FY 2019/20 Adopted Budget

ON THE COVER: Pictured on the cover, from top to bottom:

- **California Dental Association (CDA) Cares Solano 2019:**
The CDA Foundation's volunteer dental clinic, CDA Cares, in partnership with Solano County, provided nearly \$1.3 million in charitable dental services to 1,491 people at the Solano County Fairgrounds on March 8 – 9, 2019. During the two-day event, dentists and dental professionals performed 8,955 free procedures, including fillings, extractions and cleanings. Additionally, the clinic also provided patients with valuable oral health education.
- **Solano Library Foundation's Women's History Luncheon:**
More than 250 people packed the Joseph A. Nelson Community Center in Suisun City as part of the twelfth annual Women's History Month Luncheon in March. The sold-out event honors Solano County women who make a positive difference in the community, with all proceeds supporting books about women for the Solano County Library. This year's theme was honoring visionary women – champions of peace and nonviolence. Pati Navalta, author, anti-gun violence advocate, and founder of the Robby Poblete Foundation is the 2019 Woman of the Year.
- **Youth Ag Day event at the Solano County Fairgrounds:**
More than 3,500 third graders from across Solano County visit the Solano County Fairgrounds each March for the annual Youth Ag Day event. The event, now in its seventeenth year, features a wide variety of rotational learning stations and hands-on displays, giving students the opportunity to learn about food, soil, fiber, ranching and agricultural production from new perspectives, with an emphasis on the rich agricultural history in Solano County.
- **Aerial View of the Vallejo Waterfront:**
Located at the confluence of the Napa River and San Francisco Bay, the Vallejo waterfront is a unique mixture of commercial, industrial, residential, educational and cultural scenes. Mare Island, the nation's first U.S. Navy shipyard, is home to the U.S. Region 5 Forest Service, Touro University and 5,000 acres of commercial, residential and open space. Commuters and visitors alike catch a boat at the Vallejo Ferry terminal, quickly connecting them to employment, sporting events and tourist destinations in the San Francisco Bay Area. Additionally, the U.S. Naval Shipyard museum attracts visitors from around the region to learn about Vallejo's unique maritime history and culturally significant events.

The Honorable Board of Supervisors
County of Solano
675 Texas Street
Fairfield, CA 94533

Members of the Board of Supervisors,

The Adopted Budget of Solano County for the fiscal year July 1, 2019 through June 30, 2020 is presented in this document. This budget was adopted by the Board following public hearings on June 18, 2019.

Schedule 1 includes a summary of the Adopted Budget for all fund types. This entity-wide perspective has a total financing requirement of \$1.190 billion. This total includes appropriations for expenditures (including contingencies), transfers between funds, intra-fund transactions, and increases and decreases to reserves and designations. This should not be construed to represent the total outflow of economic resources to be spent for services, which would be a lesser amount of approximately \$979 million. The difference of \$211 million represents the transfers between funds.

The Adopted Budget sets forth the operating (how to spend) and financial (how to finance) plan for the provision of services to the citizens of the County by all governmental and proprietary funds of the County, dependent special districts and other agencies whose affairs and finances are under the supervision and control of the Board of Supervisors.

The Adopted Budget was compiled in accordance with the County Budget Act (Government Codes §29000 et seq.) and presented in a format prescribed by the State Controller. This document sets forth appropriations as adopted by the Board for each departmental budget unit and fund for the fiscal year ending June 30, 2020.

The preparation of this document is the result of a concentrated, dedicated and coordinated effort by the County. I would like to acknowledge the efforts of departmental budget preparers, department heads, the County Administrator's staff and the Auditor-Controller's Financial Reporting Division. I would also like to thank the Board of Supervisors for their leadership and support.

Respectfully,

County of Solano

Budget Construction & Legal Requirements

PURPOSE

This segment of the Budget document sets forth the Government Code sections and administrative directives, as issued by the Office of the State Controller, pertaining to the form and content of the Annual County Budget. It describes the format of the Solano County Budget document and includes County ordinances and specific policies adopted relating to the County Budget.

LEGAL BASIS

The Government Code specifies the content of the Budget, budget adoption procedures and dates by which actions must be taken. (Government Code §29000-29144)

FORMS

The Budget document must be on forms prescribed by the State Controller in consultation with the Committee on County Accounting Procedures. (Government Code §29005)

PERMISSION TO DEVIATE

A county may add to the information required, or show it in more detail, providing the financial information and the classifications or items required to be included in the Budget are clearly and completely set forth. Any change proposed by a county in the arrangement of the information required on the forms shall be subject to review and approval by the State Controller.

FUNDS AND ACCOUNTS

Fund and account titles to be used by counties in the preparation of the Budget are those contained in the publication, Accounting Standards and Procedures for Counties, issued by the State Controller. Special districts required to be included in the Budget document must use fund and account titles contained in the publication, Special Districts Uniform Accounting and Reporting Procedures.

Fund Types

- General Fund - The chief operating fund of a government. The General Fund is used to account for all financial resources except those required to be accounted for in another fund.
- Special Revenue Funds - Special revenue funds are used to account for and report the proceeds of specific revenue sources restricted or committed to expenditures for specified purposes other than debt service or capital projects.
- Capital Projects Funds - These funds are used to account for and report financial resources restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets.
- Debt Service Funds - These funds are used to account for and report the financial resources restricted, committed, or assigned to expenditures for principal and interest and related administrative charges.
- Enterprise Funds - These funds are used to account for operations financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. (i.e., Airport)
- Internal Service Funds - These funds are used to account for the financing of goods or services provided by one department or agency to another department or agency of a government on a cost-reimbursement basis. (i.e., Fleet, Department of Information Technology, Risk Management)

BASIS OF ACCOUNTING/BUDGETING

The general operating group of funds (governmental fund types) are budgeted and accounted for using the modified accrual basis of accounting. Governmental fund types include General Fund, Special Revenue Funds, Debt Service Funds and Capital Projects Funds. This group of funds is summarized on Schedule 2 of the Budget document.

Internal service and enterprise funds are budgeted and accounted for using the full accrual basis of accounting.

The basis of accounting used in this budget document is required by directive of the State Controller and Governmental Generally Accepted Accounting Principles (GAAP) and prescribed by pronouncements of the Governmental Accounting Standards Board (GASB).

COUNTY STRATEGIC PLAN IMPLEMENTATION

The FY2019/20 Recommended Budget supports several of the 2007 County Strategic Plan, Goals and Initiatives. A key priority is financially supporting the Goals, Strategic Objectives and departmental activities consistent with the Plan.

Following is a description of each of the Strategic Plan's Goals:

County of Solano

Budget Construction & Legal Requirements

Goal: Improve the health and well-being of those who live and work here

The County will encourage healthy, active lifestyles by promoting change toward wellness through healthy programs, partnering with schools, hospitals and cities, early intervention with children and families, providing for access to services including health care, dental care and mental health, assisting our vulnerable including seniors, children and the disabled. As a large employer, the County will continue to model the importance of health and wellness throughout its workforce.

Goal: Ensure responsible and sustainable land use

The County, working with the cities, education, workforce training and business leaders, non-profit providers and interested citizens, encouraging environmentally friendly building and business activities that helps create a high quality of life in Solano County.

The County General Plan was updated and approved by the voters in 2008. The implementation of the various components of the General Plan is still ongoing, including working on plans for a sustainable Travis Air Force Base, a regional park district, and groundwater and water resource management.

Goal: Maintain a safe community

The County and its partners will offer services, programs and projects that move from incarceration to an integrated approach aimed at eliminating recidivism and reducing the growing need for jail beds. Programs on gang prevention, methamphetamine prevention, juvenile and adult recidivism, emphasizing education and training, positive parenting and restorative justice as parts of the integrated systems approach. Emergency preparedness will continue to play a key role in maintaining a safe community.

Goal: Invest in and for the future

Focused both internally and externally, work efforts involve customer service training and continuous quality improvement, survey and focus groups, succession planning, employee training and development, technology investment and financing of capital projects and renewal efforts to ensure access to services in the future.

BUDGET GOALS AND OBJECTIVES

The County Budget sets forth the foundation for major Board policy actions and provides a fiscal “road map” for the direction of County government to follow, now and in the future. As such, the County Budget represents the single most important document that is prepared, reviewed and approved on an annual basis. It is the document that reflects the County’s fiscal commitment to the Strategic Plan, its goals and objectives through programs and services.

The intent of the Budget document is to:

- Provide a document in a format that is user friendly and readable in order to give the public a clear understanding about County government operations and funding. The County Statistical Profile gives the reader a comprehensive profile of the County.
- Identify the strategic goals and objectives upon which budget allocations are made and to measure the progress of County departments and operations in fulfilling their departmental goals and objectives as well as the County’s overall mission.
- Provide the Board and the public with a clear understanding of revenues and appropriations in the areas of strategic importance to the County, such as Public Safety and Health and Social Services.

While many improvements have been incorporated into the process and the presentation of the Budget over the last several years, the basic principles, goals and objectives of the Board of Supervisors for Solano County have been maintained as the underlying foundation for the Budget. These include:

- The Budget must be balanced with appropriations equaling the combined total of estimated revenues, Fund Balance and/or reserves.
- Wherever possible, the Budget should be balanced with identified ongoing revenue sources equaling ongoing and reasonably expected appropriations.
- To the extent possible, one-time money should not be used to fund ongoing operations.
- Service levels should be maintained at the highest level possible, within funding constraints.

