

SOLANO COUNTY SUPERVISOR MONICA BROWN OCTOBER 22ND, 2021 UPDATE

Hello Benicia, Fairfield, and Vallejo,

Welcome to my most recent update. I can be reached at mebrown@solanocounty.com

CORONAVIRUS

Our numbers are still not where they need to be. While we have seen improvement, we are still seeing numbers worse than the surrounding Bay Area. There is a real concern that we will see a surge in cases because of the upcoming holidays.

The best defense, as I will continue to say, is to get vaccinated. If you have not been vaccinated, please get vaccinated. If you know anyone who is not vaccinated, please encourage them to get vaccinated. There are many opportunities in Solano County to get vaccinated.

The county is offering booster shots at the Fairgrounds to those eligible for the Pfizer vaccine. If you are eligible for a booster, please get one. I received the J&J vaccine and will get a booster once it is available. Boosters for J&J and Moderna should be available soon.
