## **ELECTION SERVICES OFFERED**

### **Effective July 1, 2022**

The following page is the fee schedule of various services and reports offered by our office for your campaign needs.

- Voter lists may be ordered in a hard copy, CD or via email only if the file is small enough. Candidates may order the information with or without voter history.
- A walking list or voter file is a type of report that is especially helpful when candidates want to campaign by walking a precinct. Voter history is not available with a walking list.
- Voter files may be ordered over the phone or in person. Any remaining charges, as with a per page cost of a hard copy order, will be paid at the time of order pick up.
- Precinct maps of districts within Solano County are also available, as are voter labels for your mailing needs.

### **All transactions are nonrefundable, and there are no exchanges on ordered reports (Unless there is an error made by the ROV office).**

Before you purchase any voter information, an “application to purchase or view voter registration information” must be submitted by the applicant and approved by an authorized staff person.

Data obtained from voter registration and election files may **not** be sold, leased, loaned, or reproduced, and possession may not be given without receiving written permission to do so from the Secretary of state or the Registrar of Voters. Prohibited uses include commercial purposes and solicitation of contributions or services for any purpose other than on behalf of a candidate or political party, or in the support or opposition of a ballot measure.

The California Administrative Code, Title 2, Division 7, Article 1, specifies permissible uses for any data obtained from voter registration and election files. Permissible uses include direct election campaigning, surveys in conjunction with an election campaign and distribution of information of a political nature.

If there are any questions about the above information, contact the Registrar of Voters office or the California Secretary of state.

## INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines "incompatibility of offices." The common-law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined this concept as follows:

*"One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both."*

The State of California Attorney General's Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of City Councilman and School District Board Member where the city and the school district have territory in common.
2. Fire Chief of a County Fire Protection District and Member of the Board of Supervisors of the same county.
3. High School District Trustee and trustee of an Elementary School District which is wholly within the geographic boundaries of the High School District.
4. Water District Director and a City Council Member.
5. Water District Director and a School District Trustee having territory in common.
6. Deputy Sheriff and County Supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General's office at 916-324-5437 or visit their website at [www.caaq.state.ca.us](http://www.caaq.state.ca.us). For further information about conflict of interest or incompatibility of offices, visit the Fair Political Practices Commission's website at [www.fppc.ca.gov](http://www.fppc.ca.gov) or call 1-866-275-3772.

## **ELIGIBILITY REQUIREMENTS FOR PUBLIC OFFICES**

### **General Requirements**

“Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time that nomination papers are issued to the person or at the time of the person’s appointment.” [Elections Code § 201]

A person is disqualified from holding any office upon conviction of designated crimes specified in the Constitution and laws of the State. [Government Code § 1021]

If a candidate is seeking a nonpartisan office, all reference to party affiliation shall be omitted on all required forms. [Elections Code § 8002]

### **County or District Offices in General**

“...A person is not eligible to a county or district office, unless he or she is a registered voter of the county or district in which the duties of the office are to be exercised at the time that nomination papers are issued to the person or at the time of the appointment of the person. The board of supervisors or any other legally constituted appointing authority in a county or district may, if it finds that the best interests of the county or district will be served, waive the requirements of this section for an appointed county or district office.” [Government Code § 24001]

### **Prohibitions**

Neither a candidate nor members of a candidate’s household are eligible to serve as precinct officials or to provide polling place facilities for any election at which the candidate’s name appears on the ballot. However, the candidate or members of a candidate’s household may serve as precinct officials or provide polling place facilities outside the candidate’s jurisdiction but within the county.

### **School District Governing Board Member**

Any person who is 18 years of age or older, a citizen of the state, a resident of the school district, a registered voter, and who is not disqualified by the Constitution of laws of the state from holding a civil office, is eligible to be elected or appointed a member of a governing board of a school district. [Education Code § 35107(a)]

A person may not be an employee of the school district and a governing board member at the same time. [Education Code § 35107(b)]

## **FILING FEE AND SIGNATURE REQUIREMENT\***

### **Candidates for City Offices**

Candidates for city offices file with the City Clerk and pay any filing fees to the cities. For more information on filing fee and signature requirements, contact the relevant City Clerk.

### **Candidates for School District and Special District Offices**

There is no filing fee for School or Special District Offices and candidates are not required to circulate nomination petitions.

### **Petition Signer Qualifications**

Voter-Nominated Candidates – Any registered voter within the candidate’s jurisdiction, regardless of party preference, is eligible to sign the petition.

[Elections Code § 8106(b)]

Nonpartisan Candidates – Any registered voter within the candidate’s jurisdiction, regardless of party preference, is eligible to sign the petition.

[Elections Code § 8106(b)]

If a voter signs more candidates’ petitions than there are offices to be filled, the voter’s signature is valid and will be counted only on those petitions which, when taken in the order they are filed, do not exceed the number of offices to be filled.

[Elections Code § 8106(b) 8069]

Each signer of the petition must write his or her signature and shall include his or her printed name and place of residence; (i.e. street name and house number) in the presence of the circulator.

### **Multi-County Office**

Candidates running for multi-county offices should **contact all participating jurisdictions** to find out if they will accept other counties petition in-lieu forms. Solano County will accept another county’s petition as long as the document is double sided and the declaration of circulator is completely filled out.

### **General Information Regarding Filing of Signatures In-Lieu Petitions**

Forms may be obtained from the Solano County Registrar of Voters website (<https://www.solanocounty.com/depts/rov/>) or by contacting our office at [ROVCandidateServices@SolanoCounty.com](mailto:ROVCandidateServices@SolanoCounty.com) or (707) 784-675. Our hours are 8:00 a.m. to 5:00 p.m., Monday through Friday. Petitions will be available beginning on Monday, July 18, 2022, if redistricting allows.

The Registrar of Voters office will provide the master form and copies to each candidate to obtain the necessary signatures in-lieu and/or nomination petition

signatures. The candidate may choose to apply petition signatures towards the required number of nomination signatures for the office sought. The candidate will duplicate the master form at his or her expense for the purpose of circulating additional signatures in-lieu. **The master form must be duplicated exactly as provided** (i.e. a two-sided copy).

There is no provision in law permitting petition forms and signatures **for nomination purposes only** to be obtained prior to the nomination period. Signatures obtained and filed in-lieu of filing fees may be counted towards the signature requirements for nomination papers.

### **Signatures-In-Lieu of Filing Fee Used for Nomination Petition Requirement**

If a candidate submits a petition in-lieu of filing fee (signatures), the elections official shall count all valid signatures appearing on the petition towards the number of voters required to sign a nomination paper. If a petition in-lieu contains a requisite number of valid signatures, the candidate shall not be required to file nomination petitions, but may request the Registrar of Voters to accept the petition in-lieu instead of filing nomination petitions. If the in-lieu petition does not contain the requisite number of valid signatures, the candidate shall be entitled to file, within the time period allowed for filing nomination papers, a nomination paper in order to obtain the requisite number of valid signatures. The portion of the filing fee that is not covered by the signatures must be paid in full before the Declaration of Intention or Declaration of Candidacy and Nomination Petition may be filed. [Elections Code §§ 8041, 8061, 8062, 8106]

### **Petition Circulator Qualifications**

Each circulator of a signature in-lieu petition shall be 18 years of age or older and shall complete and sign the attached Affidavit of Circulator to the petition, which conforms to the new circulator requirements set forth in Senate Bill (SB) 213 effective January 1, 2014 which amends Elections Code §§102, 104, 8041, 8106.

