VOTING OPTIONS FOR ALL VOTERS

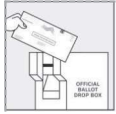

In an effort to reduce the impact of the Coronavirus spread, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a vote-by-mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of your home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

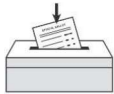

Ballot Drop-Off:

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-Off:

Starting 5-days before the election through Election Day - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1-day) - Poll Place drop-off locations are available on Election Day- all locations are open 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

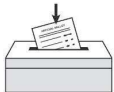

Limited Contact Voting:

At your assigned poll place, all voters can request to vote "curbside" from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

COVID-19 INFO:

Poll Workers and Staff:

All poll workers will be provided masks and shields, additionally the Registrar of Voters will provide gloves, hand sanitizer, and disinfecting wipes.

Voters:

Voters may be asked to wear face coverings if required by state law. Face coverings will be provided to any voter requesting/needing one. Hand sanitizer and disposable pens will be provided to all voters. Voters without face coverings may vote from the safety of their vehicles as described above.

The Registrar of Voters encourages all citizens to follow the mandated health requirements to help protect our staff and community partners. Without our staff and volunteers we cannot successfully execute an election! Please help us minimize the risk to those helping to administer your voting rights!

The following pages outline the specific addresses, dates and hours available for each of the options on this page.

WHAT OFFICES ARE ON THE BALLOT FOR THIS ELECTION?

In the June Statewide Direct Primary Election, all voters receive the same ballot, no matter what political party you are registered with (or if you have no party preference). The address where you are registered to vote determines which local contests are on your ballot.

In the June Primary Election, all Californians are able to vote to decide which candidates for federal and state offices will move on to the November General Election. You will see two different type of primaries: **Nominated by Voters**, and **Local Nonpartisan**.

California Top-Two Primary Nominated by Voters

Local Nonpartisan Candidates

- U.S. Senator
- U.S. Representative
- Governor
- Lieutenant Governor
- Secretary of State
- Controller
- Treasurer
- Attorney General
- Insurance Commissioner
- Board of Equalization
- State Assembly

- State Superintendent of Public Instruction
- County Supervisor
- Superior Court Judge
- Assessor/Recorder
- Auditor/Controller
- District Attorney
- Sheriff/Coroner
- Treasurer/Tax Collector/County Clerk
- Superintendent of Schools

The top two candidates—the ones with the most votes— move to the General Election.

If a candidate for these local offices received at least 50% plus 1 vote in the Primary, they are elected and are not on the General Election.

If no candidate won by a majority, the two candidates with the most votes will appear on the ballot in the General Election.

You can write-in a qualified candidate for these offices.

You can write-in a qualified candidate for these offices.

The candidates' party preference (or "None") **always** appears on the ballot.

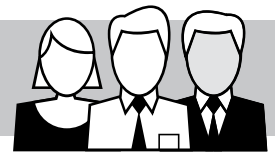

The candidates' party preference **never** appears on the ballot.

On June 8, 2010, California voters approved the Top-Two Open Primary Act (Proposition 14).

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 8**

JOHN GARAMENDI

Occupation: Congressman

Education and Qualifications: I get things done for Solano County. As your Congressman, I fight for good jobs, good schools, good healthcare, and a good future.

The economy can't move if people can't move. I helped design and pass the Bipartisan Infrastructure Law to create jobs in Solano County. We'll upgrade I-80, rebuild hwy 37, improve public transportation and water supply, and build green energy systems with American materials and workers.

As Chair of the Armed Services Readiness Subcommittee, I've secured \$440 million to upgrade Travis Air Force Base, guaranteeing the future of the base and its jobs.

I'll never forget our Veterans. In Congress we've tripled funding for vets. We are building new VA medical facilities and expanding healthcare services.

The middle class is America's backbone. That's why I helped pass the American Rescue Plan, the largest middle-class tax cut ever. This invested \$44.8 million into Solano County schools and colleges, kept business open, fought the pandemic, and created the biggest annual job growth in over 50 years.

Healthcare is a right. As California's Insurance Commissioner, I designed America's first single payer universal healthcare legislation. I lowered home and auto insurance rates, and stopped discriminatory redlining. I support Medicare for All.

