675 Texas Street, Suite 5500  
Fairfield, CA 94533  
707-784-6765

## **RECOVERING FROM THE LNU LIGHTNING COMPLEX FIRES**

### **WHAT DO I NEED TO DO FIRST?**

- Complete Phase I cleanup
- Complete Phase II cleanup

*Please contact the Environmental Health Division at 707-784-6765*

### **AFTER THE CLEANUP PROCESS IS UNDERWAY OR COMPLETE:**

#### **TEMPORARY ELECTRICAL SERVICE**

- If needed, apply for temporary 125A electrical service for agricultural needs or for your pool pump. Contact the Building Division at 707-784-6765 for information on how to apply.

#### **TEMPORARY EMERGENCY DWELLING (TED)**

- If needed, apply for a temporary emergency dwelling (TED) to live on your property in an RV, trailer, or mobile home. Contact the Building Division at 707-784-6765 for information on how to apply.

#### **REBUILD YOUR HOME OR OTHER BUILDINGS**

- Please contact the Building Division at 707-784-6765 for information on how to apply for new building permits (dwellings, barns, garages, etc.).
- We suggest consulting an architect, engineer, designer, or licensed contractor to assist you with preparing the drawings needed for permitting and construction.
