<p style="text-align: center;">STATEMENT OF CANDIDATE FOR UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3</p> <p>JOHN GARAMENDI Occupation: Congressman & Rancher</p> <p>Education and Qualifications: It's been a very difficult and tragic year, a year of anxiety and fear, a year of shutdowns and layoffs. The Covid-19 pandemic has shattered American life and for many their personal dreams of a good tomorrow. The very nature of our society and system of government, education and employment have been called into question.</p> <p>Since 1776 Americans have endured hardships and pulled together to renew, restart, and continue the promise of our democracy. Now is the test of our character, our courage, and our capacity to respond to the challenge. I find optimism in our nation's history of perseverance to find the light in the face of seemingly insurmountable despair.</p> <p>My greatest concern is the safety, health, and economic security of the people in my district. That is why I am proud to have voted for both the Cares Act and the Heroes Act, legislation that sent relief to millions of Americans. By following public health guidelines and working together we can get the infection rate down and have a reasonable chance of staying healthy, reopening businesses, and going back to work.</p> <p>It's an honor being your voice in Congress as we work together to put our economy back on track. Together we must fight for quality education and health care for everyone. We must protect our environment, tackle climate change, create good middle class jobs and assure opportunities for everyone.</p> <p>I thank you and express my sincere gratitude for your past support. I humbly ask for your vote.</p>	<p style="text-align: center;">DECLARACIÓN DEL CANDIDATO PARA REPRESENTANTE DEL CONGRESO DE LOS ESTADOS UNIDOS, DISTRITO 3</p> <p>JOHN GARAMENDI Ocupación: Congresista y Hacendado</p> <p>Educación y perfil profesional: Ha sido un año muy difícil y trágico; un año de ansiedad, miedo, cierres y despidos. La pandemia de la Covid-19 ha destruido la vida de Estados Unidos y en el caso de muchos, sus sueños personales de un mejor futuro. Se ha puesto en duda la naturaleza misma de nuestra sociedad y sistemas de gobierno, educación y empleo.</p> <p>Desde 1776, los estadounidenses han superado dificultades y han unido esfuerzos para renovar, reiniciar y continuar con la promesa de nuestra democracia. Estamos viviendo una prueba para nuestro carácter, nuestra valentía y nuestra capacidad para responder ante los desafíos. Encuentro el optimismo en la historia de perseverancia de nuestra nación para encontrar la luz ante la aparentemente insuperable desesperanza.</p> <p>Mi mayor preocupación es la seguridad, salud y seguridad económica de las personas de mi distrito. Es por eso que me enorgullezco de haber votado tanto por la Ley Cares y la Ley Heroes que brindan asistencia a millones de estadounidenses. Cumpliendo con las normas de salud pública y trabajando en conjunto podemos disminuir la tasa de infección y tener la posibilidad razonable de mantenernos saludables, abrir nuevamente los comercios y volver a trabajar.</p> <p>Es un honor ser su voz en el Congreso mientras trabajamos juntos para retomar el buen camino de nuestra economía. Juntos podemos luchar por una educación de calidad y cuidados de la salud para todos. Debemos proteger nuestro ambiente, enfrentar el cambio climático, crear buenos empleos para la clase media y garantizar oportunidades para todos.</p> <p>Le agradezco sinceramente su apoyo en el pasado. Respetuosamente le pido su voto.</p>
<p style="text-align: center;">STATEMENT OF CANDIDATE FOR UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 3</p> <p>TAMIKA HAMILTON AGE: 35 Occupation: Air Force Sergeant</p> <p>Education and Qualifications: I'm a veteran of the United States Air Force and proud mother. I take pride in serving my country and community. I'm passionate about restoring the hope of the American dream to our neighborhoods and securing the future for the next generation.</p> <p>We need new representatives in Congress if we're going to secure that future – representatives who understand government exists to serve the whole community, not just the politically connected. As your representative in Congress, I promise to rise above the partisan rhetoric and empty battles that only end up hurting underserved communities and the very people government is supposed to protect.</p> <p>Our farmers, small business owners, veterans and residents deserve the simple assurance of knowing they're fairly represented and that their needs come first. As your Congresswoman, I'll fight to ensure our farmers have access to water resources and to make sure government respects hardworking taxpayers by protecting free enterprise and keeping tax rates low, stable, and fair.</p> <p>As a working woman and mother of four, I know all too well the struggles women face professionally – it's time to implement paid family leave at the federal level. I will work to get that done. To make sure underserved communities have access to opportunities, I'll work with the federal government to expand opportunity zones to working-class areas of our district.</p> <p>You can count on me to complete the mission. I humbly ask for your trust and your vote. For more info visit VoteTamika.com.</p>	<p style="text-align: center;">DECLARACIÓN DEL CANDIDATO PARA REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 3</p> <p>TAMIKA HAMILTON EDAD: 35 Ocupación: Sargento de la Fuerza Aérea</p> <p>Educación y perfil profesional: Soy una veterana de la Fuerza Aérea de los Estados Unidos y una madre orgullosa. Me enorgullece servir a mi país y a mi comunidad. Me apasiona restaurar la esperanza del Sueño Americano en nuestros vecindarios y asegurar el futuro para la próxima generación.</p> <p>Necesitamos nuevos representantes en el Congreso si queremos asegurar ese futuro, representantes que entiendan que el gobierno existe para servir a toda la comunidad, no solo a quienes están conectados políticamente. Como su representante en el Congreso, prometo superar la retórica partidista y las batallas vacías que solo terminan perjudicando a las comunidades desatendidas y a las mismas personas que se supone que el gobierno debe proteger.</p> <p>Nuestros agricultores, pequeños propietarios de negocios, veteranos y residentes merecen la seguridad de saber que están representados de manera justa y que sus necesidades son lo primero. Como su congresista, lucharé para asegurar que nuestros agricultores tengan acceso a los recursos hídricos y para asegurarme de que el gobierno respete a los contribuyentes trabajadores protegiendo la libre empresa y manteniendo las tasas impositivas bajas, estables y justas.</p> <p>Como mujer trabajadora y madre de cuatro hijos, conozco muy bien las luchas que enfrentan las mujeres profesionalmente; es hora de implementar la licencia familiar remunerada a nivel federal. Trabajaré para lograrlo. Para asegurarme de que las comunidades desatendidas tengan acceso a oportunidades, trabajaré con el gobierno federal para expandir las zonas de oportunidad a las áreas de clase trabajadora de nuestro distrito.</p> <p>Pueden contar conmigo para cumplir la misión. Les pido humildemente su confianza y su voto. Para obtener más información, visite VoteTamika.com.</p>