Congress must pass a new voting rights law and legislation to provide universal child care, preschool, paid family leave, and lower prescription drug costs.

Experience matters. I would be honored to have your support to keep fighting for you in Congress.

**DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE LOS ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 8**

JOHN GARAMENDI

Ocupación: Congresista

Educación y Competencia: Logro que las cosas se hagan para el Condado de Solano. Como su Congresista lucho por buenos empleos, buenas escuelas, buen cuidado de la salud y un buen futuro.

La economía no puede movilizarse si la gente no puede moverse. Ayudé a diseñar y aprobar la Ley Bipartidista de Infraestructura para crear puestos de trabajo en el Condado de Solano. Mejoraremos la I-80, reconstruiremos la autopista 37, mejoraremos el transporte público y el suministro de agua y construiremos sistemas de energía ecológica con materiales y trabajadores estadounidenses.

Como Presidente del Subcomité de Preparación de las Fuerzas Armadas, he obtenido \$440 millones para mejorar la Base Travis de la Fuerza Aérea, garantizando el futuro de la base y sus puestos de trabajo.

Nunca olvidaré a nuestros Veteranos. En el Congreso hemos triplicado los fondos para los veteranos. Estamos construyendo nuevas instalaciones médicas para los veteranos y ampliando los servicios de cuidados de la salud.

La clase media es la columna vertebral de Estados Unidos. Por eso ayudé a aprobar el Plan de Rescate Estadounidense, el mayor recorte de impuestos a la clase media de la historia. Con ello se invirtieron \$44.8 millones en las escuelas y colegios del Condado de Solano, se mantuvieron abiertos los negocios, se hizo frente a la pandemia y se creó el mayor crecimiento anual de empleo en más de 50 años.

El cuidado de la salud es un derecho. Como Comisionado de Seguros de California, diseñé la primera legislación de asistencia sanitaria universal de pago único de Estados Unidos. Reduje las tarifas de los seguros del hogar y de los automóviles, y puse fin a las prácticas discriminatorias. Apoyo Medicare para Todos.

El Congreso debe aprobar una nueva ley sobre el derecho al voto y una legislación que proporcione atención infantil universal, educación preescolar, licencia familiar remunerada y una reducción de los costos de los medicamentos recetados.

La experiencia es importante. Sería un honor contar con su apoyo para seguir luchando por usted en el Congreso.

**PAHAYAG NG KANDIDATO PARA
KINATAWAN NG ESTADOS UNIDOS SA KONGRESO, DISTRITO 8**

JOHN GARAMENDI

Trabaho: Kongresista

Edukasyon at Kuwalipikasyon: Nagagawa ko ang mga bagay para sa County ng Solano. Bilang inyong Kongresista, lumalaban ako para sa magagandang trabaho, magagandang paaralan, magandang pangangalagang pangkalusugan, at magandang hinaharap.

Ang ekonomiya ay hindi makakasulong kung ang mga tao ay hindi makakasulong. Tumulong akong idisenyo at ipasa ng Dalawang Partidong Batas sa Impra-istruktura upang lumikha ng mga trabaho sa County ng Solano. Ang ating gagawin ay pagandahin ang I-80, muling itayo ang hwy 37, pahasayin ang pampublikong transportasyon at panustos na tubig, at itayo ang mga luntiang sistema ng enerhiya gamit ang mga materyal at manggagawang Amerikano.

Bilang Tagapangulo ng Subkomite sa Kahandaan ng Sandatahang mga Serbisyo, nakakuha ako ng \$440 milyon upang pagandahin ang Travis Air Force Base, iginagarantiya ang kinabukasan ng base at ng mga trabaho nito.

Hindi ko kalilimutan ang ating mga Beterano. Sa Kongreso ginawa naming triple ang pagpopondo para sa mga beterano. Nagtatayo kami ng mga bagong pasilidad na medikal ng VA at nagpapalawak ng mga serbisyo sa pangangalagang pangkalusugan.

Ang gitnang uri ay gulugod ng Amerika. Iyon ang dahilan kung bakit tumulong akong ipasa ang Plano sa Pagsagip sa Amerika, ang pinakamalaking pagbawas sa buwis ng gitnang uri. Ito ay namuhunan ng \$44.8 na milyon sa mga paaralan at kolehiyo ng County ng Solano, pinanatiling bukas ang negosyo, lumaban sa pandemya, at lumikha ng pinakamalaking taunang pagdami ng trabaho sa higit sa 50 taon.