All petition sections are to be circulated and filed in the county in which the signatures were obtained. All signers of a petition section (page) must be registered in the same county. If a petition is circulated in multiple counties, different petition sections (pages) must be used in each county of circulation. [Elections Code § 8106(b)(4)]

The affidavit of circulator on the back of each petition must be completed in the circulator's own handwriting, even when the circulator is the candidate. The election's office will not accept petitions when the affidavit of circulator is not filled out completely.

NOTE: The deficiency period for supplemental signatures has been eliminated as set forth in Assembly Bill (AB) 469 which became effective October 15, 2017.

## SUMMARY OF NOMINATION FORMS

### Declaration of Candidacy

All candidates for public office in California are required to file a Declaration of Candidacy. This is the official document used by a candidate to declare him or herself a candidate for public office. The document contains information regarding the way the candidate's name shall appear on the official ballot and the candidate's ballot designation.

The Declaration of Candidacy shall be obtained from, and delivered to, the county elections official of the county in which the candidate resides as a voter. The Declaration of Candidacy must be executed in the office of the election official unless the candidate, in a written statement, signed and dated by the candidate, designates a third party to obtain the Declaration from the county elections official and deliver it to the candidate. Such written statement shall state that the candidate is aware that the Declaration of Candidacy must be properly executed and delivered no later than 5:00 p.m. on the final day of filing.

[Elections Code §§ 8020, 8028(b), 8040, 8100, 8105]

The candidate states on the Declaration of Candidacy how his/her name should appear on the ballot. This should be recognizable as the name under which the candidate is registered, though the two need not be identical. (Example: A candidate registered as "Robert Don Smith" may use such variations as "Robert D. Smith," "Robert Smith," or "R. Don (Joe) Smith.")

### Nomination Petition

Candidates for public office must file a Nomination Petition containing the signatures of registered voters who are qualified to vote for the office. The Nomination Petition must be double-sided and the affidavit of circulator completed in circulator's own handwriting. Each section of the Nomination Petition must be delivered to the county elections official of the county in which the signer resides as a voter, no later than 5:00 p.m. on the final day of the nomination period (August 12, 2022).

**For Voter-Nominated and Nonpartisan offices**, any registered voter within the candidate's jurisdiction, regardless of party preference, is eligible to sign the petition. [Elections Code § 8106(b)]

The candidate may appoint persons to circulate the nomination paper. The circulator must be at least 18 years of age.

### Code of Fair Campaign Practices (Voluntary)

This form is a voluntary pledge by candidates concerning campaign practices. At the time an individual files his or her Declaration of Candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the county elections official is required to give the individual a copy of the Code of Fair Campaign

Practices. The form is filed with the candidate's nomination documents and is open for public inspection. In no event, shall a candidate for public office be required to subscribe to or endorse the code. [Elections Code §§ 20440, 20442, 20444]

### **Statement of Economic Interest**

Government Code § 87300 requires every agency to adopt a conflict of interest code. A conflict of interest code is a document, which designates the positions within an agency, which make, or participate in making, governmental decisions, which may have a foreseeable material effect on any financial interest.

Only candidates for elective office so designated under the agency's conflict of interest code, and candidates for public office listed in Government Code § 87200, must file a Statement of Economic Interests with their nomination papers. Elected officials, if so designated, must also file a Statement of Economic Interests within 30 days of assuming office; annually; and within 30 days of leaving office. If an individual is appointed to an office, he or she must file a Statement of Economic Interests within 10 days of assuming office. Under certain conditions, the Statement of Economic Interests need not be filed if such a statement was filed within 60 days prior to the filing of a Declaration of Candidacy or prior to the date of assuming office.

[Government Code §§ 87200, 87300, 87500]

### **Nonrefundable Filing Fees**

The nomination forms shall be distributed to all candidates upon payment of the filing fee; however, signature-in-lieu petitions are available without first paying the filing fee.

#### **All filing fees received by the Secretary of State and county elections**

**officials are nonrefundable.** Candidates should make sure they meet the qualifications for office before paying the filing fee; the filing fee is not refundable.

[Elections Code § 8105]

### **Extension of Declaration of Candidacy Period**

If an incumbent fails to return his Declaration of Candidacy by the last day prescribed for the close of the nomination period (5:00 p.m., August 12 2022), the nomination period will be extended for five (5) days (until 5:00 p.m., August 17, 2022). During this extended period, persons other than the incumbent may file Declaration of Candidacy papers for the office. The extension period does not apply to those offices for which there is no incumbent or where there is a vacancy.

[Elections Code §§ 8022, 8024, 8100]

### **Withdrawal of Candidacy**

No candidate nominated at any primary election may withdraw as a candidate at the ensuing general election except those candidates permitted to withdraw by this part.

[Elections Code § 8801]

## WRITE-IN CANDIDACY

This is the period when all candidates who would like to be on the ballot as a write-in candidate may fill out and leave their statements of write-in candidacy and nomination papers with the county elections official. The write-in period for the November General Election is between September 12, 2022 and October 25, 2022. Each candidate must circulate nomination papers for signatures within the jurisdiction between these dates and leave them for examination with the county elections official of the county in which the signers reside.

*There is no party affiliation requirement for signers of write-in nomination petitions in the general election.*

A person may not file as a write-in candidate at the general election for a voter-nominated office. [Elections Code § 8606]

Candidates must file their forms for write-in candidacy with the elections department in order to be a qualified write-in candidate. They will need to fill out and submit the following documents:

1. A statement of write-in candidacy including:
  - Candidate's name
  - Residence address
  - Declaration stating that he or she is a write-in candidate
  - Title of the office for which he or she is running
  - The party nomination which he or she seeks, if running in a partisan primary election
  - Date of election
  - The candidate's complete voter registration and party affiliation/preference history for the last 10 years or for as long as he or she has been eligible to vote in California (voter-nominated office only)
2. The required number of signatures for the office on the nomination papers (if applicable).

Signers of nomination papers for a write-in candidate must be voters in the district or political subdivisions in which the candidate is to be voted on. There will be no fee or charge for write-in candidates.

[Elections Code §§ 8600–8604]

Write-in candidates are required to meet the same statutory and constitutional requirements as all others on the ballot.

[Elections Code § 8600]

### Disclosure Requirements

Write-in candidates are subject to the same requirements as other candidates with regard to disclosure of economic interests and campaign disclosure.

[Government Code § 82007; Elections Code § 305]

If you participate in the primary election and decide to run as a qualified write-in candidate and your name is written on a ballot for an office at the Primary Election then you may not participate as a qualified write-in candidate for that office at the general election held in November, unless one of the following is applicable:

- a) At the Primary Election, he or she received, for a partisan office, votes equal in number to 1 percent of all votes cast for that office at the last general election at which the office was filled. In the case of an office that has not appeared on the ballot since its creation, the requisite number of votes shall equal 1 percent of the number of all votes cast for the office that had the least number of votes in the most recent general election in the jurisdiction in which the write-in candidate is seeking office.
- b) At the Primary Election, he or she received for a voter-nominated office, the highest number of votes cast for that office or the second highest number of votes cast for that office, except as provided by subdivision (b) of Section 8142 or Section 8807 of the Elections Code.