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

CARLOS SANTAMARIA

Occupation: Business Owner/Consultant

Education and Qualifications: As a Californian native working and having my own successful business, I pledge to RESPONSIBLY represent the people and businesses of District 3 as your next State Senator.

My mission is to help reshape the state legislature to serve the people, pass responsible, fair laws, and protect our civil liberties.

Having worked in the private sector for both small and large companies for most of my career in many leadership roles, I know first-hand what it takes to solve problems, work with individuals from all walks of life, and lead people successfully.

I understand the challenges that Americans experience everyday as I have worked in the private sector and as a business owner for over 30 years. My area of expertise is in high- performance buildings and workforce development in career technical education, developing training programs that provide career and job opportunities. These much-needed jobs will improve our economy in District 3 and in California.

Our legislators are not focusing on jobs, I am committed to expanding workforce development training with addressing the homelessness with creating new and emerging private partnership job opportunities.

I am Pro 2nd Amendment, Pro-Life, Pro-Freedom of Religion, Support Law Enforcement, Pro-Business, Love our Great Country and State, and: "I Believe in California"

As your next State Senator, I promise to improve the economy and protect and fight for our God given rights.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 4**

CECILIA AGUIAR CURRY

Occupation: Assemblymember/Farmer

Education and Qualifications: Our communities have faced many challenges, but the unprecedented healthcare and economic impacts of the pandemic have left many residents anxious and confused. My staff and I are working 24/7 to help.