Ang pangangalagang pangkalusugan ay isang karapatan. Bilang Komisyoner ng Seguro ng California, idinisenyo ko ang kauna-unahang batas na nag-iisang tagabayad sa panlahat ng pangangalagang pangkalusugan. Ibinaba ko ang mga halaga ng seguro sa bahay at awto, pinatigil ang nagdidiskriminang pagkakait ng serbisyo sa lugar ng mahihirap. Sinusuportahan ko ang Medicare para sa Lahat.

Ang Kongreso ay dapat magpasa ng isang bagong batas sa pagboto at batas upang magkaloob ng panlahat na pag-alaga sa bata, preschool, binabayaran na pampamilyang bakasyon, at mas mababang halaga ng inireresetang gamot.

Mahalaga ang karanasan. Ikararantal kong makuha ang inyong suporta upang manatiling lumalaban para sa inyo sa Kongreso.

EDWIN RUTSCH

AGE: 66

Occupation: Community Organizer/Mediator

Education and Qualifications:

A majority of Americans feel our country has become so polarized that we can no longer effectively solve the issues facing us. I am one of those deeply concerned. I believe a deficit of mutual listening, empathy and collaborative problem solving threatens the well-being of our families' and our democracy.

THERE ARE SOLUTIONS. We the People must take mutual responsibility along with our elected officials for understanding each other and solving our problems together.

As the founder of the Center for Building a Culture of Empathy, I have devoted the past 14 years to empathy-centered cultural reform. I have brought people together by mediating political, social and personal conflicts using empathy based practices.

One such practice is the Empathy Circle, a structured dialogue process that ensures that everyone is heard, understood, and valued. This builds mutual understanding, connection, trust and care, which are the foundations for designing workable policy solutions for any issue.

For example, right now, I am organizing people within our district to discuss crime and policing. I know our community faces many other challenges too, such as affordability, healthcare, immigration, and climate change. I will lead our community in dialoging and collaborating on these issues as well.

Vote for me to support empathy-centered cultural and political reform in our district and in Congress. Go to my website to learn more, and to sign up for community dialogues or for training to organize your own dialogues.

RUDY RECILE

AGE: 54

Occupation: Retired-Military/Small-Business-Owner

Education and Qualifications: Hello, fellow Americans! I am a proud Retired US Army Major and former US Department of Agriculture employee and owner of a small web design company. I've lived in Solano County for 16 years. After retiring, my wife and I liked California so much that we decided to stay. My main platform issues include energy independence for America, supporting the Bill of Rights, accountability of our tax dollars, support for veterans, California's environmental-water issues and quality education. I support successful public schools and I believe in equality of opportunity, where parents in every neighborhood should be free to send their children to a public, private, or charter school if they choose. I'm developing a non-profit veterans' support center, co-developing a non-profit veterans' group home providing services to veterans and serve as treasurer for a Veterans of Foreign Wars Post in Fairfield-Suisun. I served as a logistics officer at the Pentagon in Washington DC, interacting with staff and agencies in the highest levels of the military. I became savvy with the inner workings of agencies, and how to successfully accomplish the mission. Looking back on the 2020 election cycle, I was not pleased with what I witnessed. I concluded my 33 years of experience working in Federal government was better put to use becoming part of the solution instead of sitting on the sidelines. I volunteered with community organizations at monthly meetings, voter registration drives and other events. I am on a mission to restore our country with new blood and fresh ideas.

