VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of your home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-Off:

Starting 5-days before the election through Election Day - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1-day) - Poll Place drop-off locations are available on Election Day- all locations are open 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, all voters can request to vote "curbside" from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

COVID-19 INFO:

Poll Workers and Staff:

All poll workers will be provided masks and shields, additionally the Registrar of Voters will provide gloves, hand sanitizer, and disinfecting wipes.

Voters:

Face coverings will be provided to any voter requesting/needing one. Hand sanitizer and disposable pens will be provided to all voters. Voters without face coverings may vote from the safety of their vehicles as described above.

The Registrar of Voters encourages all citizens to follow the mandated health requirements to help protect our staff and community partners. Without our staff and volunteers we cannot successfully execute an election! Please help us minimize the risk to those helping to administer your voting rights!

The following pages outline the specific addresses, dates and hours available for each of the options on this page.

WHAT OFFICES ARE ON THE BALLOT FOR THIS ELECTION?

In the November Statewide General Election, all voters receive the same ballot, no matter what political party you are registered with (or if you have no party preference). The address where you are registered to vote determines which local contests are on your ballot.

In the June Primary Election, all Californians were able to vote to decide which candidates for federal and state offices moved on to the November General Election. You will see two different types of primaries: **Nominated by Voters**, and **Local Nonpartisan**.

California Top-Two Primary Nominated by Voters

Nonpartisan Candidates

- U.S. Senator
- U.S. Representative
- Governor
- Lieutenant Governor
- Secretary of State
- Controller
- Treasurer
- Attorney General
- Insurance Commissioner
- Board of Equalization
- State Assembly
- State Superintendent of Public Instruction

- County Supervisor*
- School Boards*
- Special District Boards*
- Municipal Offices*

The top two candidates—the ones with the most votes—move to the General Election.

If a candidate for these local offices received at least 50% plus 1 vote in the Primary, they are elected and are not in the General Election.

If no candidate won by a majority, the two candidates with the most votes are on the ballot.

There is no write-in for these offices.

You can write-in a qualified candidate for these offices.

The candidates' party preference (or "None") **always** appears on the ballot.

The candidates' party preference **never** appears on the ballot.

Both candidates on the ballot may have the same party preference.

* Not all districts have an election.

On June 8, 2010, California voters approved the Top-Two Open Primary Act (Proposition 14).

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 4**

MATT BROCK

AGE: 34

Occupation: Operations and Maintenance Supervisor, Water District

Education and Qualifications: I was born and raised in the district and now I want to represent you in Congress. I have 16 years' experience in the water industry and have direct experience with farmers, municipal and industrial customers, and environmental concerns.

I believe that our district has been greatly affected by recent decisions and policies in an extremely negative way. I am running for Congressional District 4 to stand up for the issues that really matter to the residents and businesses of Solano County.

I will work to stop the insane amount of spending that is leading to record inflation. I will advocate against tax increases on individuals and businesses. I will fully support our law enforcement and public safety to reign in the out-of-control crime. We must secure our borders to protect children and slow the introduction of dangerous drugs such as fentanyl, now the number one cause of death in the country. We must become energy independent again and focus on better utilization of all sources including fossil fuels, nuclear, and other renewables. Water projects need to be expedited to ensure we have this precious resource in to the future.

I have and will continue to support our freedoms, parental rights, and the Constitution.

I will serve with integrity and pride to ensure our district is a place we are all happy to call home now and into the future.

REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 4**

MATT BROCK

EDAD: 34

Ocupación: Supervisor de Operaciones y Mantenimiento, Distrito de Suministro de Agua

Educación y Competencia: Nací y crecí en el distrito y ahora quiero representarle en el Congreso. Poseo 16 años de experiencia en el sector hídrico y tengo experiencia directa con agricultores, clientes municipales e industriales y con los problemas medioambientales.

Creo que nuestro distrito se ha visto muy afectado por las recientes decisiones y políticas de forma extremadamente negativa. Me postulo para el Distrito 4 del Congreso para defender los asuntos que realmente les importan a los residentes y las empresas del Condado de Solano.

