation to be directed to either the father or mother, or both, of
6 the child, and to all persons claiming to be the father or mother of
7 the child, naming and otherwise describing the child. An order of
8 publication pursuant to this paragraph shall be based on an affidavit
9 describing efforts made to identify the unknown parent or parents.
10 Service made by publication pursuant to this paragraph shall
11 require the unknown parent or parents to appear at the date, time,
12 and place stated in the citation. Publication shall be made once a
13 week for four consecutive weeks.

14 (3) If the court determines that there has been due diligence in
15 attempting to identify one or both of the parents, or alleged parents,
16 of the child and the probation officer or social worker recommends
17 ~~legal guardianship or long-term foster care,~~ *guardianship,*
18 *placement with a fit and willing relative, or another planned*
19 *permanent living arrangement, as appropriate,* no further notice
20 to the parent shall be required.

21 (h) Notice to the child and all counsel of record shall be by
22 first-class mail.

23 (i) If the court knows or has reason to know that an Indian child
24 is involved, notice shall be given in accordance with Section 224.2.

25 (j) Notwithstanding subdivision (a), if the attorney of record is
26 present at the time the court schedules a hearing pursuant to Section
27 366.26, no further notice is required, except as required by
28 subparagraph (A) of paragraph (7) of subdivision (f).

29 (k) This section shall also apply to children adjudged wards
30 pursuant to Section 727.31.

31 (l) The court shall state the reasons on the record explaining
32 why good cause exists for granting any continuance of a hearing
33 held pursuant to Section 366.26 to fulfill the requirements of this
34 section.

35 (m) This section shall become operative on January 1, 2019.

36 *SEC. 32. Section 295 of the Welfare and Institutions Code, as*
37 *amended by Section 13 of Chapter 219 of the Statutes of 2015, is*
38 *amended to read:*

26 to know that an Indian child is involved, notice shall be given in
27 accordance with Section 224.2.

28 (h) Except as provided in subdivision (i), if notice is required
29 to be provided to a child pursuant to paragraph (4) or (5) of

5 ~~SEC. 10.~~

6 *SEC. 34.* Section 361.2 of the Welfare and Institutions Code,
7 as added by Section 48 of Chapter 773 of the Statutes of 2015, is
8 amended to read:

9 361.2. (a) When a court orders removal of a child pursuant to
10 Section 361, the court shall first determine whether there is a parent
11 of the child, with whom the child was not residing at the time that
12 the events or conditions arose that brought the child within the
13 provisions of Section 300, who desires to assume custody of the
14 child. If that parent requests custody, the court shall place the child
15 with the parent unless it finds that placement with that parent would
16 be detrimental to the safety, protection, or physical or emotional
17 well-being of the child. The fact that the parent is enrolled in a
18 certified substance abuse treatment facility that allows a dependent
19 child to reside with his or her parent shall not be, for that reason
20 alone, prima facie evidence that placement with that parent would
21 be detrimental.

22 (b) If the court places the child with that parent it may do any
23 of the following:

24 (1) Order that the parent become legal and physical custodian
25 of the child. The court may also provide reasonable visitation by
26 the noncustodial parent. The court shall then terminate its
27 jurisdiction over the child. The custody order shall continue unless
28 modified by a subsequent order of the superior court. The order
29 of the juvenile court shall be filed in any domestic relation
30 proceeding between the parents.

31 (2) Order that the parent assume custody subject to the
32 jurisdiction of the juvenile court and require that a home visit be
33 conducted within three months. In determining whether to take
34 the action described in this paragraph, the court shall consider any
35 concerns that have been raised by the child's current caregiver
36 regarding the parent. After the social worker conducts the home
37 visit and files his or her report with the court, the court may then
38 take the action described in paragraph (1), (3), or this paragraph.
39 However, nothing in this paragraph shall be interpreted to imply
40 that the court is required to take the action described in this

1 paragraph as a prerequisite to the court taking the action described
2 in either paragraph (1) or (3).

3 (3) Order that the parent assume custody subject to the
4 supervision of the juvenile court. In that case the court may order
5 that reunification services be provided to the parent or guardian
6 from whom the child is being removed, or the court may order that
7 services be provided solely to the parent who is assuming physical
8 custody in order to allow that parent to retain later custody without
9 court supervision, or that services be provided to both parents, in
10 which case the court shall determine, at review hearings held
11 pursuant to Section 366, which parent, if either, shall have custody
12 of the child.

13 (c) The court shall make a finding either in writing or on the
14 record of the basis for its determination under subdivisions (a) and
15 (b).

16 (d) Part 6 (commencing with Section 7950) of Division 12 of
17 the Family Code shall apply to the placement of a child pursuant
18 to paragraphs (1) and (2) of subdivision (e).

19 (e) When the court orders removal pursuant to Section 361, the
20 court shall order the care, custody, control, and conduct of the
21 child to be under the supervision of the social worker who may
22 place the child in any of the following:

23 (1) The home of a noncustodial parent as described in
24 subdivision (a), regardless of the parent's immigration status.

25 (2) The approved home of a relative, regardless of the relative's
26 immigration status.

27 (3) The approved home of a nonrelative extended family
28 member as defined in Section 362.7.

29 (4) The approved home of a resource family as defined in
30 Section 16519.5.

31 (5) A foster home considering first a foster home in which the
32 child has been placed before an interruption in foster care, if that
33 placement is in the best interest of the child and space is available.

34 (6) A home or facility in accordance with the federal Indian
35 Child Welfare Act (25 U.S.C. Sec. 1901 et seq.).

36 (7) A suitable licensed community care facility, except a
37 runaway and homeless youth shelter licensed by the State
38 Department of Social Services pursuant to Section 1502.35 of the
39 Health and Safety Code.

1 (8) With a foster family agency, as defined in subdivision (g)
2 of Section 11400 and paragraph (4) of subdivision (a) of Section
3 1502 of the Health and Safety Code, to be placed in a suitable
4 family home certified or approved by the ~~agency~~: *agency, with*
5 *prior approval of the county placing agency.*

6 (9) A child of any age who is placed in a community care facility
7 licensed as a group home for children or a short-term residential
8 treatment center, as defined in subdivision (ad) of Section 11400
9 and paragraph (18) of subdivision (a) of Section 1502 of the Health
10 and Safety Code, shall have a case plan that indicates that
11 placement is for purposes of providing short term, specialized, and
12 intensive treatment for the child, the case plan specifies the need
13 for, nature of, and anticipated duration of this treatment, pursuant
14 to paragraph (2) of subdivision (c) of Section 16501.1, and the
15 case plan includes transitioning the child to a less restrictive
16 environment and the projected timeline by which the child will be
17 transitioned to a less restrictive environment. If the placement is
18 longer than six months, the placement shall be documented
19 consistent with paragraph (3) of subdivision (a) of Section 16501.1
20 and shall be approved by the deputy director or director of the
21 county child welfare department.

22 (A) A child under six years of age shall not be placed in a
23 community care facility licensed as a group home for children, or
24 a short-term residential treatment center, except under the following
25 circumstances:

26 (i) When the facility meets the applicable regulations adopted
27 under Section 1530.8 of the Health and Safety Code and standards
28 developed pursuant to Section 11467.1 of this code, and the deputy
29 director or director of the county child welfare department has
30 approved the case plan.

31 (ii) The short term, specialized, and intensive treatment period
32 shall not exceed 120 days, unless the county has made progress
33 toward or is actively working toward implementing the case plan
34 that identifies the services or supports necessary to transition the
35 child to a family setting, circumstances beyond the county's control
36 have prevented the county from obtaining those services or
37 supports within the timeline documented in the case plan, and the
38 need for additional time pursuant to the case plan is documented
39 by the caseworker and approved by a deputy director or director
40 of the county child welfare department.

1 (iii) To the extent that placements pursuant to this paragraph
2 are extended beyond an initial 120 days, the requirements of
3 clauses (i) and (ii) shall apply to each extension. In addition, the
4 deputy director or director of the county child welfare department
5 shall approve the continued placement no less frequently than
6 every 60 days.

7 (iv) In addition, when a case plan indicates that placement is
8 for purposes of providing family reunification services, the facility
9 shall offer family reunification services that meet the needs of the
10 individual child and his or her family, permit parents to have
11 reasonable access to their children 24 hours a day, encourage
12 extensive parental involvement in meeting the daily needs of their
13 children, and employ staff trained to provide family reunification
14 services. In addition, one of the following conditions exists:

15 (I) The child's parent is also under the jurisdiction of the court
16 and resides in the facility.

17 (II) The child's parent is participating in a treatment program
18 affiliated with the facility and the child's placement in the facility
19 facilitates the coordination and provision of reunification services.

20 (III) Placement in the facility is the only alternative that permits
21 the parent to have daily 24-hour access to the child in accordance
22 with the case plan, to participate fully in meeting all of the daily
23 needs of the child, including feeding and personal hygiene, and to
24 have access to necessary reunification services.

25 (B) A child who is 6 to 12 years of age, inclusive, may be placed
26 in a community care facility licensed as a group home for children
27 or a short-term residential treatment center under the following
28 conditions.

29 (i) The short-term, specialized, and intensive treatment period
30 shall not exceed six months, unless the county has made progress
31 or is actively working toward implementing the case plan that
32 identifies the services or supports necessary to transition the child
33 to a family setting, circumstances beyond the county's control
34 have prevented the county from obtaining those services or
35 supports within the timeline documented in the case plan, and the
36 need for additional time pursuant to the case plan is documented
37 by the caseworker and approved by a deputy director or director
38 of the county child welfare department.

39 (ii) To the extent that placements pursuant to this paragraph are
40 extended beyond an initial six months, the requirements of this

1 subparagraph shall apply to each extension. In addition, the deputy
2 director or director of the county child welfare department shall
3 approve the continued placement no less frequently than every 60
4 days.

5 (10) Any child placed in a short-term residential treatment center
6 shall be either of the following:

7 (A) A child who has been assessed as meeting one of the
8 placement requirements set forth in subdivisions (d) and (e) of
9 Section 11462.01.

10 (B) A child under 6 years of age who is placed with his or her
11 minor parent or for the purpose of reunification pursuant to clause
12 (iv) of subparagraph (A) of paragraph (9).

13 (11) Nothing in this subdivision shall be construed to allow a
14 social worker to place any dependent child outside the United
15 States, except as specified in subdivision (f).

16 (f) (1) A child under the supervision of a social worker pursuant
17 to subdivision (e) shall not be placed outside the United States
18 prior to a judicial finding that the placement is in the best interest
19 of the child, except as required by federal law or treaty.

20 (2) The party or agency requesting placement of the child outside
21 the United States shall carry the burden of proof and shall show,
22 by clear and convincing evidence, that placement outside the
23 United States is in the best interest of the child.

24 (3) In determining the best interest of the child, the court shall
25 consider, but not be limited to, the following factors:

26 (A) Placement with a relative.

27 (B) Placement of siblings in the same home.

28 (C) Amount and nature of any contact between the child and
29 the potential guardian or caretaker.

30 (D) Physical and medical needs of the dependent child.

31 (E) Psychological and emotional needs of the dependent child.

32 (F) Social, cultural, and educational needs of the dependent
33 child.

34 (G) Specific desires of any dependent child who is 12 years of
35 age or older.

36 (4) If the court finds that a placement outside the United States
37 is, by clear and convincing evidence, in the best interest of the
38 child, the court may issue an order authorizing the social worker
39 to make a placement outside the United States. A child subject to

1 this subdivision shall not leave the United States prior to the
2 issuance of the order described in this paragraph.

3 (5) For purposes of this subdivision, "outside the United States"
4 shall not include the lands of any federally recognized American
5 Indian tribe or Alaskan Natives.

6 (6) This subdivision shall not apply to the placement of a
7 dependent child with a parent pursuant to subdivision (a).

8 (g) (1) If the child is taken from the physical custody of the
9 child's parent or guardian and unless the child is placed with
10 relatives, the child shall be placed in foster care in the county of
11 residence of the child's parent or guardian in order to facilitate
12 reunification of the family.

13 (2) In the event that there are no appropriate placements
14 available in the parent's or guardian's county of residence, a
15 placement may be made in an appropriate place in another county,
16 preferably a county located adjacent to the parent's or guardian's
17 community of residence.

18 (3) Nothing in this section shall be interpreted as requiring
19 multiple disruptions of the child's placement corresponding to
20 frequent changes of residence by the parent or guardian. In
21 determining whether the child should be moved, the social worker
22 shall take into consideration the potential harmful effects of
23 disrupting the placement of the child and the parent's or guardian's
24 reason for the move.

25 (4) When it has been determined that it is necessary for a child
26 to be placed in a county other than the child's parent's or guardian's
27 county of residence, the specific reason the out-of-county
28 placement is necessary shall be documented in the child's case
29 plan. If the reason the out-of-county placement is necessary is the
30 lack of resources in the sending county to meet the specific needs
31 of the child, those specific resource needs shall be documented in
32 the case plan.

33 (5) When it has been determined that a child is to be placed out
34 of county either in a group home or with a foster family agency
35 for subsequent placement in a certified foster family home, and
36 the sending county is to maintain responsibility for supervision
37 and visitation of the child, the sending county shall develop a plan
38 of supervision and visitation that specifies the supervision and
39 visitation activities to be performed and specifies that the sending
40 county is responsible for performing those activities. In addition

1 to the plan of supervision and visitation, the sending county shall
2 document information regarding any known or suspected dangerous
3 behavior of the child that indicates the child may pose a safety
4 concern in the receiving county. Upon implementation of the Child
5 Welfare Services Case Management System, the plan of
6 supervision and visitation, as well as information regarding any
7 known or suspected dangerous behavior of the child, shall be made
8 available to the receiving county upon placement of the child in
9 the receiving county. If placement occurs on a weekend or holiday,
10 the information shall be made available to the receiving county on
11 or before the end of the next business day.

12 (6) When it has been determined that a child is to be placed out
13 of county and the sending county plans that the receiving county
14 shall be responsible for the supervision and visitation of the child,
15 the sending county shall develop a formal agreement between the
16 sending and receiving counties. The formal agreement shall specify
17 the supervision and visitation to be provided the child, and shall
18 specify that the receiving county is responsible for providing the
19 supervision and visitation. The formal agreement shall be approved
20 and signed by the sending and receiving counties prior to placement
21 of the child in the receiving county. In addition, upon completion
22 of the case plan, the sending county shall provide a copy of the
23 completed case plan to the receiving county. The case plan shall
24 include information regarding any known or suspected dangerous
25 behavior of the child that indicates the child may pose a safety
26 concern to the receiving county.

27 (h) Whenever the social worker must change the placement of
28 the child and is unable to find a suitable placement within the
29 county and must place the child outside the county, the placement
30 shall not be made until he or she has served written notice on the
31 parent or guardian at least 14 days prior to the placement, unless
32 the child's health or well-being is endangered by delaying the
33 action or would be endangered if prior notice were given. The
34 notice shall state the reasons that require placement outside the
35 county. The parent or guardian may object to the placement not
36 later than seven days after receipt of the notice and, upon objection,
37 the court shall hold a hearing not later than five days after the
38 objection and prior to the placement. The court shall order
39 out-of-county placement if it finds that the child's particular needs
40 require placement outside the county.

1 (i) If the court has ordered removal of the child from the physical
2 custody of his or her parents pursuant to Section 361, the court
3 shall consider whether the family ties and best interest of the child
4 will be served by granting visitation rights to the child's
5 grandparents. The court shall clearly specify those rights to the
6 social worker.

7 (j) If the court has ordered removal of the child from the physical
8 custody of his or her parents pursuant to Section 361, the court
9 shall consider whether there are any siblings under the court's
10 jurisdiction, or any nondependent siblings in the physical custody
11 of a parent subject to the court's jurisdiction, the nature of the
12 relationship between the child and his or her siblings, the
13 appropriateness of developing or maintaining the sibling
14 relationships pursuant to Section 16002, and the impact of the
15 sibling relationships on the child's placement and planning for
16 legal permanence.

17 (k) (1) An agency shall ensure placement of a child in a home
18 that, to the fullest extent possible, best meets the day-to-day needs
19 of the child. A home that best meets the day-to-day needs of the
20 child shall satisfy all of the following criteria:

21 (A) The child's caregiver is able to meet the day-to-day health,
22 safety, and well-being needs of the child.

23 (B) The child's caregiver is permitted to maintain the least
24 restrictive family setting that promotes normal childhood
25 experiences and that serves the day-to-day needs of the child.

26 (C) The child is permitted to engage in reasonable,
27 age-appropriate day-to-day activities that promote normal
28 childhood experiences for the foster child.

29 (2) The foster child's caregiver shall use a reasonable and
30 prudent parent standard, as defined in paragraph (2) of subdivision
31 (a) of Section 362.04, to determine day-to-day activities that are
32 age appropriate to meet the needs of the child. Nothing in this
33 section shall be construed to permit a child's caregiver to permit
34 the child to engage in day-to-day activities that carry an
35 unreasonable risk of harm, or subject the child to abuse or neglect.

36 (l) This section shall become operative on January 1, 2017.

37 *SEC. 35. Section 361.5 of the Welfare and Institutions Code*
38 *is amended to read:*

39 361.5. (a) Except as provided in subdivision (b), or when the
40 parent has voluntarily relinquished the child and the relinquishment

1 has been filed with the State Department of Social Services, or
2 upon the establishment of an order of guardianship pursuant to
3 Section 360, or when a court adjudicates a petition under Section
4 329 to modify the court's jurisdiction from delinquency jurisdiction
5 to dependency jurisdiction pursuant to subparagraph (A) of
6 paragraph (2) of subdivision (b) of Section 607.2 and the parents
7 or guardian of the ward have had reunification services terminated
8 under the delinquency jurisdiction, whenever a child is removed
9 from a parent's or guardian's custody, the juvenile court shall order
10 the social worker to provide child welfare services to the child and
11 the child's mother and statutorily presumed father or guardians.
12 Upon a finding and declaration of paternity by the juvenile court
13 or proof of a prior declaration of paternity by any court of
14 competent jurisdiction, the juvenile court may order services for
15 the child and the biological father, if the court determines that the
16 services will benefit the child.

17 (1) Family reunification services, when provided, shall be
18 provided as follows:

19 (A) Except as otherwise provided in subparagraph (C), for a
20 child who, on the date of initial removal from the physical custody
21 of his or her parent or guardian, was three years of age or older,
22 court-ordered services shall be provided beginning with the
23 dispositional hearing and ending 12 months after the date the child
24 entered foster care as provided in Section 361.49, unless the child
25 is returned to the home of the parent or guardian.

26 (B) For a child who, on the date of initial removal from the
27 physical custody of his or her parent or guardian, was under three
28 years of age, court-ordered services shall be provided for a period
29 of six months from the dispositional hearing as provided in
30 subdivision (e) of Section 366.21, but no longer than 12 months
31 from the date the child entered foster care as provided in Section
32 361.49 unless the child is returned to the home of the parent or
33 guardian.

34 (C) For the purpose of placing and maintaining a sibling group
35 together in a permanent home should reunification efforts fail, for
36 a child in a sibling group whose members were removed from
37 parental custody at the same time, and in which one member of
38 the sibling group was under three years of age on the date of initial
39 removal from the physical custody of his or her parent or guardian,
40 court-ordered services for some or all of the sibling group may be

1 limited as set forth in subparagraph (B). For the purposes of this
2 paragraph, “a sibling group” shall mean two or more children who
3 are related to each other as full or half siblings.

