Subject: Suisun RCD's Land Use Compatibility Application

Dear Mr. Leland,

The Suisun Resource Conservation District (SRCD) is submitting a Solano County Airport Land Use Commission – Land Use Compatibility Application Package, an example of a draft 2021 updated Adaptive Habitat Management Plan (AHMP) for Property 424 (Lower Joice Island), the existing 1980 Management Plan for Property 424, a list of the 122 AHMP properties to be updated, a SRCD ownership map identifying the 122 SRCD numbered properties for updating, and the SRCD draft CEQA NOD. Each of the 122 private managed wetlands will have a similar 18-to-22-page AHMP plus supporting web-based scientific documentation and environmental permitting information. Additional AHMP updates information is posted on SRCD website at <https://suisunrcd.org/individual-management-plan-updates/>.

SRCD believes the amendment of the SRCD Local Protection Program to update these existing 1980 duck club management plans is consistent with the Travis Force Base Land Use Compatibility Plan. Please let me know if you have any questions or if you need any further information at (707) 425-9302.

Sincerely,

Steve Chappell,
Executive Director, SRCD