Trabajaré para detener el gasto desmesurado que está llevando a una inflación récord. Abogaré en contra de los aumentos de impuestos a los individuos y a las empresas. Apoyaré plenamente a nuestras fuerzas policiales y de seguridad pública para frenar la delincuencia fuera de control. Debemos asegurar nuestras fronteras para proteger a los niños y frenar la introducción de drogas peligrosas como el fentanilo, que ahora es la primera causa de muerte en el país. Debemos volver a ser independientes energéticamente y centrarnos en una mejor utilización de todos los recursos, incluidos los combustibles fósiles, la energía nuclear y otras energías renovables. Debemos agilizar los proyectos hídricos para garantizar la disponibilidad de este valioso recurso en el futuro.

He apoyado y seguiré apoyando nuestras libertades, los derechos de los padres y la Constitución.

Serviré con integridad y orgullo para asegurar que nuestro distrito sea un lugar al que todos estemos felices de llamar hogar ahora y en el futuro.

UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 4**

MIKE THOMPSON

Occupation: Member of Congress

Education and Qualifications: I was born, grew up, and still live in our district. It is my honor to represent our region in Congress.

I worked to enact an historic investment in our nation's infrastructure that will create jobs, rebuild local roads and bridges, lessen the threat of wildfires, expand broadband, and tackle climate change.

As chairman of the House Ways and Means Select Revenues Subcommittee, I wrote the most sweeping climate legislation ever to pass the House and the flagship climate policy of President Biden's agenda.

As families struggle with inflation, high gas prices and supply chain disruptions caused by COVID and the war in Ukraine, I helped pass legislation to reduce health care costs, address price gouging, and strengthen our semiconductor manufacturing industry.

To combat and recover from COVID, I worked to enact legislation to get folks vaccinated, kids back in school and help struggling working families and small businesses.

Since the tragic fires in our district, I passed legislation to provide relief for fire survivors, offset costs to local and state governments, and incentivize building of affordable housing.

The House passed my legislation to expand background checks and enacted legislation to keep communities safe from gun violence.

I'm working to preserve Social Security, Medicare, and veterans' benefits, pass comprehensive immigration reform and protect women's reproductive rights.

Together, we can ensure our district remains the best place to live, start a business, raise a family, and retire with dignity.

I would be honored to have your support.

**DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 4**

MIKE THOMPSON

Ocupación: Miembro del Congreso

Educación y Competencia: Nací, crecí y aún vivo en nuestro distrito. Es un honor para mí representar a nuestra región en el Congreso.

He trabajado para promulgar una inversión histórica en las infraestructuras de nuestro país que creará puestos de trabajo, reconstruirá carreteras y puentes locales, reducirá la amenaza de incendios forestales, ampliará la banda ancha y abordará el cambio climático.

Como presidente de la Subcomisión de Medios y Arbitrios Seleccionados de la Cámara de Representantes, redacté la legislación climática más amplia jamás aprobada por la Cámara y la política climática insignia de la agenda del Presidente Biden.

Mientras las familias luchan contra la inflación, los precios elevados de la gasolina y las interrupciones de la cadena de suministro causadas por el COVID y la guerra en Ucrania, ayudé a aprobar leyes para reducir los costos del cuidado de la salud, hacer frente a los precios abusivos y fortalecer nuestra industria de fabricación de semiconductores.

A fin de combatir y recuperarnos del COVID, trabajé para promulgar leyes que permitieran vacunar a las personas, permitir que los niños regresaran a la escuela y ayudar a las familias trabajadoras y a las pequeñas empresas con dificultades.

Desde los trágicos incendios ocurridos en nuestro distrito, aprobé leyes para socorrer a los supervivientes de los incendios, compensar los costos de los gobiernos locales y estatales e incentivar la construcción de viviendas asequibles.

La Cámara de Representantes aprobó mi legislación para ampliar las verificaciones de antecedentes y promulgó leyes para mantener a las comunidades a salvo de la violencia con armas de fuego.

Estoy trabajando para preservar el Seguro Social, Medicare y los beneficios de los veteranos, aprobar una reforma migratoria integral y proteger los derechos reproductivos de las mujeres.