Our economy has been hit hard, but reserves built up through prudent fiscal management have allowed legislators to provide vital emergency funding for health care services and direct payments to residents and businesses.

After a tough budget fight, we protected many important priorities: schools; access to healthcare for all; direct financial aid to families, workers, and businesses; and support for seniors and those hardest hit by coronavirus.

Unfortunately, the effects of the pandemic are not over. Saving lives and livelihoods will require a steady hand, common sense, and a commitment to our core values and principles. Meanwhile, challenges we face every year – wildfires, drought, a lack of healthcare access in poor and rural communities, homelessness, poverty and income inequity – demand hard work and collaboration.

I will continue to: work with state and local leaders to ensure healthcare providers have the resources they need; support public education and working families, women and children; fight for our district in a time of scarce resources; protect agriculture and the environment; push for reliable broadband service - so crucial in times like these – in all communities; and assure equal opportunity for every Californian.

Our office is working closely with city, county and state agencies to help residents and businesses. For updated information or assistance, go to www.CeciliaforAssembly.com.

CECILIA AGUIAR CURRY

Ocupación: Miembro de la Asamblea/Agricultora

Educación y perfil profesional: Nuestras comunidades han enfrentado muchos desafíos, pero el impacto económico y de salud sin precedentes de la pandemia han dejado a muchos residentes ansiosos y confundidos. Mi equipo y yo trabajamos las 24 horas al día, los 7 días de la semana para ayudar.

Nuestra economía se ha visto muy afectada, pero las reservas acumuladas a través de una gestión fiscal prudente han permitido a los legisladores proporcionar fondos de emergencia vitales para los servicios de atención médica y pagos directos a residentes y negocios.

Después de una dura lucha presupuestaria, hemos protegido muchas prioridades importantes: escuelas; acceso a la salud para todos; ayuda financiera directa a familias, trabajadores y negocios; así como el apoyo para las personas mayores y para los más afectados por el coronavirus.

Desafortunadamente, los efectos de la pandemia no han terminado. Salvar las vidas y sus sustentos requerirá una mano firme, sentido común y un compromiso con nuestros valores y principios fundamentales. Mientras tanto, los desafíos que enfrentamos cada año (incendios forestales, sequías, falta de acceso a la atención médica en comunidades pobres y rurales, sinhogarismo, pobreza y desigualdad de ingresos) exigen esfuerzo y colaboración.

Seguiré: trabajando con los líderes estatales y locales para garantizar que los proveedores de cuidados de la salud tengan los recursos que necesiten; apoyando la educación pública y las familias trabajadoras, así como mujeres y niños; luchando por nuestro distrito en una época de escasos recursos; protegiendo la agricultura y el medio ambiente; impulsando un servicio de banda ancha confiable, tan crucial en tiempos como estos y en todas las comunidades; y asegurando la igualdad de oportunidades para todos los californianos.

Nuestra oficina trabaja en colaboración estrecha con las agencias de la ciudad, el condado y el estado para ayudar a los residentes y a los negocios. Para obtener información actualizada o asistencia, visite www.CeciliaforAssembly.com.

