Argument Against Measure M

Oppose this bond and VOTE NO ON MEASURE M

A bond works like a government credit card -- paying off that credit card requires the government to raise your taxes. The increased taxes you will be forced to pay would be IN ADDITION TO ALL THE OTHER TAXES RESIDENTS ALREADY PAY, including: Property Taxes; Existing Community College School Bond Taxes; Income Taxes; Sales Taxes; Utility Taxes; Gasoline Taxes. This is a TAX you will be paying until fiscal year 2053- 54. Aren't you taxed enough already?

What would this property tax increase likely mean for you?

Property Owners: will be forced to pay increased property taxes. Oh but don't worry it will only be \$60 per \$100,000 of the assessed value of your home. Just think the quality of education your children will get in modernized schools!

Many Renters: will suffer rent increases as landlords pass on the costs of higher taxes.

Customers: will see higher prices as businesses pass on the cost of higher taxes.

This measure boasts an "independent citizen bond oversight committee." A committee handpicked by the School District that has no teeth!

NO MORE TAXES -- tell education bureaucrats they need to live within their means (instead of relying upon over-burdened taxpayers to pay ever increasing taxes)! VOTE NO ON MEASURE M