Juntos podemos garantizar que nuestro distrito siga siendo el mejor lugar para vivir, iniciar un negocio, formar una familia y jubilarse con dignidad.

Sería un honor contar con su apoyo.

Occupation: Assemblymember, 11th District

Education and Qualifications: In April, I was proudly serving as Suisun City's Mayor when the voters of the 11th Assembly District gave me the honor of serving out the remaining term of Assemblymember Jim Frazier – and I'm proud to have his endorsement.

Now, I'm asking for your support to allow me to represent you in the newly drawn Assembly District 11.

As promised, I hit the ground running fighting for issues you care about.

Homelessness: Securing funding for transitional shelters with wraparound services.

Jobs: Attracting new businesses to our communities to create jobs.

Healthcare: Fighting to expand healthcare options and improve our commitment to mental health services.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

JENNY LEILANI CALLISON

AGE: 37

Occupation: Veteran, Legislative Consultant, Mother

Education and Qualifications: As a mother, United States Army Veteran, and native Californian - I am running to represent California State Assembly, District 11, to advocate on your behalf. I am passionate about improving the quality of life in our state to ensure a healthy and fulfilling future for the next generation.

For the previous ten years I worked for the California State Assembly, Veterans Affairs Committee. During that time I aided in drafting policy, analyzing potential legislation, and advocating for veterans, active duty military, and their families. As an Assemblymember, I will continue to build on that experience and those relationships to equip our veterans and the people of Assembly District 11 with the resources and tools needed to succeed.

I believe that the American Dream offers each generation the opportunity to do better than the next. I see my parents live that dream, and I live that dream thanks to them and their experiences. Today's generation is held back from that dream. There are too few housing options, and it is too expensive to start and run a business. My plan is to help small businesses succeed so they can create fulfilling employment for others, and to examine regulations that restrict the housing market.

With the right policy changes to make Californians lives easier, the American Dream can be yours.

I humbly ask for confidence and your vote.

MEASURE E

SOLANO COUNTY LOCALLY CONTROLLED FUNDING FOR ESSENTIAL SERVICES MEASURE:

To provide general County services, such as enhancing fire protection to reduce wildfire risk, preventing spread of wildfires from wildland areas to residential neighborhoods, improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection shall Solano County's ordinance enacting a 1/8% sales tax until ended by voters be adopted, requiring independent oversight, audits, and all revenue controlled locally?	YES
	NO

Impartial Analysis of Measure E

SOLANO COUNTY – TRANSACTION AND USE TAX ORDINANCE

The County of Solano has proposed a general transactions and use tax (sales tax) of one-eighth of one cent per dollar (0.125%).

State law authorizes the County to levy a general sales tax if the ordinance proposing the tax is approved by a two-thirds vote of all members of the Board of Supervisors and the tax is approved by a majority of the qualified voters of the entire county voting in the election. On August 9, 2022 the Solano County Board of Supervisors adopted the ordinance and approved submitting it to the voters with four Supervisors voting in favor and one Supervisor voting against. If a majority of the voters in the County who vote on this measure vote "Yes," the measure will pass and the sales tax will be levied.

The proposed tax is a general sales tax that is estimated to raise \$9,000,000.00 annually. All revenue generated from the tax would be deposited into the County's General Fund and would be available for general governmental purposes. This measure does not restrict the use of the tax revenue to any specific purpose.

The tax would be paid in addition to the current sales tax. Like the current sales tax, the proposed tax would be imposed on all retailers in the incorporated and unincorporated territory of the County for the selling of tangible personal property, subject to certain exemptions and exclusions identified in the measure.

If approved, the tax would take effect immediately on November 8, 2022 and become operative on April 1, 2023. The tax would be levied for an indefinite term and could be terminated by a majority of the voters of the County of Solano by means of a ballot measure to repeal the tax at a future general or special election.

Measure E requires approval by simple majority of the voters of the County voting on it.

A "Yes" vote is a vote to authorize the County to levy a general sales tax of one-eighth of one cent per dollar (0.125%) on purchases throughout the County with certain exemptions and exclusions.

A "No" vote is a vote to not authorize the County to levy the proposed tax.

