## September 14, 2021 Gubernatorial Recall Election Update from the Registrar of Voters

This is to update the Board of Supervisors on the planning activities and status of the September 14<sup>th</sup> Gubernatorial Recall election. The Registrar of Voters (ROV) is currently trending towards a lower turnout rate as compared to recent countywide elections. Results will be posted on the ROV website starting shortly after 8:00PM when the polls have closed. Updates to the election results will be posted approximately hourly until all polling place results have been returned.

Although registration for the election is officially closed, voters can still register in-person at the ROV office or any poll place on election day and cast a ballot using "same day registration".

### Current Election Stats – current as of September 12<sup>th</sup> 2021:

- 263,218 - Ballots Issued
  - 611 ballots issued to voters in the office over the counter.