4 (2) Any motion to terminate court-ordered reunification services
5 prior to the hearing set pursuant to subdivision (f) of Section 366.21
6 for a child described by subparagraph (A) of paragraph (1), or
7 prior to the hearing set pursuant to subdivision (e) of Section
8 366.21 for a child described by subparagraph (B) or (C) of
9 paragraph (1), shall be made pursuant to the requirements set forth
10 in subdivision (c) of Section 388. A motion to terminate
11 court-ordered reunification services shall not be required at the
12 hearing set pursuant to subdivision (e) of Section 366.21 if the
13 court finds by clear and convincing evidence one of the following:

14 (A) That the child was removed initially under subdivision (g)
15 of Section 300 and the whereabouts of the parent are still unknown.

16 (B) That the parent has failed to contact and visit the child.

17 (C) That the parent has been convicted of a felony indicating
18 parental unfitness.

19 (3) Notwithstanding subparagraphs (A), (B), and (C) of
20 paragraph (1), court-ordered services may be extended up to a
21 maximum time period not to exceed 18 months after the date the
22 child was originally removed from physical custody of his or her
23 parent or guardian if it can be shown, at the hearing held pursuant
24 to subdivision (f) of Section 366.21, that the permanent plan for
25 the child is that he or she will be returned and safely maintained
26 in the home within the extended time period. The court shall extend
27 the time period only if it finds that there is a substantial probability
28 that the child will be returned to the physical custody of his or her
29 parent or guardian within the extended time period or that
30 reasonable services have not been provided to the parent or
31 guardian. In determining whether court-ordered services may be
32 extended, the court shall consider the special circumstances of an
33 incarcerated or institutionalized parent or parents, parent or parents
34 court-ordered to a residential substance abuse treatment program,
35 or a parent who has been arrested and issued an immigration hold,
36 detained by the United States Department of Homeland Security,
37 or deported to his or her country of origin, including, but not
38 limited to, barriers to the parent’s or guardian’s access to services
39 and ability to maintain contact with his or her child. The court
40 shall also consider, among other factors, good faith efforts that the

1 parent or guardian has made to maintain contact with the child. If
2 the court extends the time period, the court shall specify the factual
3 basis for its conclusion that there is a substantial probability that
4 the child will be returned to the physical custody of his or her
5 parent or guardian within the extended time period. The court also
6 shall make findings pursuant to subdivision (a) of Section 366 and
7 subdivision (e) of Section 358.1.

8 When counseling or other treatment services are ordered, the
9 parent or guardian shall be ordered to participate in those services,
10 unless the parent's or guardian's participation is deemed by the
11 court to be inappropriate or potentially detrimental to the child, or
12 unless a parent or guardian is incarcerated or detained by the United
13 States Department of Homeland Security and the corrections
14 facility in which he or she is incarcerated does not provide access
15 to the treatment services ordered by the court, or has been deported
16 to his or her country of origin and services ordered by the court
17 are not accessible in that country. Physical custody of the child by
18 the parents or guardians during the applicable time period under
19 subparagraph (A), (B), or (C) of paragraph (1) shall not serve to
20 interrupt the running of the time period. If at the end of the
21 applicable time period, a child cannot be safely returned to the
22 care and custody of a parent or guardian without court supervision,
23 but the child clearly desires contact with the parent or guardian,
24 the court shall take the child's desire into account in devising a
25 permanency plan.

26 In cases where the child was under three years of age on the date
27 of the initial removal from the physical custody of his or her parent
28 or guardian or is a member of a sibling group as described in
29 subparagraph (C) of paragraph (1), the court shall inform the parent
30 or guardian that the failure of the parent or guardian to participate
31 regularly in any court-ordered treatment programs or to cooperate
32 or avail himself or herself of services provided as part of the child
33 welfare services case plan may result in a termination of efforts
34 to reunify the family after six months. The court shall inform the
35 parent or guardian of the factors used in subdivision (e) of Section
36 366.21 to determine whether to limit services to six months for
37 some or all members of a sibling group as described in
38 subparagraph (C) of paragraph (1).

39 (4) Notwithstanding paragraph (3), court-ordered services may
40 be extended up to a maximum time period not to exceed 24 months

1 after the date the child was originally removed from physical
2 custody of his or her parent or guardian if it is shown, at the hearing
3 held pursuant to subdivision (b) of Section 366.22, that the
4 permanent plan for the child is that he or she will be returned and
5 safely maintained in the home within the extended time period.
6 The court shall extend the time period only if it finds that it is in
7 the child's best interest to have the time period extended and that
8 there is a substantial probability that the child will be returned to
9 the physical custody of his or her parent or guardian who is
10 described in subdivision (b) of Section 366.22 within the extended
11 time period, or that reasonable services have not been provided to
12 the parent or guardian. If the court extends the time period, the
13 court shall specify the factual basis for its conclusion that there is
14 a substantial probability that the child will be returned to the
15 physical custody of his or her parent or guardian within the
16 extended time period. The court also shall make findings pursuant
17 to subdivision (a) of Section 366 and subdivision (e) of Section
18 358.1.

19 When counseling or other treatment services are ordered, the
20 parent or guardian shall be ordered to participate in those services,
21 in order for substantial probability to be found. Physical custody
22 of the child by the parents or guardians during the applicable time
23 period under subparagraph (A), (B), or (C) of paragraph (1) shall
24 not serve to interrupt the running of the time period. If at the end
25 of the applicable time period, the child cannot be safely returned
26 to the care and custody of a parent or guardian without court
27 supervision, but the child clearly desires contact with the parent
28 or guardian, the court shall take the child's desire into account in
29 devising a permanency plan.

30 Except in cases where, pursuant to subdivision (b), the court
31 does not order reunification services, the court shall inform the
32 parent or parents of Section 366.26 and shall specify that the
33 parent's or parents' parental rights may be terminated.

34 (b) Reunification services need not be provided to a parent or
35 guardian described in this subdivision when the court finds, by
36 clear and convincing evidence, any of the following:

37 (1) That the whereabouts of the parent or guardian is unknown.
38 A finding pursuant to this paragraph shall be supported by an
39 affidavit or by proof that a reasonably diligent search has failed

1 to locate the parent or guardian. The posting or publication of
2 notices is not required in that search.

3 (2) That the parent or guardian is suffering from a mental
4 disability that is described in Chapter 2 (commencing with Section
5 7820) of Part 4 of Division 12 of the Family Code and that renders
6 him or her incapable of utilizing those services.

7 (3) That the child or a sibling of the child has been previously
8 adjudicated a dependent pursuant to any subdivision of Section
9 300 as a result of physical or sexual abuse, that following that
10 adjudication the child had been removed from the custody of his
11 or her parent or guardian pursuant to Section 361, that the child
12 has been returned to the custody of the parent or guardian from
13 whom the child had been taken originally, and that the child is
14 being removed pursuant to Section 361, due to additional physical
15 or sexual abuse.

16 (4) That the parent or guardian of the child has caused the death
17 of another child through abuse or neglect.

18 (5) That the child was brought within the jurisdiction of the
19 court under subdivision (e) of Section 300 because of the conduct
20 of that parent or guardian.

21 (6) That the child has been adjudicated a dependent pursuant
22 to any subdivision of Section 300 as a result of severe sexual abuse
23 or the infliction of severe physical harm to the child, a sibling, or
24 a half sibling by a parent or guardian, as defined in this subdivision,
25 and the court makes a factual finding that it would not benefit the
26 child to pursue reunification services with the offending parent or
27 guardian.

28 A finding of severe sexual abuse, for the purposes of this
29 subdivision, may be based on, but is not limited to, sexual
30 intercourse, or stimulation involving genital-genital, oral-genital,
31 anal-genital, or oral-anal contact, whether between the parent or
32 guardian and the child or a sibling or half sibling of the child, or
33 between the child or a sibling or half sibling of the child and
34 another person or animal with the actual or implied consent of the
35 parent or guardian; or the penetration or manipulation of the
36 child's, sibling's, or half sibling's genital organs or rectum by any
37 animate or inanimate object for the sexual gratification of the
38 parent or guardian, or for the sexual gratification of another person
39 with the actual or implied consent of the parent or guardian.

1 A finding of the infliction of severe physical harm, for the
2 purposes of this subdivision, may be based on, but is not limited
3 to, deliberate and serious injury inflicted to or on a child's body
4 or the body of a sibling or half sibling of the child by an act or
5 omission of the parent or guardian, or of another individual or
6 animal with the consent of the parent or guardian; deliberate and
7 torturous confinement of the child, sibling, or half sibling in a
8 closed space; or any other torturous act or omission that would be
9 reasonably understood to cause serious emotional damage.

10 (7) That the parent is not receiving reunification services for a
11 sibling or a half sibling of the child pursuant to paragraph (3), (5),
12 or (6).

13 (8) That the child was conceived by means of the commission
14 of an offense listed in Section 288 or 288.5 of the Penal Code, or
15 by an act committed outside of this state that, if committed in this
16 state, would constitute one of those offenses. This paragraph only
17 applies to the parent who committed the offense or act.

18 (9) That the child has been found to be a child described in
19 subdivision (g) of Section 300; that the parent or guardian of the
20 child willfully abandoned the child, and the court finds that the
21 abandonment itself constituted a serious danger to the child; or
22 that the parent or other person having custody of the child
23 voluntarily surrendered physical custody of the child pursuant to
24 Section 1255.7 of the Health and Safety Code. For the purposes
25 of this paragraph, "serious danger" means that without the
26 intervention of another person or agency, the child would have
27 sustained severe or permanent disability, injury, illness, or death.
28 For purposes of this paragraph, "willful abandonment" shall not
29 be construed as actions taken in good faith by the parent without
30 the intent of placing the child in serious danger.

31 (10) That the court ordered termination of reunification services
32 for any siblings or half siblings of the child because the parent or
33 guardian failed to reunify with the sibling or half sibling after the
34 sibling or half sibling had been removed from that parent or
35 guardian pursuant to Section 361 and that parent or guardian is
36 the same parent or guardian described in subdivision (a) and that,
37 according to the findings of the court, this parent or guardian has
38 not subsequently made a reasonable effort to treat the problems
39 that led to removal of the sibling or half sibling of that child from
40 that parent or guardian.

1 (11) That the parental rights of a parent over any sibling or half
2 sibling of the child had been permanently severed, and this parent
3 is the same parent described in subdivision (a), and that, according
4 to the findings of the court, this parent has not subsequently made
5 a reasonable effort to treat the problems that led to removal of the
6 sibling or half sibling of that child from the parent.

7 (12) That the parent or guardian of the child has been convicted
8 of a violent felony, as defined in subdivision (c) of Section 667.5
9 of the Penal Code.

10 (13) That the parent or guardian of the child has a history of
11 extensive, abusive, and chronic use of drugs or alcohol and has
12 resisted prior court-ordered treatment for this problem during a
13 three-year period immediately prior to the filing of the petition
14 that brought that child to the court's attention, or has failed or
15 refused to comply with a program of drug or alcohol treatment
16 described in the case plan required by Section 358.1 on at least
17 two prior occasions, even though the programs identified were
18 available and accessible.

19 (14) That the parent or guardian of the child has advised the
20 court that he or she is not interested in receiving family
21 maintenance or family reunification services or having the child
22 returned to or placed in his or her custody and does not wish to
23 receive family maintenance or reunification services.

24 The parent or guardian shall be represented by counsel and shall
25 execute a waiver of services form to be adopted by the Judicial
26 Council. The court shall advise the parent or guardian of any right
27 to services and of the possible consequences of a waiver of
28 services, including the termination of parental rights and placement
29 of the child for adoption. The court shall not accept the waiver of
30 services unless it states on the record its finding that the parent or
31 guardian has knowingly and intelligently waived the right to
32 services.

33 (15) That the parent or guardian has on one or more occasions
34 willfully abducted the child or child's sibling or half sibling from
35 his or her placement and refused to disclose the child's or child's
36 sibling's or half sibling's whereabouts, refused to return physical
37 custody of the child or child's sibling or half sibling to his or her
38 placement, or refused to return physical custody of the child or
39 child's sibling or half sibling to the social worker.

1 (16) That the parent or guardian has been required by the court
2 to be registered on a sex offender registry under the federal Adam
3 Walsh Child Protection and Safety Act of 2006 (42 U.S.C. Sec.
4 16913(a)), as required in Section 106(b)(2)(B)(xvi)(VI) of the
5 Child Abuse Prevention and Treatment Act of 2006 (42 U.S.C.
6 Sec. 5106a(2)(B)(xvi)(VI)).

7 (c) In deciding whether to order reunification in any case in
8 which this section applies, the court shall hold a dispositional
9 hearing. The social worker shall prepare a report that discusses
10 whether reunification services shall be provided. When it is alleged,
11 pursuant to paragraph (2) of subdivision (b), that the parent is
12 incapable of utilizing services due to mental disability, the court
13 shall order reunification services unless competent evidence from
14 mental health professionals establishes that, even with the provision
15 of services, the parent is unlikely to be capable of adequately caring
16 for the child within the time limits specified in subdivision (a).

17 The court shall not order reunification for a parent or guardian
18 described in paragraph (3), (4), (6), (7), (8), (9), (10), (11), (12),
19 (13), (14), (15), or (16) of subdivision (b) unless the court finds,
20 by clear and convincing evidence, that reunification is in the best
21 interest of the child.

22 In addition, the court shall not order reunification in any situation
23 described in paragraph (5) of subdivision (b) unless it finds that,
24 based on competent testimony, those services are likely to prevent
25 reabuse or continued neglect of the child or that failure to try
26 reunification will be detrimental to the child because the child is
27 closely and positively attached to that parent. The social worker
28 shall investigate the circumstances leading to the removal of the
29 child and advise the court whether there are circumstances that
30 indicate that reunification is likely to be successful or unsuccessful
31 and whether failure to order reunification is likely to be detrimental
32 to the child.

33 The failure of the parent to respond to previous services, the fact
34 that the child was abused while the parent was under the influence
35 of drugs or alcohol, a past history of violent behavior, or testimony
36 by a competent professional that the parent's behavior is unlikely
37 to be changed by services are among the factors indicating that
38 reunification services are unlikely to be successful. The fact that
39 a parent or guardian is no longer living with an individual who
40 severely abused the child may be considered in deciding that

1 reunification services are likely to be successful, provided that the
2 court shall consider any pattern of behavior on the part of the parent
3 that has exposed the child to repeated abuse.

4 (d) If reunification services are not ordered pursuant to
5 paragraph (1) of subdivision (b) and the whereabouts of a parent
6 become known within six months of the out-of-home placement
7 of the child, the court shall order the social worker to provide
8 family reunification services in accordance with this subdivision.

9 (e) (1) If the parent or guardian is incarcerated, institutionalized,
10 or detained by the United States Department of Homeland Security,
11 or has been deported to his or her country of origin, the court shall
12 order reasonable services unless the court determines, by clear and
13 convincing evidence, those services would be detrimental to the
14 child. In determining detriment, the court shall consider the age
15 of the child, the degree of parent-child bonding, the length of the
16 sentence, the length and nature of the treatment, the nature of the
17 crime or illness, the degree of detriment to the child if services are
18 not offered and, for children 10 years of age or older, the child's
19 attitude toward the implementation of family reunification services,
20 the likelihood of the parent's discharge from incarceration,
21 institutionalization, or detention within the reunification time
22 limitations described in subdivision (a), and any other appropriate
23 factors. In determining the content of reasonable services, the court
24 shall consider the particular barriers to an incarcerated,
25 institutionalized, detained, or deported parent's access to those
26 court-mandated services and ability to maintain contact with his
27 or her child, and shall document this information in the child's
28 case plan. Reunification services are subject to the applicable time
29 limitations imposed in subdivision (a). Services may include, but
30 shall not be limited to, all of the following:

31 (A) Maintaining contact between the parent and child through
32 collect telephone calls.

33 (B) Transportation services, where appropriate.

34 (C) Visitation services, where appropriate.

35 (D) Reasonable services to extended family members or foster
36 parents providing care for the child if the services are not
37 detrimental to the child.

38 An incarcerated or detained parent may be required to attend
39 counseling, parenting classes, or vocational training programs as
40 part of the reunification service plan if actual access to these

1 services is provided. The social worker shall document in the
2 child's case plan the particular barriers to an incarcerated,
3 institutionalized, or detained parent's access to those
4 court-mandated services and ability to maintain contact with his
5 or her child.

6 (E) Reasonable efforts to assist parents who have been deported
7 to contact child welfare authorities in their country of origin, to
8 identify any available services that would substantially comply
9 with case plan requirements, to document the parents' participation
10 in those services, and to accept reports from local child welfare
11 authorities as to the parents' living situation, progress, and
12 participation in services.

13 (2) The presiding judge of the juvenile court of each county
14 may convene representatives of the county welfare department,
15 the sheriff's department, and other appropriate entities for the
16 purpose of developing and entering into protocols for ensuring the
17 notification, transportation, and presence of an incarcerated or
18 institutionalized parent at all court hearings involving proceedings
19 affecting the child pursuant to Section 2625 of the Penal Code.
20 The county welfare department shall utilize the prisoner locator
21 system developed by the Department of Corrections and
22 Rehabilitation to facilitate timely and effective notice of hearings
23 for incarcerated parents.

24 (3) Notwithstanding any other ~~provision~~ of law, if the
25 incarcerated parent is a woman seeking to participate in the
26 community treatment program operated by the Department of
27 Corrections and Rehabilitation pursuant to Chapter 4.8
28 (commencing with Section 1174) of Title 7 of Part 2 of, Chapter
29 4 (commencing with Section 3410) of Title 2 of Part 3 of, the Penal
30 Code, the court shall determine whether the parent's participation
31 in a program is in the child's best interest and whether it is suitable
32 to meet the needs of the parent and child.

33 (f) If the court, pursuant to paragraph (2), (3), (4), (5), (6), (7),
34 (8), (9), (10), (11), (12), (13), (14), (15), or (16) of subdivision (b)
35 or paragraph (1) of subdivision (e), does not order reunification
36 services, it shall, at the dispositional hearing, that shall include a
37 permanency hearing, determine if a hearing under Section 366.26
38 shall be set in order to determine whether adoption, guardianship,
39 ~~or long-term foster care~~, *placement with a fit and willing relative,*
40 *or another planned permanent living arrangement*, or in the case

1 of an Indian child, in consultation with the child's tribe, tribal
2 customary adoption, is the most appropriate plan for the child, and
3 shall consider in-state and out-of-state placement options. If the
4 court so determines, it shall conduct the hearing pursuant to Section
5 366.26 within 120 days after the dispositional hearing. However,
6 the court shall not schedule a hearing so long as the other parent
7 is being provided reunification services pursuant to subdivision
8 (a). The court may continue to permit the parent to visit the child
9 unless it finds that visitation would be detrimental to the child.

10 (g) (1) Whenever a court orders that a hearing shall be held
11 pursuant to Section 366.26, including, when, in consultation with
12 the child's tribe, tribal customary adoption is recommended, it
13 shall direct the agency supervising the child and the county
14 adoption agency, or the State Department of Social Services when
15 it is acting as an adoption agency, to prepare an assessment that
16 shall include:

17 (A) Current search efforts for an absent parent or parents and
18 notification of a noncustodial parent in the manner provided for
19 in Section 291.

