

Hello Benicia, Fairfield, and Vallejo,

I wanted to alert you to a vaccine opportunity through North Bay Regional Center in Napa on April 20. You are eligible regardless of where you live or your medical coverage. Here is the link and contact information:

As you may have heard, the use of the J&J vaccine has been paused after 6 people who took the vaccine were found to have blood clotting. I appreciate that our public health officials locally, statewide and nationally are doing their due diligence. I am hopeful that after the review, we will be permitted to resume J&J distribution.

I personally received the J&J vaccine and feel very confident in it. As I said, I await the review and hope we can resume J&J distribution after the review.

I will do my best to notify you of vaccine events as they are available. Please stay safe, wear your masks, spread kindness, and support our local businesses.

Sincerely,

Monica Brown