[Elections Code § 8605]

### Tally of write-in votes

Write-in votes will be counted and certified only for qualified write-in candidates who file the required forms with the Registrar of Voters no later than **14** days prior to Election Day (October 25, 2022). Any name written upon a ballot for a qualified write-in candidate, including a reasonable facsimile of the spelling of the name, shall be counted for the office, if it is written in the blank space provided and voted as specified. The write-in space will appear on the ballot directly below the list of candidates for that office. Use a pen to write-in the name of the candidate and mark the oval next to the write-in candidate's name. No write-in vote will be counted unless the voting space next to the write-in space is marked as directed by the voting instructions.

[Elections Code § 15342(a)]

**Please note:** The Registrar of Voters will provide polling places with a list of the qualified write-in candidates. The list will also be available on our website.

## BALLOT DESIGNATION

The ballot designation is the word, or group of not more than three (3) words, which will appear on the ballot under the candidate's name, designating the current principal profession, vocation, or occupation of the candidate.

Multiple designations are **usually** acceptable, provided that the three-word limitation is met.

A candidate who submits a ballot designation shall file a ballot designation worksheet that supports the use of the ballot designation in a format set by the Secretary of State. [Elections Code §13107.3]

**Note: For this election, due to redistricting, State Offices impacted by redistricting (anything not statewide) will not be able to use "Incumbent" as a designation.**

The ballot designation that a candidate may use is governed by Elections Code §13107, 13107.3 and 13107.5. We've emphasized the relevant areas that would be most useful.

- (a) With the exception of candidates for Justice of the State Supreme Court or Court of Appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:
- (1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by the vote of the people.
  - (2) The word **"incumbent"** if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people
  - (3) **No more than three words** designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.
  - (4) The phrase **"appointed incumbent"** if the candidate holds an office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word **"appointed"** and the title of the office. In either instance, the candidate may not use the unmodified word **"incumbent"** or any words designating the office unmodified by the word **"appointed."** However, the phrase **"appointed incumbent"** shall

not be required of a candidate who seeks reelection to an office, which he or she holds, and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to § 5326 and § 5328 of the Education Code or § 7228, § 7423, § 7673, § 10229 or § 10515 of the Elections Code.

- (b) Neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:
  - (1) It would mislead the voter.
  - (2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
  - (3) It abbreviates the word "**retired**" or places it following any word or words which it modifies.
  - (4) It uses a word or prefix, such as "**former**" or "**ex-**," which means a prior status. The only exception is the use of the word "retired."
  - (5) It uses the name of any political party, whether or not it has qualified for the ballot.
  - (6) It uses a word or words referring to a racial, religious, or ethnic group.
  - (7) It refers to any activity prohibited by law.
- (c) If, upon checking the nomination documents, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.
  - (1) The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.
  - (2) In the event the candidate fails to provide an alternate designation; no designation shall appear after the candidate's name.
- (d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).
- (e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

- (f) In all cases, words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Elections Code § 13207 and § 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements. No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office.
- [Elections Code § 13106]

**Judicial candidates** may choose only one of the following designations at the option of the candidate:

- (1) Words designating the city, county, district, state, or federal office held by the candidate at the time of filing the nomination documents.
- (2) The word "**incumbent**" if the candidate is a candidate for the same office he or she holds at the time of filing the nomination papers.
- (3) **No more than three words** designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.
- (4) For a candidate for judicial office who is an active member of the State Bar employed by a city, county, district, state, or by the United States, the designation shall appear as one of the following:
  - (a) Words designating the actual job title, as defined by statute, charter or other governing instrument.
  - (b) One of the following ballot designations: "Attorney", "Attorney at Law," "Lawyer", or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, during the calendar year immediately preceding the filing of nomination documents.

Number 1 and 4 of the above options shall also contain relevant qualifiers, as follows:

- (a) If the candidate is an official or employee of a city, the name of the city shall appear preceded by the words "City of."
- (b) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words "County of."
- (c) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words "City and County."
- (d) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

A candidate for superior court judge who is an active member of the State Bar and practices law as one of his or her principal professions shall use one of the following ballot designations as his or her ballot designation: "Attorney," "Attorney at Law," "Lawyer," or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

The word count for ballot designations are as follows:

All California geographical names shall be considered to one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

## **Guidelines**

The following are guidelines to assist candidates in selecting appropriate ballot designations. The guidelines were issued by the Secretary of State's office and incorporate past Secretary of State and court interpretations of acceptable and unacceptable designations.

### Acceptable Designations

1. A principal profession, vocation, or occupation is the primary job or work one does which is the means of livelihood or production of income, as opposed to a hobby or avocation. Some persons may work at more than one profession, vocation, or occupation. Exceptions may apply for persons retired or unemployed by choice or by circumstance. No designation, which connotes a status, is acceptable.
2. A candidate may use either his or her current principal profession, vocation, occupation, regardless of the amount of time in which the candidate has engaged in such or, in the alternative, any principal profession, vocation or occupation in which the candidate was engaged over the course of the previous calendar year even though it may no longer be one in which the candidate is currently engaged. In choosing between the alternatives, the candidate must ask himself or herself: "What is my primary job right now?" and "What was my primary job last year?" Either job, if otherwise proper, based on the statutory criteria, may be used as a ballot designation. For purposes of this section, the "calendar year immediately preceding the filing of nomination documents" is defined as that year beginning January 1 immediately preceding the year in which nomination documents for the office are allowed to be filed.

Organization names must be replaced with generic references. For example, **“President, Computer Company”** would be acceptable; **“President, Apple Computer”** would not be allowed. Similarly, based on previous court interpretation, a designation such as **“Director, ABC Club”** would not be permissible, whereas **“Administrator, Environmental Club”** would be. Ballot designations are not intended to advertise a specific product, corporation, or organization; they are intended to reveal what a candidate does, not for whom the work or service is performed.

The word **“retired”** may be allowed, but it must precede the word(s), which it modifies and may not be abbreviated. **“Retired Policeman”** is acceptable, but **“Policeman, Retired”** is not. Retired is defined as having given up one’s work, business, career, etc. especially because of advanced age. Generally, a retired status **may** be allowed if the candidate can demonstrate retirement.

The following are examples of evidence supporting retired status:

- a. Served in the position being requested to be listed as retired from for more than 5 years;
- b. Is collecting or eligible to collect retirement benefits/pension (i.e., is vested);
- c. Is 55 or more years old;
- d. Left the position voluntarily after serving a minimum of 5 years;
- e. If requesting the use of a retired public office designation was not recalled from or did not fail to win that office or surrender it to run for another office in a previous election campaign;
- f. Has not had another more recent occupation;
- g. Retirement benefits are providing a principal source of income.

Because the Elections Code specifically forbids the use of a prior profession, vocation or occupation, unless the candidate is retired there from, the election official **may** require candidates to provide substantiating evidence or documentation in support of the requested designation.