20 (B) A review of the amount of and nature of any contact between
21 the child and his or her parents and other members of his or her
22 extended family since the time of placement. Although the
23 extended family of each child shall be reviewed on a case-by-case
24 basis, "extended family" for the purpose of this subparagraph shall
25 include, but not be limited to, the child's siblings, grandparents,
26 aunts, and uncles.

27 (C) An evaluation of the child's medical, developmental,
28 scholastic, mental, and emotional status.

29 (D) A preliminary assessment of the eligibility and commitment
30 of any identified prospective adoptive parent or guardian, including
31 a prospective tribal customary adoptive parent, particularly the
32 caretaker, to include a social history, including screening for
33 criminal records and prior referrals for child abuse or neglect, the
34 capability to meet the child's needs, and the understanding of the
35 legal and financial rights and responsibilities of adoption and
36 guardianship. If a proposed guardian is a relative of the minor, the
37 assessment shall also consider, but need not be limited to, all of
38 the factors specified in subdivision (a) of Section 361.3 and in
39 Section 361.4. As used in this subparagraph, "relative" means an
40 adult who is related to the minor by blood, adoption, or affinity

1 within the fifth degree of kinship, including stepparents,
2 stepsiblings, and all relatives whose status is preceded by the words
3 “great,” “great-great,” or “grand,” or the spouse of any of those
4 persons even if the marriage was terminated by death or
5 dissolution. If the proposed permanent plan is guardianship with
6 an approved relative caregiver for a minor eligible for aid under
7 the Kin-GAP Program, as provided for in Article 4.7 (commencing
8 with Section 11385) of Chapter 2 of Part 3 of Division 9, “relative”
9 as used in this section has the same meaning as “relative” as
10 defined in subdivision (c) of Section 11391.

11 (E) The relationship of the child to any identified prospective
12 adoptive parent or guardian, including a prospective tribal
13 customary parent, the duration and character of the relationship,
14 the degree of attachment of the child to the prospective relative
15 guardian or adoptive parent, the relative’s or adoptive parent’s
16 strong commitment to caring permanently for the child, the
17 motivation for seeking adoption or guardianship, a statement from
18 the child concerning placement and the adoption or guardianship,
19 and whether the child over 12 years of age has been consulted
20 about the proposed relative guardianship arrangements, unless the
21 child’s age or physical, emotional, or other condition precludes
22 his or her meaningful response, and if so, a description of the
23 condition.

24 (F) An analysis of the likelihood that the child will be adopted
25 if parental rights are terminated.

26 (G) In the case of an Indian child, in addition to subparagraphs
27 (A) to (F), inclusive, an assessment of the likelihood that the child
28 will be adopted, when, in consultation with the child’s tribe, a
29 customary adoption, as defined in Section 366.24, is recommended.
30 If tribal customary adoption is recommended, the assessment shall
31 include an analysis of both of the following:

32 (i) Whether tribal customary adoption would or would not be
33 detrimental to the Indian child and the reasons for reaching that
34 conclusion.

35 (ii) Whether the Indian child cannot or should not be returned
36 to the home of the Indian parent or Indian custodian and the reasons
37 for reaching that conclusion.

38 (2) (A) A relative caregiver’s preference for legal guardianship
39 over adoption, if it is due to circumstances that do not include an
40 unwillingness to accept legal or financial responsibility for the

1 child, shall not constitute the sole basis for recommending removal
2 of the child from the relative caregiver for purposes of adoptive
3 placement.

4 (B) Regardless of his or her immigration status, a relative
5 caregiver shall be given information regarding the permanency
6 options of guardianship and adoption, including the long-term
7 benefits and consequences of each option, prior to establishing
8 legal guardianship or pursuing adoption. If the proposed permanent
9 plan is guardianship with an approved relative caregiver for a
10 minor eligible for aid under the Kin-GAP Program, as provided
11 for in Article 4.7 (commencing with Section 11385) of Chapter 2
12 of Part 3 of Division 9, the relative caregiver shall be informed
13 about the terms and conditions of the negotiated agreement
14 pursuant to Section 11387 and shall agree to its execution prior to
15 the hearing held pursuant to Section 366.26. A copy of the executed
16 negotiated agreement shall be attached to the assessment.

17 (h) If, at any hearing held pursuant to Section 366.26, a
18 guardianship is established for the minor with an approved relative
19 caregiver and juvenile court dependency is subsequently dismissed,
20 the minor shall be eligible for aid under the Kin-GAP Program as
21 provided for in Article 4.5 (commencing with Section 11360) or
22 Article 4.7 (commencing with Section 11385) of Chapter 2 of Part
23 3 of Division 9, as applicable.

24 (i) In determining whether reunification services will benefit
25 the child pursuant to paragraph (6) or (7) of subdivision (b), the
26 court shall consider any information it deems relevant, including
27 the following factors:

28 (1) The specific act or omission comprising the severe sexual
29 abuse or the severe physical harm inflicted on the child or the
30 child's sibling or half sibling.

31 (2) The circumstances under which the abuse or harm was
32 inflicted on the child or the child's sibling or half sibling.

33 (3) The severity of the emotional trauma suffered by the child
34 or the child's sibling or half sibling.

35 (4) Any history of abuse of other children by the offending
36 parent or guardian.

37 (5) The likelihood that the child may be safely returned to the
38 care of the offending parent or guardian within 12 months with no
39 continuing supervision.

1 (6) Whether or not the child desires to be reunified with the
2 offending parent or guardian.

3 (j) When the court determines that reunification services will
4 not be ordered, it shall order that the child's caregiver receive the
5 child's birth certificate in accordance with Sections 16010.4 and
6 16010.5. Additionally, when the court determines that reunification
7 services will not be ordered, it shall order, when appropriate, that
8 a child who is 16 years of age or older receive his or her birth
9 certificate.

10 (k) The court shall read into the record the basis for a finding
11 of severe sexual abuse or the infliction of severe physical harm
12 under paragraph (6) of subdivision (b), and shall also specify the
13 factual findings used to determine that the provision of
14 reunification services to the offending parent or guardian would
15 not benefit the child.

16 ~~SEC. 11.~~

17 *SEC. 36.* Section 366.26 of the Welfare and Institutions Code
18 is amended to read:

19 366.26. (a) This section applies to children who are adjudged
20 dependent children of the juvenile court pursuant to subdivision
21 (d) of Section 360. The procedures specified herein are the
22 exclusive procedures for conducting these hearings; Part 2
23 (commencing with Section 3020) of Division 8 of the Family Code
24 is not applicable to these proceedings. Section 8616.5 of the Family
25 Code is applicable and available to all dependent children meeting
26 the requirements of that section, if the postadoption contact
27 agreement has been entered into voluntarily. For children who are
28 adjudged dependent children of the juvenile court pursuant to
29 subdivision (d) of Section 360, this section and Sections 8604,
30 8605, 8606, and 8700 of the Family Code and Chapter 5
31 (commencing with Section 7660) of Part 3 of Division 12 of the
32 Family Code specify the exclusive procedures for permanently
33 terminating parental rights with regard to, or establishing legal
34 guardianship of, the child while the child is a dependent child of
35 the juvenile court.

36 (b) At the hearing, which shall be held in juvenile court for all
37 children who are dependents of the juvenile court, the court, in
38 order to provide stable, permanent homes for these children, shall
39 review the report as specified in Section 361.5, 366.21, 366.22, or
40 366.25, shall indicate that the court has read and considered it,

1 shall receive other evidence that the parties may present, and then
2 shall make findings and orders in the following order of preference:

3 (1) Terminate the rights of the parent or parents and order that
4 the child be placed for adoption and, upon the filing of a petition
5 for adoption in the juvenile court, order that a hearing be set. The
6 court shall proceed with the adoption after the appellate rights of
7 the natural parents have been exhausted.

8 (2) Order, without termination of parental rights, the plan of
9 tribal customary adoption, as described in Section 366.24, through
10 tribal custom, traditions, or law of the Indian child's tribe, and
11 upon the court affording the tribal customary adoption order full
12 faith and credit at the continued selection and implementation
13 hearing, order that a hearing be set pursuant to paragraph (2) of
14 subdivision (e).

15 (3) Appoint a relative or relatives with whom the child is
16 currently residing as legal guardian or guardians for the child, and
17 order that letters of guardianship issue.

18 (4) On making a finding under paragraph (3) of subdivision (c),
19 identify adoption or tribal customary adoption as the permanent
20 placement goal and order that efforts be made to locate an
21 appropriate adoptive family for the child within a period not to
22 exceed 180 days.

23 (5) Appoint a nonrelative legal guardian for the child and order
24 that letters of guardianship issue.

25 (6) Order that the child be permanently placed with a fit and
26 willing relative, subject to the periodic review of the juvenile court
27 under Section 366.3.

28 (7) Order that the child remain in foster care, subject to the
29 conditions described in paragraph (4) of subdivision (c) and the
30 periodic review of the juvenile court under Section 366.3.

31 In choosing among the above alternatives the court shall proceed
32 pursuant to subdivision (c).

33 (c) (1) If the court determines, based on the assessment provided
34 as ordered under subdivision (i) of Section 366.21, subdivision (b)
35 of Section 366.22, or subdivision (b) of Section 366.25, and any
36 other relevant evidence, by a clear and convincing standard, that
37 it is likely the child will be adopted, the court shall terminate
38 parental rights and order the child placed for adoption. The fact
39 that the child is not yet placed in a preadoptive home nor with a
40 relative or foster family who is prepared to adopt the child, shall

1 not constitute a basis for the court to conclude that it is not likely
2 the child will be adopted. A finding under subdivision (b) or
3 paragraph (1) of subdivision (e) of Section 361.5 that reunification
4 services shall not be offered, under subdivision (e) of Section
5 366.21 that the whereabouts of a parent have been unknown for
6 six months or that the parent has failed to visit or contact the child
7 for six months, or that the parent has been convicted of a felony
8 indicating parental unfitness, or, under Section 366.21 or 366.22,
9 that the court has continued to remove the child from the custody
10 of the parent or guardian and has terminated reunification services,
11 shall constitute a sufficient basis for termination of parental rights.
12 Under these circumstances, the court shall terminate parental rights
13 unless either of the following applies:

14 (A) The child is living with a relative who is unable or unwilling
15 to adopt the child because of circumstances that do not include an
16 unwillingness to accept legal or financial responsibility for the
17 child, but who is willing and capable of providing the child with
18 a stable and permanent environment through legal guardianship,
19 and the removal of the child from the custody of his or her relative
20 would be detrimental to the emotional well-being of the child. For
21 purposes of an Indian child, "relative" shall include an "extended
22 family member," as defined in the federal Indian Child Welfare
23 Act of 1978 (25 U.S.C. Sec. 1903(2)).

24 (B) The court finds a compelling reason for determining that
25 termination would be detrimental to the child due to one or more
26 of the following circumstances:

27 (i) The parents have maintained regular visitation and contact
28 with the child and the child would benefit from continuing the
29 relationship.

30 (ii) A child 12 years of age or older objects to termination of
31 parental rights.

32 (iii) The child is placed in a residential treatment facility,
33 adoption is unlikely or undesirable, and continuation of parental
34 rights will not prevent finding the child a permanent family
35 placement if the parents cannot resume custody when residential
36 care is no longer needed.

37 (iv) The child is living with a foster parent or Indian custodian
38 who is unable or unwilling to adopt the child because of
39 exceptional circumstances, that do not include an unwillingness
40 to accept legal or financial responsibility for the child, but who is

1 willing and capable of providing the child with a stable and
2 permanent environment and the removal of the child from the
3 physical custody of his or her foster parent or Indian custodian
4 would be detrimental to the emotional well-being of the child. This
5 clause does not apply to any child who is either (I) under six years
6 of age or (II) a member of a sibling group where at least one child
7 is under six years of age and the siblings are, or should be,
8 permanently placed together.

9 (v) There would be substantial interference with a child's sibling
10 relationship, taking into consideration the nature and extent of the
11 relationship, including, but not limited to, whether the child was
12 raised with a sibling in the same home, whether the child shared
13 significant common experiences or has existing close and strong
14 bonds with a sibling, and whether ongoing contact is in the child's
15 best interest, including the child's long-term emotional interest,
16 as compared to the benefit of legal permanence through adoption.

17 (vi) The child is an Indian child and there is a compelling reason
18 for determining that termination of parental rights would not be
19 in the best interest of the child, including, but not limited to:

20 (I) Termination of parental rights would substantially interfere
21 with the child's connection to his or her tribal community or the
22 child's tribal membership rights.

23 (II) The child's tribe has identified guardianship, foster care
24 with a fit and willing relative, tribal customary adoption, or another
25 planned permanent living arrangement for the child.

26 (III) The child is a nonminor dependent, and the nonminor and
27 the nonminor's tribe have identified tribal customary adoption for
28 the nonminor.

29 (C) For purposes of subparagraph (B), in the case of tribal
30 customary adoptions, Section 366.24 shall apply.

31 (D) If the court finds that termination of parental rights would
32 be detrimental to the child pursuant to clause (i), (ii), (iii), (iv),
33 (v), or (vi), it shall state its reasons in writing or on the record.

34 (2) The court shall not terminate parental rights if:

35 (A) At each hearing at which the court was required to consider
36 reasonable efforts or services, the court has found that reasonable
37 efforts were not made or that reasonable services were not offered
38 or provided.

39 (B) In the case of an Indian child:

1 (i) At the hearing terminating parental rights, the court has found
2 that active efforts were not made as required in Section 361.7.

3 (ii) The court does not make a determination at the hearing
4 terminating parental rights, supported by evidence beyond a
5 reasonable doubt, including testimony of one or more “qualified
6 expert witnesses” as defined in Section 224.6, that the continued
7 custody of the child by the parent is likely to result in serious
8 emotional or physical damage to the child.

9 (iii) The court has ordered tribal customary adoption pursuant
10 to Section 366.24.

11 (3) If the court finds that termination of parental rights would
12 not be detrimental to the child pursuant to paragraph (1) and that
13 the child has a probability for adoption but is difficult to place for
14 adoption and there is no identified or available prospective adoptive
15 parent, the court may identify adoption as the permanent placement
16 goal ~~and~~ *and*, without terminating parental rights, order that efforts
17 be made to locate an appropriate adoptive family for the child,
18 within the state or out of the state, within a period not to exceed
19 180 days. During this 180-day period, the public agency
20 responsible for seeking adoptive parents for each child shall, to
21 the extent possible, ask each child who is 10 years of age or ~~older~~,
22 *older* to identify any individuals, other than the child’s siblings,
23 who are important to the child, in order to identify potential
24 adoptive parents. The public agency may ask any other child to
25 provide that information, as appropriate. During the 180-day
26 period, the public agency shall, to the extent possible, contact other
27 private and public adoption agencies regarding the availability of
28 the child for adoption. During the 180-day period, the public
29 agency shall conduct the search for adoptive parents in the same
30 manner as prescribed for children in Sections 8708 and 8709 of
31 the Family Code. At the expiration of this period, another hearing
32 shall be held and the court shall proceed pursuant to paragraph
33 (1), (2), (3), (5), or (6) of subdivision (b). For purposes of this
34 section, a child may only be found to be difficult to place for
35 adoption if there is no identified or available prospective adoptive
36 parent for the child because of the child’s membership in a sibling
37 group, or the presence of a diagnosed medical, physical, or mental
38 handicap, or the child is seven years of age or ~~more~~ *older*.

39 (4) (A) If the court finds that adoption of the child or
40 termination of parental rights is not in the best interest of the child,

1 because one of the conditions in clause (i), (ii), (iii), (iv), (v), or
2 (vi) of subparagraph (B) of paragraph (1) or in paragraph (2)
3 applies, the court shall order that the present caretakers or other
4 appropriate persons shall become legal guardians of the child, or,
5 in the case of an Indian child, consider a tribal customary adoption
6 pursuant to Section 366.24. Legal guardianship shall be considered
7 before continuing the child in foster care under any other permanent
8 plan, if it is in the best interests of the child and if a suitable
9 guardian can be found. If the child continues in foster care, the
10 court shall make factual findings identifying any barriers to
11 achieving adoption, tribal customary adoption in the case of an
12 Indian child, legal guardianship, or placement with a fit and willing
13 relative as of the date of the hearing. A child who is 10 years of
14 age or older, shall be asked to identify any individuals, other than
15 the child's siblings, who are important to the child, in order to
16 identify potential guardians or, in the case of an Indian child,
17 prospective tribal customary adoptive parents. The agency may
18 ask any other child to provide that information, as appropriate.

19 (B) (i) If the child is living with an approved relative who is
20 willing and capable of providing a stable and permanent
21 environment, but not willing to become a legal guardian as of the
22 hearing date, the court shall order a permanent plan of placement
23 with a fit and willing relative, and the child shall not be removed
24 from the home if the court finds the removal would be seriously
25 detrimental to the emotional well-being of the child because the
26 child has substantial psychological ties to the relative caretaker.

27 (ii) If the child is living with a nonrelative caregiver who is
28 willing and capable of providing a stable and permanent
29 environment, but not willing to become a legal guardian as of the
30 hearing date, the court shall order that the child remain in foster
31 care with a permanent plan of return home, adoption, legal
32 guardianship, or placement with a fit and willing relative, as
33 appropriate. If the child is 16 years of age or older, or a nonminor
34 dependent, and no other permanent plan is appropriate at the time
35 of the hearing, the court may order another planned permanent
36 living arrangement, as described in paragraph (2) of subdivision
37 (i) of Section 16501. Regardless of the age of the child, the child
38 shall not be removed from the home if the court finds the removal
39 would be seriously detrimental to the emotional well-being of the

1 child because the child has substantial psychological ties to the
2 caregiver.

3 (iii) If the child is living in a group home or, on or after January
4 1, 2017, a short-term residential treatment center, the court shall
5 order that the child remain in foster care with a permanent plan of
6 return home, adoption, tribal customary adoption in the case of an
7 Indian child, legal guardianship, or placement with a fit and willing
8 relative, as appropriate. If the child is 16 years of age or older, or
9 a nonminor dependent, and no other permanent plan is appropriate
10 at the time of the hearing, the court may order another planned
11 permanent living arrangement, as described in paragraph (2) of
12 subdivision (i) of Section 16501.

13 (C) The court shall also make an order for visitation with the
14 parents or guardians unless the court finds by a preponderance of
15 the evidence that the visitation would be detrimental to the physical
16 or emotional well-being of the child.

17 (5) If the court finds that the child should not be placed for
18 adoption, that legal guardianship shall not be established, that
19 placement with a fit and willing relative is not appropriate as of
20 the hearing date, and that there are no suitable foster parents except
21 ~~exclusive-use homes~~ *certified family homes or resource families*
22 *of a foster family agency* available to provide the child with a stable
23 and permanent environment, the court may order the care, custody,
24 and control of the child transferred from the county welfare
25 department to a licensed foster family agency. The court shall
26 consider the written recommendation of the county welfare director
27 regarding the suitability of the transfer. The transfer shall be subject
28 to further court orders.

29 The licensed foster family agency shall place the child in a
30 suitable licensed or ~~exclusive-use~~ *certified family* home that has
31 been certified by the agency as meeting licensing ~~standards~~
32 *standards or with a resource family approved by the agency*. The
33 licensed foster family agency shall be responsible for supporting
34 the child and providing appropriate services to the child, including
35 those services ordered by the court. Responsibility for the support
36 of the child shall not, in and of itself, create liability on the part of
37 the foster family agency to third persons injured by the child. Those
38 children whose care, custody, and control are transferred to a foster
39 family agency shall not be eligible for foster care maintenance

1 payments or child welfare services, except for emergency response
2 services pursuant to Section 16504.

