

SUPERVISOR MONICA BROWN CORONAVIRUS UPDATE 20 (08/14/2020)

Hello Benicia, Fairfield and Vallejo,

Welcome to my most recent coronavirus update. Please don't hesitate to contact my office if I can be of assistance. I can be reached at 707-784-3031 or at mebrown@solanocounty.com.

I regret to inform you that we have seen more deaths from Covid-19 in Solano County. While the numbers have been consistent over the past couple of months, it is always extremely difficult to inform you that we have lost another member of our community to this disease. I dedicate this update to the memory of those we have lost since my last update.

Please remember to wear a mask, to avoid large gatherings, to wash your hands regularly and to follow all health and safety guidelines.

CORONAVIRUS SPENDING

The Board of Supervisors unanimously approved a spending plan for money the county has received from the CARES Act. We are limited in what we can use this money on, we must spend it by the end of the calendar year, and we are subject to strict reporting requirements. If any of the expenses are not approved by the federal government, the county will be forced to repay that money back out of the general fund.

For these reasons, the staff recommended, and the Board approved spending the money on allowable expenses and using vendors who are familiar with the required financial reporting. The spending plan will come back to the Board later.