#### Unacceptable Designations

A political party central committee designation is not a principal profession, vocation, or occupation as prescribed in this statute, nor is it an elective county or state office.

Ballot designations suggesting an evaluation of a candidate such as **“Best\_\_\_\_\_,” “Exalted \_\_\_\_\_,” “Prominent\_\_\_\_\_,” “Advocate,” “Activist,” “Reformer,” “Pro-”** and **“Anti-”** anything conveying a philosophy, or words connoting a status are unacceptable designations. Statements of philosophy belong in campaign ads and literature, not as ballot designations.

Commercial or proper names such as **“IBM President,” “Director, Health Services,”** or **“Sierra Club Secretary,”** are not permissible. Generic descriptions of specific jobs should be substituted; for example, **“Computer Corporation President,” “State Agency Director,”** or **“Nonprofit Organization Secretary.”**

Certain requested designations may connote a status, which also suggest an evaluation; for example, **“Patriot”** or **“Presidential Appointee.”** These are unacceptable designations.

Examples of unacceptable status claims include **“taxpayer,” “citizen,” “patriot,”** and **“renter.”**

#### Use of “Community Volunteer”

The phrase “Community Volunteer” shall constitute a valid principal vocation or occupation subject to the following conditions:

1. A candidate’s community volunteer activities constitute his or her principal profession, vocation or occupation.
2. A candidate is not engaged concurrently in another principal profession, vocation or occupation.
3. A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation or occupation designation.

The Secretary of State shall by regulation define what constitutes a community volunteer. [Elections Code §13107.5]

#### **Change of Ballot Designation**

No ballot designation given by a candidate may be changed after the final date for filing nomination documents, except as specifically requested by the Registrar of Voters because the designation requested is not acceptable under Elections Code § 13107(g).

The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request. [Elections Code § 13107 (h)]

## PLACEMENT OF NAMES ON THE BALLOT

The order in which candidates' names shall be placed on the ballot is specified in Elections Codes §13111 and §13112. Elections Code §13109 specifies the order of precedence of offices on the ballot.

### Random Alphabet Drawing

At 11:00 a.m. on the 82nd day before the election (August 18, 2022), the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The Registrar of Voters conducts its own random alphabet drawing to determine the order of candidates on ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

### Rotation of Names on the Ballot

#### Statewide Offices

Candidates voted on throughout the state are placed on the ballot in the random order using the random draw from the Secretary of State's office. The First State Assembly District has the initial random order and in the next district, the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.

#### United States Representative and State Board of Equalization

Candidates are placed on the ballot in the random order using the random draw from the Secretary of State's office in the lowest numbered State Assembly District within the Congressional District. The candidates' names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.

#### State Senate and Member of the Assembly in Districts that Cross County Lines

Candidates are placed on the ballot in the random order using the random draw from the Registrar of Voters Office within each county and **are not** rotated.

#### Candidates running for other offices

Candidates are placed on the ballot in the random order using the random draw from the Secretary of State's office and **are not** rotated.

## CANDIDATE STATEMENT GUIDELINES

The statement contains the candidate's name and a description of his or her education and qualifications. The age and occupation of the candidate are optional. The occupation is not limited to three words and may be more descriptive than the ballot designation. **The text of the statement shall not exceed 200 words for local candidates and 250 words for state candidates.** Word count standards shall be pursuant to Elections Code Section 9.

Under the provision of Proposition 34 adopted by the voters in November of 2000, all candidates for state legislative office who agree to abide by voluntary spending limits are afforded the opportunity to purchase space in the county ballot pamphlet.

Candidate's statement may make no reference to another candidate. Candidate's statement submitted shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. No statement shall contain any demonstrably false, slanderous or libelous statements or any obscene or profane language.

The elections official shall not cause to be printed or circulated any statement that the elections official determines is not so limited or that includes any reference prohibited by this section. [Elections Code §13308]

All statements must be submitted via **CD, email or USB/flash drive**. If you must submit the statement in hard copy form, there will be a separate \$25.00 charge for retyping. In the case of a multi-county jurisdiction, statements must be formatted pursuant to the guidelines provided by each county in which the candidate wishes to submit a statement, as well as pay a separate fee as determined by each county. Statements not submitted in the appropriate format will be reformatted by the Registrar of Voters office. The Registrar of Voters office bears no responsibility for the correct typesetting of statements that must be reformatted.

Candidates filing statements in Solano County may request translation of his or her statement into Spanish for an additional cost.

### Filing Information

Candidates' statements shall be filed in the office of the election official of each county when the candidate's nomination papers are returned for filing, which is not later than 5:00 p.m. on the 88<sup>th</sup> day prior to the election, or in the event that the nomination period has been extended, until 5:00 p.m. on the 83<sup>rd</sup> day prior to the election. Candidates' statements are confidential until the expiration of the period for filing such statements. Statements may be withdrawn, but not changed, until 5:00 p.m. of the

next working day after the 88<sup>th</sup> or 83<sup>rd</sup> day prior to the election, whichever is applicable.  
**Statements may not be changed after filing.**

**Please note: Candidates in districts that encompass more than one county** Procedures, requirements, fees, formats and public examination periods for candidates' statements may vary between counties. **It is the candidate's responsibility** to contact each county in which he or she wishes to have a statement printed within the district to obtain the appropriate information from each county. Failure to do so may jeopardize the printing of the candidate's statement.

Counties require candidates to deposit the estimated cost of printing the statement at the time of filing the statement. If the actual cost of printing the statement exceeds the deposited amount, the candidate will be invoiced for the remainder of the cost. If the actual cost of printing the statement is less than the deposited amount, the candidate will receive a refund of the overpayment.

The statement will be printed in languages required by the Voting Rights Act as well as those languages, if any, required by the counties within the jurisdiction. If additional languages are not required, a candidate may request additional language translation of his or her statement at an additional cost.

### **Preparation and Format of Candidate's Statement of Qualification**

Nonpartisan candidates may file a statement of qualifications **not to exceed 200 words.**

Candidates for Congress, State Senate and State Assembly who have adopted and have not exceeded the voluntary expenditure limits pursuant to Proposition 34 are eligible to file a statement **not to exceed 250 words.**

Candidate statements will be printed in block format in the sample ballot. To ensure uniformity, please use the following guidelines when preparing your candidate's statement.

- Candidate Statements must be typed in **block** format, and submitted to our office on a CD, by e-mail or on a USB/flash drive. This saves us valuable time. If you must, a typed statement may be submitted, however; there will be a charge of \$25.00 for us to retype it to properly prepare it for the printer.
- Use upper and lower case letters as shown on the sample candidate statement of this book. Typeface of statement must be of uniform size and darkness.

- **Do not use** ... bullets, \*\*\* stars, tables, lists, or other material requiring indentation.
- Words, which are underlined, **boldfaced type**, ALL CAPITAL LETTERS, or italics, are prohibited.
- Statements shall be written in the **first person** (i.e. “I am running...” not “She is running...” or “Jane Doe is running...”) and shall be limited to a recitation of the candidate’s own personal background and qualifications. Each statement shall be accompanied by a declaration executed under penalty of perjury declaring that the information contained therein is true and correct.
- Statements shall not, in any way, make reference to other candidates for office or to another candidate’s qualifications, character or activities. Moreover, no statement shall contain any demonstrably false, slanderous or libelous statements or any obscene or profane language.