CATHERINE C FROST

Occupation: Retired College Administrator

I am a retired community college administrator and Solano College Alumni with over 32 years of leadership experience, including 18 years at Solano Community College. I am an advocate for students and have a demonstrated reputation for putting students first. As a champion for social justice, I have shown my support on many occasions using my privilege and position at the college to protect Black and Brown students' rights. I believe we need to address the institutional and systemic racism that exists in all organizations. I promise to keep equity in every conversation and lead by example. I am not afraid to speak up for what is right. Solano College is my home. I promise to provide access and support to any student who wants to further their education which will guarantee success in life. <p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF THE GOVERNING BOARD Dixon Unified School District 4 Year Term</p> <p>DAVID J. BOWEN III AGE: 31 Occupation: Educator</p> <p>Education and Qualifications: I've spent a decade working in high schools in Solano County with socioeconomically disadvantaged students as a math teacher. I will always prioritize students' needs and assist teachers in accomplishing what they need.</p> <p>I will listen to the community that elects me and incorporate your concerns in order to promote unity which will enable us to move forward together.</p> <p>My plan will require District management to create a comprehensive plan to increase Average Daily Attendance (ADA), which is the funding source for California schools. Annual budget cuts have been unnecessarily made in Dixon, without any plan to improve. This plan will: recruit students from new developments; fund programs that make Dixon unique and attractive to attend, such as competitive athletics teams and the Farm Tech program at DHS; and integrate the seasonal farming families with English-language support for all generations so they will consistently attend our schools.</p> <p>I will not accept the status quo and I will challenge the authorities that want things to continue to spiral negatively, specifically with mismanagement of the budget and a lack of attention to physical maintenance of the school's properties.</p> <p>As my slogan says, I am an "Experienced Educator with a Fresh Perspective."</p>	<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF THE GOVERNING BOARD Dixon Unified School District 4 Year Term</p> <p>MELISSA MASEDA Occupation: Incumbent</p> <p>Education and Qualifications: In the past five years on the DUSD Governing Board, I've increased fiscal responsibility and transparency for taxpayers. I regularly walked the middle school and school farm construction sites to ensure that the projects were completed correctly and to protect the voter's financial investment in our schools. I've been a leader in the overhaul of our special education department; my efforts have resulted in greatly improved services and supports to students with special needs.</p> <p>As a parent of four students and active community member, I'm passionate about the education of all students and know the work we do paves the path of success for students. I've shown appreciation and recognition for the District's hard working educators and support staff by personally seeking donations from the community and by approving salary increases as the budget allows.</p> <p>I continue to volunteer in Dixon schools and at many other community functions. My dedication and hard work has made DUSD a better place for students and the employees.</p>

<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF THE CITY COUNCIL MAYOR City of Dixon</p> <p>TED HICKMAN Occupation: Businessman/Realtor/Ranch Owner</p> <p>Education and Qualifications: I am a veteran who truly believes in truth, justice, family values and the American Way.</p> <p>We have spent the last 53 years working to make this community the best it can be.</p> <p>I have headed most charities and served four (4-year) elected terms on the city council in four different decades. I have more experience than all of the other candidates combined.</p> <p>I'm known as a straight shooter and don't really believe in today's violation of the first amendment and "political correctness."</p> <p>I strongly support the second amendment and take the oath of office "to defend constitution of the United States and the State of California against all enemies, foreign and domestic" ...which I will do.</p> <p>I have led by example and taken stands both popular and unpopular based on what I feel is the right thing to do. My word is my bond.</p> <p>I am not in favor of unlimited growth without schools, lighting and landscape districts that pay their own way. A couple of thousand houses built in fairly short order is just too much and spits in the face of "Measure B," a growth control measure passed by Dixon voters.</p>	<p style="text-align: center;">DECLARACIÓN DEL CANDIDATO PARA MIEMBRO DEL CONCEJO MUNICIPAL ALCALDE Ciudad de Dixon</p> <p>TED HICKMAN Ocupación: Hombre de Negocios/Corredor de Bienes Raíces/Propietario de Rancho</p> <p>Educación y perfil profesional: Soy un veterano que realmente cree en la verdad, la justicia, los valores familiares y el Estilo Americano.</p> <p>Hemos pasado los últimos 53 años trabajando para lograr que esta comunidad sea lo mejor posible.</p> <p>He encabezado la mayoría de la organizaciones benéficas y he servido por cuatro mandatos electos (4 años) en el concejo municipal en cuatro décadas diferentes. Mi palabra es mi compromiso.</p> <p>No estoy a favor de un crecimiento ilimitado sin escuelas y distritos con iluminación y paisajes que no se encarguen de sus propios gastos. Un par de miles de casas construidas en relativamente poco tiempo es demasiado y escupe de frente a la "Iniciativa de Ley B", la cual es una iniciativa de ley de control del crecimiento aprobada por los votantes de Dixon.</p>

