**FEE DISCLOSURE**

**Application Fees:** Reference the [Planning Services Division Fee Schedule](#) for appropriate filing fees required as part of a complete application submittal. Insufficient filing fees may prevent the acceptance of an application. **By filing this application, the applicant acknowledges that the hourly billing rate of staff time may be charged if the project exceeds the number of hours included in the application fee. You will be notified if the project is approaching this threshold.**

**Environmental Review Fees:** The Planning Services Division may collect additional fees to conduct the appropriate level of environmental review required for your project. The assigned planner will inform you of the appropriate filing fee. The fee does not include special studies that may be necessary for CEQA purposes. Reference the environmental review section of the [Planning Services Division Fee Schedule](#). Additional fees are not collected for projects that qualify for an exemption from CEQA.

**CA Department of Fish and Wildlife Fees (DFW):** DFW fees are included in the environmental review processing fee of a Negative Declaration, Mitigated Negative Declaration, or Environmental Impact Report; however, DFW fees are adjusted on an annual basis. County staff may request an additional amount to cover the current and effective fee to complete processing. Reference the CDFW website for more information <https://wildlife.ca.gov/Conservation/CEQA/Fees>.
