### **Mare Island Cemetery cleanup is Volunteer Solano's first of 3 National Day of Service events**

Calling all volunteers! Everyone is invited to join Volunteer Solano as they help clean up the Mare Island Naval Cemetery on Monday, September 11, 2017 starting at 8 a.m. As the first of three National Service Day events, volunteers will focus on general maintenance efforts, including painting fences, trimming overgrown vegetation and cleaning up debris. Participating in this event is a meaningful way to give back to our communities and to connect with other Solano County volunteers as we pay tribute to the September 11, 2001 victims, their families and all those who have served our country.

Hurry, space is limited. To help us best prepare for you to join us at this National Day of Service event, please pre-register by visiting [www.SolanoVolunteers.org](http://www.SolanoVolunteers.org) and clicking the "9/11 National Day of Service / Mare Island Cemetery" icon. You can also call us at (707) 718-3912.

If you should miss this event, don't worry! This event is the first of three National Service Day events in Solano County. Two additional National Day of Service events will take place between October and December of this year, and are yet to be determined. The best way to get involved in this event, or to get notified when other volunteer opportunities become available, is to register in advance with Volunteer Solano. It's quick, it's easy, and it's free. In addition to the National Day of Service events, there are lots of opportunities for volunteers to donate their time and abilities to help improve our community. Visit [www.SolanoVolunteers.org](http://www.SolanoVolunteers.org).