MEASURE S

DIXON WATER RATE REPEAL INITIATIVE	
Shall the measure adopting an ordinance that amends the City of Dixon's water charges to repeal those charges established on January 22, 2019 by Resolution 19-010 and replace them with the water charges collected by the City of Dixon in effect on January 1, 2019 be adopted?	YES
	NO

**IMPARTIAL ANALYSIS OF MEASURE S
DIXON WATER RATE REPEAL INITIATIVE**

Measure S, if approved by a majority of voters, would repeal current water rates which took effect April 1, 2019. The Measure would reestablish the rates that were in effect prior to April 1, 2019, until such time as the Dixon City Council undertakes a new rate setting process. Measure S was placed on the ballot by voter initiative.

In 2014, the City of Dixon ("City") assumed ownership, operation, and maintenance of one (1) of the two (2) water systems serving the City. As a condition of the permit to operate the water system, the State Water Resources Control Board directed the City to complete a water rate study to determine the proper cost of service based on the infrastructure, operating, and maintenance needs of the water system.

The City hired a consultant to study the water system and to compose a five-year rate schedule based on the needs of the water system, as documented in the Water System Master Plan and Strategic Asset Management Plan. The City then hired a separate consultant to develop a rate study which identified operating expenses, infrastructure upgrades, and financial obligations for the water system. Based on the results of the rate study, the consultant found existing rates did not adequately fund the infrastructure, operating, and maintenance needs of the water system. The City accepted the results of the rate study and commenced proceedings to adopt a new rate schedule.

Prior to increasing water rates, state law requires that the City first provide customers an opportunity to submit written protests at a public hearing. On January 22, 2019, the City held a noticed public hearing to receive protest votes against the proposed rate increase. The City did not receive a majority protest vote and the City Council proceeded to adopt the new rate schedule as set forth in Resolution 19-010. The new rate schedule went into effect April 1, 2019, providing for a series of rate increases through 2022.

Measure S would repeal current water rates and would reinstitute the rates in effect prior to April 1, 2019. The Measure would also direct the Dixon City Council to propose a different rate schedule and to conduct a new rate setting process. Repealing current water rates, and reinstating prior rates, would also delay City efforts currently underway to address the operating and infrastructure needs identified in the consultant's rate study.

A "Yes" vote on Measure S repeals existing water rates, reinstates the rates in effect prior to April 1, 2019, and directs the City to conduct a new rate setting process.

A "No" vote on Measure S maintains the existing water rates, which became effective April 1, 2019.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT IN FAVOR OF MEASURE S

Vote YES on Measure S to OVERTURN the City Council's 300% water rate increase!

Your water rate has already gone up 80% last year and 50% this year. AND will go up 20% in 2021 and 7% in 2022. ARE YOU PAYING ENOUGH??

City Hall demands that we pay for a totally new water system because some parts of the system are due for maintenance. That's like demanding that we buy a new car because it needs an oil change.

Measure S will LOWER future water bills to help Dixon's families.

Measure S will restore the PEOPLE'S VOICE at City Hall. City leaders refused to listen to your concerns or responded to inquiries and they raised your water rates – without your consent using questionable practices during the Prop 218 protest process.

Passage of Measure S will hold them accountable.

City leaders did not justify why the three wells need to be replaced, including providing the results of any downhole video inspections and engineering assessments. They did not even explain why well rehabilitation measures, such as swaging, lining, hydraulic and chemical treatment, pump modification, or the use of in-well sand separators cannot be used to extend the service life of the wells in a cost-effective manner.

Properly designed and maintained municipal supply wells can be reasonably expected to last much longer than the three wells identified by the City, not by the hired consultant.

Now, more than ever, with the COVID pandemic and the massive economic strain it has placed on many Dixon families and seniors, the Council should be acting in a compassionate, competent, responsive, and accountable manner. Unfortunately, the Council has chosen not to do their job.

The people of Dixon deserve better – not higher water bills.

Vote YES to Pay Less.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE S

Vote No on Measure S. Dixon residents deserve clean, safe, and reliable water.

We can't continue patching up our outdated, aging water system just to keep rates the same. We are now facing the consequences of underfunding important improvements to the water system for many years. Lowering water bills won't help Dixon families in the long run, it only delays the inevitable.