County of Solano

Budget Construction & Legal Requirements

- Contingencies and Reserves should be increased in good years to guard against future uncertainties.
- The Budget should have a goal to annually add \$2-3 million to Deferred Maintenance Capital Renewal Reserves.
- Discretionary revenues should be maximized to allow the Board options for the funding of beneficial local programs and services.
- Every effort should be made to ensure accuracy and accountability in estimating and monitoring both revenues and expenditures throughout the fiscal year.
- The Budget should, wherever possible, anticipate and make provisions for uncertain funding for County-operated programs.

In reference to the stated goals and objectives above, several policy guidelines were followed and maintained in developing this Budget:

- Revenues from Property Tax Administration Fees are recognized in the budgets of the Departments (Auditor-Controller, the Clerk of the Board, the Assessor, and the Tax Collector) actually incurring the expenditures.
- Proposition 172 funds have been allocated to maximize public safety services to the public.
- 1991 Realignment revenues have been allocated to Health and Social Services.
- 2011 Realignment revenues have been allocated to certain corrections and human services programs, in accordance with Chapter 40, Statutes of 2011 (AB 118, Committee on Budget) and Chapter 35, Statutes of 2011 (SB 89, Committee on Budget and Fiscal Review) and several 2011 trailer bills. 2011 Realignment Revenues include AB 109 funds reviewed and programmed through the Community Corrections Partnership.
- General Fund Contingencies and Reserves are increased, whenever possible, to safeguard against future uncertainties and are drawn down as directed and/or authorized by the Board when necessary. Consideration will be given during Budget Hearings to increase Committed General Fund Balances, such as the General Fund Balances for Accrued Leave Payoff, Pension 115 Trust/CalPERS Reserve, and for Deferred Maintenance/Capital Renewal, from available year-end Fund Balance whenever the Balance is in excess of the incoming fiscal year's financing needs.

BUDGET POLICIES OF THE BOARD OF SUPERVISORS

In addition to the legally required duties, there are certain actions to implement the budget process which the Board may take, including:

- Changing the arrangement of information on budget forms, upon approval of the State Controller. (Government Code §29005)
- Inclusion of other data, in addition to presenting the minimum information on available financing and financing requirements as submitted by the Departments in their estimates. (Government Code §29006)
- Selection of the method of presenting supporting data for salaries and allocated positions. (Government Code §29007)
- Designation of Auditor or Administrative Officer to receive budget requests. (Government Code §29040, 29042)
- Designation of Auditor or Administrative Officer to submit budget requests in event of non-performance by responsible official. (Government Code §29045)
- Designation of Administrative Officer to prepare recommended budget on prescribed forms. (Government Code §29061, 29062)
- Approval of new positions and capital assets prior to Budget adoption. (Government Code §29124)
- Designation of official to approve transfers and revisions of appropriations within a budget unit. (Government Code §29125)
- Approval of budgetary adjustments. (Government Code §29125, 29126, 29126.1, 29127, 29130)
- Designation of an official to whom Auditor shall submit statements showing conditions of budget appropriations and estimated available financing. (Government Code §29126.2)

ADOPTED BUDGET POLICY

The FY2019/20 Budget Hearings was held Tuesday, June 18, 2019 and continue for a period not to exceed 14 calendar days.

The Board of Supervisors (Board) has designated the County Administrator as the official responsible to carry out all County budgetary responsibilities not specifically reserved to the Board, Auditor or State Controller.

Chapter 2 of the Solano County Ordinance provides additional information on established County policies. Sections 2-40 through 2-47 specifically address the duties of the County Administrator. Section 2-45 delineates the County Administrator's role in budgetary matters. These duties include:

- Develop budget instructions and policies, revenue estimates and departmental budget targets to guide departments in budget preparations.
- Recommend to the Board an annual County operating budget based on revenue projections, budget targets and proposed work programs and projects developed by the various departments.
- Recommend to the Board a capital budget based upon long-range plans for acquiring, constructing or improving buildings, roads and other County facilities.
- Recommend to the Board the acquisition and disposition of real property, except for County roads, easements and rights-of-way, which shall be the responsibility of the Director of Resource Management.
- Establish a control system or systems to ensure the various County departments and other agencies under the jurisdiction of the Board are operating within their respective budgets.
- Recommend requests to the Board for unforeseen and unbudgeted expenditures.
- Approve fund transfers and budget revisions within appropriations.
- Recommend to the Board fund transfer requests requiring Board action under State law.
- Establish policies for acquiring additional or replacement capital assets.
- Keep the Board informed of the financial status of the County and of other matters of major significance to the County.

BUDGET AND FISCAL POLICIES FOR FY2019/20

Budget Policy

1. General Fund Emphasis: Pending the outcome of actual Year-End Fund Balance, Departments' budgets should be prepared with a goal that the FY2019/20 Net County Cost or General Fund (GF) Contribution to programs will not exceed their FY2018/19 Midyear projection and have no new programs or positions unless revenue-offset.
2. Labor Costs: The County has expiring MOU's with all labor units during Budget FY2019/20. During the year, the County will be negotiating with the labor units with the goal of reaching successor MOU's with all labor units. The County anticipates continued increases in PERS employer rate effective FY2019/20, with significant increases in the future. In this regard, Departments should continue to pursue lowering labor costs where possible, developing efficiencies in the delivery of services, searching for opportunities to automate, streamline services where feasible, share back office operations, and eliminating vacant non- "Mission Critical" positions. A "Mission Critical" position is defined as "a position that provides essential life, safety and/or public health services to the community or required to be filled by the County to avoid liability and to limit impairment or disruption to the delivery of mandated services."
3. Contributions to Outside Organizations: The Budget should not include contributions to outside organizations not controlled by the Board, such as the State Courts, unless the organization is carrying out a priority of the Board based on the community's needs.
4. Maximize the Board's Discretion: Wherever legally possible, revenues are to be treated as discretionary resources, rather than as dedicated to a particular program or service. The goal is to give the Board as much flexibility as possible in allocating resources to local priorities, including the Goals and Objectives outlined in the County Strategic Plan. To the extent allowed by law, existing programs or activities should be funded with dedicated funding sources. This will free up scarce discretionary resources to fund Board priorities.

Budget Construction & Legal Requirements

5. Pursuit of New Revenues: Pursue additional revenue sources to the fullest extent possible for all services; and, for fee-setting purposes, identify total cost (including indirect costs) to enable full recovery of all costs associated with the service provided when allowed by law and economic/market considerations.
6. Discretionary Programs: Do not recommend new discretionary programs unless the programs are stated Board priorities, are fully funded by non-General Fund sources in FY2019/20 and will continue to be in future years. Where the County has discretion, reduce the level of services or eliminate programs. Seek legislative relief or reform for programs when feasible to facilitate service outcomes over prescribed processes and procedures.
7. Pursue Operational Efficiencies: Explore reducing expenditures and maximizing revenues through automation and moving toward self-help service delivery where feasible, consolidation of functions and streamlining of County operations.
8. County Share: If funding is reduced, there should be no increased County share for programs funded primarily from non-General Fund sources, unless increased County share is mandated, or the program is a high priority for the Board of Supervisors, and the amounts are feasible in light of the County's fiscal situation.

Fund Balance Policy

On February 13, 2007, the Board adopted a policy on the General Fund Reserve. On June 14, 2011, the Board approved changes to the General Fund Reserve Policy to conform to Government Accounting Standards Board (GASB) Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. While the changes primarily affect reporting and not budgeting, changes in terminology are notable.

The General Fund Reserve and Other Designations Policy was updated and renamed Fund Balance Policy. The classifications for governmental funds of designations, reserves and unreserved/undesignated were replaced by the five categories of non-spendable, restricted, committed, assigned and unassigned.

Examples of these five categories of Fund Balance are:

- a. Non-spendable: Long-term loans
- b. Restricted: Public Facilities Fees
- c. Committed: General Fund Balance for Accrued Leave Payoff
- d. Assigned: General Fund Contribution to other funds
- e. Unassigned: Residual net Fund Balance

Key provisions of the Board's updated Fund Balance Policy include:

The General Fund General Reserve will be maintained at a target level equal to 10% of the County's total budget excluding interfund transfers, with a minimum balance of \$20 million at all times. The current reserve is \$46.8 million which is currently 53% of the target Reserve of \$87.5 million. This level will be maintained to provide the County with sufficient working capital and a comfortable margin to support one-time costs for the following purposes:

- When the County faces economic recession/depression and the County must take budget action.
- When the County is impacted by a natural disaster or any other emergency.
- When the County experiences unexpected declines in revenues and/or when unpredicted large one-time expenditures arise.

In circumstances where the General Fund General Reserve has fallen below the established level, the County shall replenish the deficiency within five fiscal years or as soon as economic conditions allow from the following revenue sources: year-end surpluses, non-recurring revenues, or if legally permissible and with a defensible rationale, from excess resources in other funds.