3 (d) The proceeding for the appointment of a guardian for a child
4 who is a dependent of the juvenile court shall be in the juvenile
5 court. If the court finds pursuant to this section that legal
6 guardianship is the appropriate permanent plan, it shall appoint
7 the legal guardian and issue letters of guardianship. The assessment
8 prepared pursuant to subdivision (g) of Section 361.5, subdivision
9 (i) of Section 366.21, subdivision (b) of Section 366.22, and
10 subdivision (b) of Section 366.25 shall be read and considered by
11 the court prior to the appointment, and this shall be reflected in
12 the minutes of the court. The person preparing the assessment may
13 be called and examined by any party to the proceeding.

14 (e) (1) The proceeding for the adoption of a child who is a
15 dependent of the juvenile court shall be in the juvenile court if the
16 court finds pursuant to this section that adoption is the appropriate
17 permanent plan and the petition for adoption is filed in the juvenile
18 court. Upon the filing of a petition for adoption, the juvenile court
19 shall order that an adoption hearing be set. The court shall proceed
20 with the adoption after the appellate rights of the natural parents
21 have been exhausted. The full report required by Section 8715 of
22 the Family Code shall be read and considered by the court prior
23 to the adoption and this shall be reflected in the minutes of the
24 court. The person preparing the report may be called and examined
25 by any party to the proceeding. It is the intent of the Legislature,
26 pursuant to this subdivision, to give potential adoptive parents the
27 option of filing in the juvenile court the petition for the adoption
28 of a child who is a dependent of the juvenile court. Nothing in this
29 section is intended to prevent the filing of a petition for adoption
30 in any other court as permitted by law, instead of in the juvenile
31 court.

32 (2) In the case of an Indian child, if the Indian child's tribe has
33 elected a permanent plan of tribal customary adoption, the court,
34 upon receiving the tribal customary adoption order will afford the
35 tribal customary adoption order full faith and credit to the same
36 extent that the court would afford full faith and credit to the public
37 acts, records, judicial proceedings, and judgments of any other
38 entity. Upon a determination that the tribal customary adoption
39 order may be afforded full faith and credit, consistent with Section
40 224.5, the court shall thereafter order a hearing to finalize the

1 adoption be set upon the filing of the adoption petition. The
2 prospective tribal customary adoptive parents and the child who
3 is the subject of the tribal customary adoption petition shall appear
4 before the court for the finalization hearing. The court shall
5 thereafter issue an order of adoption pursuant to Section 366.24.

6 (3) If a child who is the subject of a finalized tribal customary
7 adoption shows evidence of a developmental disability or mental
8 illness as a result of conditions existing before the tribal customary
9 adoption to the extent that the child cannot be relinquished to a
10 licensed adoption agency on the grounds that the child is considered
11 unadoptable, and of which condition the tribal customary adoptive
12 parent or parents had no knowledge or notice before the entry of
13 the tribal customary adoption order, a petition setting forth those
14 facts may be filed by the tribal customary adoptive parent or
15 parents with the juvenile court that granted the tribal customary
16 adoption petition. If these facts are proved to the satisfaction of
17 the juvenile court, it may make an order setting aside the tribal
18 customary adoption order. The set-aside petition shall be filed
19 within five years of the issuance of the tribal customary adoption
20 order. The court clerk shall immediately notify the child's tribe
21 and the department in Sacramento of the petition within 60 days
22 after the notice of filing of the petition. The department shall file
23 a full report with the court and shall appear before the court for
24 the purpose of representing the child. Whenever a final decree of
25 tribal customary adoption has been vacated or set aside, the child
26 shall be returned to the custody of the county in which the
27 proceeding for tribal customary adoption was finalized. The
28 biological parent or parents of the child may petition for return of
29 custody. The disposition of the child after the court has entered an
30 order to set aside a tribal customary adoption shall include
31 consultation with the child's tribe.

32 (f) At the beginning of any proceeding pursuant to this section,
33 if the child or the parents are not being represented by previously
34 retained or appointed counsel, the court shall proceed as follows:

35 (1) In accordance with subdivision (c) of Section 317, if a child
36 before the court is without counsel, the court shall appoint counsel
37 unless the court finds that the child would not benefit from the
38 appointment of counsel. The court shall state on the record its
39 reasons for that finding.

1 (2) If a parent appears without counsel and is unable to afford
2 counsel, the court shall appoint counsel for the parent, unless this
3 representation is knowingly and intelligently waived. The same
4 counsel shall not be appointed to represent both the child and his
5 or her parent. The public defender or private counsel may be
6 appointed as counsel for the parent.

7 (3) Private counsel appointed under this section shall receive a
8 reasonable sum for compensation and expenses, the amount of
9 which shall be determined by the court. The amount shall be paid
10 by the real parties in interest, other than the child, in any
11 proportions the court deems just. However, if the court finds that
12 any of the real parties in interest are unable to afford counsel, the
13 amount shall be paid out of the general fund of the county.

14 (g) The court may continue the proceeding for a period of time
15 not to exceed 30 days as necessary to appoint counsel, and to
16 enable counsel to become acquainted with the case.

17 (h) (1) At all proceedings under this section, the court shall
18 consider the wishes of the child and shall act in the best interests
19 of the child.

20 (2) In accordance with Section 349, the child shall be present
21 in court if the child or the child's counsel so requests or the court
22 so orders. If the child is 10 years of age or older and is not present
23 at a hearing held pursuant to this section, the court shall determine
24 whether the minor was properly notified of his or her right to attend
25 the hearing and inquire as to the reason why the child is not present.

26 (3) (A) The testimony of the child may be taken in chambers
27 and outside the presence of the child's parent or parents, if the
28 child's parent or parents are represented by counsel, the counsel
29 is present, and any of the following circumstances ~~exists~~: *exist*:

30 (i) The court determines that testimony in chambers is necessary
31 to ensure truthful testimony.

32 (ii) The child is likely to be intimidated by a formal courtroom
33 setting.

34 (iii) The child is afraid to testify in front of his or her parent or
35 parents.

36 (B) After testimony in chambers, the parent or parents of the
37 child may elect to have the court reporter read back the testimony
38 or have the testimony summarized by counsel for the parent or
39 parents.

1 (C) The testimony of a child also may be taken in chambers and
2 outside the presence of the guardian or guardians of a child under
3 the circumstances specified in this subdivision.

4 (i) (1) Any order of the court permanently terminating parental
5 rights under this section shall be conclusive and binding upon the
6 child, upon the parent or parents ~~and~~ and, upon all other persons
7 who have been served with citation by publication or otherwise
8 as provided in this chapter. After making the order, the juvenile
9 court shall have no power to set aside, change, or modify it, except
10 as provided in paragraph (2), but nothing in this section shall be
11 construed to limit the right to appeal the order.

12 (2) A tribal customary adoption order evidencing that the Indian
13 child has been the subject of a tribal customary adoption shall be
14 afforded full faith and credit and shall have the same force and
15 effect as an order of adoption authorized by this section. The rights
16 and obligations of the parties as to the matters determined by the
17 Indian child's tribe shall be binding on all parties. A court shall
18 not order compliance with the order absent a finding that the party
19 seeking the enforcement participated, or attempted to participate,
20 in good faith, in family mediation services of the court or dispute
21 resolution through the tribe regarding the conflict, prior to the
22 filing of the enforcement action.

23 (3) A child who has not been adopted after the passage of at
24 least three years from the date the court terminated parental rights
25 and for whom the court has determined that adoption is no longer
26 the permanent plan may petition the juvenile court to reinstate
27 parental rights pursuant to the procedure prescribed by Section
28 388. The child may file the petition prior to the expiration of this
29 three-year period if the State Department of Social Services, county
30 adoption agency, or licensed adoption agency that is responsible
31 for custody and supervision of the child as described in subdivision
32 (j) and the child stipulate that the child is no longer likely to be
33 adopted. A child over 12 years of age shall sign the petition in the
34 absence of a showing of good cause as to why the child could not
35 do so. If it appears that the best interests of the child may be
36 promoted by reinstatement of parental rights, the court shall order
37 that a hearing be held and shall give prior notice, or cause prior
38 notice to be given, to the social worker or probation officer and to
39 the child's attorney of record, or, if there is no attorney of record
40 for the child, to the child, and the child's tribe, if applicable, by

1 means prescribed by subdivision (c) of Section 297. The court
2 shall order the child or the social worker or probation officer to
3 give prior notice of the hearing to the child's former parent or
4 parents whose parental rights were terminated in the manner
5 prescribed by subdivision (f) of Section 294 where the
6 recommendation is adoption. The juvenile court shall grant the
7 petition if it finds by clear and convincing evidence that the child
8 is no longer likely to be adopted and that reinstatement of parental
9 rights is in the child's best interest. If the court reinstates parental
10 rights over a child who is under 12 years of age and for whom the
11 new permanent plan will not be reunification with a parent or legal
12 guardian, the court shall specify the factual basis for its findings
13 that it is in the best interest of the child to reinstate parental rights.
14 This subdivision is intended to be retroactive and applies to any
15 child who is under the jurisdiction of the juvenile court at the time
16 of the hearing regardless of the date parental rights were terminated.

17 (j) If the court, by order or judgment, declares the child free
18 from the custody and control of both parents, or one parent if the
19 other does not have custody and control, or declares the child
20 eligible for tribal customary adoption, the court shall at the same
21 time order the child referred to the State Department of Social
22 Services, county adoption agency, or licensed adoption agency for
23 adoptive placement by the agency. However, except in the case
24 of a tribal customary adoption where there is no termination of
25 parental rights, a petition for adoption may not be granted until
26 the appellate rights of the natural parents have been exhausted.
27 The State Department of Social Services, county adoption agency,
28 or licensed adoption agency shall be responsible for the custody
29 and supervision of the child and shall be entitled to the exclusive
30 care and control of the child at all times until a petition for adoption
31 or tribal customary adoption is granted, except as specified in
32 subdivision (n). With the consent of the agency, the court may
33 appoint a guardian of the child, who shall serve until the child is
34 adopted.

35 (k) Notwithstanding any other law, the application of any person
36 who, as a relative caretaker or foster parent, has cared for a
37 dependent child for whom the court has approved a permanent
38 plan for adoption, or who has been freed for adoption, shall be
39 given preference with respect to that child over all other
40 applications for adoptive placement if the agency making the

1 placement determines that the child has substantial emotional ties
2 to the relative caretaker or foster parent and removal from the
3 relative caretaker or foster parent would be seriously detrimental
4 to the child's emotional well-being.

5 As used in this subdivision, "preference" means that the
6 application shall be processed and, if satisfactory, the family study
7 shall be completed before the processing of the application of any
8 other person for the adoptive placement of the child.

9 (l) (1) An order by the court that a hearing pursuant to this
10 section be held is not appealable at any time unless all of the
11 following apply:

12 (A) A petition for extraordinary writ review was filed in a timely
13 manner.

14 (B) The petition substantively addressed the specific issues to
15 be challenged and supported that challenge by an adequate record.

16 (C) The petition for extraordinary writ review was summarily
17 denied or otherwise not decided on the merits.

18 (2) Failure to file a petition for extraordinary writ review within
19 the period specified by rule, to substantively address the specific
20 issues challenged, or to support that challenge by an adequate
21 record shall preclude subsequent review by appeal of the findings
22 and orders made pursuant to this section.

23 (3) The Judicial Council shall adopt rules of court, effective
24 January 1, 1995, to ensure all of the following:

25 (A) A trial court, after issuance of an order directing a hearing
26 pursuant to this section be held, shall advise all parties of the
27 requirement of filing a petition for extraordinary writ review as
28 set forth in this subdivision in order to preserve any right to appeal
29 in these issues. This notice shall be made orally to a party if the
30 party is present at the time of the making of the order or by
31 first-class mail by the clerk of the court to the last known address
32 of a party not present at the time of the making of the order.

33 (B) The prompt transmittal of the records from the trial court
34 to the appellate court.

35 (C) That adequate time requirements for counsel and court
36 personnel exist to implement the objective of this subdivision.

37 (D) That the parent or guardian, or their trial counsel or other
38 counsel, is charged with the responsibility of filing a petition for
39 extraordinary writ relief pursuant to this subdivision.

40 (4) The intent of this subdivision is to do both of the following:

1 (A) Make every reasonable attempt to achieve a substantive and
 2 meritorious review by the appellate court within the time specified
 3 in Sections 366.21, 366.22, and 366.25 for holding a hearing
 4 pursuant to this section.

5 (B) Encourage the appellate court to determine all writ petitions
 6 filed pursuant to this subdivision on their merits.

7 (5) This subdivision shall only apply to cases in which an order
 8 to set a hearing pursuant to this section is issued on or after January
 9 1, 1995.

10 (m) Except for subdivision (j), this section shall also apply to
 11 minors adjudged wards pursuant to Section 727.31.

12 (n) (1) Notwithstanding Section 8704 of the Family Code or
 13 any other law, the court, at a hearing held pursuant to this section
 14 or anytime thereafter, may designate a current caretaker as a
 15 prospective adoptive parent if the child has lived with the caretaker
 16 for at least six months, the caretaker currently expresses a
 17 commitment to adopt the child, and the caretaker has taken at least
 18 one step to facilitate the adoption process. In determining whether
 19 to make that designation, the court may take into consideration
 20 whether the caretaker is listed in the preliminary assessment
 21 prepared by the county department in accordance with subdivision
 22 (i) of Section 366.21 as an appropriate person to be considered as
 23 an adoptive parent for the child and the recommendation of the
 24 State Department of Social Services, county adoption agency, or
 25 licensed adoption agency.

26 (2) For purposes of this subdivision, steps to facilitate the
 27 adoption process include, but are not limited to, the following:

28 (A) *Applying for an adoption homestudy.*

29 (B) *Cooperating with an adoption homestudy.*

30 ~~(A)~~

31 (C) Being designated by the court or the adoption agency as the
 32 adoptive family.

33 ~~(B)~~

34 (D) Requesting de facto parent status.

35 ~~(C)~~

36 (E) Signing an adoptive placement agreement.

37 ~~(D)~~

38 (F) Engaging in discussions regarding a postadoption contact
 39 agreement.

40 ~~(E)~~

1 (G) Working to overcome any impediments that have been
2 identified by the State Department of Social Services, county
3 adoption agency, or licensed adoption agency.

4 ~~(F)~~

5 (H) Attending classes required of prospective adoptive parents.

6 (3) Prior to a change in placement and as soon as possible after
7 a decision is made to remove a child from the home of a designated
8 prospective adoptive parent, the agency shall notify the court, the
9 designated prospective adoptive parent or the current caretaker, if
10 that caretaker would have met the threshold criteria to be
11 designated as a prospective adoptive parent pursuant to paragraph
12 (1) on the date of service of this notice, the child's attorney, and
13 the child, if the child is 10 years of age or older, of the proposal
14 in the manner described in Section 16010.6.

15 (A) Within five court days or seven calendar days, whichever
16 is longer, of the date of notification, the child, the child's attorney,
17 or the designated prospective adoptive parent may file a petition
18 with the court objecting to the proposal to remove the child, or the
19 court, upon its own motion, may set a hearing regarding the
20 proposal. The court may, for good cause, extend the filing period.
21 A caretaker who would have met the threshold criteria to be
22 designated as a prospective adoptive parent pursuant to paragraph
23 (1) on the date of service of the notice of proposed removal of the
24 child may file, together with the petition under this subparagraph,
25 a petition for an order designating the caretaker as a prospective
26 adoptive parent for purposes of this subdivision.

27 (B) A hearing ordered pursuant to this paragraph shall be held
28 as soon as possible and not later than five court days after the
29 petition is filed with the court or the court sets a hearing upon its
30 own motion, unless the court for good cause is unable to set the
31 matter for hearing five court days after the petition is filed, in
32 which case the court shall set the matter for hearing as soon as
33 possible. At the hearing, the court shall determine whether the
34 caretaker has met the threshold criteria to be designated as a
35 prospective adoptive parent pursuant to paragraph (1), and whether
36 the proposed removal of the child from the home of the designated
37 prospective adoptive parent is in the child's best interest, and the
38 child may not be removed from the home of the designated
39 prospective adoptive parent unless the court finds that removal is
40 in the child's best interest. If the court determines that the caretaker

1 did not meet the threshold criteria to be designated as a prospective
2 adoptive parent on the date of service of the notice of proposed
3 removal of the child, the petition objecting to the proposed removal
4 filed by the caretaker shall be dismissed. If the caretaker was
5 designated as a prospective adoptive parent prior to this hearing,
6 the court shall inquire into any progress made by the caretaker
7 towards the adoption of the child since the caretaker was designated
8 as a prospective adoptive parent.

9 (C) A determination by the court that the caretaker is a
10 designated prospective adoptive parent pursuant to paragraph (1)
11 or subparagraph (B) does not make the caretaker a party to the
12 dependency proceeding nor does it confer on the caretaker any
13 standing to object to any other action of the department, county
14 adoption agency, or licensed adoption agency, unless the caretaker
15 has been declared a de facto parent by the court prior to the notice
16 of removal served pursuant to paragraph (3).

17 (D) If a petition objecting to the proposal to remove the child
18 is not filed, and the court, upon its own motion, does not set a
19 hearing, the child may be removed from the home of the designated
20 prospective adoptive parent without a hearing.

21 (4) Notwithstanding paragraph (3), if the State Department of
22 Social Services, county adoption agency, or licensed adoption
23 agency determines that the child must be removed from the home
24 of the caretaker who is or may be a designated prospective adoptive
25 parent immediately, due to a risk of physical or emotional harm,
26 the agency may remove the child from that home and is not
27 required to provide notice prior to the removal. However, as soon
28 as possible and not longer than two court days after the removal,
29 the agency shall notify the court, the caretaker who is or may be
30 a designated prospective adoptive parent, the child's attorney, and
31 the child, if the child is 10 years of age or older, of the removal.
32 Within five court days or seven calendar days, whichever is longer,
33 of the date of notification of the removal, the child, the child's
34 attorney, or the caretaker who is or may be a designated prospective
35 adoptive parent may petition for, or the court on its own motion
36 may set, a noticed hearing pursuant to paragraph (3). The court
37 may, for good cause, extend the filing period.

38 (5) Except as provided in subdivision (b) of Section 366.28, an
39 order by the court issued after a hearing pursuant to this subdivision
40 shall not be appealable.

1 (6) Nothing in this section shall preclude a county child
2 protective services agency from fully investigating and responding
3 to alleged abuse or neglect of a child pursuant to Section 11165.5
4 of the Penal Code.

5 (7) The Judicial Council shall prepare forms to facilitate the
6 filing of the petitions described in this subdivision, which shall
7 become effective on January 1, 2006.

8 ~~SEC. 12.~~

9 *SEC. 37.* Section 727 of the Welfare and Institutions Code is
10 amended to read:

11 727. (a) (1) If a minor or nonminor is adjudged a ward of the
12 court on the ground that he or she is a person described by Section
13 601 or 602, the court may make any reasonable orders for the care,
14 supervision, custody, conduct, maintenance, and support of the
15 minor or nonminor, including medical treatment, subject to further
16 order of the court.