Pursuant to Article XIII B of the Constitution of the State of California and applicable laws, the appropriations limit for the County is hereby increased by the aggregate sum authorized to be levied by this tax for fiscal year 2022-23 and each fiscal year thereafter.

ARGUMENT IN FAVOR OF MEASURE E

With an ever-present and growing risk of wildfire that threatens our residential and rural communities, Measure E will provide enhanced wildfire prevention and protection to all of Solano County's residents.

The effect of prolonged drought conditions and extreme weather has increased the occurrence of wildfire in Solano County. The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities. This is what happened during the 2020 LNU Lightning Complex Fire that killed two Solano County residents, leveled 309 homes, destroyed thousands of livestock and family pets and forced the evacuations of Travis Air Force Base and portions of Fairfield and Vacaville.

A 2022 Solano County Civil Grand Jury report stated: "Solano County Is Not Prepared for Future Emergencies."

It is time to dedicate additional money and resources to address the challenges we face in Solano County. Wildfire does not respect county lines or city boundaries and revenues dedicated to wildfire prevention are shrinking.

Measure E will provide an estimated \$9,000,000 annually to support fire prevention and protection efforts across Solano County. It will provide additional fire response, including equipment and support programs, to improve 9-1-1 response times, thereby saving life and property.

Measure E will reduce the risk of wildfires threatening residential neighborhoods from rural areas by providing enhanced fire protection services to prevent the spread of fires into cities. Revenues will be used to create and maintain rural and city firebreaks and reduce dead trees and weeds in public open spaces.

We strongly urge you to vote YES on Measure E.

S// John M. Vasquez, Chair and District 4 Supervisor, Solano County Board of Supervisors

S// Jim Spering, District 3 Supervisor, Solano County Board of Supervisors

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE E

Vote NO on Measure E. More taxes don't mean better services or better decisions.

They're using scare tactics to just tax you more. You shouldn't pay for their uncontrolled overspending and mismanagement! They don't even tell you this is a GENERAL TAX and allows any three members of the elected Board of Supervisors to spend it for any purpose.

The County claims that "The fuel load is high, with dead trees and tinder dry conditions providing the perfect ingredients for a disastrous wildfire to start in our open space and bear down on our cities." So, what has the County done taking care of "dead trees and tinder dry conditions?"

Property values are continuing to increase and as adjustments are made the County will receive more tax revenue. This sales tax increase is unnecessary. People are continuing paying higher costs of housing, food, energy, utilities and automobile fuel. And let's not even mention the looming recession. This measure totally disregards our current struggles.

The measure boasts a so called "independent citizen oversight," but the measure contains no spending guarantees that an oversight committee could enforce or they wouldn't be friends of the Board.

Increasing existing taxes isn't the solution! County officials must do more to cut costs! Stop overspending, and definitely cut back on their waste. We demand better management of our money, not higher taxes!

.Vote NO on Measure E. You alone are the best "Oversight" on how your money is spent, not their Appointees!

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

ARGUMENT AGAINST MEASURE E

How much more taxes are you willing to pay? When enough is enough?

Under our state constitution, “protection of public safety is the first responsibility of local government.” When budgeting, “local officials have an **obligation** to give priority to the provision of adequate public safety services.”

The County has neglected their responsibilities and now with this sales tax increase wants YOU to cover their negligence.

The Board of Supes wants to increase the sales tax to raise money for public safety services and probably your City has another local sales tax increase on the same ballot.

This is a General Fund tax that the County can spend on anything it desires. So you have to ask yourself, where is the \$9 million in additional taxes per year will be spend? The County claims that the money collected will be used for “ enhancing fire protection to reduce wildfire risk, preventing spread of wildfires , improving 9-1-1 response times, adding rural and city firebreaks/reducing flammable vegetation, adding firefighters/paramedics, and improving early wildfire detection. CAN YOU REALLY TRUST THEM?

This proposed General Fund tax is nothing more than an effort to circumvent the two-thirds vote requirement for special taxes. Measure E can be approved by only the simple majority vote (50%). This also circumvents state accountability laws designed to ensure that taxes imposed for specific purposes are spent as intended.