County of Solano

Budget Construction & Legal Requirements

Subject to the Board of Supervisors' restrictions, the following will guide how the General Fund General Reserve should be used:

1. Use the General Fund General Reserve to phase into fiscal distress periods gradually, focusing on maintaining the Board's priorities.
2. To the extent possible, use the General Fund General Reserve as the last resort to balance the County Budget.
3. To the extent possible, the spending down of the General Fund General Reserve should not exceed \$6 million a year (Board of Supervisors' policy direction on February 13, 2007).
4. The General Fund General Reserve should not be used to support recurring operating expenditures.
5. The General Fund General Reserve is subject to restrictions imposed by Government Code §29086, which limits the Board's access to the General Reserve during the annual budget process and requires 4/5 vote by the Board.

General Fund Balance for Accrued Leave Payoff

During FY2005/06 Budget Hearings, the Board established a **Reserve for Accrued Leave Payoffs**. In accordance with GASB 54, this Reserve has been renamed as General Fund Balance for Accrued Leave Payoff. The purpose of this Fund Balance is to minimize the fiscal impact of employee retirements on County departments' budgets. These funds are to be used for large employee payoffs upon retirement or employment separation from the County when the respective department has insufficient appropriations during the fiscal year to fund these payoffs. The following criteria and procedures were approved by the Board for managing the General Fund Balance for Accrued Leave Payoff:

1. Minimum General Fund Balance for Accrued Leave Payoff. On an annual basis, the Auditor-Controller shall calculate the projected leave payout requirements for the subsequent five years, net of federal and State reimbursements, and provide the information to the County Administrator's Office for inclusion in the following year's Recommended Budget. The Board's policy is to maintain General Fund Balance for Accrued Leave Payoff equal to 40% of the five-year projected leave payout requirements net of State and federal reimbursements, with a minimum of \$2 million balance maintained at all times.
2. Replenishing General Fund Balance for Accrued Leave Payoff. In circumstances where the General Fund Balance for Accrued Leave Payoff has fallen below the established requirement, the County shall replenish the deficiency within three fiscal years or as soon as economic conditions allow from the following revenue sources: year-end surpluses, non-recurring revenues, or if legally permissible and with a defensible rationale, from excess resources in other funds.
3. Anticipated Accrued Leave Payoffs. During the budget process, a General Fund Department or a Department that receives a General Fund Contribution should determine the amount needed to cover anticipated Accrued Leave Payoffs for the upcoming year and include the amount in their budget and work with the County Administrator's Office (CAO) to determine the funding strategy to include the appropriate amount in the Recommended Budget. Strategies may be:
 - a. If the Department has sufficient appropriations to fund the Accrued Leave Payoff, the Department shall absorb the cost.
 - b. If the Department cannot absorb the cost, the Department must work with the CAO to determine the funding source(s) to offset the increased costs. Funding from the **General Fund Balance for Accrued Leave Payoff** may serve as a resource to provide the affected Department with the General Fund share of the employee payoff.
 - c. The General Fund share of the estimated Accrued Leave Payoff will be appropriated in the General Expenditures budget during the budget process. This appropriation will be funded from the **General Fund Balance for Accrued Leave Payoff**.
 - d. The CAO is authorized to make necessary budget adjustments to the affected Department(s) **without** Board approval up to the amount appropriated in 3. c. above.
4. Unanticipated Accrued Leave Payoffs. During the budget year, Departments may have employees retire/terminate that were not factored in the Accrued Leave Payoff calculation. Departments should consult with the CAO to determine the most appropriate funding strategy.
 - a. General Fund Departments or Departments that receive a General Fund Contribution should determine if sufficient appropriations are available in their budget to absorb the payoff, and, if not, work with the CAO to determine the

County of Solano

Budget Construction & Legal Requirements

appropriate level of funding from the **General Fund Balance for Accrued Leave Payoff** as indicated above in 3. c. or General Fund Contingency. These actions require a 4/5 vote of the Board.

- b. Non-General Fund Departments or Departments that do not receive General Fund Contributions will need to determine if their respective program has sufficient appropriations or contingencies to support the Accrued Leave Payoff and should adjust their budget accordingly at Midyear, if necessary. If their respective program does not have sufficient appropriations or contingencies to support the Accrued Leave Payoff, the Department(s) should work with the CAO to determine the appropriate funding strategy.

Contingency Policy

On February 13, 2007, the Board adopted the General Fund Contingency policy to establish a level equal to 10% of the General Fund total budget. The current recommendation from staff for FY2019/20 is to fund the General Fund Contingency at \$12 million. The final amount will be determined by close out of the Budget reconciliation. Appropriations for Contingencies are legal authorizations granted by the Board of Supervisors to be used for one-time unexpected needs that arise outside of the regular budget planning process. Pursuant to Government Code §29130, access to the Appropriation for Contingency requires a 4/5 vote of the Board of Supervisors.

Investment Policy

The County maintains an Investment Pool managed by the Treasurer-Tax Collector-County Clerk. The Pool acts as a depository for funds from over 80 units of local government, including funds of the county school districts, special districts and other entities.

Amounts deposited in the Investment Pool are invested in accordance with investment policy guidelines established by the County Treasurer and approved by the Board.

The primary objectives of the Policy are:

- Safety - Maintain the security of principal
- Liquidity - Ensure adequate liquidity to meet its cash flow needs for pool participants
- Yield - Generate returns commensurate with the inherent risks being managed

The Policy addresses the soundness of financial institutions in which the County deposits funds, types of investment instruments as permitted by the California Government Code §53601, and the percentage of the portfolio that may be invested in certain instruments with longer maturity.

Debt Policy

The County Administrator's Office maintains a Debt Advisory Committee, consisting of the Assistant County Administrator and/or Budget Officer, Auditor/Controller, and Treasurer/Tax Collector/County Clerk. The Committee provides analyses and recommendations through the County Administrator for policy implementation and oversight.

The County establishes fund accounts to manage and budget resources for the payment of interest and principal for general long-term debt. The County also incurs debt when prudent to reduce future costs, such as pension obligation bonds.

Conditions for debt issuance are as follows:

- Purpose and Use of Debt - long-term General Fund debt will be incurred based on the County's needs and ability to repay, and where appropriate, methods and sources of funding will be maximized. Long-term debt will be restricted to those capital improvements that cannot be funded from current revenues.
- Types of Debt - includes General Obligation Bonds, Revenue Bonds, Certificates of Participation, Commercial Paper, Lease-Purchase Agreements and other obligations.
- Project Life - debt shall not exceed the useful life of the asset being acquired or constructed.
- Refunding Policies - the County maintains a debt structure that allows for early retirement of debt.

County of Solano

Budget Construction & Legal Requirements

Restrictions on debt issuance include:

- The use of debt to fund operating costs or projects associated with operating costs are prohibited.
- Short-term debt will not be used to finance long-term debt.

Debt service limitations include:

- Debt is a policy decision which requires a financial condition analysis that incorporates economic trends, benchmark studies, and all other forces impacting the future finances of the County.
- Analysis of debt burden is measured, but not limited to, the following ratios:
 - Debt service requirements as a percentage of General Fund Revenue.
 - Debt service as a percentage of Per Capita Income.
 - Debt service as a percentage of General Fund Expenditures.

In addition to the policy above, California Government Code §29909 states the total amount of bonded indebtedness shall not at any time exceed 5% of the taxable property of the County as shown by the last equalized assessment roll.

Resource Reduction Strategy

In the event reductions in resources in any fiscal year require actions to balance the Budget, the County will be guided by the following:

1. General Philosophy

- a. To the extent possible, across-the-board reductions in expenditures will be avoided. Reductions will be made on a case-by-case basis. The emphasis will be on conserving General Fund discretionary resources to finance high priority programs, as set forth in the Solano County Strategic Plan adopted by the Board on December 11, 2007, and as further defined by the Board annually. If necessary, funding for lower priority programs will be reduced or eliminated to ensure appropriations remain in balance with resources;
- b. The County administers a number of costly State programs that are heavily funded by State and federal dollars. Compared to the State and federal governments, the County has only limited ability to raise revenues. Recognizing that, in the event of a substantial reduction in resources for these programs, the County's goal, to the extent legally possible, is to avoid back-filling reductions in State and federal dollars with County discretionary dollars;
- c. Maintaining a highly professional service delivery system is of foremost importance to the County. Thus, if it becomes necessary to make significant service delivery reductions, the goal will be to reduce the quantity of a service provided rather than the quality of service; and
- d. Finally, every effort will be made to continue capital and planning programs geared toward meeting the County's long-term needs.

2. Resource Reduction Priorities

a. Short-Term Actions

The following actions, listed in priority order, will be considered when dealing with the immediate impact of a reduction in resources. The purpose of these actions is to achieve immediate savings and/or better position the County to deal with the impact of longer-term actions once they are implemented.

- i. A Selective Hiring process will be implemented. Funding sources, Board priorities, the nature of the program, the potential for service delivery disruption, and the type of position – is it "Mission Critical?" will be considered by the CAO in implementing the hiring process.
- ii. Implementation of new programs, not fully operational, that are not fully revenue-offset, will be subject to further CAO review and recommendation to the Board.
- iii. Purchase of equipment will be selectively deferred and reviewed annually. Funding source and impact on service delivery will be considered in implementing the deferral.