EDAD: 54

Ocupación: Militar Retirado/Propietario de Pequeña Empresa

Educación y Competencia: ¡Hola, compatriotas! Soy un orgulloso Mayor Retirado del Ejército de los EE. UU., ex empleado del Departamento de Agricultura de los EE. UU. y propietario de una pequeña empresa de diseño web. He vivido en el Condado de Solano durante 16 años. Después de jubilarnos, a mi esposa y a mí nos gustó tanto California que decidimos quedarnos. Los temas de mi plataforma principal incluyen la independencia energética de los Estados Unidos, apoyo a la Declaración de Derechos, responsabilidad por el dinero de nuestros impuestos, apoyo a los veteranos, asuntos ambientales del agua de California y educación de calidad. Apoyo a las escuelas públicas exitosas y creo en la igualdad de oportunidades, donde los padres de todos los vecindarios deberían ser libres de enviar a sus hijos a una escuela pública, privada o autónoma si así lo desean. Estoy desarrollando un centro de apoyo sin fines de lucro para veteranos, co-desarrollando un hogar de grupo sin fines de lucro para veteranos que brinde servicios a los veteranos y sirvo como tesorero de un Puesto de Veteranos de Guerras Extranjeras en Fairfield-Suisun. He trabajado como oficial de logística del Pentágono en Washington DC, interactuando con el personal y las agencias de los niveles más altos del ejército. Conozco profundamente el funcionamiento interno de las agencias y cómo cumplir con éxito la misión. Al recordar el ciclo de elecciones de 2020, no me gustó lo que presencié. Llegué a la conclusión de que era mejor aprovechar mis 33 años de experiencia trabajando en el gobierno Federal para formar parte de la solución en lugar de quedarme al margen. Me ofrecí como voluntario en reuniones mensuales de organizaciones comunitarias, campañas para la inscripción de votantes y otros eventos. Tengo la misión de restaurar nuestro país con sangre nueva e ideas renovadas.

Occupation: Mayor, Finance Director

Education and Qualifications: When I filed my statement in March, I was proudly serving as Suisun City's Mayor. Since then, voters like you gave me the honor of serving out the remaining term of Assemblymember Jim Frazier. I'm proud to have his endorsement and the support of numerous leaders in Solano County and Contra Costa County.

Now, I'm asking for your support to represent you in the new Assembly District 11. As we begin putting the worst of the pandemic behind us, I'm prepared to help our communities fully recover.

Elected to the Suisun City Council in 2012, I became the first Black female Mayor to serve in Solano County in 2018. I've worked tirelessly to bring new businesses and development to Suisun City and to make Suisun City a welcoming and safe place.

Ahora, les pido su apoyo para representarlos en el nuevo Distrito 11 de la Asamblea.

Mientras empezamos a dejar atrás lo peor de la pandemia, estoy preparada para ayudar a nuestras comunidades a recuperarse plenamente.

Elegida para el Concejo Municipal de Suisun City en 2012, me convertí en la primera Alcaldesa de raza Negra en servir en el Condado de Solano en 2018. He trabajado incansablemente para atraer nuevos negocios y desarrollo a Suisun City y para hacer de Suisun City un lugar acogedor y seguro.

En la Asamblea, me pondré manos a la obra de inmediato. Poseo una Licenciatura en Ciencias en Administración de Empresas. He dirigido operaciones financieras de constructores de viviendas nacionales durante más de 10 años, por lo que entiendo cómo hacer recortes y lograr que los presupuestos funcionen.

Trabajaré para hacer frente a la falta de vivienda obteniendo fondos para refugios de transición con servicios integrales. Atraeré nuevas empresas a nuestras comunidades para crear puestos de trabajo. Lucharé por mejores cuidados de la salud y ampliaré nuestro compromiso con los servicios de salud mental.

Apoyada por:

Congresista John Garamendi; Congresista Mike Thompson; Vicegobernadora Eleni Kounalakis; Procurador General Rob Bonta; Senador Bill Dodd; Miembros de la Asamblea Tim Grayson, Cecilia Aguiar-Curry; Supervisores del Condado de Solano Erin Hannigan, John Vasquez; Tasador/Registrador Marc Tonnesen; Supervisores del Condado de Contra Costa Diane Burgis, Federal Glover; Fiscal de Distrito Diana Becton

Estoy casada con mi amor de la escuela secundaria, el Sargento Técnico de la Reserva de la Fuerza Aérea retirado Chavares Wilson. Tenemos dos hijos, Tyler y Kiren, y una nuera, Brittny.

We must also provide treatment for those effected by mental illness, many of whom live on our streets or are incarcerated in our jails. Additionally, we need positive alternatives for our youth. I will raise the bar regarding agency transparency, ethics, and integrity for every employee within the Sheriff's Office. Each employee should be proud and dedicated to serve the citizens of Solano County.
