**Mental Health Advisory Board Members Present:** Monica Brown (Supervisor), Denise Coleman, Daniel Cotton, Jules D. Hatchett, Rachelle Jackson, Heather Theaux-Venezio (Chair) and Michael Wright.

**Behavioral Health Services Staff Present:** Tracy Lacey, Sr. Mental Health Mgr. and Sandra Sinz, LCSW, Behavioral Health Director.

	DISCUSSION & ACTION ITEMS		
l.	CALL TO ORDER/ROLL CALL The meeting was called to order by Heather Theaux-Venezio at 4:33 pm. A quorum was attained.		
II.	ITEMS FROM THE PUBLIC There were no items from the Public on matters not listed on the Agenda.		
III.	APPROVAL OF SEPTEMBER 15, 2020 MINUTES Heather Theaux-Venezio motioned to approve the September 15, 220 Minutes. The motion was properly moved by Monica Brown and seconded by Michael Wright. The motion carried with a vote of 7 in favor and 0 against.		
IV.	APPROVAL OF OCTOBER 20, 2020 AGENDA Heather Theaux-Venezio motioned to approve the October 20, 2020 Agenda. The motion was properly moved by Monica Brown and seconded by Jules D. Hatchett. The motion carried with a vote of 7 in favor and 0 against.		
V.	SCHEDULED CALENDAR  1. Routine Business  a. Laura's Law Assisted Outpatient Treatment (AOT) Referrals Sandra Sinz provided an update on referrals, including two court order cases. b. MH Related Legislation Sandra Sinz provided brief update on mental health related legislation, including SB803 bill. Refer to written Memo.  Sandra will add AOT as agenda item to Board of Supervisors meetings in June. c. LPS/PES Meeting Discussion Heather Theaux-Venezio gave an update about the last LPS/PES meeting. Said there were good discussions. She also wanted to recognize Dr. King for her work in providing services to the homeless population within Fairfield. These services will be extended in Vallejo and Vacaville in near future. The other hot topic was whether restricting person on a 5150 from using their phones due to a few incidents that created unsafe situations when a client made arrangements by phone to elope.		
	New Business     a. Beacon Referral Process		

	<ul> <li>We have identified an issue with Beacon training and responsiveness and are working closely with Partnership who oversees Beacon to troubleshoot.</li> <li>Rachelle Jackson said that the Beacon line is cumbersome, not only for mental health but also for medical practitioners and would like to ask for them to streamline and make it less cumbersome.</li> <li>Dr. King said that she has had some issues when trying to step down clients. Sandra Sinz said there will be a Clinician assigned to directly facilitate all stepdowns in the future.</li> <li>b. Outreach for Clients at Risk of Being Homeless – Dr. Michelle R. King Dr. King expressed concern for clients that are currently not homeless but may be at risk of being homeless and asked for assistance with this matter. Supervisor Brown recommended that she speak Daniel Delmonte.</li> <li>c. RE: Monthly report of significant issues – Revised

1. FY20/21 Budget was approved by the BOS in September, based upon new numbers as a result of the impact of COVID on revenues.

High level budget document is attached. The budget required almost \$6M in cuts in order to balance to expected revenue.

- 1) The division's service delivery will be challenged by position freezes this year. Part of how we balanced the budget included \$3.7M in salary savings, which translates to freezing positions. Historically we have included salary savings in the budget, but that has been part of the natural course of employee turnover and time that a position is spent vacant. This is the first time in years that we are required to not fill positions in order to achieve salary savings. Currently we have 34 vacancies (this changes at any given point in time with staff departures and/or hiring). Of the vacant positions, 21 are considered "frozen." The positions that will be filled are primarily funded by MHSA; the division will be filling 5 clinician vacancies. We have only hired on two new staff in the last few months.
- 2) Contracts were reduced by \$4.8M due to reductions in 1991 and 2011 Realignment:

Contract Bureau	Reduction
Child	\$447,832
Adult Inpatient	\$1,492,587
Adult Placements	\$2,298,840
Adult IMD (locked)	\$594,858
<b>Total Contract Reductions</b>	\$4,834,117

- 3) 11 positions were transitioned to MHSA funding. No MHSA contracts were reduced but this may need to happen next FY or the FY after, at the latest, as we are currently budgeted to spend more than the annual allocation (spending roll-over funds which will eventually deplete).
- 2. **Mobile Crisis program is planned for January 4 launch.** The project was awarded to Uplift Family Services through a competitive RFP process and is in the process of contract negotiations. Launch will begin in Fairfield/Suisun. The services are currently planned for 10am-10pm (this may be adjusted based upon stakeholder input.) After the first 2-3 months, a new jurisdiction

will be added every 1-2 months. It will be important to develop specific relationships with the law enforcement in each jurisdiction, so this will be done in a coordinated, planful manner. Law enforcement is anxious for the program to begin and are encouraging similar processes across agencies to promote a smoother and faster roll-out. The County will support development of these relationships (and MOUs) as well as connections to the CSU and local hospitals. Over the next few months there will be various meetings with these stakeholders to obtain input on program development prior to the implementation as well as throughout the early phases of implementation. An additional factor will be the speed at which the contractor can hire and train staff; this is niche clinical work that is challenging to recruit for, especially when also seeking a swing shift.