County of Solano

Budget Construction & Legal Requirements

b. Long-Term Actions

The following actions will be considered when dealing with the longer-term impact of a significant reduction in resources. As appropriate, these reductions will be reflected in the Recommended Budget, and/or Midyear or Third Quarter budget adjustments. The actions are listed in priority order and lower priority actions will be implemented only if higher priority actions are insufficient to deal with the fiscal shortfall:

- i. General Fund discretionary contributions to certain programs that are primarily the State's responsibility will be capped at current levels, to the extent legally possible. Except as required by law, the County will not use General Fund dollars to backfill reductions in State or federal funding for these programs.
- ii. A moratorium will be placed on implementing new programs or expanding existing programs if the cost of those programs or expansions is not fully revenue-offset and a secure long-term funding source is not identified.
- iii. Moderate service level reductions will be proposed on a case-by-case basis. These service level reductions will focus first on reducing General Fund support for those programs that have not been identified as a high priority by the Board.
- iv. Discretionary resources that have been earmarked by the Board for certain purposes will be proposed for re-allocation to fund on-going programs that are a priority for the Board.
- v. General Fund support to outside agencies not controlled by the Board should be greatly reduced or eliminated. This refers to the use of General Fund to support outside agencies whose programs are not aligned with Board priorities, and/or the County has determined would not be provided directly by the County.
- vi. Major program reductions will be proposed in accordance with the Solano County Strategic Plan and the General Philosophy described above. These reductions will fall into two general categories:
 - Program reductions that will be made in response to significant reductions in State funding for programs that are primarily the State's responsibility. In this case, the County will consider returning responsibility to the State for operating those programs to the extent permitted by law. Where returning responsibility to the State is not legally possible, County General Fund support for these programs will be reduced to the minimum level possible, consistent with State mandate requirements.
 - Program reductions will be proposed in response to a reduction in County discretionary revenue. In this case, reductions will be made first in those programs that are not related to the Board's priorities and goals.

Hiring Policy-Past Actions by the Board of Supervisors

In FY2010/11, a Selective Hiring Freeze process was instituted to help contain costs due to the State's continuing budget shortfall and to help balance the County's Budget. The County Administrative Officer (CAO) was authorized to selectively fill vacant positions based on the affected Department's need and the particular position's function. Authorization to recruit for vacant positions was reviewed in terms of the definition of "Mission Critical" positions presented to the Board on October 4, 2011 and was further defined in June 2013.

Due to Increasing Salaries and Employee Benefits costs associated for current and new positions authorized to meet mandates and Board approved promotions, the County Administrator recommends to the Board that the County continues a hiring policy that requires the CAO to deliberately review all permanent, limited-term, part-time, and extra-help positions when they become vacant to see if they should be retained and rehired with new employees. Departments will have to demonstrate the critical need in operations and funding strategies to the CAO for any new additional positions to be added during the fiscal year.

1. Duration

This Policy will be in effect for FY2019/20 and until the State and federal budgets and fiscal policies and their impacts on the County are known, and a long-term plan to address those impacts is formulated and approved by the Board.

2. Goal of Hiring Process

The goal of this Policy is to contain costs and to provide clear direction for hiring and implementing staffing reductions, if necessary.

County of Solano

Budget Construction & Legal Requirements

3. Hiring Guidelines

The County Administrator's approval is required to fill departmental position requests. In evaluating whether to fill a vacant position, the following is to be considered:

- a. Is the position critical to the operation of an essential public safety activity, such that not filling the position will put the lives, health or safety of residents or other staff at risk? Is the position critical to avoid liability and limit impairment or disruption to the delivery of mandated services? If the answer is yes to both questions, the position can be considered for approval by the CAO.
- b. Is the program that the position supports funded on an ongoing basis by a dedicated and assured revenue source? Is the position unique to that program? If the answer is yes to both these questions, then, absent other considerations, the position can be advanced for CAO consideration.
 - i. A position is considered unique to a program when the classification is not located in any other Department or program. Examples might be Librarians or Engineers. In this context, an Office Assistant would not be a unique position, because this classification is found in many different programs and, in the event of the potential need to eliminate filled positions, an Office Assistant could be transferred from one program to another within the County organization.
 - ii. Before consideration will be given to a position that meets the stated criteria, departments should evaluate whether the resources involved could instead be used to help mitigate the impact on the County of revenue reductions in other areas.
- c. If a position is not filled, is the resulting reduction of services for a program below a legally mandated level? If the answer is yes, the position can be considered, but subject to the following:
 - i. The Department should first explore obtaining a waiver of any service level mandate or the feasibility of ending the program or returning responsibility for the program to the State.
 - ii. To the extent practical, efforts should be made to fill the position using the call-back of a laid-off County employee formerly serving in the same classification, or extra-help or through internal recruitment.
- d. If a position is not filled, is the result a diminished service level where, in the Department's judgment, the program's effectiveness is seriously compromised? If the answer is yes, the Department should further consider the following:
 - i. Is this a high priority program as determined by the Board of Supervisor's Strategic Plan and priorities?
 - ii. A thorough exploration of alternative means of providing adequate services has determined they are not feasible or are more costly.
 - iii. To the extent practical, efforts should be made to fill the vacant position using the call-back of a laid off County employee formerly serving in the same classification, or extra-help or through internal recruitment.
- e. Is the position in question a critical and hard-to-fill position, as evidenced by repeated, unsuccessful attempts by the Department to recruit? If the answer is yes, and if the program is a high priority for the Board of Supervisors, then the position can be considered.

The Board approved in February 2008 actions in preparation for reductions that may be required for the future. These actions, reaffirmed by the Board in 2011. If possible, in times of economic uncertainty, to help maintain the County's financial stability:

- Departments are directed to immediately halt the implementation of all new programs without a dedicated funding source and that are not already fully implemented.
- Departments are required to obtain CAO approval for the purchase of all capital assets or any computer-related purchase that has not been previously included in the Refresh Policy. Approval will only be granted if the cost of the equipment is fully revenue-offset or is critical to program operations.
- Departments may be directed to take whatever steps necessary to end the fiscal year with no increase in County Contribution.

SUMMARY OF DESIGNATED RESPONSIBILITIES FOR ACTIONS

As previously discussed, State laws and County ordinances prescribe the manner and form in which the Budget is presented. Additional responsibilities and the delegation for preparation, review, approval and amending the Budget are also established by statute and ordinance, and by policies coordinated through the Board of Supervisors, the County Administrator and the Auditor-Controller's Office.

Listed below are additional actions requiring a four-fifths vote of the Board of Supervisors:

- Appropriation increases within a fund.
- Appropriations from contingencies.
- Appropriations of unanticipated revenues.
- Transfers between funds.
- Transfers from designated reserves.
- Transfers from equipment replacement reserves.
- Transfers from the General Fund General Reserve (only during budget hearings).

Listed below are additional actions requiring a majority vote of the Board of Supervisors:

- Approval of a capital asset over \$75,000 that does not increase the overall department budget.
- Reduction of appropriations and revenues for funding not realized.
- Approval of contracts and amendments when the aggregate amount of the contract and amendment(s) is equal to or in excess of \$75,000 per fiscal year.
- Approval of petty cash accounts over \$3,000, with the exception of the County Library's petty cash account of \$5,000.
- Transfers between Departments within a Fund.
- Transfers between Capital Projects.
- Transfers equal to or more than \$75,000 from Salaries and Employee Benefits (accounts 1110 through 1999) within a Department.
- Approval of grant application submissions when the amount of the grant is equal to or more than \$75,000 per fiscal year or when the grant-funded activity has General Fund impacts after the grant funds run out.

Listed below are the actions delegated to the County Administrator:

- Approval of a capital asset up to \$75,000 that does not increase the Department's budget.
- Approval of a type of capital asset in lieu of one already budgeted.
- Approval of appropriation transfers to reclassify capital asset appropriations incorrectly budgeted in the categories of Services and Supplies or Other Charges.
- Transfers between divisions, bureaus and sections within a Department provided the total appropriation of the Department is not changed.
- Approval of appropriation transfers to ensure proper classification in accordance with generally accepted accounting principles.
- Transfers less than \$75,000 from Salaries and Employee Benefits (accounts 1110 through 1999) to other object categories within a Department.
- Transfers to and from expenditure categories 2000 – Services and Supplies, 3000 – Other Charges, 5000 – Other Financing Uses, and 7000 – Intrafund Transfers, provided the total appropriation of the Budget is not changed.