**Please note:** Statements not conforming to these guidelines will be reformatted and set in uniform type by the Registrar of Voters. The Registrar of Voters bears no responsibility for the correct typesetting of statements which must be reformatted.

#### No Editing of Copy by the Registrar of Voters

The Registrar’s office does not edit the material, and candidates should **not** expect errors in spelling, punctuation, or grammar to be corrected. Since the statement cannot be changed after it is submitted, it is especially important for candidates to take the time to prepare and proofread their statements carefully. If the word count exceeds the stated limit, candidates will be requested to **omit, NOT CHANGE**, words from the submitted statement to keep the count within the maximum allowable number of words.

#### **Withdrawal of statement**

The statement may be withdrawn, but not changed, during the period for filing nomination documents and until 5:00 p.m. of the next working day after the close of the nomination period. Any request for withdrawal of a candidate statement must be submitted in writing and signed by the candidate.

## Cost of Candidate Statements

Candidate statement costs are based on translating, typesetting, printing and distribution. Payment is required at the time the statement is filed. Due to redistricting, the candidate cost statements below are subject to change.

The candidate statement cost is an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the Solano County Registrar of Voters may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost.

[Elections Code § 13307(d)]

**Indigent Candidates**

If a candidate claims to be indigent and unable to pay for the candidate statement in advance, he or she must submit proof of indigence to the elections official at the time that the statement is filed. Proof includes a statement of financial worth and the candidate's most recent Federal income tax returns. The statement of financial worth includes candidate's employer, income, real estate holdings, tangible personal property, and financial obligations. The candidate must certify the statement as true and correct under penalty of perjury, under the laws of the State of California.

If the elections official determines that the candidate is indigent, his or her statement will be printed and mailed without advance payment. If the Registrar of Voters determines that the candidate is not indigent, he or she must pay the required fee or withdraw the statement within three days of notification. The Registrar of Voters is not obligated to print and mail the statement if payment is not received. As with all other nomination documents, the statement of financial worth and accompanying documents are a public record.

[Elections Code § 13309]

This indigence provision does not waive the payment of a candidate statement fee. It only delays payment of the fee until after the election. The total fee is due and payable upon receipt of the bill.

### The Printed Candidate’s Statement

Below is an example of a formatted Candidate’s Statement of Qualifications, as it would appear in the Voter’s Information Guide. This example is set in Block Format.

<p><b>STATEMENT OF CANDIDATE FOR MEMBER OF CITY COUNCIL City of Candidate</b></p>	
<p><b>DAVID HOWELL</b> <b>Occupation:</b> Attorney</p>	<p><b>AGE:</b> 42</p>
<p><b>Education and Qualifications:</b> My credentials include: Graduate of local high schools; UCLA graduate with a B.S. and MBA; US Air Force sergeant. I can bring to the office a diversity of viewpoints and experience. Born and raised in Solano County, with my family still small business owners, I can appreciate the concerns of the city. Having been in business since my undergraduate days at UCLA, and with my experience in the rental and real estate fields, I appreciate the practical housing requirements of our community. I support a shopping area center in the city and would insist on a plan to encourage the commercial enterprises which complement our shopping needs. Our Council should actively consider subsidized housing for senior citizens and perhaps others. If elected to this office, I will do my best to continue to serve as a leader and role model for our community and children. <a href="http://www.dhowellforcity.net">www.dhowellforcity.net</a></p>	

### Viewing Opportunity

Candidate statements are available for viewing after the deadline for filing has passed. There is a 10-calendar day public examination period when the documents may be reviewed. During this 10-calendar day review period, any voter of the affected jurisdiction may take legal action in Superior Court to challenge the contents of the statement. [Elections Code § 13313]

Candidates may review their statements for omissions or typographical errors made by this office, the certified translators, and/or the printers. If the candidate believes there is a translation error, the translated statement will be sent back to the certified translators for review and a **final determination**. During the viewing period, candidates are not allowed to change any errors or formatting **they** may have made when preparing their statement. Before printing, candidates will be required to approve the proof copy prepared by the printer.

## CAMPAIGN FINANCE & DISCLOSURE

**Please note:** This section is not comprehensive and does not detail all filing requirements and obligations. For current comprehensive information, consult the appropriate FPPC manual or contact the FPPC directly.

### Background

The Fair Political Practices Commission (FPPC) has introduced new forms in order to simplify the filing of campaign statements. The legal requirements of the Political Reform Act are contained in sections 81000 through 91015 of the Government Code. Assistance and information on completing campaign statements is provided by the Technical Assistance Division of the FPPC at 916-322-5660 or 866-275-3772. Those who are already familiar with the filing of campaign statements should read carefully and take note of the introduction of new forms and the revision of older forms.

All candidates for state or local offices and all committees supporting or opposing state or local candidates or ballot measures are subject to the campaign disclosure requirements of the California Political Reform Act of 1974.

[ Government Code §§ 81000 *et seq.*]

The FPPC Information Manual and forms are available online at [www.fppc.ca.gov](http://www.fppc.ca.gov) and at our office. A candidate should obtain a manual as early as possible into his/her campaign and make certain that the candidate, the committee treasurer, and other personnel involved in the financial side of the campaign are fully aware of their responsibilities under the law.

[ Government Code §§ 81010, 83113]

**Please note:** The Registrar of Voters staff **cannot** advise you on filling out any FPPC form. Contact the FPPC's toll free number for free, qualified advice at 866-275-3772.

All statements filed are a matter of public record. They may be inspected at our office by anyone and copies may be purchased at ten cents (\$0.10) per page. There may be a \$5.00 retrieval fee for documents 5 years or older.

[Government Code § 81008]

A \$10 per day late filing penalty **may** be assessed for a statement filed after the prescribed deadline. The **First Pre-Election** statement, which can be personally delivered or mailed by first-class is considered filed on the date of the postmark. Certified mail is recommended but not required. The **Second Pre-Election Statement** must be sent by guaranteed overnight mail or delivered by the candidate or committee.

[Government Code § 91013]

Violations of the campaign disclosure law may result in criminal prosecution by the State Attorney General or the County District Attorney; or civil action by the FPPC, the District Attorney, or a private citizen.

[ Government Code § 91000]

The FPPC has a form for officeholders for reporting, which is known as the Candidate Intention Statement (Form 501). If you plan to be a candidate for a local office and you intend to receive contributions from others or you plan to expend personal funds on your campaign, you must file a Candidate Intention Statement (Form 501) with the local filing officer **BEFORE** you solicit or receive any contributions.

In addition, if you receive contributions from others totaling \$2,000 or more for your campaign, a Statement of Organization Form 410 must be filed with the Secretary of State (and a copy to the local filing officer) within 10 days of receiving \$2,000 in contributions. During the campaign, you will have to file at least four campaign disclosure statements. [Government Code § 84102]

Form 501 and establishment of a campaign bank account are not required if you do not solicit or receive contributions from others, and the only expenditures will be your personal funds for a filing fee and/or statement of qualifications that will appear in the voter ballot pamphlet.