We cannot kick the can down the road any longer. Short-term savings only means higher long-term costs. The City hired independent professionals to look at all options. The rates were designed to ensure the City's water customers receive uncontaminated water for their homes and businesses.

From the beginning, we held many public study sessions discussing water system plans. Customers had the opportunity to vote against the increases. We heard residents loud and clear: Dixon residents want safe and reliable water.

In the end, ratepayers deserve more than crumbling outdated wells that have reached their useful life. Times are challenging, but rolling back rates will not keep our water system running.

For safe and reliable water, please vote NO on Measure S.

**ARGUMENT AGAINST MEASURE S
(REPEAL OF WATER RATE INCREASE)**

A “No” vote will uphold the City’s decision to increase water rates for critical repairs and improvements to the water system. Clean water is critical to the quality of life of our residents and reliable water service is essential. We cannot afford to jeopardize the City’s water system. The existing water rates are necessary to provide safe, uncontaminated, and reliable water service. Please vote “No” on Measure S.

In 2019, the Dixon City Council approved water rate increases through 2022. The City’s wells, pumps, storage tanks, and pipes need maintenance and important upgrades so the City can deliver clean, safe, and reliable water to residents. We also need regular safety testing, adequate staffing for responsive customer service, and strong water pressure for our fire department when fires occur. The old rates no longer cover these costs.

The water rates are an investment in Dixon’s future. The new rates began in April 2019, and the largest increases have already occurred. All payments go directly toward maintaining and operating the water system. Under state law, the City cannot charge above the cost of providing service and must justify all expenses.

The legality of rolling back water rates is currently being challenged in the courts. Rolling back rates threatens water quality and dependable water service, which are essential government functions. Backtracking now would jeopardize the progress made in securing our water system. If Measure S passes, the City will have to impose the old water rates and begin the rate setting process again. This means added costs and potentially unstable and unreliable water service. Let’s move forward, not backward.

A “No” vote on Measure S means clean water and dependable service for the long haul.

A “Yes” vote on Measure S means more delay, added costs, and a less secure water system.

REBUTTAL TO THE ARGUMENT AGAINST MEASURE S

When those in authority cannot convince people to do as they are told, they resort to “SCARE TACTICS”

They imposed this huge water rate increase on you, but they don’t even live in the Water District. They will not be paying these high rates.

Instead of providing answers to basic fiscal and engineering questions, the City Council is trying to terrify you about “water quality and dependable water service.” SHAME ON THEM.

The City Council has not provided adequate oversight of the city water system and, has not answered critical ratepayer questions about these huge rate increases.

Nowhere in the report by the Consultant hired by the City does it state that the three newer wells need to be replaced.

A YES vote forces the City to manage our water system in a professional, competent, responsive, and safe manner.

Prior to this huge water rate increase your MONTHLY meter charge, for a 3/4 inch meter (residential), was \$14.34. It went up to \$25.36 in 2019; Up to \$37.88 in 2020; with future increases up to \$45.46 in 2021 and up to \$48.65 in 2022.

AND your monthly water consumption cost increased too! Prior to the increase you were paying \$0.61-\$1.16 per cubic foot depending on the amount of water you used.

In 2019 it went UP to \$1.34/cf; in 2020 UP to \$2.02/cf; and will go UP to \$2.42 in 2021 and UP to \$2.59 in 2022.

Make them do their job!

MEASURE T

DIXON ELECTED CITY CLERK INITIATIVE	
Shall the measure adopting an ordinance that changes the office of the City Clerk from an appointed position to an elected position be adopted?	YES
	NO

**DIXON ELECTED CITY CLERK INITIATIVE
IMPARTIAL ANALYSIS OF MEASURE T**

Measure T asks Dixon voters whether the office of City Clerk for the City of Dixon (“City”) should be an elected rather than an appointed position. Measure T was placed on the ballot by a petition signed by the requisite number of voters.

