DISCUSSION:

- A. Update of Regional Park System Discussion: Report of outcome of Board of Supervisors Meeting December 13,2016.
The Department of Resource Management and the Parks and Recreation Division have been directed by the Board of Supervisors in a 5-0 vote to continue efforts to create special legislation, perform education and outreach, and develop an implementation and administration plan for the development of a Dependent Parks and Open Space District. This district would begin as a dependent district and through a trigger mechanism (unidentified to date) would transition into a fully Independent district. The Board followed the staff recommendation to move forward with two tasks, the creation of a district through special legislation and the creation of a funding mechanism, both of which would need to be voted on by the public. The creation of a special district involves specifically tailoring the legislation to meet the unique requirements for a district to be successful in the County.
- B. Attendance and Revenue Report: An updated Attendance and Revenue Summary for Fiscal Year 2016-2017 is attached. As indicated by the data in the spreadsheet, as a division attendance and revenue are
- C. Resource Damage Report: The winter season has come to the County and with it episodes of high wind and heavy rain. Fortunately, the wind and rain cells staggered through the County and account for limited damage to the parks to date.