A 24-hour filing is required when a candidate receives a late contribution. This must be filed and delivered to the office of the Solano County Registrar of Voters by personal delivery, telegram, guaranteed overnight service, or by fax. Government Code § 85501 prohibits a candidate's controlled committee from making an independent expenditure to support or oppose another candidate.

A candidate must establish separate committees for each campaign account for which \$2,000 or more has been received. A Statement of Organization (Form 410) must be filed with the Secretary of State and a copy to the local filing officer for each committee.

For details, refer to the Information Manual on Campaign Disclosure Provisions for Officeholders, Candidates, and their Controlled Committees, or call the Fair Political Practices Commission toll free advice line 1-866-ASK-FPPC (1-866-275-3772) if you have questions or need assistance.

### **County Elected Offices**

The Solano County Board of Supervisors passed a resolution January 11, 2022 enacting contribution limits on county-wide offices (limited to candidates for the following offices: Board of Supervisors, Assessor-Recorder, Auditor-Controller, District Attorney, Sheriff-Coroner, and Tax Collector/Treasurer/County Clerk). The limit sets a single-donor contribution to \$30,000.00 per election.

Text of the resolution reads "No Person shall make to a candidate for County Elected Office, or a committee controlled by that candidate, nor shall a candidate for County Elected Office, or a committee controlled by that candidate, accept from a Person a contribution totaling more than thirty thousand dollars (\$30,000.00). The County may

adjust this contribution limit in January of every odd-numbered year beginning in January of 2023.”

**With separate contribution limits, candidates for these offices are permitted to redesignate existing campaign committees for a new election by amending their Form 410 to redesignate for use in reelection campaigns.**

**Who must file?**

The Political Reform Act was adopted by voter initiative in 1974 and has been periodically amended by legislation and initiatives. The Act requires that campaign disclosure reports provide the public with the identity of contributors and amounts they give; and the amount officeholders, candidates, and committees spend.

The following candidates and committees **must** file campaign statements and should use the manual prepared by the Fair Political Practices Commission as a guide for their filing obligations.

- Candidates for state and local elective office.
- State and local elected officeholders.
- Committees controlled by state and local officeholders and candidates.
- Jointly controlled (slate) committees.

**AB 571 – Candidates Can No Longer Redesignate Committees**

In 2019, Assembly Bill 571 was passed by the State Legislature. This bill imposes state contribution limits on candidates, for both county and city offices, in jurisdictions which do not have established contribution limits. Under this bill, candidate-controlled committees are not permitted to redesignate an existing committee for a new election. Rather, a separate candidate-controlled committee and campaign bank account must be established for each election.

As the November General nears, Solano County would like to remind all candidates that if you are running for reelection (or another office) in a jurisdiction that does not have separate contribution limits, you must:

- File a 501
- Open a new committee for the reelection campaign (Form 410) (Regulation 18521.)
- Open a new one bank account for the reelection campaign (Regulation 18521.)
- If there are funds in the old bank account: the funds must be transferred to the new campaign bank account and committee established for the reelection.
- The funds must be in the new bank account before they can be used for the reelection campaign.

If you did not redesignate before January 1, 2021, you cannot redesignate your committee. You also cannot use the same bank account.

If candidates are not planning for running for re-election, please be sure to terminate any committees if needed.

### **Filing Obligations**

All state and local elected officeholders, candidates for state and local elective offices, and their controlled committees are required to file campaign statements at specified intervals (see filing schedule). These dates are set by law and cannot be changed. You will be required to amend your statement if your report is not completed correctly. All committees should file with the appropriate method of delivery, as well.

Failure to file appropriate statements and reports in compliance with the Act can result in substantial criminal, civil, and administrative penalties. In addition, failure to file within the prescribed deadlines can lead to late filing penalties of \$10 for each day the statement is late. The law does not allow for extensions of the due dates for the filing of campaign statements. If you file your statement late, you must also submit a written statement explaining why it was late in order to request a waiver of your fine. However, after the filing officer has sent you a specific, written notice regarding your failure to file and if you do not file within ten days of receipt of the notice, the law precludes the filing officer from waiving any fine.

Please refer to the campaign disclosure manual for where to file the various Campaign Statements. The Secretary of State will only consider waiver of fines based upon specified “good cause” reasons for late filings. Acceptable “good cause” reasons involve situations beyond a filer’s control (for example, incapacitating physical illness and natural disasters). The rules for fine waivers are very specific and limited.

### **Use of Surplus Funds**

Campaign funds held by a candidate or officeholder become “surplus” on the closing date for the post-election filing period if defeated in an election, or the date of leaving office, whichever occurs last, unless the funds have been re-designated for a future election prior to that date.

Surplus funds may be spent only in the following manner:

- Payment of outstanding campaign debts;
- Refunding to contributors on a pro-rata basis;
- Donations to a bona fide charitable, educational, civic, religious, or similar tax-exempt, nonprofit organization, provided no substantial part of the proceeds will have a material financial effect on the candidate, on any member of the candidate’s immediate family (spouse and children under age 18 who are claimed as deductions for tax purposes), or the campaign treasurer;
- Contributions to a political party or committee, as long as the funds are not used to make contributions in support of or opposition to a candidate for elective office. (The funds must be used for the party or committee’s overhead

- expenses.)
- Contributions to support or oppose any candidate for federal office, any candidate for elective office in a state other than California, or any ballot measure; or
  - Payment for professional services or attorneys' fees for litigation which arises out of campaign or election activities.

[Government Code § 89519]

### **Termination**

Once contributions and expenditures cease for a particular office, all funds are expended, the ending cash balance is \$0.00, and the bank account is closed, an original and one copy of the Form 410 Statement of Organization Termination must be filed with the Secretary of State; and a copy of the Form 410 Statement of Organization Termination, along with an original and one copy of your Form 450 or 460 must be filed with the Registrar of Voters.

**Please note:** Questions regarding filing obligations should be addressed with the FPPC. You can reach them toll free at 1-866-ask-FPPC (1-866-275-3772).

### **Campaign Disclosures for Federal Candidates**

Provisions of the Political Reform Act do not apply to elections for federal offices, including United States Senate and United States Representative. Candidates for federal offices and committees that participate in federal campaigns are subject to federal disclosure requirements.

Assistance for federal candidates and committees may be obtained from the:

- **Form 501:** All state candidates must file Form 501 before soliciting or receiving any contributions or before making expenditures from personal funds. ## CAMPAIGN LITERATURE

### Mass Mailing

If you are planning any type of mass mailing, please contact the post office in advance for specific postal regulations.

Effective April 6, 2011, all campaign committees, including candidate, ballot measure, general purpose, major donor and independent expenditure committees, must provide the words “**Paid for by**” when the committee sends a mass mailing. This identification must be presented in the same size and color as the committee name, in no less than 6-point type and in a color or print that contrasts with the background and is easily legible. The words “**Paid for by**” shall be immediately adjacent to and above or immediately adjacent to and in front of the committee name and address. [FPPC Regulation 18435]

*Example:* Paid for by Committee to Elect Willie Lee to State Senate 2014, 345 Main Street, Fairfield, CA 94533

“Mass mailing” means **over two hundred (200) substantially similar pieces of mail**, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter, or other inquiry. [Government Code § 82041.5]

Government Code § 84305 provides as follows:

- (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization’s address is a matter of public record with the Secretary of State.
- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
- (c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).