17 (2) In the discretion of the court, a ward may be ordered to be
18 on probation without supervision of the probation officer. The
19 court, in so ordering, may impose on the ward any and all
20 reasonable conditions of behavior as may be appropriate under
21 this disposition. A minor or nonminor who has been adjudged a
22 ward of the court on the basis of the commission of any of the
23 offenses described in subdivision (b) or paragraph (2) of
24 subdivision (d) of Section 707, Section 459 of the Penal Code, or
25 subdivision (a) of Section 11350 of the Health and Safety Code,
26 shall not be eligible for probation without supervision of the
27 probation officer. A minor or nonminor who has been adjudged a
28 ward of the court on the basis of the commission of any offense
29 involving the sale or possession for sale of a controlled substance,
30 except misdemeanor offenses involving marijuana, as specified in
31 Chapter 2 (commencing with Section 11053) of Division 10 of the
32 Health and Safety Code, or of an offense in violation of Section
33 32625 of the Penal Code, shall be eligible for probation without
34 supervision of the probation officer only when the court determines
35 that the interests of justice would best be served and states reasons
36 on the record for that determination.

37 (3) In all other cases, the court shall order the care, custody, and
38 control of the minor or nonminor to be under the supervision of
39 the probation officer.

1 (4) It is the sole responsibility pursuant to 42 U.S.C. Section
2 672(a)(2)(B) of the probation agency to determine the appropriate
3 placement for the ward once the court issues a placement order.
4 In determination of the appropriate placement for the ward, the
5 probation officer shall consider any recommendations of the child
6 and family. The probation agency may place the minor or nonminor
7 in any of the following:

8 (A) The approved home of a relative or the approved home of
9 a nonrelative, extended family member, as defined in Section
10 362.7. If a decision has been made to place the minor in the home
11 of a relative, the court may authorize the relative to give legal
12 consent for the minor's medical, surgical, and dental care and
13 education as if the relative caregiver were the custodial parent of
14 the minor.

15 (B) A foster home, the approved home of a resource family as
16 defined in Section 16519.5, or a home or facility in accordance
17 with the federal Indian Child Welfare Act (25 U.S.C. Sec. 1901
18 et seq.).

19 (C) A suitable licensed community care facility, as identified
20 by the probation officer, except a runaway and homeless youth
21 shelter licensed by the State Department of Social Services
22 pursuant to Section 1502.35 of the Health and Safety Code.

23 (D) A foster family agency, as defined in subdivision (g) of
24 Section 11400 and paragraph (4) of subdivision (a) of Section 1502
25 of the Health and Safety Code, in a suitable ~~program in a family~~
26 ~~home, which has been certified by the agency as meeting licensing~~
27 ~~standards. Commencing January 1, 2017, the requirements of~~
28 ~~Section 11462.01 shall be met. *certified family home or with a*~~
29 ~~*resource family.*~~

30 (E) Commencing January 1, 2017, a minor or nonminor
31 dependent may be placed in a short-term residential treatment

40 For youth 13 years of age and older, the placement shall be

1 approved by the chief probation officer of the county probation
2 department, or his or her designee, only if the placement is longer
3 than 12 months.

4 (F) (i) Every minor adjudged a ward of the juvenile court shall
5 be entitled to participate in age-appropriate extracurricular,
6 enrichment, and social activities. A state or local regulation or
7 policy shall not prevent, or create barriers to, participation in those
8 activities. Each state and local entity shall ensure that private
9 agencies that provide foster care services to wards have policies
10 consistent with this section and that those agencies promote and
11 protect the ability of wards to participate in age-appropriate
12 extracurricular, enrichment, and social activities. A group home
13 administrator, a facility manager, or his or her responsible designee,
14 and a caregiver, as defined in paragraph (1) of subdivision (a) of
15 Section 362.04, shall use a reasonable and prudent parent standard,

30 unit certified by a licensed transitional housing placement provider.

31 (5) The minor or nonminor shall be released from juvenile
32 detention upon an order being entered under paragraph (3), unless
33 the court determines that a delay in the release from detention is
34 reasonable pursuant to Section 737.

35 (b) (1) To facilitate coordination and cooperation among
36 agencies, the court may, at any time after a petition has been filed,
37 after giving notice and an opportunity to be heard, join in the
38 juvenile court proceedings any agency that the court determines
39 has failed to meet a legal obligation to provide services to a minor,
40 for whom a petition has been filed under Section 601 or 602, to a

1 nonminor, as described in Section 303, or to a nonminor dependent,
2 as defined in subdivision (v) of Section 11400. In any proceeding
3 in which an agency is joined, the court shall not impose duties
4 upon the agency beyond those mandated by law. The purpose of
5 joinder under this section is to ensure the delivery and coordination
6 of legally mandated services to the minor. The joinder shall not
7 be maintained for any other purpose. Nothing in this section shall
8 prohibit agencies that have received notice of the hearing on joinder
9 from meeting prior to the hearing to coordinate services.

10 (2) The court has no authority to order services unless it has
11 been determined through the administrative process of an agency
12 that has been joined as a party, that the minor, nonminor, or
13 nonminor dependent is eligible for those services. With respect to
14 mental health assessment, treatment, and case management services
15 pursuant to an individualized education program developed
16 pursuant to Article 2 (commencing with Section 56320) of Chapter
17 4 of Part 30 of Division 4 of Title 2 of the Education Code, the

19 complied with that chapter.

20 (3) For the purposes of this subdivision, "agency" means any
21 governmental agency or any private service provider or individual
22 that receives federal, state, or local governmental funding or

25 (c) If a minor has been adjudged a ward of the court on the
26 ground that he or she is a person described in Section 601 or 602,
27 and the court finds that notice has been given in accordance with
28 Section 661, and if the court orders that a parent or guardian shall
29 retain custody of that minor either subject to or without the
30 supervision of the probation officer, the parent or guardian may
31 be required to participate with that minor in a counseling or
32 education program, including, but not limited to, parent education
33 and parenting programs operated by community colleges, school
34 districts, or other appropriate agencies designated by the court.

35 (d) The juvenile court may direct any reasonable orders to the
36 parents and guardians of the minor who is the subject of any
37 proceedings under this chapter as the court deems necessary and
38 proper to carry out subdivisions (a), (b), and (c), including orders
39 to appear before a county financial evaluation officer, to ensure
40 the minor's regular school attendance, and to make reasonable

1 efforts to obtain appropriate educational services necessary to meet
2 the needs of the minor.

3 If counseling or other treatment services are ordered for the
4 minor, the parent, guardian, or foster parent shall be ordered to
5 participate in those services, unless participation by the parent,
6 guardian, or foster parent is deemed by the court to be inappropriate
7 or potentially detrimental to the minor.

8 *SEC. 38. Section 727.4 of the Welfare and Institutions Code*
9 *is amended to read:*

14 caregivers, preadoptive parents, *resource family*, community care
15 facility, or foster family agency, and to the counsel of record if the
16 counsel of record was not present at the time that the hearing was
17 set by the court, by first-class mail addressed to the last known
18 address of the person to be notified, or shall be personally served
19 on those persons, not earlier than 30 days nor later than 15 days
20 preceding the date of the hearing. The notice shall contain a
21 statement regarding the nature of the status review or permanency
22 planning hearing and any change in the custody or status of the
23 minor being recommended by the probation department. The notice
24 shall also include a statement informing the foster parents, relative
25 caregivers, or preadoptive parents that he or she may attend all
26 hearings or may submit any information he or she deems relevant
27 to the court in writing. The foster parents, relative caregiver, and
28 preadoptive parents are entitled to notice and opportunity to be
29 heard but need not be made parties to the proceedings. Proof of
30 notice shall be filed with the court.

32 that the minor is or may be an Indian child, any notice sent under
33 this section shall comply with the requirements of Section 224.2.

34 (b) At least 10 calendar days prior to each status review and

38 pursuant to subdivision (a) of Section 727, the probation officer
39 shall file a social study report with the court, pursuant to the
40 requirements listed in Section 706.5.

1 (c) The probation department shall inform the minor, the minor's
2 parent or guardian, and all counsel of record that a copy of the

28 physically placed in foster care.

31 then the "date of entry into foster care" is the earlier of the date

38 *SEC. 39.* Section 4094.2 of the Welfare and Institutions Code
39 is amended to read:

1 4094.2. (a) For the purpose of establishing payment rates for
2 community treatment facility programs, the private nonprofit
3 agencies selected to operate these programs shall prepare a budget
4 that covers the total costs of providing residential care and
5 supervision and mental health services for their proposed programs.
6 These costs shall include categories that are allowable under
7 California's Foster Care program and existing programs for mental
8 health services. They shall not include educational, nonmental
9 health medical, and dental costs.

10 (b) Each agency operating a community treatment facility
11 program shall negotiate a final budget with the local mental health
12 department in the county in which its facility is located (the host
13 county) and other local agencies, as appropriate. This budget
14 agreement shall specify the types and level of care and services to
15 be provided by the community treatment facility program and a
16 payment rate that fully covers the costs included in the negotiated
17 budget. All counties that place children in a community treatment
18 facility program shall make payments using the budget agreement
19 negotiated by the community treatment facility provider and the
20 host county.

21 (c) A foster care rate shall be established for each community
22 treatment facility program by the State Department of Social
23 Services.

24 (1) These rates shall be established using the existing foster care
25 ratesetting system for group homes, or the rate for a short-term
26 residential treatment center as defined in subdivision (ad) of
27 Section 11400, with modifications designed as necessary. It is
28 anticipated that all community treatment facility programs will
29 offer the level of care and services required to receive the highest
30 foster care rate provided for under the current ratesetting system.

31 (2) Except as otherwise provided in paragraph (3), commencing
32 January 1, 2017, the program shall have accreditation from a
33 nationally recognized accrediting entity identified by the State
34 Department of Social Services pursuant to the process described
35 in paragraph (4) of subdivision (b) of Section 11462.

36 (3) With respect to a program that has been granted an extension
37 pursuant to the exception process described in subdivision (d) of
38 Section 11462.04, the requirement described in paragraph (2) shall
39 apply to that program commencing January 1, 2019.

1 (d) For the 2001–02 fiscal year, the 2002–03 fiscal year, the
2 2003–04 fiscal year, and the 2004–05 fiscal year, community
3 treatment facility programs shall also be paid a community
4 treatment facility supplemental rate of up to two thousand five
5 hundred dollars (\$2,500) per child per month on behalf of children
6 eligible under the foster care program and children placed out of
7 home pursuant to an individualized education program developed
8 under Section 7572.5 of the Government Code. Subject to the
9 availability of funds, the supplemental rate shall be shared by the
10 state and the counties. Counties shall be responsible for paying a
11 county share of cost equal to 60 percent of the community
12 treatment rate for children placed by counties in community
13 treatment facilities and the state shall be responsible for 40 percent
14 of the community treatment facility supplemental rate. The
15 community treatment facility supplemental rate is intended to
16 supplement, and not to supplant, the payments for which children
17 placed in community treatment facilities are eligible to receive
18 under the foster care program and the existing programs for mental
19 health services.

20 (e) For initial ratesetting purposes for community treatment
21 facility funding, the cost of mental health services shall be
22 determined by deducting the foster care rate and the community
23 treatment facility supplemental rate from the total allowable cost
24 of the community treatment facility program. Payments to certified
25 providers for mental health services shall be based on eligible
26 services provided to children who are Medi-Cal beneficiaries, up
27 to the approved federal rate for these services.

28 (f) The State Department of Health Care Services shall provide
29 the community treatment facility supplemental rates to the counties
30 for advanced payment to the community treatment facility
31 providers in the same manner as the regular foster care payment
32 and within the same required payment time limits.

33 (g) In order to facilitate the study of the costs of community
34 treatment facilities, licensed community treatment facilities shall
35 provide all documents regarding facility operations, treatment, and
36 placements requested by the department.

37 (h) It is the intent of the Legislature that the State Department
38 of Health Care Services and the State Department of Social
39 Services work to maximize federal financial participation in
40 funding for children placed in community treatment facilities

1 through funds available pursuant to Titles IV-E and XIX of the
2 federal Social Security Act (Title 42 U.S.C. Sec. 670 et seq. and
3 Sec. 1396 et seq.) and other appropriate federal programs.

4 (i) The State Department of Health Care Services and the State
5 Department of Social Services may adopt emergency regulations
6 necessary to implement joint protocols for the oversight of
7 community treatment facilities, to modify existing licensing
8 regulations governing reporting requirements and other procedural
9 and administrative mandates to take into account the seriousness
10 and frequency of behaviors that are likely to be exhibited by
11 seriously emotionally disturbed children placed in community
12 treatment facility programs, to modify the existing foster care
13 ratesetting regulations, and to pay the community treatment facility
14 supplemental rate. The adoption of these regulations shall be
15 deemed to be an emergency and necessary for the immediate
16 preservation of the public peace, health and safety, and general
17 welfare. The regulations shall become effective immediately upon
18 filing with the Secretary of State. The regulations shall not remain
19 in effect more than 180 days unless the adopting agency complies
20 with all the provisions of Chapter 3.5 (commencing with Section

8 as it received on October 1, 1989.

9 (c) The amounts in the schedule of basic rates in subdivision

26 (4) Effective July 1, 1998, the amounts in the schedule of basic
27 rates in subdivision (a) shall be increased by 6 percent.
28 Notwithstanding any other provision of law, the 6-percent increase
29 provided for in this paragraph shall, retroactive to July 1, 1998,

17 rate shall not be used to compute the monthly amount that may be
18 paid to licensed foster family agencies for the placement of children

28 ~~SEC. 16.~~

29 *SEC. 51.* Section 11463.01 of the Welfare and Institutions
30 Code is amended to read:

31 11463.01. (a) (1) The department, with the advice, assistance,
32 and cooperation of the counties and foster care providers, shall
33 develop, implement, and maintain a ratesetting system for foster
34 family agencies.

35 (2) No county shall be reimbursed for any percentage increases
36 in payments, made on behalf of AFDC-FC funded children who
37 are placed with foster family agencies, that exceed the percentage
38 cost-of-living increase provided in any fiscal year, as specified in
39 subdivision-(e) (g) of Section 11461.

1 (b) The department shall develop regulations specifying the
2 purposes, types, and services of foster family agencies, including
3 the use of those agencies for the provision of emergency shelter
4 care.

5 (c) The department shall develop and maintain regulations
6 specifying the procedures for the appeal of department decisions
7 about the setting of an agency's rate.

8 (d) No supplemental clothing allowance shall be provided,
9 because the rate issued in accordance with paragraph (1) of
10 subdivision (g) takes the cost of clothing into account.

11 (e) The schedule of rates for foster family agencies as set forth
12 in Section 11463, as that section read on January 1, 2015, shall
13 apply for purposes of, and may be modified pursuant to, this
14 section.

15 (f) (1) The department shall determine, consistent with the
16 requirements of this section and other relevant requirements under
17 law, the rate category for each foster family agency on a biennial
18 basis. Submission of the biennial rate application shall be according
19 to a schedule determined by the department.

20 (2) The department shall adopt regulations to implement this
21 subdivision. The adoption, amendment, repeal, or readoption of a
22 regulation authorized by this subdivision is deemed to be necessary
23 for the immediate preservation of the public peace, health and
24 safety, or general welfare, for purposes of Sections 11346.1 and
25 11349.6 of the Government Code, and the department is hereby
26 exempted from the requirement to describe specific facts showing
27 the need for immediate action.

28 (g) (1) The basic rate payment that shall be made to the certified
29 parent pursuant to this section for care and supervision of a child
30 who is living in a certified home of a foster family agency, as
31 defined in Section 11400, shall equal the basic rate for children
32 placed in a licensed or approved home, as specified in paragraph
33 (1) of subdivision (g) of Section 11461.

34 (2) The basic rate payment to the certified parent made pursuant
35 to paragraph (1) shall be adjusted annually on July 1, by the annual
36 percentage change in the California Necessities Index, in
37 accordance with paragraph (2) of subdivision (g) of Section 11461.
38 The adjustment in this paragraph shall be in lieu of any adjustment
39 pursuant to subdivision (e) of Section 11463, as that section read
40 on January 1, 2015.

1 (h) Notwithstanding any other law, the changes to the basic rate
2 payment specified in subdivision (g) shall not change the remaining
3 components of the foster family agency rate. The new foster family
4 agency rate shall be increased only by the amounts specified
5 pursuant to subdivision (g). The resulting amounts shall constitute
6 the new schedule of rates for foster family agencies, which shall
7 be issued by all-county letters or similar instructions from the
8 department.

9 (i) For each fiscal year, funding and expenditures for programs
10 and activities under this section shall be in accordance with the
11 requirements provided in Sections 30025 and 30026.5 of the
12 Government Code.

13 (j) (1) Notwithstanding the rulemaking provisions of the
14 Administrative Procedure Act (Chapter 3.5 (commencing with
15 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
16 Code), the department may implement, interpret, or make specific
17 the changes to this section made by the act that added this section,
18 and amend and repeal regulations and orders subject to this section
19 and adopted by the department by means of all-county letters or
20 similar instructions from the department until regulations are
21 adopted. The department shall adopt emergency regulations no
22 later than July 1, 2016. The department may readopt any emergency
23 regulation authorized by this section that is the same as, or
24 substantially equivalent to, an emergency regulation previously
25 adopted under this section.

26 (2) The initial adoption of emergency regulations pursuant to
27 this section and one readoption of emergency regulations shall be
28 deemed an emergency and necessary for the immediate
29 preservation of the public peace, health, safety, or general welfare.
30 Initial emergency regulations and the one readoption of emergency
31 regulations authorized by this section shall be exempt from review
32 by the Office of Administrative Law. The initial emergency
33 regulations and the one readoption of emergency regulations
34 authorized by this section shall be submitted to the Office of
35 Administrative Law for filing with the Secretary of State and each
36 shall remain in effect for no more than 180 days, by which time
37 final regulations may be adopted.

38 (k) This section shall only apply to a foster family agency that
39 has been granted an extension pursuant to the exception process
40 described in subdivision (d) of Section 11463.1.

1 (l) This section shall become operative on January 1, 2017.

2 (m) This section shall remain in effect only until January 1,
3 2019, and as of that date is repealed, unless a later enacted statute,
4 that is enacted before January 1, 2019, deletes or extends that date.

5 *SEC. 52. Section 11463.1 of the Welfare and Institutions Code*
6 *is amended to read:*

7 11463.1. (a) Notwithstanding any other law, commencing
8 January 1, 2017, no new foster family agency shall be established
9 pursuant to the rate in effect through December 31, 2016.

10 (b) Notwithstanding subdivision (a), the department may grant
11 an exception as appropriate, on a case-by-case basis, when a written
12 request and supporting documentation are provided by a county
13 placing agency, including a county welfare or probation director,
14 that absent the granting of that exception, there is a material risk
15 to the welfare of children due to an inadequate supply of
16 appropriate alternative placement options to meet the needs of
17 children or youth.

18 (c) Rates for foster family agencies paid under the prior rate
19 system, and those granted an exception pursuant to subdivision
20 (b), shall terminate on December 31, 2016, unless granted an
21 extension under the exception process in subdivision (d).

22 (d) A foster family agency *that is otherwise licensed to operate*
23 *as a foster family agency* may request an exception to extend its
24 rate as follows:

25 (1) The department may grant an extension for up to two years,
26 through December 31, 2018, on a case-by-case basis, when a
27 written request and supporting documentation are provided by a
28 county placing agency, including a county welfare or probation
29 director, that absent the granting of that exception, there is a
30 material risk to the welfare of children or youth due to an
31 inadequate supply of appropriate alternative placement options to
32 meet the needs of children. The exception may include time to
33 meet the accreditation requirement or the mental health certification
34 requirement.