- Transfers to and from the following accounts: Salary/Wages-Regular (1110); Other Post-Employment Benefits (1213); Compensation Insurance (1240); Insurance-Property (2050); Liability Insurance (2051); Central Data Processing Services (2266); Countywide Administrative Overhead (3710); Building Use Allowance (3712); and Pension Obligation Bonds (5040), provided the total budget is not changed.
- Approval of contracts and amendments when the aggregate amount of the contract and amendment(s) is less than \$75,000 per fiscal year.
- Approval of appropriation transfers to increase the Fleet Management budget when Departments have received approval from the Board to purchase new vehicles.
- Approval of appropriation transfers for Operating Transfers In when an Operating Transfers-Out has already received Board approval.
- Approval of appropriation transfers for Interfund Services provided (subobjects 0009690-0009698) when an Interfund Services used (subobjects 0003690-0003698) has already been budgeted/used and the total budgeted revenue is not increased.
- Approval of modified work weeks and flexible work schedules for County departments provided the County departments can demonstrate a benefit for the County, and if applicable, meet its obligation under the Meyers-Milias-Brown Act (MMBA) with represented employees.
- Approval of grant application submissions when the amount of the grant is less than \$75,000 per fiscal year.
- Authority to release a Department head from accountability of unaccounted capital assets if it has a Fair Market Value of less than \$5,000 or it has been stolen and has a Fair Market Value of less than \$75,000. The Department must provide a copy of the police report, and the CAO must determine no negligence occurred.
- Authority to delete positions that have been vacant for over six months, in accordance with the 2011 Budget Reduction Strategy of eliminating or freezing vacant positions and only filling positions that are "Mission Critical" to the organization, and to direct the Director of Human Resources to make technical changes to the Position Allocation List.
- Authority to complete all actions necessary, including the approval of any necessary Appropriation Transfer Requests (ATR's) related to the Intergovernmental Transfer funds (IGT) previously approved by the Board in 2019.
- Authority to sign all agreements and/or contract amendments resulting from the Board's approval of the Recommended Budget and Supplemental Budget requests.

Listed below are actions delegated to the Director of Human Resources:

- Affirm the appropriate jurisdictions are utilized for comparison purposes when determining compensation for County positions.
- Affirm the County's policy of no retroactivity for compensation during negotiation with its bargaining units.
- Affirm that the Director of Human Resources, as provided for in the Employer/Employee Relations Rules and Regulations, may enter into side letter agreements or MOU amendments with represented bargaining units to resolve employee/employer disputes and/or issues in consultation with County Counsel and the County Administrator.
- Affirm the County's practice that extra-help employees are limited to working 999 hours per fiscal year. In the event the employee works over 999 hours per fiscal year, affirm the County's policy of either separating the employee from service or, with the justification, continuing the employment and providing retirement benefits in the same manner as represented employees. Authorize the Director of Human Resources to review the classifications for unrepresented and at-will employees.
- Affirm that the Director of Human Resources shall implement benefit changes for unrepresented employees in the Executive Management, Senior Management and the Confidential Group consistent with the benefits received by represented employees.
- Authority, with the concurrence of the County Administrator, to make technical changes to the Position Allocation List.

County of Solano

Listed below are additional actions delegated to the Auditor-Controller:

- Deposit prior year SB 90 revenues in General Revenues when a Department has a Net County Cost or receives a General Fund Contribution.
- Authorize the Auditor-Controller, in consultation with the County Administrator, to carry forward Board-approved capital project appropriations into subsequent years to facilitate the accounting and management of multi-year capital projects.
- Approve petty cash requests up to \$3,000, with the exception of requests of up to \$5,000 for the County Library's petty cash account.
- Process Appropriation Transfer Requests (ATR) as approved by the Board of Supervisors or County Administrator.
- Authorize the Auditor-Controller, with concurrence from the County Administrator, to reclassify appropriations between the maintenance accounts, interfund services, and capital outlay accounts within the same project budget, so long as total appropriations are not increased.
- Authorize the Auditor-Controller, with concurrence from the County Administrator, to decrease capital outlay appropriations within the respective capital project funds, and to increase appropriations in Public Art Fund to cover costs associated with the public art project to ensure compliance with Solano County Public Art Ordinance, Code Section 5-5.
- After the adoption of the Budget for FY2019/20, direct the Auditor-Controller, with the County Administrator's approval, to:
 - As part of FY2018/19 closeout, transfer and/or redistribute BOS approved County General Fund Contribution between Departments within Fund 900 (Public Safety) and between Departments/Divisions for Fund 902 (Health & Social Services), provided that the BOS approved General Fund Contribution/Appropriation amount directed to each of the individual Funds 900 and 902 remains within the approved County General Fund Contribution/Appropriations amount.
 - In addition, as part of FY2018/19 closeout, if the Midyear projection of Fund Balance for the General Fund is not met (estimated at \$23.9 million), then County Administrator will authorize the Auditor-Controller to reduce, in this order, Accrued Leave Payoff, Capital Renewal, CalPERS Reserve, and then General Fund Contingency for FY2019/20 by the amount short of the projection.
- Authorize the Auditor-Controller, with the concurrence of the County Administrator, to increase the following (Reference Schedule 4):
 - Committed Fund Balance – Employer PERS Rate Increase by \$4.8 million, and
 - Committed Fund Balance – Deferred Maintenance/Capital Renewal by \$8 million
- If the amount of the General Fund's Year-end Fund Balance at June 30, 2019 exceeds the Midyear projections for FY2018/19, the County Administrator is authorized to direct the Auditor-Controller to increase the following committed/restricted reserves in the following manner:
 - Any amount up to \$5 million to Deferred Maintenance/Capital Renewal Reserves
 - Any amount up to \$5 million to the Employer CalPERS Rate Increases Reserves and/or 115 Trust
 - Any amount up to \$4 million to General Fund Reserves

In addition:

- Authorize the Auditor-Controller, with the County Administrator's approval, to increase the General Fund Balance for Accrued Leave Payoff by the amount appropriated in the General Expenditures Budget for Accrued Leave Payoff not used by the end of the fiscal year.
- Authorize the Auditor-Controller, with the concurrence of the County Administrator to increase General Fund Committed Reserves for Capital Renewal, Employer PERS Rate Increases or General Fund Reserves by repayments from General Fund Loans.

BENCHMARK COUNTIES

The following pages provide a graphical summary of statistical, employment and demographic information about Solano County. When reviewing Solano County's economic health, the County government's financial capacity, and the County's delivery of services to residents in unincorporated areas, the County inevitably compares itself from the current year to past years.

Additionally, the question of how Solano County compares with other Counties is often asked. This leads to the question: Which Counties should be used for comparison purposes?

A group of ten Counties have been selected to be used for comparison in seven of the following charts. Solano County has the following characteristics in common with each of these Counties:

COUNTY POPULATION OVER TIME

The California Department of Finance’s May 1, 2019 estimate of the population of Solano County is 441,307, increasing 2,205 residents or 0.5% over 2018 (see chart A). Of California’s 58 Counties, Solano County ranks number 21 in terms of population size. Four of the seven cities saw growth between 2018 and 2019, with the highest growth rate in Rio Vista at 3.7%. Three cities, including Benicia, Suisun City and Vallejo all saw declines in population between 2018 and 2019.

California’s population estimate was 39.93 million as of May 1, 2019, per the State Department of Finance. California, the nation’s most populous State, represents 12.4% of the nation’s population, or one out of every eight persons. Solano County’s population represents 1.1% of the State population.

When you look at the County population since 2000, the rate of growth has tapered off to small annual increments. Between 2000 and 2010, the County grew by 18,802, or 4.8%, which is significantly less than the 54,121, or 15.9%, gains of the previous decade. Between 2010 and 2019, the County grew by 27,963 residents, or 6.3% (see chart B).

OUR CHANGING POPULATION – HOW WE COMPARE TO BENCHMARK COUNTIES

California’s population grew by 0.5% in 2018, adding 186,807 residents per the California Department of Finance. Among the ten comparable benchmark counties, Placer County was the fastest growing County, adding 7,211 new residents, or 1.9%. Solano County grew at a modest rate, adding 2,205 new residents, or about 0.5% of the County’s total population. Marin remained the slowest growing County among the comparable Counties, adding just 76 new residents. Sonoma, Santa Cruz and Napa Counties all lost residents, contracting 0.4%, 0.4% and 0.1%, respectively.

EDUCATIONAL ATTAINMENT

Solano County's graduation rate (81.4%) fell slightly in 2017/18 (the latest data available) from the previous academic year and remained under the State of California's graduation rate. Graduation rates (83%) increased for the State of California in 2017/18 overall. Per the 2013-2017 American Community Survey, more than a quarter of Solano County residents age 25 years and older (28.7%) have attended some college and 17.9% have earned either an associates and/or bachelor's degree, slightly lower (2.5%) than the State average of 20.4%. Solano County residents age 25 and older with a post graduate degree is 7.7%, 4.5% less than the State average of 12.2%.

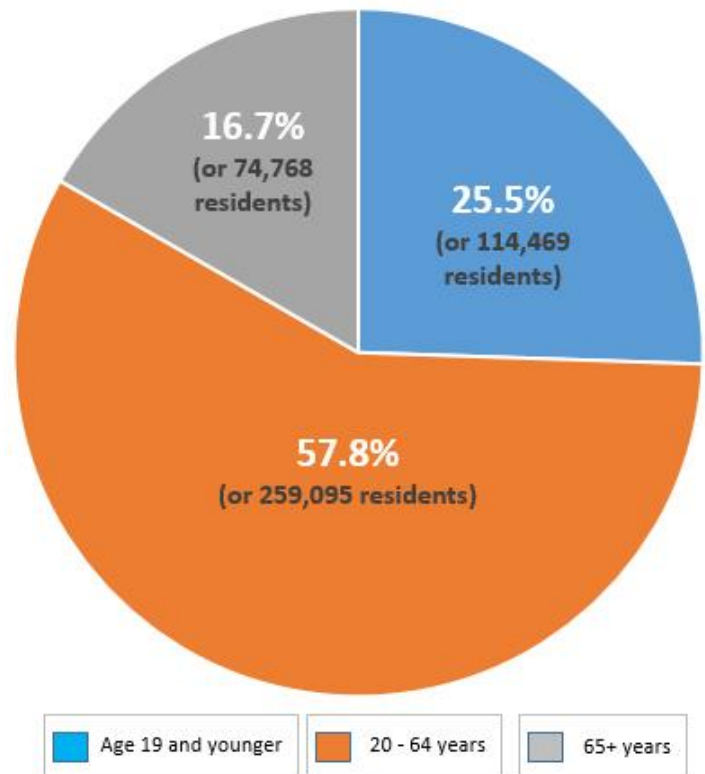

AGE GROUP BY POPULATION

In Solano County, the number of young and working age adults closely mirrors the national average, whereas the gap between Solano's senior and retirement age population continues to widen.