### Mass Mailing Prohibitions

No newsletter or other mass mailing shall be sent at public expense.

[Government Code § 89001]

## SIMULATED BALLOT REQUIREMENTS

Elections Code § 20009 provides as follows:

- (a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

**"NOTICE TO VOTERS  
(Required by Law)**

This is not an official ballot or an official sample ballot prepared by the county elections official, or the Secretary of State. This is an unofficial, marked ballot prepared by **(Insert the name and address of the person or organization responsible for preparation thereof).**"

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

- (b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.
- (c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

### Truth in Endorsements Law

Elections Code § 20000 – § 20009 provide additional information regarding restrictions on endorsements, representation requirements, etc. A copy of the code is available for viewing at the Registrar of Voters office, or a copy of the applicable pages may be purchased for the standard copy fee.

### Campaign Literature Containing Polling Place of Voter

Candidates are requested not to distribute or mail campaign literature telling voters where their polling places are. Invariably some polling place changes occur in the last few days before an election. This would be confusing to the voters, and this misinformation would cause problems for voters and staff, as well as for the candidates.

**Political Advertising Requirements – Newspapers**

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type of lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type (whichever is larger), the words "**Paid Political Advertisement.**" The words shall be set apart from any other printed matter. As used in this section, "paid political advertisement" shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

[Elections Code § 20008]

**Political Advertising Disclaimers**

Under California's Political Reform Act, committees must put "paid for by" disclaimers on campaign advertising, including campaign mailers, radio and television ads, telephone robocalls, and electronic media ads. The California FPPC Political Advertising Disclaimers brochure discusses disclaimer requirements for committees that purchase advertisements or circulate material supporting or opposing a state or local candidate or ballot measure in California.

The following pages contain the FPPC's Political Advertising Disclaimer Charts showing the disclaimer requirements for communications for Candidates and Ballot Measures. You can download the file at [www.fppc.ca.gov](http://www.fppc.ca.gov).

**Candidates**

1. Communications by Candidate Committees for their own Election
2. Independent Expenditure Ads on Candidates

**Ballot Measures**

3. Ballot Measure Ads (by committees primarily formed for a state or local ballot measure)
4. Independent Expenditures Ads on Ballot Measures (by general purpose recipient committees, major donors, and independent expenditure committees)

**Political Advertising Disclosures**

**1. Communications by Candidate Committees for their own Election**

**The disclosure must include, unless otherwise noted: “Paid for by *committee name*”**

Examples: “Paid for by Jones for Assembly 20XX”

- (b) Solicit a vote or speak to a voter on the subject of marking his or her ballot.
- (c) Place a sign related to voters’ qualifications or speak to a voter on the subject of his or her qualifications except as provided in Elections Code §14240.

[Elections Code § 18371]

### Solicitation Dissuading Persons from Voting

Within 100 feet of a polling place, no person shall, with the intent of dissuading another person from voting, speak to a voter about marking their ballot or about their qualifications to vote.

[Federal Law 42 U.S.C. § 1973i(c), 18 U.S.C. §§ 597, 608(b)]

### Exit Polling

Court decisions (*National Broadcasting Co., Inc., et al., vs. Cleland, et al. No. 88-320 M.D. Ga., March 1, 1988*) and (*The Daily Herald Co. v. Munro No. 84-4005 9<sup>th</sup> Circuit, November 2, 1984*) indicated that the 100 foot limit was not justified when applied to exit polling.

Based on these decisions, the Secretary of State, in consultation with the California Attorney General’s Office, in the 1980’s concluded that a 25-foot limit on exit polling was enforceable.

## REGISTRATION AND VOTE-BY-MAIL

### Registration Deadline

October 24, 2022 is the last day to register to vote for the November 8, 2022 Gubernatorial General Election.

### Election Day

Election Day is Tuesday, November 8, 2022. The polls will be open from 7:00 a.m. to 8:00 p.m.

### Issuing Ballots

With the passage of AB 37, all active California voters will receive a vote-by-mail ballot for all elections. Our office will start to mail ballots to all active voters on September 20, 2022. Voters who request a vote-by-mail ballot **prior to 5:00 p.m. November 1, 2022** will have their ballot mailed approximately 24 hours after receipt of the request. Any request for a vote-by-mail ballot received by our office after 5:00 p.m. November 1, 2022 will not be mailed to a voter. Voters may still come in to request a ballot at our office, or they can vote at their polling place on Election Day.

If the voter is unable to come to our office to pick up their vote-by-mail ballot they may authorize someone else to do so. The authorized person must provide a completed application and a statement signed by the voter. The statement must designate the authorized representative by name and that he/she is given permission to pick up their vote-by-mail ballot.

Beginning November 2, 2022 vote-by-mail ballots can only be issued in the office of the Solano County Registrar of Voter. Any authorized representative may pick up a ballot for another member of their household who is unable to come in for themselves.

### Returning a Vote-By-Mail ballot

A vote-by-mail voter can return their ballot by mail, in person to the Solano County Registrar of Voters offices, at any of our Curbside Drop Off Location, any City Clerk office in Solano County, or any polling place in Solano County on Election Day.

**Please Note:** In order to be counted, all hand delivered voted vote-by-mail ballots must be received by the county elections official no later than the close of the polls on Election Day.

Vote-by-mail ballots that are received by the county elections official via the postal service or by a bona fide private mail delivery company no later than seven days after election day is satisfactory if:

- The ballot is postmarked on or before Election Day or is time stamped or date stamped by a bona fide private mail delivery company on or before Election Day.
- If the ballot has no postmark, a postmark with no date, or an illegible postmark, the vote-by-mail ballot identification envelope is date stamped by the county elections official upon receipt and is signed and dated (by the voter) on or before election day.

### **Processing Vote-By-Mail Ballots**

California State Elections Code allows that the Registrar of Voters begin processing vote-by-mail ballots 29 business days before the election, which will be October 10, 2022.

[Elections Code § 15101(b)]

- (a) Any jurisdiction in which vote-by-mail ballots are cast may begin to process vote-by-mail ballot return envelopes beginning 29 days before the election. Processing vote by mail ballot return envelopes may include verifying the voter's signature on the vote by mail ballot return envelope pursuant to Section 3019 and updating voter history records.
- (b) Any jurisdiction having the necessary computer capability may start to process vote-by-mail ballots on the 15th business day before the election. Processing vote-by-mail ballots includes opening vote-by-mail ballot return envelopes, removing ballots, duplicating any damaged ballots, and preparing the ballots to be machine read, or machine reading them, but under no circumstances may a vote count be accessed or released until 8:00 p.m. on the day of the election. All other jurisdictions shall start to process vote-by-mail ballots at 5:00 p.m. on the day before the election.
- (c) Results of any vote-by-mail ballot tabulation or count shall not be released prior to the close of the polls on the day of the election.

**Precinct Results**

Under no circumstances may a vote count be accessed or released until 8:00 p.m. on the day of the election. After the polls close at 8:00 p.m., the precinct officers must complete poll closing procedures required by law, and deliver the ballots and supplies to their return center. This process takes approximately 1.5 hours in a major election. Precinct results will be available as soon as possible.