- 3. Behavioral Health Staff were actively involved in LNU Lightning Fire response and recovery. We worked the Emergency Operations Center and the Local Assistance Center. We also prepared to open a mutual aid shelter at the Solano Community College in mutual aid for Napa County; this ended up not being necessary. However, we provided 2 MH staff for a day to Napa while they awaited additional mutual aid staff from Kern to come to assist.
- 4. **Department State Hospital Felony Diversion allocation** We are in the process of engaging in this contract with DSH. This will bring \$3.2M in funding to treat felony diversion clients who are at risk of being found incompetent to stand trial. We are creating a small Caminar program as well as serving these clients through other programs, both locked and unlocked, as long as the locked program is not a State Hospital. We are expected to serve 23 clients by June 2020. Given the number of diversion referrals that we receive, we will not have a problem achieving this goal.
- 5. **Beck Board and Care project** Project design is underway. This is largely in the hands of General Services, with BH input, at this phase of the project.
- 6. **Laura's Law AOT** There were two referrals made in September and one so far in October. All were made by immediate family. Since the inception of the program, 36 referrals have been received and two cases were taken to court. We need to bring this topic to the BOS in early January for the BOS to approve continuing AOT in Solano County.
- 7. **Diversion Referrals** In August and September, there were 11 new referrals for Diversion as well as 13 referrals of individuals for competency evaluation.
- 8. Legislation signed by the Governor it was a big month in September for BH legislation
  - 1) SB 803 Peer Support Specialist Certification an Information Notice for implementation is already in draft from DHCS. Counties will be able to opt in to participate but must provide the non-federal share (local or Realignment) funding if it brings greater costs. This is pending inclusion in the State's Plan approved by the Federal government (CMS). This Peer Certification will apply to MH and Drug Medi-Cal programs, MHSA, Substance Abuse Block Grant, and other MH federal funding.
  - 2) **SB 855** New requirements for parity, medical necessity determinations, and UR; bans discretionary clauses in health plan contracts.
  - 3) AB 1976 Repeals the State's January 1, 2022 sunset date for Laura's Law AOT.
  - 4) AB 2265 Adds to Welfare and Institutions Code section 5891.5, allowing for the use of MHSA funds to treat co-occurring mental health and substance use disorders when the person would be eligible for treatment of a mental health disorder under MHSA.

- 5) AB 1544 Community Paramedicine or Alternate Destination Act will enable EMS transport to an authorized mental health facility (the CSU) or an authorized sobering center.
- 6) AB 1766 Requires the State DSS to annually report the number of board and care homes that serve low income individuals with a severe mental illness, track their closures, and notify County BH within 3 days of receiving notice that an operator plans to close a home.
- 7) AB 3242 Allows 5150/5151 assessments to be completed via telehealth (5150 was already allowable).
- 8) **AB 2112** Authorizes the State Department of Public Health to establish an Office of Suicide Prevention.
- 9) **AB 2553** Expands the Shelter Crisis Act to all cities and counties in California, adds safe parking sites as an eligible form of shelter, and extends the sunset to 2026.
- 9. Integrated Data System BH is participating in piloting a Microsoft product that will be a repository of client information for better tracking and analysis. This was prompted by needing a system to better track what beds we are paying for, and where, and who was occupying that bed. It has expanded since the H&SS Integration project was also seeking a database that could serve across service divisions, and hopefully reduce redundancy in information collected by multiple programs. The relatively new "Navigators" added last FY will also benefit from being able to electronically refer clients to services across the department's different programs.
- 10. **Drug Medi-Cal Organized Delivery System** Implementation of the system and our subcontract to Partnership Health Plan began on July 1<sup>st</sup>. There's a lot of troubleshooting occurring with this new implementation, particularly with the Beacon phone triage. We are also trying to figure out why there are fewer people entering into treatment and trying to reduce administrative barriers to getting clients to care. Bear in mind that clients can go directly to treatment providers and do not need to call Beacon for referral or authorization.
- 11. Teleworking Employees About half of the BH staff are teleworking (working from home) one or more days per week. Due to COVID, video remains the primary method of providing services, though when needed, services are provided in person. The in-person services are especially important for high-risk clients in the intensive service programs. Currently we expect to maintain existing telework agreements through December 31, pending further instruction from the CAO's office. We expect that the status of school openings will drive the degree to which teleworking continues into 2021.
- 12. **Outreach to the Homeless** We do a variety of outreach to homeless encampments with local law enforcement. For the last several months our MH Medical Director, Dr. King, has been a part of this outreach team and has been able to evaluate and write prescriptions on the spot. Law enforcement or other MH staff have been critical in assisting in filling these prescriptions and getting the medications to the clients.
- 13. **Dr. Kate Grammy** is appointed as the new Substance Use Disorder Administrator, a role designated by DHCS. She is also leading internal initiatives to strengthen our capacity for delivering co-occurring services.