35 (2) The exception shall allow the provider to continue to receive
36 the rate under the prior ratesetting system.

37 (e) Upon termination of an existing foster family agency rate
38 under the prior rate system, a new rate shall not be paid until an
39 application is approved and a rate is granted by the department

1 pursuant to Section 11463 as a foster family agency or Section
2 11462 as a short-term residential treatment center.

3 (f) The department shall, in the development of the new rate
4 structures, consider and provide for placement of all children who
5 are displaced as a result of reclassification of treatment facilities.

6 (g) This section shall remain in effect only until January 1, 2019,
7 and as of that date is repealed, unless a later enacted statute, that
8 is enacted before January 1, 2019, deletes or extends that date.

9 ~~SEC. 17.~~

10 *SEC. 53.* Section 11466 of the Welfare and Institutions Code

28 *(b) The provisional rate shall be subject to terms and conditions,*
29 *including the duration of the provisional period, set by the*
30 *department.*

31 *(1) For a provider described in paragraph (1) or (3) of*
32 *subdivision (a), a provisional rate may be granted for a period*
33 *that is not extended beyond December 31, 2018.*

34 *(2) For a provider described in paragraph (2) of subdivision*
35 *(a), a provisional rate may be granted and may be reviewed on*
36 *an annual basis, pursuant to paragraph (2) of subdivision (d) of*
37 *Section 11462.04.*

38 *(3) For a provider described in paragraph (4) or (5) of*
39 *subdivision (a), a provisional rate may be granted for a period of*
40 *up to 24 months from the date the provider’s license was issued.*

1 (c) In determining whether to grant, and upon what conditions
2 to grant, a provisional rate, the department shall consider factors
3 including the following:

4 (1) Any prior extension granted pursuant to Section 11462.04
5 or 11463.1.

6 (2) Any licensing history for any license with which the program,
7 or its directors or officers, have been associated.

8 (3) Any financial, fiscal, or compliance audit history with which
9 the program, or its directors or officers, have been associated.

10 (4) Outstanding civil penalties or overpayments with which the
11 program, or its directors or officers, have been associated.

12 (d) In determining whether to continue, and upon what
13 conditions to continue, a provisional rate, the department shall
14 consider those factors specified in subdivision (c), as well as
15 compliance with the terms, conditions, and requirements during
16 the provisional period.

17 (e) In determining whether, at the end of the provisional rate
18 period or thereafter, to grant a standard rate and whether to
19 impose or continue, and upon what conditions to impose or
20 continue, a probationary rate the department shall consider the
21 factors specified in subdivision (c).

22 (f) The department shall establish an administrative review
23 process for determinations, including denial, reduction, probation,
24 and termination of the provisional and probationary rates. This
25 process shall include a departmental review, corrective action,
26 and an appeal with the department. Notwithstanding the
27 rulemaking provisions of the Administrative Procedure Act
28 (Chapter 3.5 (commencing with Section 11340) of Part 1 of
29 Division 3 of Title 2 of the Government Code), this process shall
30 be disseminated by written directive pending the promulgation of
31 regulations.

32 (g) (1) (A) For the purposes of this section, a “provisional
33 rate” is a prospective rate given to a provider described in

35 with terms and conditions attached to the granting of the
36 provisional rate.

37 (B) For the purposes of this section, a “standard rate” is the
38 rate granted at the conclusion of a provisional rate period upon
39 meeting the terms and conditions.

1 (C) For the purposes of this section, a “probationary rate” is
2 the imposition of limitations and conditions on a standard rate.

3 (2) (A) At the conclusion of a provisional rate, a probationary
4 rate may be imposed, at the discretion of the department, if
5 additional oversight is deemed necessary based on the provider’s
6 performance during the provisional rate period.

7 (B) At any time, a standard rate may become a probationary
8 rate if additional oversight is deemed necessary based on the
9 provider’s performance in accordance with terms and condition
10 attached to the granting or maintenance of its rate.

11 SEC. 55. Section 11466.2 of the Welfare and Institutions Code,
12 as added by Section 91 of Chapter 773 of the Statutes of 2015, is
13 amended to read:

25 ~~(2)~~

26 (3) A provider may request a hearing of the department’s audit
27 determination under this section no later than 30 days after the
28 date the department issues its audit determination. The
29 department’s audit determination shall be final if the provider does
30 not request a hearing within the prescribed time. Within 60 days
31 of receipt of the request for hearing, the department shall conduct
32 a hearing on the audit determination. The standard of proof shall
33 be the preponderance of the evidence and the burden of proof shall
34 be on the department. The hearing officer shall issue the proposed
35 decision within 45 days of the close of the evidentiary record. The
36 director shall adopt, reject, or modify the proposed decision, or
37 refer the matter back to the hearing officer for additional evidence
38 or findings within 100 days of issuance of the proposed decision.
39 If the director takes no action on the proposed decision within the

1 prescribed time, the proposed decision shall take effect by operation
2 of law.

3 (b) The department shall develop regulations to correct a
4 program's audit findings, adjust the rate, and recover any
5 overpayments resulting from an overstatement of the projected
6 level of care and services and other audit findings.

7 (c) (1) In any audit conducted by the department, the
8 department, or other public or private audit agency with which the
9 department contracts, shall coordinate with the department's

12 department, or other public or private audit agency with which the
13 department contracts, shall make available to all providers, in
14 writing, any standards, rules, and auditing protocols to be used in
15 those audits.

16 (2) The department shall provide exit interviews with providers,
17 whenever deficiencies are found, in which those deficiencies may
18 be explained and permit providers an opportunity to respond. The
19 department shall adopt regulations specifying the procedure for
20 the appeal of audit findings.

21 (d) This section shall become operative on January 1, 2017.

22 ~~SEC. 18.~~

23 *SEC. 56.* Section 11466.21 of the Welfare and Institutions
24 Code is amended to read:

25 11466.21. (a) In accordance with subdivision (b), as a
26 condition to receive an AFDC-FC rate for a program including,
27 but not limited to, a group home, a foster family agency, a
28 short-term residential treatment center, and other similar business
29 entities providing foster care, the following shall apply:

30 (1) Any provider who expends in combined federal funds an
31 amount at or above the federal funding threshold in accordance
32 with the federal Single Audit Act, as amended, and Section 200.501
33 of Title 2 of the Code of Federal Regulations shall arrange to have
34 a financial audit conducted on an annual basis, and shall submit
35 the financial audit to the department in accordance with regulations
36 adopted by the department, all-county letter, or similar written
37 instructions.

38 (2) Any provider who expends in combined federal funds an
39 amount below the federal funding threshold shall annually submit
40 a financial audit to the department pursuant to Generally Accepted

1 Government Auditing Standards (GAGAS), and shall submit the
2 financial audit to the department in accordance with regulations
3 adopted by the department, all-county letter, or similar written
4 instructions.

5 (3) The scope of the financial audit shall include all of the
6 programs and activities operated by the provider and shall not be
7 limited to those funded in whole or in part by the AFDC-FC
8 program. The financial audits shall include, but not be limited to,
9 an evaluation of the expenditures and accounting and control
10 systems of the provider.

11 (4) The provider shall have its financial audit conducted by
12 certified public accountants or by state-licensed public accountants,
13 with audit designation, who have no direct or indirect relationship
14 with the functions or activities being audited, or with the provider,
15 its board of directors, or other governing body, officers, or staff.

16 (5) The provider shall have its financial audits conducted in
17 accordance with Government Auditing Standards issued by the
18 Comptroller General of the United States and in compliance with
19 generally accepted accounting principles applicable to private
20 entities organized and operated on a nonprofit basis.

21 (6) (A) Each provider shall have the flexibility to define the
22 calendar months included in its fiscal year.

23 (B) A provider may change the definition of its fiscal year.
24 However, the financial audit conducted following the change shall
25 cover all of the months since the last audit, even though this may
26 cover a period that exceeds 12 months.

27 (b) (1) In accordance with subdivision (a), as a condition to
28 receive an AFDC-FC rate, a provider shall submit a copy of its
29 most recent financial audit report, except as provided in paragraph
30 (3).

31 (2) The department shall terminate the rate of a provider who
32 fails to submit a copy of its most recent financial audit pursuant
33 to subdivision (a). A terminated rate shall only be reinstated upon
34 the provider's submission to the department of an acceptable
35 financial audit.

36 (3) A new provider that has been incorporated for fewer than
37 12 calendar months shall not be required to submit a copy of a
38 financial audit to receive an AFDC-FC rate for a new program.
39 The financial audit shall be conducted on the provider's next full

1 fiscal year of operation. The provider shall submit the financial
2 audit to the department in accordance with subdivision (a).

3 (c) The department shall issue a management decision letter on
4 audit findings, made by the independent auditor or as a result of
5 department review, within six months of receipt of the financial
6 audit report. The management decision letter shall clearly state
7 whether or not the audit finding is sustained, the reasons for the
8 decision, and the action or actions expected of the nonprofit
9 organization provider to repay disallowed costs, make financial
10 adjustments, or take other action.

11 (d) Repeated late submission of financial audits, repeat findings
12 in financial audits, or failure to comply with corrective action in
13 a management decision letter may result in monetary penalties or
14 a reduction, suspension, or termination of the provider's rate in
15 accordance with regulations adopted by the department, all-county
16 letter, or similar written instructions. This subdivision shall not be
17 construed to affect the department's authority under other
18 provisions of law, including, but not limited to, Part 200 of Title
19 2 of the Code of Federal Regulations.

20 ~~SEC. 19:~~

21 *SEC. 57.* Section 11466.22 of the Welfare and Institutions
22 Code is amended to read:

23 11466.22. (a) It is the intent of the Legislature to ensure overall
24 program integrity in the AFDC-FC program through the
25 establishment of an effective and efficient process for the collection
26 of provider sustained overpayments. Furthermore, the intent of the
27 Legislature is to ensure that children placed in AFDC-FC programs,
28 including, but not limited to, group homes, short-term residential
29 treatment centers, and foster family agencies, receive the level of
30 care and supervision commensurate with the program's paid rate.

31 (b) For the purposes of this section, a provider is a licensee of
32 an AFDC-FC program listed in Section 11402, including, but not
33 limited to, a group home, short-term residential treatment center,
34 foster family agency that provides treatment services, or a similar
35 business entity, receiving foster care maintenance payments under
36 the AFDC-FC program. The department may collect a sustained
37 overpayment from the party responsible for the sustained
38 overpayment, regardless of whether the party remains in the
39 business of providing any AFDC-FC programs, and regardless of
40 whether the provider remains licensed by the department.

1 (c) For the purposes of this section, a provider overpayment is
2 an overpayment that results in an audit period when a provider
3 receives a rate reimbursement to which it is not entitled. If a
4 provider receives a rate reimbursement to which it is not entitled,
5 including, but not limited to, the provider failing to maintain a
6 license, or failing to maintain its status as a nonprofit organization,
7 or due to an overpayment determined as described in paragraph
8 (1) of subdivision (d), it shall be liable to repay the overpayment.

9 (d) (1) Overpayments shall be determined by either a provider
10 audit pursuant to Section 11466.21, a department audit conducted
11 pursuant to Section 11466.2, a management decision letter, or a
12 provider self-reporting an overpayment. A self-reported
13 overpayment may include a finding in the financial audit report
14 submitted by the provider whether that finding is formally made
15 in the financial audit report or discovered through department
16 review of the report or other provider submission.

17 (2) If a hearing is not requested, or on the 60th day after an
18 informal decision if a provider or the department does not file a
19 notice of intent to file a formal appeal, or on the 30th day following
20 a formal appeal hearing decision, whichever is latest, a provider
21 overpayment shall be sustained for collection purposes and the
22 department shall issue a demand letter for repayment of the
23 sustained overpayment.

24 (3) The department shall establish a voluntary repayment
25 agreement procedure with a maximum repayment period of nine
26 years. The procedure shall take into account the amount of the
27 overpayment, projected annual income of the program that caused
28 the overpayment, a minimum repayment amount, including
29 principal and interest, of 3 percent of annual income prorated on
30 a monthly basis, simple interest for the first seven years of the
31 voluntary repayment agreement on the overpayment amount based
32 on the Surplus Money Investment Fund, and simple interest for
33 the eighth and ninth years of the voluntary repayment agreement
34 based on the prime rate at that time plus 3 percent. The department
35 may consider renegotiation of a voluntary repayment agreement
36 if the department determines that the agreement would cause severe
37 harm to children in placement.

38 (4) The department shall establish an involuntary overpayment
39 collection procedure, that shall take into account the amount of
40 the overpayment, projected annual income, a minimum required

1 repayment amount, including principal and interest, of 5 percent
2 of the annual income prorated on a monthly basis, simple interest
3 on the overpayment amount based on the Surplus Money
4 Investment Fund, and a maximum repayment period of seven
5 years. The department may consider renegotiation of an involuntary
6 payment agreement if the department determines that the agreement
7 would cause severe harm to children in placement.

8 (e) The department shall maintain, by ~~regulation~~, *regulation*,
9 all-county letter, or similar written directive, a procedure for
10 recovery of any provider sustained overpayments. The department
11 shall prioritize collection methods, which shall include voluntary
12 repayment agreement procedures, involuntary overpayment
13 collection procedures, including the use of a statutory lien, rate
14 request denials, rate decreases, and rate terminations. The
15 department may also deny rate requests, including requests for
16 rate increases, or program changes or expansions, while an
17 overpayment is due.

18 (f) Whenever the department determines that a provider
19 sustained overpayment has occurred, the department shall recover
20 from the provider the full amount of the sustained overpayment,
21 and simple interest on the sustained overpayment amount, pursuant
22 to methods described in subdivision (e), against the provider's
23 income or assets.

24 (g) If a provider is successful in its appeal of a collected
25 overpayment, it shall be repaid the collected overpayment plus
26 simple interest based on the Surplus Money Investment Fund.

27 *SEC. 58. Section 11466.24 of the Welfare and Institutions Code*
28 *is amended to read:*

29 11466.24. (a) In accordance with this section, a county shall
30 collect an overpayment, discovered on or after January 1, 1999,
31 made to a foster family home, an approved home of a relative,
32 including, on and after the date that the director executes a
33 declaration pursuant to Section 11217, the home of a Kin-GAP
34 guardian, an approved home of a nonrelative extended family
35 member, ~~or an approved home of a nonrelative legal guardian, or,~~
36 ~~on and after January 1, 2012, a resource family, as defined in~~
37 *subdivision (c) of Section 16519.5, or the supervised independent*
38 *living setting where a nonminor dependent resides, for any period*
39 *of time in which the foster child was not cared for in that home,*

1 unless any of the following conditions exist, in which case a county
2 shall not collect the overpayment:

3 (1) The cost of the collection exceeds that amount of the
4 overpayment that is likely to be recovered by the county. The cost
5 of collecting the overpayment and the likelihood of collection shall
6 be documented by the county. Costs that the county shall consider
7 when determining the cost-effectiveness to collect are total
8 administrative, personnel, legal filing fee, and investigative costs,
9 and any other applicable costs.

10 (2) The child was temporarily removed from the home and
11 payment was owed to the provider to maintain the child's
12 placement, or the child was temporarily absent from the provider's
13 home, or on runaway status and subsequently returned, and
14 payment was made to the provider to meet the child's needs.

15 (3) The overpayment was exclusively the result of a county
16 administrative error or both the county welfare department and
17 the provider or nonminor dependent were unaware of the
18 information that would establish that the foster child or nonminor
19 dependent was not eligible for foster care benefits.

20 (4) The provider or nonminor dependent did not have knowledge
21 of, and did not contribute to, the cause of the overpayment.

22 (b) (1) After notification by a county of an overpayment to a
23 foster family home, an approved home of a relative, including the
24 home of a Kin-GAP guardian, or a nonrelative extended family
25 member, approved home of a nonrelative legal guardian, *a resource*
26 *family*, or the supervised independent living setting where the
27 nonminor dependent resides, and a demand letter for repayment,
28 the foster parent, approved relative, approved nonrelative legal
29 guardian, *resource family*, or nonminor dependent may request
30 the county welfare department to review the overpayment
31 determination in an informal hearing, or may file with the
32 department a request for a hearing to appeal the overpayment
33 determination. Requesting an informal hearing shall not preclude
34 a payee from seeking a formal hearing at a later date. The county
35 welfare department shall dismiss the overpayment repayment
36 request if it determines the action to be incorrect through an initial
37 review prior to a state hearing, or through a review in an informal
38 hearing held at the request of the foster parent, relative, nonrelative
39 legal guardian, or nonminor dependent.

1 (2) If an informal hearing does not result in the dismissal of the
2 overpayment, or a formal appeal hearing is not requested, or on
3 the 30th day following a formal appeal hearing decision, whichever
4 is later, the foster family provider overpayment shall be sustained
5 for collection purposes.

6 (3) The department shall adopt regulations that ensure that the
7 best interests of the child or nonminor dependent shall be the
8 primary concern of the county welfare director in any repayment
9 agreement.

10 (c) (1) The department shall develop regulations for recovery
11 of overpayments made to any foster family home, approved home
12 of a relative, including the home of a Kin-GAP guardian, approved
13 home of a nonrelative legal guardian, *resource family*, or
14 supervised independent living setting where a nonminor dependent
15 resides. The regulations shall prioritize collection methods, that
16 shall include voluntary repayment agreement procedures and
17 involuntary overpayment collection procedures. These procedures
18 shall take into account the amount of the overpayment and a
19 minimum required payment amount.

20 (2) A county shall not collect an overpayment through the use
21 of an involuntary payment agreement unless a foster family home,
22 an approved home of a relative, including the home of a Kin-GAP
23 guardian, approved home of a nonrelative legal guardian, *resource*
24 *family*, or supervised independent living setting where a nonminor
25 dependent resides has rejected the offer of a voluntary overpayment
26 agreement, or has failed to comply with the terms of the voluntary
27 overpayment agreement.

28 (3) A county shall not be permitted to collect an overpayment
29 through the offset of payments due to a foster family home, an
30 approved home of a relative, including the home of a Kin-GAP
31 guardian, approved home of a nonrelative legal guardian ~~guardian~~,
32 *resource family*, or supervised independent living setting where a
33 nonminor dependent resides, unless this method of repayment is
34 requested by the provider or nonminor dependent in a voluntary
35 repayment agreement, or other circumstances defined by the
36 department by regulation.

37 (d) If a provider or nonminor dependent is successful in its
38 appeal of a collected overpayment, it shall be repaid the collected
39 overpayment plus simple interest based on the Surplus Money
40 Investment Fund.

1 (e) A county may not collect interest on the repayment of an
2 overpayment.

3 (f) There shall be a one-year statute of limitations from the date
4 upon which the county determined that there was an overpayment.

5 *SEC. 59. Section 11466.25 of the Welfare and Institutions Code*
6 *is amended to read:*

7 11466.25. Interest begins to accrue on a provider overpayment
8 or penalty on the date of the issuance of the ~~penalty or penalty, the~~ *date of issuance of the final audit report, or the date the final audit*
9 ~~report is sustained;~~ *report is sustained;* the date of the issuance of a management
10 decision letter in accordance with Section 11466.21, or the date
11 that a provider self-reports an overpayment.
12

13 *SEC. 60. Section 11466.31 of the Welfare and Institutions Code*
14 *is amended to read:*

15 11466.31. (a) When it has been determined that a provider
16 participating in the AFDC-FC program owes an overpayment that
17 is due and payable, the department may implement involuntary
18 offset collection procedures to collect sustained overpayments
19 from a provider if the provider does not enter into a voluntary
20 repayment agreement with the department or the provider has three
21 outstanding payments on a voluntary repayment agreement before
22 the overpayment is repaid.