Approximately 25.5% of all people living in Solano County is age 19 or younger. This closely mirrors the State percentage of 25.9%, a difference of 0.4%.

Nearly three-quarters (or 74.5%) of Solano County's total population is comprised of working age adults between 20 and 64 years of age. This is slightly higher (0.4%) than the State of California's average of 74.1% of the total population.

SOLANO COUNTY – SIZE, DISTRIBUTION AND WHERE PEOPLE LIVE

According to the California Department of Finance’s May 2019 City / County Population Estimates, statewide 83% of California residents live in incorporated cities and 17% in unincorporated areas. In contrast, 95.5% of residents in Solano County live within the County’s seven cities. This phenomenon is by design. In the early 1980s the residents of the County passed an Orderly Growth Initiative, which was extended in 1994, that focuses most urban growth to the incorporated cities. The voters reaffirmed this measure through the adoption of the 2008 Solano County General Plan, sustaining a commitment to city focused growth through 2028.

In comparison to its benchmark Counties, Solano County is one of the smaller Counties in terms of square miles of land area. According to the U.S. Census Bureau, Solano County consists of 909 square miles, of which 84 square miles is covered with water. The San Pablo Bay, Suisun Bay, the Carquinez Straits, and the Sacramento River provide the County with natural borders to the south and east. Rich agricultural land lies in the northern area of the County while rolling hills are part of the southern area. Approximately 62% of the County land area is comprised of farmland.

This unique mixture of a sizeable urban population and a large rural/agricultural base may create some unique challenges for County government, including:

- Challenges in the transition zones between urbanized areas and agricultural areas (i.e., land use, pesticide use, dust, noise, odors and vermin).
- Coordination of infrastructure transitions from the urban areas to the rural areas (i.e., reliever routes, upgraded feeder streets/roads, flood control, limited intercity connectivity and public transportation).
- With limited resources and a reliance on property taxes and State/federal funding, it is a challenge to provide urban-driven needs (as indicated by the high density per square mile) for health, mental health, public assistance and law and justice services.

SOLANO'S POPULATION LIVING IN POVERTY – HOW WE COMPARE

The U.S. Census Bureau defines the poverty threshold for an average family of four living in the United States (48 contiguous states and the District of Columbia, not including Alaska and Hawaii) as having a median annual family income of \$61,372 or less. The average median annual family income for families of four living in Solano County is \$83,654, approximately one-quarter or 36.0% higher than the national average.

Per the 2013-2017 American Community Survey by the U.S. Census Bureau, 8.6% of the Solano County population (or 37,952 people) are living at or below the poverty level. The poverty rate in Solano County was 16.6% among residents age 18 and under and 22.7% among families with female head of household and no husband present.

The number of residents living at or below the poverty level varies considerably among Solano County's seven cities, including Benicia, 6.0% or 1,654 people; Dixon, 10.7% or 2,118 people; Fairfield, 8.8% or 10,309 people; Rio Vista, 7.0% or 659 people; Suisun City, 7.4% or 2,179 people; Vacaville, 6.6% or 6,521 people, and Vallejo, 11.7% or 13,987 people.

Solano County is located slightly above the mid-point when compared to benchmark Counties, with 6 Counties having lower poverty rates and 4 Counties with higher poverty rates. Solano County is 2.5% lower than the statewide average for families living at or below the poverty level.

OUR CHANGING POPULATION – THE NEXT SEVERAL DECADES

Solano County’s population is projected to grow from 412,525 in 2010 to 631,028 or 53.0% by 2060, according to projections by the California Department of Finance. The composition of this population is expected to shift significantly over the next 40 years, with the median age increasing from 37.5 in 2010 to 43.3 in 2060. The aging population will likely affect the types of service demands placed on the County and may impact statewide and regional planning efforts.

One way to evaluate this population change is to analyze the dependency ratio, which examines the population changes in relationship to the traditional working age population of individuals between age 19 to 64. In 2010, for every 6.2 people in the County workforce there were 2.6 children and 1.2 retirees. By 2060, the young population (19 and younger) is expected to increase by 20,324 or 18.0%; while the working age population by 94,530 or 37.4% and retiree population by 103,649 or 218.9%.

SOLANO SHARE OF POPULATION BY AGE AS PERCENTAGE OF TOTAL POPULATION, 2010 TO 2060

Source: California Department of Finance, May 2019

The Department of Finance projects more people will be entering the retiree population than those entering the workforce. Declines in school-age children are also projected to continue through 2020 before starting to recover a few years later.

UNEMPLOYMENT AND THE ECONOMY

Per the California Employment Development Department's (EDD), California's unemployment rate edged up slightly in March 2019 even as the State continued adding jobs (24,000 non-farm payroll jobs in March). The Solano County unemployment rate was 4.6% in March 2019, up slightly from 4.1% in March 2018 and up from a record low of 3.8% in December 2018, and can be attributed to a slight decline in the number of jobs available in the trade, transportation and utilities sectors.

Between March 2018 and March 2019, overall employment in Solano County increased by 200 jobs. The size of the workforce of individuals actively seeking employment increased by 400. This resulted in a net increase of 200 unemployed residents.

It is important to note that the traditional unemployment rate calculated by EDD is not a complete picture of the number of residents who are not employed, as it only represents the people who are actively seeking employment. Individuals who were discouraged by employment prospects and not actively seeking employment are excluded.

THE SOLANO COUNTY WORKFORCE – WHERE PEOPLE GO TO WORK, MARCH 2019

Source: California Employment Development Division for Solano County, March 2019

The seasonally unadjusted unemployment rate in Solano County was 4.6% in March 2019, which is 0.5% above the seasonally adjusted rate of 4.1% from last year. This rate compares with a seasonally unadjusted unemployment rate of 4.6% for California and 3.9% for the nation during the same period.

In Solano County, Retail, Trade, Transportation and Utilities (26%), Construction, Mining and Manufacturing (20%) and Educational and Health Services (17%) make up nearly two-thirds (63% or 131,859 workers) of the industries in Solano County. Last year, by contrast, Government made up the top three employers in the County, which has now taken the number four spot at 15%, a 2% decrease from 2018.

According to an economics forecast by the U.S. Bureau of Labor and Statistics (*March 2019*), construction and manufacturing jobs, while they fell sharply during the economic recession, have increased by meaningful amounts in the past several years, and the industry will likely continue to see more jobs created – as the demand for affordable housing in Solano County continues to rise. Retail, trade, transportation, utilities, education and health services will also see a slight increase over the next several years, however, when compared to construction and manufacturing jobs, their increase is forecast to be modest.

CHANGE IN PERSONAL INCOME – HOW IT AFFECTS PURCHASING POWER

Personal income is made up of wages and salaries, transfer payments from all levels of government, investment income (dividends, interest, and rents), business income from owning a business (proprietor’s income) and other income sources. The *2018 Index of Economic and Community Progress* reported that real personal income per person in Solano County outpaced the national economy, and despite being lower than the State of California average, Solano County residents gained from the local and regional economy in the past year.

Per the 2018 statistics from the *U.S. Bureau of Economic Analysis* (the latest date the data is available), Solano County ranks as the second lowest in per capita income when compared to benchmark Counties. It should be noted, however, that Solano County’s growth rate in per capita income increased by 4.9% (or \$2,423) between 2016 and 2017, growing at a slightly faster pace than most of the benchmark Counties. Solano County’s per capita income of \$49,116 in 2017 is 17.9% or \$10,680 less than the state’s per capita income of \$59,796.

Although personal income in Solano County is second lowest among the benchmark Counties and the State, as growth in personal income continues to rise, individual purchasing power becomes more robust. When personal income grows, so does the number of goods and services that can be purchased by Solano residents, increasing their overall purchasing power.

MEDIAN HOUSEHOLD INCOME COMPARISONS AMONG BENCHMARK COUNTIES

Median household income is comprised of the average income of every resident (within that household) over the age of 15. Sources of income include personal wages and salaries, disability payments, including child support payments received, along with personal business earnings, investments and other routine sources of income.

The *2018 Index of Economic and Community Progress* reports that along with per capita income, median household income is a good indicator of how typical households generate and use income, including spending and savings.

Per the 2019 statistics from the California Department of Finance, Solano County ranks as the fifth highest in median household income when compared to benchmark Counties. Solano County's median household income of \$72,950 in 2017 is an increase of \$3,723 per household or 5.1% over the previous year (2016). Even with modest gains, Solano County still outpaced 60% of the benchmark Counties (or 6 out of 10) in median household income, including the State. By comparison, Solano County outperformed the State of California's median household income of \$67,169 by \$5,781 or 7.9%.