State law requires general law cities, such as the City, to have a City Clerk. A City Clerk may be appointed or elected. A majority of California cities have an appointed City Clerk. City Clerks are elected offices under state law unless city voters elect to turn the City Clerk office into an appointed position. Dixon voters made the office of the City Clerk an appointed position in 1950. The Dixon Municipal Code authorizes the City Manager to appoint the City Clerk subject to ratification by the City Council. The current City Clerk is appointed and a full-time employee with the City.

State law establishes the basic functions and duties of the City Clerk. The City Clerk administers local processes and municipal services such as elections and access to City records, ensuring that all local legislative action is properly executed, recorded, and archived. The City Clerk prepares the meeting agendas and minutes for City Council meetings as well as for other City committees and commissions, verifies legal notices have been posted or published, accepts service of claims, lawsuits and official documents on behalf of the City, manages compliance with California conflict of interest filings regulations, and performs other duties required by law.

The City has established minimum training and experience requirements to ensure that the City Clerk can perform the duties of the position. The City Manager can appoint the best qualified individual regardless of that person’s place of residence. The City Manager also conducts annual performance reviews of the City Clerk and can terminate the City Clerk at any time for unsatisfactory performance.

If Measure T passes, the City will lose the ability to establish minimum City Clerk training and experience requirements and

will not be able to terminate the City Clerk for unsatisfactory performance. An elected City Clerk can only be removed at a general election or by recall. The only requirements for an elected City Clerk position are to be at least 18 years of age, be a registered voter of the City, and be a resident of the City.

If Dixon voters approve Measure T, Measure T will require the City Council to incur the costs of a special election for the election of a new City Clerk. The City Clerk elected at the special election will serve until the City’s next general election on November 8, 2022. Subsequently, the City Clerk will be elected every 4 years. The City will bear the costs of all subsequent elections to elect the City Clerk.

A “YES” vote on Measure T will convert the office of the City Clerk to an elected position.

A “NO” vote on Measure T will leave the City Clerk as an appointed position.

THE PEOPLE OF THE CITY OF DIXON DO ORDAIN AS FOLLOWS:

SECTION I: The Measure adopted at Municipal General Election held on April 11, 1950, by which the City Council shall appoint the City Clerk, is repealed.

SECTION II: Following the adoption of this Measure, the City Council shall call a special election, which may be consolidated with any other election as provided by law, to fill the office of City Clerk until the next succeeding regular Municipal General Election.

SECTION III: At the next succeeding regular Municipal General Election referenced in Section 2 of this Measure, the election for City Clerk shall be for a full four year term of office. The election of the City Clerk shall be held every four years thereafter at the time of the General Municipal election, as provided by law.

SECTION IV: Each provision of the ordinance is severable, and the invalidity of any section or part shall not affect the validity of its other provisions.

ARGUMENT IN FAVOR OF MEASURE T

YES on MEASURE T means that all of the VOTERS will ELECT the City Clerk, unlike our city council members who are elected by districts. A Yes vote will REQUIRE that this important public officer LIVE IN DIXON and be a FULL member of our community.

An appointed City Clerk does not have to live or pay taxes in Dixon.

In California, ALL City Clerks, whether elected or appointed, are offered the same professional training to become a Certified Municipal Clerk.

The current appointment process has been a DISASTER. It requires the City Clerk to serve at the pleasure of the UN-ELECTED City Manager. This has resulted in the FAILURE of the Office of the City Clerk to follow State Law, such as to guard against the disclosure of the identity of voters who petition for initiative and referendum.

Since 2010 the City Clerk's office has been a revolving door of short term, out-of-town, excessively paid persons who were under the thumb of the City Manager. One was the spouse of a partner of the City Attorney's law firm. Another was a resident of Southern California hired only to "manage" the water rate Proposition 218 protests. Others lasted only until they could acquire a letter of recommendation and be hired elsewhere.

70 years ago, by a vote of 125 to 84, Dixon allowed for the appointment of the city clerk. Now, Dixon has a much bigger population and city government; and a bigger need to guard against public corruption.