23 (b) The minimum monthly overpayment offset amount from
24 monthly rate reimbursements shall be determined using the
25 involuntary collection procedures developed pursuant to paragraph
26 (4) of subdivision (d) of Section ~~11466.2~~ *11466.22*. Overpayments
27 shall be offset against current monthly rate reimbursement
28 payments due and payable to a provider under this chapter.

29 (c) Failure to repay an overpayment shall be grounds for
30 termination of the provider's rate and shall result in a referral to
31 the department's Community Care Licensing Division for license
32 revocation.

33 *SEC. 61. Section 11466.32 of the Welfare and Institutions Code*
34 *is amended to read:*

35 11466.32. (a) If a provider that owes a sustained overpayment
36 pursuant to paragraph (2) of subdivision (d) of Section ~~11466.2~~
37 *11466.22* does not enter into a voluntary repayment agreement
38 with the department, or the provider has three outstanding payments
39 on a voluntary repayment agreement before the overpayment is
40 repaid, in addition to the monthly overpayment offset amount, 50

1 percent of any increases resulting from California Necessities
2 Index (CNI) adjustments and provider's rate adjustments to the
3 standard rate that are due to a provider shall be withheld until the
4 sustained overpayment amount is collected. Once the overpayment
5 amount is collected, the provider shall begin to prospectively
6 receive the full amount of any California Necessities Index and
7 rate adjustment to which it is entitled.

8 (b) Any provider subject to involuntary repayment of a sustained
9 overpayment pursuant to Section 11466.31 shall be ineligible to
10 receive any rate increase or program change or expansion, until
11 the repayment is completed or until the host county or the primary
12 placement county provide the department with a request for waiver
13 of this paragraph.

15 *SEC. 62.* Section 11469 of the Welfare and Institutions Code
16 is amended to read:

17 11469. (a) The department shall develop, following
18 consultation with group home providers, the County Welfare
19 Directors Association of California, the Chief Probation Officers

23 determining the effectiveness of the care and supervision, as
24 defined in subdivision (b) of Section 11460, provided by group
25 homes under the AFDC-FC program pursuant to Sections 11460
26 and 11462. These standards shall be designed to measure group
27 home program performance for the client group that the group
28 home program is designed to serve.

29 (1) The performance standards and outcome measures shall be
30 designed to measure the performance of group home programs in
31 areas over which the programs have some degree of influence, and
32 in other areas of measurable program performance that the
33 department can demonstrate are areas over which group home
34 programs have meaningful managerial or administrative influence.

35 (2) These standards and outcome measures shall include, but
36 are not limited to, the effectiveness of services provided by each
37 group home program, and the extent to which the services provided
38 by the group home assist in obtaining the child welfare case plan
39 objectives for the child.

1 (3) In addition, when the group home provider has identified
2 as part of its program for licensing, ratesetting, or county placement
3 purposes, or has included as a part of a child's case plan by mutual
4 agreement between the group home and the placing agency,
5 specific mental health, education, medical, and other child-related
6 services, the performance standards and outcome measures may
7 also measure the effectiveness of those services.

8 (b) Regulations regarding the implementation of the group home
9 performance standards system required by this section shall be
10 adopted no later than one year prior to implementation. The
11 regulations shall specify both the performance standards system
12 and the manner by which the AFDC-FC rate of a group home
13 program shall be adjusted if performance standards are not met.

14 (c) Except as provided in subdivision (d), effective July 1, 1995,
15 group home performance standards shall be implemented. Any

18 according to the regulations required by this section.

19 (d) A group home program shall be classified at rate
20 classification level 13 or 14 only if it has been granted an extension
21 pursuant to *subdivision (d) of Section 11462.04* and all of the
22 following are met:

23 (1) The program generates the requisite number of points for
24 rate classification level 13 or 14.

25 (2) The program only accepts children with special treatment
26 needs as determined through the assessment process pursuant to
27 paragraph (2) of subdivision (a) of Section 11462.01.

28 (3) The program meets the performance standards designed
29 pursuant to this section.

30 (e) Notwithstanding subdivision (c), the group home program
31 performance standards system shall not be implemented prior to
32 the implementation of the AFDC-FC performance standards
33 system.

34 (f) On or before January 1, 2016, the department shall develop,
35 following consultation with the County Welfare Directors
36 Association of California, the Chief Probation Officers of
37 California, the County Behavioral Health Directors Association
38 of California, research entities, foster children, advocates for foster

2 require group homes to implement programs and services to
3 minimize law enforcement contacts and delinquency petition filings
4 arising from incidents of allegedly unlawful behavior by minors
5 occurring in group homes or under the supervision of group home
6 staff, including individualized behavior management programs,
7 emergency intervention plans, and conflict resolution processes.

8 (g) On or before January 1, 2017, the department shall develop,
9 following consultation with the County Welfare Directors
10 Association of California, the Chief Probation Officers of
11 California, the County Behavioral Health Directors Association
12 of California, the Medical Board of California, research entities,
13 foster children advocates for foster children, foster care provider
14 business entities organized and operated on a nonprofit basis,
15 Indian tribes, and other stakeholders, additional performance
16 standards and outcome measures that require group homes and
17 short-term residential treatment centers to implement alternative
18 programs and services, including individualized behavior
19 management programs, emergency intervention plans, and conflict
20 resolution processes.

21 (h) Performance standards and outcome measures developed
22 pursuant to this section shall apply to short-term residential

31 Penal Code, through the California Law Enforcement
32 Telecommunications System pursuant to subdivision (d) of Section

1 (e) Nothing in this section shall preclude a nonminor petitioning
2 to reenter foster care or a relative or other person living in a
3 relative's home from refuting any of the information obtained by
4 law enforcement if the individual believes the state- or federal-level
5 criminal records check revealed erroneous information.

6 (f) (1) A state or county welfare agency may submit to the
7 Department of Justice fingerprint images and related information
8 required by the Department of Justice of parents or legal guardians
9 when determining their suitability for reunification with a
10 dependent child subject to the jurisdiction of the juvenile court,

12 content of a record of state or federal convictions and state or
13 federal arrests, as well as information as to the existence and
14 content of a record of state or federal arrests for which the

18 subdivision, only the parent's or legal guardian's criminal history
19 for the time period following the removal of the child from the
20 parent or legal guardian shall be considered.

21 (2) A county welfare agency or county probation office may

SUMMARY: Adopts changes to further facilitate implementation of Continuum of Care Reform (CCR) recommendations to better serve children and youth in California's child welfare services system. Specifically, **this bill:**

- 1) Adopts changes regarding accreditation and licensure of Foster Family Agencies (FFAs) and Short-Term Residential Treatment Centers (STRTCs) in order to allow sufficient time for accreditation, as specified.
- 2) Adopts changes regarding Resource Family Approval (RFA):
 - a) Provides for the Department of Social Services (DSS) licensure and oversight of resource families, as specified.
 - b) Requires, on and after January 1, 2017, a county to approve resource families in lieu of licensing foster family homes (FFHs) and approving relative and nonrelative extended family members and further requires the existing licensure or approval and oversight processes to continue to be administered for FFHs and relatives or nonrelative extended family members licensed or approved prior to January 1, 2017, until the license or approval is revoked or forfeited, as specified.
 - c) Provides for FFA RFA application and approval/denial processes, as specified.
 - d) Defines "Resource Family Approval" to mean that the applicant or resource family successfully meets the home environment assessment and permanency assessment standards and states that such approval is in lieu of a certification of approval issued by a licensed FFA, as specified.
 - e) Establishes that the DSS is responsible for requiring FFAs to monitor resource families, as specified, and further provides for specified responsibilities of FFAs regarding resource families.

- f) Requires all certified family home and foster family home applications received prior to January 1, 2017, to be processed and applicable certification and oversight processes to continue for foster homes certified by an FFA or licensed prior to January 1, 2017, until the certification, licensure, or approval is revoked or forfeited, as specified.
 - g) Stipulates that approved relatives and nonrelative extended family members, licensed FFHs, or approved adoptive homes that have completed the license or approval process prior to statewide implementation of the RFA program shall not be considered part of the program and further requires the otherwise applicable assessment and oversight processes to continue to be administered for families and facilities not included in the program.
 - h) Prohibits a county, upon implementation of the RFA program, from accepting new applications for the licensure of FFHs, the approval of relative and nonrelative extended family members, or the approval of prospective guardians and adoptive homes.
 - i) Authorizes DSS to waive regulations that pose a barrier to the early implementation and operation of the RFA program, as specified.
 - j) States that there is not fundamental right to approval as a resource family, and that approval as a resource family does not guarantee an initial, continued, or adoptive placement of a child or the establishment of legal guardianship of a child with a resource family.
 - k) Requires a county to conduct an unannounced inspection of a resource family home during the annual update, as specified, and to inspect resource family homes as often as necessary to ensure the quality of care provided.
 - l) Specifies that, in addition to other placements, children with varying designations and needs, developmental disabilities, mental disorders, or physical disabilities may be placed with a resource family, as specified.
 - m) States Legislative intent that public and private efforts to recruit foster parents not be competitive and that the total number of foster parents be increased.
 - n) Provides for consistency and parity for all resource families with basic rates to be developed by DSS and requires the basic rate for resource families to be annually adjusted by the change in the California Necessities Index (CNI), as specified.
- 3) Adopts additional changes:
- a) Requires private Short-Term Residential Treatment Centers (STRTCs) to be organized and operated on a nonprofit basis and further, includes STRTCs in existing statute pertaining to the monitoring and oversight of the use of psychotropic medications in group homes.
 - b) Requires an out-of-state group home to have a current license, or equivalent approval, in good standing issued by the appropriate authority(s) in the state in which it is operating in order to receive certification from DSS and further, clarifies that out-of-state group homes, as with in-state group homes, may be granted an extension, as specified.

- c) Includes in the definition of "mandated reporter" an individual certified by a licensed FFA as a certified family home and an individual approved as a resource family, as specified.
- d) Provides for the establishment of interim, provisional, and probationary rates for STRTCs and FFAs, as specified.
- e) Specifies that, for youth 13 years old or older, approval of placement in an STRTC by the chief probation officer, as specified, shall take place only if the placement is longer than 12 months.
- f) Adopts clarifying changes regarding criminal record exemptions and due process rights, as specified.
- g) Extends by one year, to January 1, 2019, the amount of time that community treatment facility programs granted an extension have to acquire nationally recognized accreditation, as specified.
- h) Extends by one year, to January 1, 2019, the time until current FFA rate-setting system is repealed, as specified.
- i) Makes additional technical amendments, including changes to conform to state and federal law.

EXISTING LAW:

- 1) States that the purpose of foster care law is to provide maximum safety and protection for children who are being physically, sexually or emotionally abused, neglected, or exploited and to ensure the safety, protection, and physical and emotional well-being of children at risk of such harm. (WIC 300.2)
- 2) Requires placement of a child in foster care to be based upon selection of a safe setting that is the least restrictive family setting that promotes normal childhood experiences and the most appropriate setting that meets the child's individual needs and is available, in close proximity to the parent's home, the child's school, and best suited to meet the child's special needs and best interests. Further requires the selection of placement to consider, in order of priority, placement with relatives, nonrelated extended family members, and tribal members; foster family homes, resource families, and nontreatment certified homes of foster family agencies; followed by treatment and intensive certified homes of foster family agencies; or multidimensional treatment foster care homes or therapeutic foster care homes; group care placements in the order of short-term residential treatment centers, group homes, community treatment facilities, and out-of-state residential treatment, as specified. (WIC 16501.1(d)(1))

FISCAL EFFECT: According to the Assembly Appropriations Committee, the Governor's 2016-17 Budget (including May Revision) includes \$182 million (\$127 million General Fund) to continue to implement Continuum of Care Reform (CCR) contained in AB 403 (Stone), Chapter 773, Statutes of 2015, including all of the provisions of this bill.

COMMENTS:

Continuum of Care Reform: The Legislature has worked and continues to work with various entities in and around the Child Welfare Services (CWS) system to focus on family reunification and permanency by seeking ways to best address the needs of foster youth through less restrictive, more supportive placements and services. SB 1013 (Senate Budget and Fiscal Review) Chapter 35, Statutes of 2012, realigned CWS to counties, established a moratorium on the licensing of new group homes, and required DSS to convene a stakeholder workgroup. This workgroup was charged with examining the use of group homes in California and providing recommendations to the Legislature and the Governor on how to reform this use. In January 2015, DSS submitted the CCR workgroup report to the Legislature, which included general and fiscal recommendations, alongside recommendations on home-based family care, residential treatment, and performance measures and outcomes.

AB 403: AB 403 (Stone), Chapter 773, Statutes of 2015, adopted myriad changes aimed at implementing a number of recommendations from the DSS CCR report. These included establishing a sunset for existing licensure, rate-setting and other provisions for group homes and FFAs and establishing interim provisions. AB 403 provided for licensure of STRTCs and FFAs and requires DSS to develop a new payment structure for both.

Need for this bill: According to the author, "[This bill] builds upon comprehensive 2015 legislation that advances California's long-standing goal to move away from the use of long-term group home care by increasing youth placement in family settings and by transforming existing group home care into places where youth who are not ready to live with families can receive short term, intensive treatment. Ultimately, when children enter foster care, they need a safe, comfortable, and supportive place to stay, whether that is with a relative, a foster family, or in a short-term center. Recent changes to the law have been designed to provide options along the continuum of care spectrum to meet these needs. The technical and policy updates in this measure follow up on the new law to provide youth with the support they need in foster care to return to their families or to find a permanent home if returning to their families is not an option."

PRIOR LEGISLATION:

AB 403 (Stone), Chapter 773, Statutes of 2015, implemented Continuum of Care Reform (CCR) recommendations to better serve children and youth in California's child welfare services system.

SB 1013 (Senate Budget and Fiscal Review) Chapter 35, Statutes of 2012, realigned the child welfare services system to counties, established a moratorium on the licensing of new group homes, and required DSS to convene a workgroup to discuss and recommend changes to the continuum of care within child welfare services and how to reform the use of congregate care.

SENATE BILL

No. 586

Introduced by Senator Hernandez

(Coauthors: Assembly Members Alejo, Bonta, and Chávez)

February 26, 2015

An act to amend Section 14094.3 of, and to add ~~Section 14094.4 to,~~ Article 2.985 (commencing with Section 14094.4) to Chapter 7 of Part 3 of Division 9 of, the Welfare and Institutions Code, relating to children's services.

LEGISLATIVE COUNSEL'S DIGEST

SB 586, as amended, Hernandez. Children's services.

The California Children's Services ~~Program (CCS program)~~ (CCS) program is a statewide program providing medically necessary services required by physically handicapped children whose parents are unable to pay for those services. The State Department of Health Care Services administers the CCS program. Counties, based on population size, are also charged with administering the program, either independently or jointly with the department. The services covered by the CCS program include expert diagnosis, medical treatment, surgical treatment, hospital care, physical therapy, occupational therapy, special treatment, materials, and the supply of appliances and their upkeep, maintenance, and transportation. Funding for the program comes from county, state, and federal sources. In order to be eligible for the CCS program, an applicant must be under 21 years of age, have or be suspected of having a

condition covered by the program, and meet certain financial eligibility standards established by the department.

Existing law prohibits services covered by the ~~California Children's Services~~ *CCS* program (~~CCS~~) from being incorporated into a Medi-Cal managed care contract entered into after August 1, 1994, until January 1, 2017, except with respect to contracts entered into for county organized health systems or Regional Health Authority in specified counties.

This bill would exempt contracts entered into under the Whole Child Model program, described below, from that prohibition and would extend to January 1, 2025, and until the evaluation required under the Whole Child Model program has been completed, the termination of the prohibition against CCS covered services being incorporated in a Medi-Cal managed care contract entered into after August 1, 1994.

The bill would authorize the department, no sooner than July 1, 2017, to establish a Whole Child Model program, under which managed care plans under county organized health systems or Regional Health Authority that elect, and are selected, to participate would provide CCS services under a capitated payment model to Medi-Cal and ~~S-CHIP~~ *State Children's Health Insurance Program (S-CHIP)* eligible CCS children and youth. The bill would limit the number of managed care plans under a county organized health system or Regional Health Authority that are eligible to participate in the program. The bill would require the department to establish an application process and would require a managed care plan to provide the department with a written application of interest that contains specified information, including evidence that the managed care plan received written support from specified individuals and entities, including CCS providers, as defined, that serve a preponderance of CCS children and youth in the county. The bill would prohibit the department from approving the application of a managed care plan until the Director of Health Care Services has verified the readiness of the managed care plan to address the unique needs of CCS-eligible beneficiaries, including, among other things, that the managed care contractor demonstrates the availability of an appropriate provider network to serve the needs of children and youth with CCS conditions and complies with all CCS program guidelines.

The bill would prohibit the department from implementing the program in any county until it has developed and implemented specific CCS monitoring and oversight standards for managed care plans. The bill would require the department to establish a statewide Whole Child

Model stakeholder advisory group comprised of specified stakeholders, including representatives from health plans and family resource centers, and would require the department to consult with the Whole Child Model stakeholder advisory group on the implementation of the program, as specified. The bill would require the department to contract with an independent entity to conduct an evaluation to assess health plan performance and the outcomes and the experience of CCS-eligible children and youth participating in the program, and would require the department to provide a report on the results of this evaluation to the Legislature no later than January 1, 2023. *This bill would provide that its provisions are not intended to permit any reduction in benefits or eligibility levels under the existing CCS program.* The bill would require the department, by July 1, 2018, to adopt regulations and, commencing July 1, 2017, would require the department to provide a status report to the Legislature until regulations have been adopted. *The bill would authorize the Director of Health Care Services to enter into exclusive or nonexclusive contracts on a bid, nonbid, or negotiated basis and amend existing managed care contracts to provide or arrange for services provided under the bill.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares all of the
- 2 following:
- 3 (a) The California Children's Services (CCS) program is the
- 4 nation's oldest Title V Maternal and Child Health Services Block
- 5 Grant program.
- 6 (b) The CCS program has provided critical access to specialized
- 7 medical care for California's most complex and fragile pediatric
- 8 patients since 1927.
- 9 (c) The strong standards and credentialing created under the
- 10 CCS program ensure that eligible children obtain care from
- 11 experienced providers with appropriate pediatric-specific expertise.
- 12 (d) CCS providers form a regional backbone for all specialty
- 13 pediatric care in California, benefiting children of every income
- 14 level and insurance status.

1 (e) Over the past 20 years, coordinated and integrated health
2 care delivery models have been shown to improve delivery of
3 health care, reduce costs, and improve outcomes.

4 (f) As California expanded the reach of integrated delivery
5 systems in Medi-Cal, CCS services were often excluded from
6 managed care arrangements in recognition of the specialty nature
7 of CCS services and the complicated health status of enrolled
8 children.

9 (g) Accordingly, it is the intent of the Legislature to modernize
10 the CCS program, through development of specialized integrated
11 delivery systems focused on the unique needs of CCS-eligible
12 children, to accomplish the following:

13 (1) Improve coordination and integration of services to meet
14 the needs of the whole child, not just address the CCS-eligible
15 condition.