HEALTH INSURANCE COVERAGE, HOW WE COMPARE

Health insurance is a means for financing a person’s health care expenses. While the majority of people in the United States have private health insurance, primarily through an employer, many others obtain coverage through programs offered by the government. Other individuals do not have health care at all, which can greatly impact the services they receive and escalate the costs associated with health care, the poor, and the long-term outcomes of those without coverage.

Nationally, in 2017 (the latest date the data is available), 8.8% of people, or 28.5 million, did not have health insurance at any point during the year, meaning the percentage of people with health insurance coverage for all or part of 2017 was 91.2%. Between 2016 and 2017, the number of people with health insurance coverage increased by 2.3 million, up to 294.6 million. The increase in coverage can be attributed to a 0.6% increase in Medicare and a 0.2% increase in military/veteran coverage.

In California, between 2016 and 2017 (the latest date the data is available), the number of uninsured residents increased slightly from 7.3% in 2016 to 10.5% in 2017 or 3.2%, and, because several different survey methodologies are used to collect population survey data, estimates of California’s uninsured populations can vary depending on the data source. It is important to note, however, that the uninsured rate in California has dropped by 10% since 2013 before implementation of the Affordable Care Act (ACA) – the largest reduction of any State in the nation.

PUBLIC ASSISTANCE AND HEALTH CARE COVERAGE IN SOLANO COUNTY

Solano County’s Health and Social Services *Unduplicated Individual Count* report states that in December 2006, 14.7% of the County’s population was receiving some form of public assistance, including CalFresh, CalWORKs, General Assistance and/or Medi-Cal (healthcare). In 2010, at the bottom of the recession, the percentage of the population receiving some form of public assistance increased to 18.7%. Today, 24.7% of the County’s total population receives some form of public assistance.

The increase is due to the 2014 ACA expansion of Medi-Cal, designed to cover greater numbers of the working low wage earners, many of whom previously lacked any options for healthcare coverage. While the numbers of residents needing public assistance in the form of cash aid has decreased to lower than pre-recession levels, the total number of residents accessing healthcare coverage through Medi-Cal is more than 1.5 times what it was 12 years ago. Today, approximately one-quarter or 24.7% of the total County population relies on Medi-Cal for healthcare access, as compared 14.7% in December 2006.

COMMUTING DISTANCES IN BENCHMARK COUNTIES

Per the U.S. Census Bureau, Overflow Data estimates that Californians spend more time in the car than commuters in most other states, with an average drive time of 28.9 minutes one-way. The distance to work also plays a major role in how long workers spend in the car, traveling further and further to get to their jobs. When compared to the benchmark counties, Solano County ranks third lowest in the number of drivers who drive more than 50 miles one way to get to work (16.7%), just behind Marin (13.5%) and Napa (14.5%) Counties. Monterey County workers travel the furthest to get to work with more than a quarter of all workers (25.5%) traveling more than 50 miles one-way.

TIME SPENT IN THE CAR TO GET TO WORK (ONE-WAY)

The 2018 Index of Economic and Community Progress reports that less than half of all jobs with Solano County employers are filled by County residents, meaning that more people are on the roadways, commuting in and out of the County for work. Recent projects on Interstate 80, express lane construction and other roadway improvement are helping alleviate some traffic congestion, however, with a low unemployment rate and positive labor market, there are simply more cars on the road. Since 2009, Solano County residents are spending more time in their cars, an average of 2.4 minutes more in each direction, with an average drive time of 31.8 minutes as of 2017 (the latest date the data is available).

HOUSING AFFORDABILITY

The California Association of REALTORS® reports that Solano County’s median home price in March 2019 was \$438,500, a \$6,500 or 1.5% decline from March 2018. This is down from a spike of \$450,000 in December 2018, most likely as a result of an interest rate hike that affected pricing. While this value has declined slightly over the past year, housing prices in Solano County remain affordable when compared to the Bay Area, where the average home price is \$730,000 (May 2019).

Solano County ranks second in housing affordability among the 10 benchmark Counties and three spots below the Statewide average. The average home price in Solano County is 29.0% or \$127,380 lower than the State average. Solano County’s average home price is \$11,500 (or 2.5%) less than the next highest benchmark County; Yolo County, and \$861,500 or 196.5% less than the most expensive of the benchmark Counties; Marin County.

SINGLE-FAMILY HOME AND APARTMENT RENTAL PRICES ARE ON THE RISE

While housing prices have declined slightly from the previous year, rental prices, however, have slowly increased, another sign of excess demand for both housing purchases and rental housing. Per Zillow Research, in March 2018, the average rental price for one and two-bedroom apartments in Solano County was \$1,561 per month. In March 2019, that figure was \$1,635 per month, an increase of 4.7%.

Per the *2018 Index of Economic and Community Progress*, the home and apartment rental price in Solano County continues to slowly rise year-over-year, however it remains less than half of the same rate in San Francisco County – who’s average rental price for a two-bedroom apartment is \$4,506 – making Solano County, in comparison, an affordable place to rent.

Additionally, regional fires in 2018 may have placed additional pressure on rental pricing in Solano County, especially if the County continues to receive fire survivors migrating from the west and north. In contrast, Sacramento County has consistently been between \$200 and \$300 less than Solano County since 2011 in all terms of rental prices, including single-family homes and one and two-bedroom apartments.

The table below illustrates the year-over-year change in the median cost to rent a single-family home and/or two-bedroom apartment in each of Solano County’s seven cities. The City of Benicia has the highest rent, as of March 1, 2019, at \$1,918 per month, whereas Rio Vista has the lowest rent at \$1,302 per month. Rental prices have remained relatively steady in 6 of the 7 cities in Solano County, growing at an average of 4.6% per year, with Suisun City having the most significant year-over-year increase in 2019 at 11.1%.

SOLANO COUNTY CITIES MEDIAN HOME/RENTALS COST, YEAR-OVER-YEAR CHANGE, 2018-2019

Dixon	\$1,394	\$1,310	6.4%
Rio Vista	\$1,302	\$1,276	2.0%

(Source: Zillow Research, a division of the Zillow® Group Real Estate Company)

Suisun City rental prices went from \$1,431 on March 1, 2018 to \$1,590 as of March 1, 2019 – a 11.1% increase in the year-over-year cost of rental housing in the city. The increase in rent, per RENTCafé, a nation-wide rental market listing agency, is due to the increased demand for housing in the Bay Area. Workers are willing to commute longer distances, including to the San Francisco Bay Area, San Jose, Santa Clara and Silicon Valley while living in Solano County.

The report from RENTCafé also states that while housing and rental housing is viewed as more affordable than when compared to the rest of the Bay Area, the increases in the rental housing market is pinching a large segment of the existing local population – in particular the low wage earner. With the growing demand for apartment living in Solano County, along with a limited inventory of available rentals, Solano County is likely to see increased pressure on housing costs with rent prices spiking.

SOLANO COUNTY AGRICULTURAL CROP AND LIVESTOCK VALUE

Solano County Department of Agriculture, Weights and Measures is still working with local growers to determine farm gate value (a farm gate value is the net value of a product when it leaves the farm and after marketing costs have been subtracted) for 2018. Early estimates by the Department put this number at more than \$358,000,000, a potential decrease of \$4.82 million dollars (or 1.3%) under the previous fiscal year's totals of \$362,822,000.

Nursery Products are the top crop in 2018, with Processing Tomatoes and Alfalfa rounding off the top three crops. Solano County farmers produce more than 80 different commodities including fruits, nuts, vegetables, grains, seed, nursery stock, livestock, poultry and apiary.

According to the State of California Employment and Development Department's (EDD) March 2019 report, Solano County supports approximately 1,300 farm related jobs, essentially flat from the previous year. While agricultural jobs only make up a small fraction of all jobs in the County (less than 1%), agricultural production is part of a much larger industry cluster that spans the full spectrum of economic activity, including activity from before the crops get into the field to the value-added processing in consumer products. The Moving Solano Forward project identifies this food-chain cluster as supporting more than 8,940 jobs and \$1.54 billion in economic output (as of 2017, the latest date the data is available), representing approximately 7.8% of the County's total \$19.65 billion-dollar Gross Regional Product.

COUNTY ASSESSED VALUES AND GROWTH

Property taxes are a major source of local governmental revenues and are determined by assessed values. The property tax rate throughout the State of California is 1% of assessed values. The FY2018/19 Property Assessment Roll of \$55 billion increased 5.5% or \$2.8 billion from the prior year's roll value and represents property ownership in Solano County as of January 1, 2018. This is the seventh year of increasing assessed values since the bottom of the market in 2011.

Some lingering effects of the Great Recession can still be felt in the assessed values of properties in Solano County, which experienced dramatic drops in median home prices and high numbers of foreclosures and short sales. Per the California Association of REALTORS®, the median home price fell from a high of \$475,755 in 2006 to a low of \$179,000 in 2011. As of March 2019, the median home price in Solano County is \$438,500, down 1.5% or \$6,500 from the \$445,000 median home value in 2018.

