SUPERVISOR MONICA BROWN CORONAVIRUS UPDATE 36 (12/18/2020)

Hello Benicia, Fairfield, and Vallejo,

Welcome to my most recent coronavirus update. Please don't hesitate to contact me if I can be of any assistance to you. I can be reached at 707-784-3031 or at mebrown@solanocounty.com.

I want to dedicate this update to the memory of Vallejo resident Karen Sims. Karen was a friend of mine who passed away unexpectedly last week. Karen was a pillar of the community. She helped everyone who needed her, and she was always made time for everyone. I miss her immensely and will never forget the impact she had on so many of us. CORONAVIRUS

As I said in my announcement earlier this week, Solano County was placed in a shelter-at-home order by the state. The state did this because our case numbers, positivity rate, ICU availability, and all other metrics of the spread of the virus are too high. It is of the utmost importance that we get this virus under control.

With Christmas and the New Year coming soon, we are likely to see an enormous surge in the spread of the virus as people gather together. As I have said many times, private gatherings are the largest source of the spread of the virus. It is best to avoid them. IF you have people over to your house, please limit the number of people who come, ask everyone in attendance to get tested for coronavirus before AND after the gathering, practice social distancing, wear masks, hold the event outside, stay away if you

The vaccine is now being distributed to frontline healthcare workers. Plans are being made to distribute the vaccine in a tiered system based on who is most at risk. Once enough people have been vaccinated, we should be able to return to a sense of normalcy. Please keep doing your part until this is over. We will get through this together.

Sincerely,