**Post-Election Night**

Semi-final election results will be available between 8:00 a.m. and 5:00 p.m. at the Registrar of Voters on the day after the election and on the Registrar of Voters website.

**Statement of Votes Cast**

The Semifinal Official Canvass Statement of Votes Cast, which reports election results by individual voting precincts, is available between 8:00 a.m. and 5:00 p.m. at the Registrar of Voters office. For most elections, this report is also posted on our website. Once the election is certified, the Final Official Canvass Statement of Votes Cast will also be made available.

**Canvass / Certification**

Canvass is a process of reconciling numbers and the supplemental counting of vote-by-mail ballots turned in at the polls, provisional and write-in ballots. The numbers of voted ballots reported by poll workers and vote-by-mail ballots are matched to what the computer counted. California law permits 30 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally-required manual recount of the votes cast for all candidates and measures on the ballot in 1% of the voting precincts. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts. The canvass is complete when the county elections official signs the Certification of the Election Results.

[Elections Code §§ 335.5, 15360, 15372, 15620]

## FREQUENTLY ASKED QUESTIONS

**1. What if I change my mind about being a candidate after filing nomination papers?**

You may not withdraw as a candidate in a general election after 5:00 p.m. on the last day of the nomination period on August 12, 2022, or August 17, 2022 in the case of an extension.

**2. Can I use a credit card to pay my filing fee, purchase voter material, or pay my candidate statement fee?**

Yes, also cash or checks, are acceptable forms of payment. Checks are to be made payable to the Registrar of Voters.

**3. How soon will a list of qualified candidates be available after the close of nomination?**

The nomination period closes at 5:00 p.m. on August 12, 2022, but if an incumbent does not file, the nomination period for that particular office is extended until August 17, 2022. A list of local office candidates will be available after the close of nominations. The certified list from the Secretary of State's office will be available by September 1, 2022.

**4. Can I change or correct the wording or spelling on my candidate statement after submission?**

No, you may not make any changes to your candidate's statement once it has been filed. Review your candidate's statement carefully before submitting. No responsibility or liability is assumed for errors in spelling, punctuation, grammar, etc., because the statement is entirely the candidate's responsibility.

**5. May I withdraw my candidate's statement after it is filed?**

The candidate statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period. (5:00 p.m. Saturday, August 13, 2022).

**6. If my contest does not appear on the ballot due to an insufficient number of candidates, can my candidate statement fee be refunded?**

Yes, you can note your intent to withdraw on the Candidate Statement Form that is to be submitted with your candidate statement.

**7. Can my spouse, relative, friend, or campaign manager pick up nomination documents for me?**

The candidate must pick up all forms in person or the candidate's representative must present a letter of specific authorization, signed by the candidate. This statement must contain the

candidate's name, the office he or she is seeking, and party affiliation, if applicable. The statement shall include language indicating that the candidate is aware that the Declaration of Candidacy must be properly executed and delivered to the elections official of the county of the candidate's residence by 5:00 p.m. on the 88th day prior to the general election, which in this case is August 12, 2022. That statement shall be retained by the elections official.

**8. Can my spouse, relative, friend, or campaign manager file my nomination documents, or can I mail them to you?**

Election law does not specifically prohibit another person from filing nomination papers for a candidate. However, candidates are urged to file in person. The reasons are twofold:

A. The Declaration of Candidacy is not to be removed from the office of the Registrar of Voters (except as provided in Elections Code § 8028). Additionally, a member of the Registrar of Voters' staff, a qualified officer, or a notary public must administer the oath or affirmation, which is part of the Declaration of Candidacy form. It is much easier for a candidate to file the nomination papers in person and have the oath administered at the time he or she files; and

B. The signature of the candidate, as well as other data, is necessary on many documents required in the nomination process. If through an oversight the nomination papers are incomplete, the problem can easily be rectified when a candidate files in person. Incomplete documents which are submitted and not rectified prior to the close of nomination, could result in a potential candidate not being certified for the election.

If mailed back, nomination documents must be received in our office by 5:00 p.m. on the close of nominations, regardless of the postmark.

**9. I am unable to complete and file my campaign disclosure statement (FPPC filings) by the filing deadline. Can I obtain an extension?**

NO. There is no provision in the Political Reform Act that permits any filing officer to extend a filing deadline. Statements that are late are subject to a fine of \$10.00 per day until the statement is filed. Please contact the FPPC directly with any questions.

**10. Can I obtain election night results on the Internet?**

Yes, you may obtain the information from the Registrar of Voters' website, at [www.solanocounty.com/elections](http://www.solanocounty.com/elections).

**11. Why is there so much paperwork involved in being a candidate?**

Election law specifies documents required, as well as format, filing dates, etc. The filing requirements are not discretionary. Our staff is here to help you through the process.

**12.** What happens if some of the signatures I obtain on my nomination papers are not of registered voters or do not live within the jurisdiction I seek to represent?

File your nomination papers early to avoid the consequences of a problem of this type. The Registrar of Voters must certify that the signatures on nomination papers are of registered voters residing within the jurisdiction. If you wait until the last day to file and your sponsors' signatures for any reason are insufficient, you will not qualify to be a candidate. If you file early, there will be time for the Registrar of Voters to check the signatures and notify you of any insufficiencies. You will then have an opportunity to submit supplemental signatures.

**13.** Can my spouse, relative, friend, or campaign manager pick up or drop off my vote-by-mail ballot for me?

If the voter is unable to come to our office to pick up their vote-by-mail ballot he or she may authorize someone else to do so. The authorized person must provide a completed application from the voter and a statement signed by the voter, designating the authorized representative by name as the person he/she is allowing to pick up his or her vote-by-mail ballot.

If a vote-by-mail voter is unable to return the ballot, he/she may designate his or her spouse, child, parent, grandparent, grandchild, brother, sister, or a person residing in the same household as the vote-by-mail voter to return the ballot to the Solano County Registrar of Voters or to any polling place in Solano County on Election Day.

## APPENDIX D - THE TOP-TWO PROCESS

### Background Information

Approved by voters in 2010 and taken into effect in 2011, the Top-Two Open Primary Act created voter-nominated offices.

This act allows voters to cast a vote for any candidate, no matter which party they are affiliated with. The top two vote-getters from the Primary Election continue on to the general election, regardless of their party preference. The candidate with the majority of votes (50% of total number cast plus one) in the general election is the winner of that race.

(Elections Code § 8141.5)

The following are voter-nominated offices:

- Governor
- Lt. Governor
- United States Senator
- United States Representative\*\*
- Controller
- Insurance Commissioner
- Board of Equalization
- Secretary of State
- State Senator
- State Assembly\*\*
- State Treasurer
- Attorney General

*\*\*These offices are up for election every two years.*

### Non-Partisan Offices

A nonpartisan office is an office in which no political party nominates a candidate. Judicial, school, county and municipal offices are examples of nonpartisan offices.

For nonpartisan offices, if no candidate receives a majority of the vote in the primary, then the top-two vote-getters move on to the general election.

In the general election, you may only write-in a qualified candidate's name in a nonpartisan office only. Write-in votes are not allowed for a voter-nominated candidate at the general election.