The real estate market recovery for resale continues to fuel the decrease in the number of properties on Proposition 8 status - a temporary reduction in property values below their established Proposition 13 base year value. Per the Solano County Assessor-Recorder's Office, there are 148,649 parcels Countywide. As of July 2019, 8,907 of those parcels remain on Proposition 8 status, 2,213 fewer parcels than July 2018. At its peak 2012, the total number of parcels on Proposition 8 status was 78,000 parcels Countywide.

BUILDING PERMITS IN SOLANO COUNTY

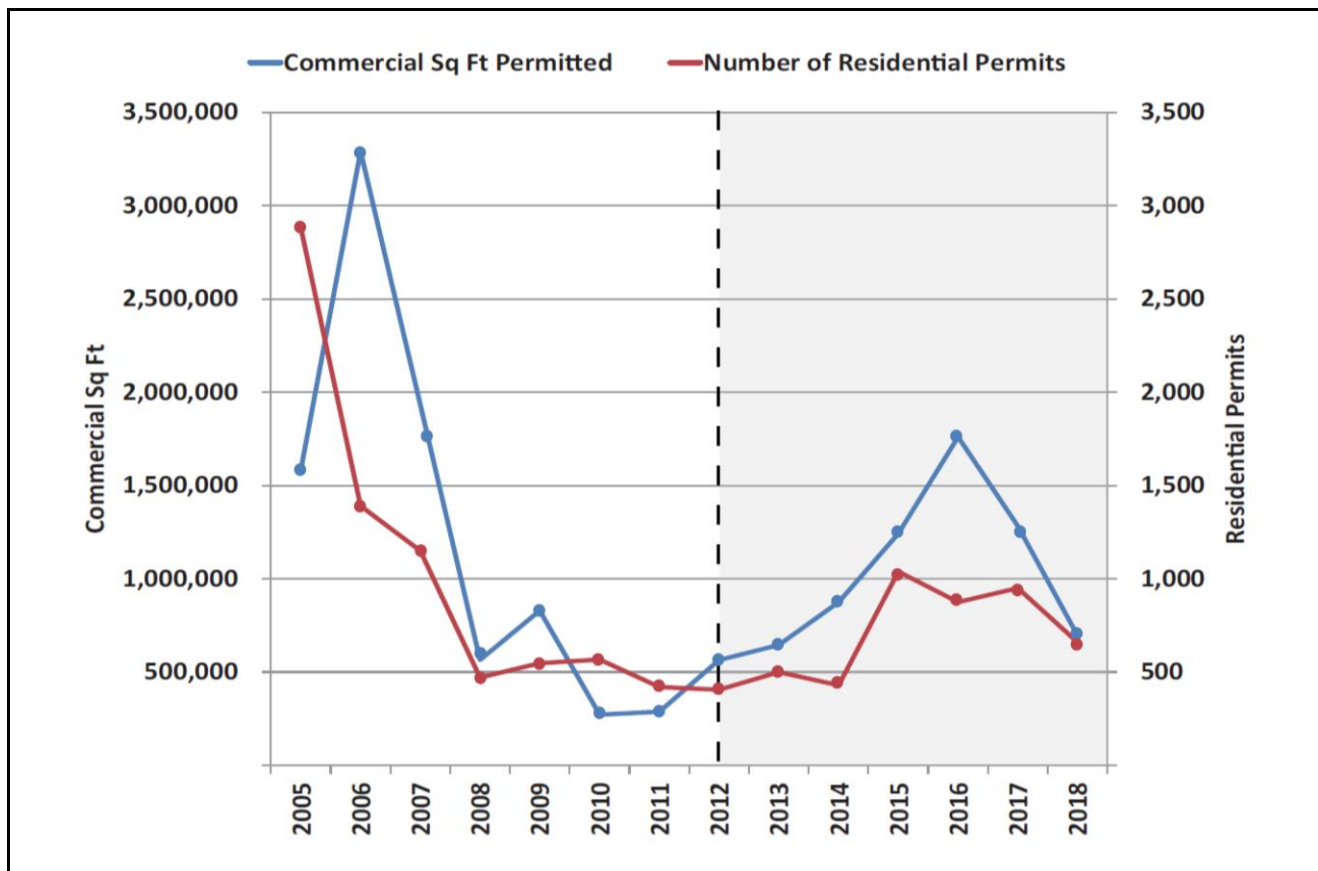

Per the *US Census Bureau for Construction Spending and 2018 Index of Economic and Community Progress*, building permits generally act as a leading indicator of economic activity, predicting the growth of construction jobs and the demand for raw materials in order to build residential and commercial units.

Approximately 684,000 square feet of new commercial space was permitted in fiscal year July 2017 to June 2018. There were also 659 residential building permits issued. Fairfield, Vacaville and the unincorporated Solano County is where 85.0% of commercial permits were pulled. Dixon, Fairfield and Vacaville are where 82% of new housing permits were pulled in FY2017/18 for Solano County.

Residential building permit data is a way to forecast an increase in housing units, construction activity around housing and subsequent impacts on the local economy. The amount of commercial space permitted is another indicator of future construction and business confidence in the regional economy, as employers build or occupy more space as the demand grows.

The chart below indicates that building permits for both residential and commercial space fell in volume in FY2017/18 when compared to the previous fiscal year. As rebuilding after the fires in Sonoma, Napa and Butte Counties continues, construction costs may rise and slow down permitting and building activity in Solano County – as construction resources, such a contractors and construction workers – focus on other parts of California for new housing units and commercial spaces.

2011 PUBLIC SAFETY REALIGNMENT AND ASSEMBLY BILL 109

Since the implementation of Assembly Bill 109 (AB 109) in October 2011, the Solano County jail population continues to fluctuate. As of March 2019, the County jail was housing 46 parole violators (known as 3056 PC), 56 Post Release Community Supervision (PRCS) violators and 65 locally sentenced offenders (known as 1170 offenders), making up approximately one-quarter or 23.7% of the jail population, which on March 1, 2019 was 705 inmates.

Prior to Public Safety Realignment, the County jail population consisted of individuals awaiting trial and inmates serving sentences of less than one year. Today, after realignment, convicted individuals are now serving sentences up to 10 years in local County jails rather than in State prisons.

To address the evolving inmate population because of realignment, the County is pursuing a two-pronged approach – increasing capacity within the jail system and incorporating training programs into the jails to provide offenders with skills to enhance their ability to successfully re-enter the community. Non-serious, non-violent, non-sex offenders have transitioned from supervision by State parole officers to County probation officers. While this shift did not increase the population of supervised offenders in Solano County, it shifted the supervising agency, leaving Counties to address supervision and recidivism.

PROP. 57 – PAROLE FOR NON-VIOLENT CRIMINALS AND JUVENILE COURT TRIAL REQUIREMENTS

The passing of Proposition 57 (Prop 57) on November 8, 2016 allows parole consideration for nonviolent felons, changes policy on juvenile prosecution in adult courts and authorizes sentence credits for rehabilitation, good behavior and education. Prop 57 also permits the parole board to release nonviolent prisoners once they have served the full sentence for their primary criminal offense. Previously, prisoners served extra time for sentence enhancements, such as those for repeat offenders. The Department of Corrections and Rehabilitation has proposed uniform parole rules that are not yet finalized.

Under Prop 57, several criteria must be considered by the courts before determining whether a minor should be prosecuted in the Juvenile or Adult Court, including the degree of criminal sophistication exhibited by the minor, whether the minor can be rehabilitated prior to the expiration of the juvenile court's jurisdiction, the minor's previous delinquent history, the success of previous attempts by the juvenile court to rehabilitate the minor and the circumstances and gravity of the offence alleged in the petition to have been committed by the minor.

The law does not seem to have had an effect on the Solano County jail population, as there have been approximately only ten transfer hearings and several concluded with the minor remaining in the juvenile court. All minors that are detained will be held in the Juvenile Hall and not the County jail. Since the burden is on the prosecution to prove to the Juvenile Court Judge that a minor cannot be adequately rehabilitated by the Juvenile Justice system, the District Attorney, Public Defender and Probation Departments are the most impacted, as juvenile transfer hearings involve a great deal of investigation and expertise.

Statistical Profile

SNAPSHOT – JAIL POPULATION TREND, OCTOBER 1, 2011 – MAY 6, 2019

Source: Solano County Sheriff's Office

The FY2019/20 Recommended Budget reflects a projected increase of approximately 17 inmates to the average daily jail population from FY2018/19. On October 1, 2011 – the day AB 109 went into effect – the Solano County 30-day average daily jail population was 772 inmates. As illustrated in the chart above, over the next eight and one-half years, the average daily jail population has grown and contracted several times. As of May 6, 2019, the latest date the data is available, the 30-day average jail population is 752 inmates. This is 20 fewer inmates on average than when AB 109 jail population data was first collected.

This decrease in the County's jail population over the past several years, (jail population peaking in 2016) can be attributed to many factors, including an increase in pre-trial releases; split sentencing by the Courts, reducing time served; implementation of the Humphrey Decision (January 2018), whereby judges must consider offender's ability to post bail and when appropriate, reduced bail amounts, bail alternatives and the reduction of leased jail beds (March 2018). Additionally, while the jail population has leveled off, the Sheriff has seen an increase in the number of inmates requiring Administrative Separation (AdSep). Inmates requiring AdSep are more prone to disrupt jail operations and are therefore placed in a cell by themselves – a cell that would normally house two inmates.