By voting YES you require that the City Clerk LIVE in Dixon and be an INDEPENDENT public servant interested serving ALL RESIDENTS while performing the important work of the office without fear or favor.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE T

DON'T BE FOOLED INTO BELIEVING DIXON NOW MUST HAVE AN ELECTED CITY CLERK AFTER 70 YEARS OR THAT AN ELECTED CITY CLERK WILL DO A BETTER JOB.

Electing someone only ensures that the person is at least 18 years old and lives in Dixon. An elected City Clerk will likely have **NO** FORMAL TRAINING AND **NO** EXPERIENCE AS A CITY CLERK. The current APPOINTED City Clerk, who grew up and lives in Dixon, has completed the professional training and has 17 years of experience as a Dixon City Clerk's office employee.

Even if Dixon had an elected City Clerk, the City must still have a full time employee, like our current appointed Clerk, available day-to-day to make sure all of the complex, time sensitive administrative tasks of the City Clerk's Office are completed in a timely manner.

Even if Dixon had an elected City Clerk, there is no way to ensure that the inexperienced, untrained elected Clerk would not make errors. There is also no guarantee they would take 3 years of necessary training to become a Certified Municipal Clerk. If the elected City Clerk is incompetent, there are only two options to remove them: wait up to 4 years until the next election or hold a costly recall election.

Those signing this statement share the concern about the need for continuity in the City Clerk position. We do not believe politicizing the office to elect the City Clerk is the solution.

ARGUMENT AGAINST MEASURE T

All California cities must have a City Clerk. In 1950, Dixon voters wisely recognized the benefits of an “appointed” City Clerk and voted to no longer have an elected City Clerk.

The City Clerk’s job requires specialized professional training and keeping up with law changes is critical. The City Clerk is responsible for understanding and implementing State Laws relating to the Public Records Act, Brown Act, Maddy Act, Conflict of Interest and Campaign Law under the Political Reform Act and the Fair Political Practices Commission, Election Law, amongst others.

The City Clerk must be an experienced Elections Official who conducts the Municipal Elections for Mayor, City Council and for Initiative, Referendum and Recall petitions. In addition, the City Clerk is the custodian of City records, including City Council and Commission minutes, ordinances, resolutions, agreements, contracts, bonds and deeds. The City Clerk may also be responsible for supervision of staff.

It is unreasonable to expect an elected City Clerk to have or be able to quickly obtain the specialized professional skills and training necessary to do the technical job of City Clerk. Furthermore, an elected City Clerk may be unable to or be unwilling to spend the number of hours necessary to properly perform all the important duties of an effective City Clerk. Unlike an appointed City Clerk, an elected City Clerk can only be removed from office by not being re-elected every 4 years or be recalled from office by Dixon voters.

In the history of 70 years with Dixon’s appointed City Clerks, except for a few years, only 8 people have held the permanent position of appointed City Clerk. The current appointed City Clerk is a very capable 17 year City employee and a lifetime Dixon resident.

REBUTTAL TO ARGUMENT AGAINST MEASURE T

The opponents of Measure T do not understand that the current appointment process is a Failure. It also undermines public confidence in Dixon city government.

In the last FOUR (4) years there have been no less than EIGHT (8) persons appointed to fill the office of City Clerk.

Currently, the City Clerk is only responsible to the unelected City Manager and not the residents of Dixon.

By Ordinance, while the City Manager appoints and sets the salary of the City Clerk subject to ratification by the council, the unelected City Manager may fire the City Clerk at any time, for any reason, without city council approval.

Because the City Manager is authorized by the council to review the performance of the City Clerk, as well as to impose any additional duties and responsibilities on the City Clerk, this important PUBLIC office is totally controlled by the unelected City Manager..

This conflicts with the duties of the City Clerk to guard the rights of residents against retaliation from City officials. In fact just last year the unelected City Manager appointed the “Assistant City Manager” to be the “temporary” City Clerk.

An elected City Clerk will allow the city clerk to perform the duties of office without interference by others in City Hall, and without the fear that she may be terminated at any time.

The current appointment process by the City Manager is a Failure!
Let the Voters elect the City Clerk!