16 (2) Retain CCS program standards to maintain access to
17 high-quality specialty care for eligible children.

18 (3) Support active participation by parents and families, who
19 are frequently the primary caregivers for CCS-eligible children.

20 (4) Establish specialized programs to manage and coordinate
21 the care of CCS-enrolled children.

22 (5) Ensure that children with CCS-eligible conditions receive
23 care in the most appropriate, least restrictive setting.

24 (6) Maintain existing patient-provider relationships, whenever
25 possible.

26 (h) It is further the intent of the Legislature to protect the unique
27 access to pediatric specialty services provided by CCS while
28 promoting modern organized delivery systems to meet the medical
29 care needs of eligible children.

30 SEC. 2. Section 14094.3 of the Welfare and Institutions Code
31 is amended to read:

32 14094.3. (a) Notwithstanding this article or Section 14093.05

27 certain subpopulations, and the employment of different payment

29 program-approved providers shall be given preference. All pilot
30 projects shall utilize CCS program-approved standards and
31 providers pursuant to Section 14094.1.

35 funding source.

36 (e) Nothing in this section shall be construed to exclude or

40 unrelated to the treatment of the CCS-eligible condition.

28 under the CCS program.

29 14094.20. (a) Notwithstanding Chapter 3.5 (commencing with
30 Section 11340) of Part 1 of Division 3 of Title 2 of the Government
31 Code, the department, without taking regulatory action, shall
32 implement, interpret, or make specific this article, Article 2.97
33 (commencing with Section 14093), Article 2.98 (commencing with
34 Section 14094), and any applicable federal waivers and state plan
35 amendments by means of all-county letters, plan letters, CCS
36 numbered letters, plan or provider bulletins, or similar instructions
37 until the time regulations are adopted. By July 1, 2019, the
38 department shall adopt regulations in accordance with the
39 requirements of Chapter 3.5 (commencing with Section 11340) of

9 pursuant to this section shall be exempt from the provisions of
10 Chapter 2 (commencing with Section 10290) of Part 2 of Division
11 2 of the Public Contract Code and Chapter 6 (commencing with

SUBJECT: Children's services

DIGEST: This bill requires the Department of Health Care Services (DHCS) to enter into contracts with one or more Kids Integrated Delivery System (KIDS) network authorized by this bill to provide the full range of California Children's Services Program (CCS) and Medi-Cal services to children eligible for the CCS and Medi-Cal. This bill allows an individual on Medi-Cal who is up to 26 years of age who was previously treated for a CCS-eligible condition in the twelve months prior to his or her 21st birthday to remain in a KIDS network that accepts individuals up to age 26 under its contract with DHCS. This bill makes permanent, the CCS "carve out" of CCS services from Medi-Cal managed care, except for existing counties and for the newly created KIDS established by this bill.

ANALYSIS:

Existing law:

- 1) Establishes the Medi-Cal Program, administered by DHCS, which provides comprehensive health benefits to low-income children up to 266 percent of the federal poverty level (FPL), parents and adults up to 138 percent

of the FPL, pregnant women, and elderly, blind or disabled persons, who meet specified eligibility criteria.

- 2) Establishes the CCS Program to provide specified medical care and therapy services to children with eligible conditions.
- 3) Authorizes the state to contract for comprehensive managed health care services for Medi-Cal beneficiaries, and to require mandatory enrollment of Medi-Cal beneficiaries in specified eligibility categories into managed care plans.
- 4) Prohibits CCS covered services from being be incorporated into any Medi-Cal managed care contract entered into after August 1, 1994 until January 1, 2016, except for contracts entered into for county organized health systems or Regional Health Authority in the Counties of San Mateo, Santa Barbara, Solano, Yolo, Marin, and Napa. This is known as the CCS “carve out.”
- 5) Requires the Director of DHCS to establish, by January 1, 2012, organized health care delivery models for CCS-eligible children. Requires these models to be chosen from the following:
 - a) An enhanced primary care case management program;
 - b) A provider-based accountable care organization;
 - c) A specialty health care plan; or,
 - d) A Medi-Cal managed care plan that includes payment and coverage for CCS-eligible conditions.

This bill:

- 1) Permanently extends the CCS “carve out” from Medi-Cal managed care except for either or both of the following:
 - a) Contracts entered into for county organized health systems or Regional Health Authority in San Mateo, Santa Barbara, Solano, Yolo, Marin, and Napa counties; or,
 - b) Contracts entered into under this bill establishing a KIDS.
- 2) Requires, no later than January 1, 2018, in counties or regions where there is no CCS demonstration project, DHCS to select and enter into contracts with one or more KIDS networks, to provide comprehensive health care services to eligible children.

- 3) Defines a “KIDS” as a network approved by DHCS to coordinate and manage the provision of Medi-Cal and CCS services for eligible children, on a county or regional basis, consistent with managed care principles, techniques, and practices, to ensure access to cost-effective, quality care for enrolled children.
- 4) Defines an “eligible child” for the purposes of KIDS to mean either of the following:
 - a) A minor child under 21 years of age, who is eligible for both Medi-Cal and CCS, except for those children eligible under CCS for neonatal intensive care services; and,
 - b) An individual up to 26 years of age, if the individual was previously treated for a CCS-eligible condition in the twelve months prior to his or her 21st birthday, is eligible for full-scope Medi-Cal services, and voluntarily chooses to remain in a KIDS network that accepts individuals up to age 26 under its contract with DHCS.
- 5) Requires a KIDS network to contract with DHCS to coordinate, integrate, and provide or arrange for the full range of Medi-Cal and CCS services to eligible children enrolled in the KIDS network.
- 6) Requires a KIDS network contract to exclude, at a minimum, specialty mental health services provided by county mental health plans and neonatal intensive care (NICU) services. Permits a KIDS contract to exclude other Medi-Cal services, as determined by DHCS, including, but not limited to, long-term care, transplantation, and dental services.
- 7) Permits benefits of the CCS Medical Therapy Program to be provided or coordinated by a KIDS network, in collaboration and consultation with the designated county CCS agency or agencies in the KIDS network service area.
- 8) Requires a KIDS network to:
 - a) Provide services to enrollees through a team-based, patient-centered health home model, ensure that enrolled children receive services in the most appropriate and least restrictive setting, and adopt effective strategies to manage and coordinate care and services for enrolled children;

- b) Report and comply with quality measures, including, but not limited to, Medi-Cal Healthcare Effectiveness Data and Information Set (HEDIS) measures appropriate for enrolled children, the national Pediatric Quality Measurement System for children's hospitals, and other quality measures developed by DHCS in consultation with stakeholders;
 - c) Participate in a nationally recognized pediatric patient safety organization; and,
 - d) Establish and maintain a family advisory council composed of families of eligible children and convene the advisory council at least quarterly.
- 9) Requires a KIDS network to meet specified criteria, including an entity that demonstrates experience in effectively serving eligible children and providing services in compliance with CCS program standards and requirements, that includes in the plan a sufficient number of CCS-paneled providers to ensure continuity of care and timely access to quality services, that develops the KIDS network through a local collaborative stakeholder process, that incorporates specific strategies to actively engage families as partners in decisions affecting the health care and well-being of children enrolled in the KIDS network, and that is anchored by a hospital that is designated as a CCS tertiary hospital or by a CCS provider in partnership with a CCS tertiary hospital.
- 10) Permits contracts with KIDS networks to include opportunities to share in the risk of providing services to KIDS enrollees under an agreement between DHCS and the KIDS network. Requires any shared savings that result from these arrangements to be reinvested in services provided to children enrolled in the KIDS network.
- 11) Prohibits DHCS from entering into risk-sharing arrangements with a KIDS network for specific covered services unless the KIDS network is responsible for the management and authorization of those services.
- 12) Requires payments to a KIDS network that agrees to accept risk-sharing to be actuarially sound.
- 13) Requires eligibility for enrollment in a KIDS network to be determined in accordance with all of the following:

- a) Requires children to be deemed eligible for enrollment in a KIDS network based on eligibility for the CCS program, except a child receiving NICU services is eligible for enrollment until the child is discharged from the NICU and meets other requirements; and,
 - b) Requires eligible children to be enrolled on a mandatory basis, to the extent that DHCS obtains federal approval to require eligible children to enroll in an available KIDS network in order to receive Medi-Cal and CCS services.
- 14) Requires enrollment in a KIDS network to be, at a minimum, for the period of a child's CCS eligibility plus an additional six months, provided that the child remains eligible for Medi-Cal.
- 15) Allows KIDS network enrollees who continue to remain eligible for Medi-Cal to remain in the KIDS network for up to 12 months following the termination of CCS eligibility if the KIDS program and the parent, guardian or person responsible for care of the child agree that it is in the best interests of the child.
- 16) Requires DHCS, subject to necessary federal approvals, if a KIDS network becomes newly available in a service area, to determine, in consultation with counties, KIDS networks, local KIDS family advisory councils, and existing Medi-Cal managed care plans in the service area, the timing and process for enrollment in KIDS networks to ensure a smooth transition for eligible children.
- 17) Permits the parent, guardian, or person responsible for the care of the eligible child to select the KIDS network in which the child will be enrolled if there is more than one KIDS network in the county or region in which the child lives. Requires the child to be assigned to a KIDS network in a manner that ensures the least disruption in existing patient-provider relationships if the family does not select a KIDS network.
- 18) Requires, upon enrollment of an eligible child in a KIDS network, the parent, guardian, or person responsible for the care of the child to be informed that the child may choose to continue an established patient-provider relationship if his or her treating provider is a primary care provider or clinic contracting with the KIDS, has the available capacity, and agrees to continue to treat that eligible child. Requires KIDS networks to comply with a continuity of care requirement applicable to health networks.

- 19) Requires, within 30 days of notice that a child is no longer eligible for a KIDS network, a child who continues to be eligible for Medi-Cal to be enrolled in the Medi-Cal delivery system in the county in which he or she resides. Requires DHCS to ensure that families receive information about the Medi-Cal delivery systems available in their county and the process for enrolling in and selecting among the available options.
- 20) Requires children, when they are disenrolling from a KIDS network because they are no longer eligible, to be enrolled in Medi-Cal delivery systems as follows:
 - a) Requires the child to be enrolled in the Medi-Cal managed care plan if there is a Medi-Cal managed care plan in the county of the child's residence;
 - b) Requires, if the family does not choose a plan for the child within 30 days of notice of disenrollment from the KIDS in counties where there is more than one Medi-Cal managed care plan, the child to be enrolled into the Medi-Cal managed care health plan that contains his or her primary care provider. Requires the child to be assigned to one of the health plans containing his or her primary care provider in accordance with the assignment process applicable in the county if the primary care provider participates in more than one managed care health plan in the county; and,
 - c) Requires, in a county that is not a managed care county, children no longer eligible for KIDS to be provided services under the Medi-Cal fee-for-service (FFS) delivery system.
- 21) Requires DHCS to instruct KIDS networks, counties, and managed care plans, by means of all-county and all-plan letters or similar instruction, as to the processes to be used to enroll and disenroll children in KIDS networks and to re-enroll eligible children in local Medi-Cal coverage options, to ensure each child experiences a smooth transition among coverage types with no gap in coverage or care.
- 22) Requires that a child who is enrolled in a KIDS network to retain all rights to CCS program appeals and fair hearings of denials of medical eligibility or of service authorizations.
- 23) Requires DHCS to seek all necessary federal approvals to ensure federal financial participation in expenditures under this section. Prohibits the KIDS provisions of this bill from being implemented until necessary federal approvals have been obtained.

- 24) Permits DHCS to seek federal approval to require all eligible children to enroll in an available KIDS network during the length of their eligibility for CCS plus an additional six months. Permits a child to voluntarily remain in the KIDS for up to 12 months following termination of CCS eligibility if the child remains Medi-Cal-eligible.
- 25) Makes legislative findings and declarations regarding CCS, and states legislative intent to modernize the CCS program through development of specialized integrated delivery systems focused on the unique needs of CCS-eligible children, and to protect the unique access to pediatric specialty services provided by CCS while promoting modern organized delivery systems to meet the medical care needs of eligible children.

Comments

- 1) *Author's statement.* According to the author, this bill authorizes the creation of KIDS to improve and modernize the CCS program. CCS provides diagnosis, treatment, and case management to approximately 180,000 medically fragile children under the age of 21 with complex medical needs who meet certain eligibility criteria. CCS has been carved out of Medi-Cal managed care since 1993 because the Legislature recognized this population required a unique approach. In the twenty-three years since that time, the carve-out has been extended numerous times, and the state has engaged in periodic, unsuccessful, efforts to modernize the program. December 31, 2015 marks the end of the current carve-out and the Administration has clearly signaled that they will support an extension of the carve-out only if it is accompanied by a plan for a more organized delivery system. This bill provides that system. This bill extends the carve-out, preserves the CCS standards of care, and creates networks responsible for providing or coordinating all medical care services to CCS children through a patient-centered medical home, thus improving coordination between primary and specialty care services for beneficiaries. Additionally, the bill requires CCS providers to work collaboratively with each other and families, in order to ensure CCS children continue to receive access to the highest quality care.
- 2) *CCS.* The CCS program provides diagnostic and treatment services, medical case management, and physical and occupational therapy health care services to children under 21 years of age with CCS-eligible conditions (e.g., severe genetic diseases, chronic medical conditions, infectious diseases producing

major sequelae, and traumatic injuries) from families unable to afford catastrophic health care costs. A child eligible for CCS must be a resident of California, have a CCS-eligible condition, and be in a family with an adjusted gross income of \$40,000 or less in the most recent tax year. Children in families with higher incomes may still be eligible for CCS if the estimated cost of care to the family in one year is expected to exceed 20 percent of the family's adjusted gross income. As of January, 2010, there were 178,530 children enrolled in CCS. According to DHCS, 90 percent of CCS enrollees are also eligible for Medi-Cal and 10 percent were CCS-only or were covered by other insurance.

- 3) *Medi-Cal Managed Care and the CCS carve-out.* Most Medi-Cal beneficiaries, including children, are required to enroll in Medi-Cal managed care plans. However, for children who are enrolled in both Medi-Cal and CCS, CCS services were carved out of Medi-Cal managed care pursuant to SB 1371 (Bergeson, Chapter 917, Statutes of 1994). Under the carve out, CCS-covered services for CCS-eligible children are not incorporated into Medi-Cal managed care, and are instead provided and paid for on a FFS basis through the CCS Program. The initial carve out under SB 1371 was for three years. The CCS carve out has been extended repeatedly since then, usually for three or four year periods. The first extension allowed the COHS in the counties of San Mateo, Santa Barbara, Solano, and Napa to include CCS services. Later extensions also allowed Yolo and Marin counties to include CCS services. DHCS indicates the division of payment and care between CCS and the primary Medi-Cal managed care plan has posed challenges, including delays in care for children, fragmentation and a lack of coordination, and increased cost to the state.
- 4) *Medi-Cal Waiver and CCS Pilots.* SB 208 (Steinberg, Chapter 714, Statutes of 2010), was one of two bills in 2010 implementing the 2010 Medi-Cal waiver renewal. One provision of SB 208 was a requirement that the DHCS director establish, by January 1, 2012, organized health care delivery models for CCS-eligible children, from four specified models. Five demonstration applicants (San Mateo Health Plan, Alameda County, LA Care, Children's Hospital Orange County, and Rady Children's Hospital in San Diego) were approved in 2011, but only the San Mateo Health Plan pilot has been implemented. The Rady Children's Hospital in San Diego is for a subset of CCS-eligible children with specified conditions but it has not been implemented.
- 5) *CCS Redesign Stakeholder Advisory Board.* DHCS has implemented a stakeholder process to investigate potential improvements or changes to the

CCS program in partnership with the UCLA Center for Health Policy Research. A CCS Redesign Stakeholder Advisory Board (RSAB) composed of individuals from various organizations and backgrounds with expertise in both the CCS program and care for children and youth with special health care needs, was assembled in September of 2014 to lead this process.

FISCAL EFFECT: Appropriation: No Fiscal Com.: Yes Local: No

According to the Senate Appropriations Committee:

- 1) One-time administrative costs, likely in the low millions, to design the program requirements, adopt regulations, and negotiate contracts with KIDS networks (General Fund and federal funds).
- 2) Unknown impact on overall Medi-Cal expenditures for services provided to CCS-eligible Medi-Cal beneficiaries (General Fund and federal funds). There are several factors that will impact the overall costs or savings to the state under the bill.

ARGUMENTS IN SUPPORT:

This bill is sponsored by the California Children's Hospital Association (CCHA), which argues this bill would protect CCS and create KIDS to modernize the delivery system. CCHA argues the KIDS networks will use a whole child approach to health care, improving coordination between primary and specialty care services while retaining the high quality health care available through CCS because the CCS program will only remain statutorily carved out of Medi-Cal managed care until the end of 2015. CCHA argues this bill is a thoughtful, provider driven, patient-centered approach that preserves the positive aspects of the CCS program while creating a delivery system tailored to the needs of children with complex medical needs and their families. CCHA states KIDS networks would be responsible for providing primary and specialty medical care services to enrolled children through a team-based, patient-centered health home model in the least restrictive, most appropriate setting. CCHA argues this bill would ensure that CCS standards are retained to ensure pediatric expertise, preserve access to high quality providers, and ensure that families are involved in decisions around the medical care provided to their children. Under this bill, CCS providers would be required to work together in order to improve care coordination and health outcomes, and the regional system of care comprised of CCS hospitals, physicians, and special care centers benefit not only those children who receive services through CCS as these same providers form the regional backbone for all pediatric specialty care in California for children who are privately insured as well as those receiving government-subsidized care.

The California Association of Physician Groups (CAPG) writes in support that this bill is a thoughtful, provider driven, patient-centered approach that that preserves the positive aspects of the CCS program while creating a delivery system tailored to the needs of children with complex medical needs and their families. CAPG states this bill protects the unique regional CCS system of providers and standards that ensure children in CCS have access to hospitals, doctors, and special care centers with the expertise to care for them by requiring KIDS networks to provide whole child care through a team-based, patient-centered health home model in the least restrictive, most appropriate setting.

ARGUMENTS IN OPPOSITION: The American Academy of Pediatrics, California (AAPC) writes in opposition that children with CCS-eligible conditions are among the most vulnerable in the state, and the state should not decide upon a specific model for redesign of this essential system of care in advance of data currently being collected and a robust stakeholder process that is underway. AAPC argues that changing to a new model requires policies/elements that cannot be fully understood until the pilots and stakeholder process are complete and recommendations are available to those involved. The California Medical

Association, which has taken an oppose unless amended on this measure, makes similar arguments as AAPC, and indicates it would remove its opposition to this bill if it were amended to extend the current managed care carve out for an additional year while the stakeholder board completes its work and the state reports back on data from the pilot projects.

The California Association for Health Services at Home (CAHSAH) argues that it is concerned about the impact of managed care expansions on home and community-based services, especially given the problems that have already occurred with the Coordinated Care Initiative (CCI). CAHSAH argues managed care entities do not understand the home health services of this unique population, and they have experienced denials of care and delayed authorizations that were approved under Medi-Cal FFS. CAHSAH argues managed care delivery systems reimbursement rates must take into account the acuity level differences in this population, the need for a long-term guarantee of coverage to beneficiaries, timely authorizations of care, that managed care case managers understand the full nature of services available under Medi-Cal, and that the managed care delivery system address provider grievances and resolution of those grievances using the same medically necessity criteria used FFS Medi-Cal.