Sales tax revenues are falling because of the shift to on-line retailing. Increasing the sales tax now will hurt local merchants. There is no need to increase the sales tax!

Even the promise of “citizen oversight” is hollow. We know how “oversight committee appointees” work.

Are you tired of been taken for a chump? Don’t be fooled. Vote NO on Measure E

S// Michael Nolan, President, Solano County Taxpayers Association

S// Thomas N. Hudson, President, California Taxpayer Protection Committee

REBUTTAL TO ARGUMENT AGAINST MEASURE E

Don’t be misled by the argument posed by opponents of Measure E, as there is too much at stake – namely the life and safety of Solano County residents.

This Board recognizes that it is time for everyone to come together to address the imminent threat of wildfire to our rural and residential neighborhoods. Devastating wildfires do not respect county lines nor city boundaries.

Your first line of defense, rural fire districts, are in the untenable position of providing fire protection with dwindling funding. Revenues are not keeping pace with the rising cost of fighting fires. Some of our rural fire districts are already in a state of crisis due to shortfalls.

These are largely volunteer departments made up of our friends and neighbors. They deserve better. When it comes to protecting life and property, we all have a responsibility to ensure our first responders have the tools and ability to do their job.

Measure E benefits from sales tax generated by those travelling in and out of Solano County. Oversight and routine audits will come with approval of Measure E. Claims to the contrary are designed to distract you from the dire need for enhanced fire protection and prevention services that could prevent the spread of wildfires into our residential neighborhoods.

Now is the time for action. Vote YES on Measure E.

ESSENTIAL CITY SERVICES MEASURE:**

Shall the measure to maintain Dixon's essential services such as fire prevention; rapid 911 emergency response/neighborhood police patrols; disaster preparedness; crime/gangs/drugs prevention; street/pothole repair; attract/retain local businesses/jobs; and for general government use; by establishing a 1¢ sales tax until ended by voters, providing approximately \$3,100,000 annually, with independent citizen oversight and no money that can be taken by the State, be adopted? IMPARTIAL ANALYSIS OF MEASURE D

City of Dixon Essential Services Transactions and Use Tax

The City Council for the City of Dixon ("City") placed measure D on the November 2022 ballot. If Measure D is approved by voters, it will increase the City's sales tax by one penny per dollar spent within the City on taxable items. It is anticipated that Measure D will generate approximately \$3.1 million annually in new City revenue. Funding received by the City through Measure D will be local and for the exclusive use of the City. Revenue generated by Measure D will not be shared and cannot be taken away by the state or federal government.

The City's current sales tax is 7.375%. The overwhelming majority of revenue generated from this sales tax is kept and spent by the state government rather than the City.

Measure D is a general tax. Any revenue generated by Measure D must be spent on City services or infrastructure and will be overseen by a citizens committee. For example, Measure D revenue must be used to maintain or improve City services such as public safety, landscaping, and street maintenance and repair or as a funding source for City infrastructure projects such as the Parkway Boulevard Overpass or a new fire station.

A 'YES' vote would approve the one-cent sales tax increase in sales tax.

A 'NO' vote is a vote against the proposed one-cent sales tax sales tax increase.

4.10.020 Operative Date.

"Operative date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this Chapter, the date of such adoption being as set forth below.

4.10.030 Purpose.

This Chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this Chapter which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Chapter.

E. To adopt a retail transactions and use tax for unrestricted general revenue purposes to remain in effect until the voters amend or repeal it.

4.10.040 Contract with State.

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this Chapter; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

4.10.050 Transaction Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this Chapter.

4.10.060 Place of Sale.

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State Sales and Use Tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

4.10.070 Use Tax Rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this Chapter for storage, use or other consumption in said territory at the rate of one percent (1%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

4.10.080 Adoption of Provisions of State Law.

Except as otherwise provided in this Chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Chapter as though fully set forth herein.

4.10.090 Limitation on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefore. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Chapter;

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

- a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or
- b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax levied by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

C. There are exempted from the use tax levied by this Chapter, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
2. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this Chapter.

For purposes of this subsection, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of the Internal Revenue Code and the regulations thereunder.
8. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Chapter 2 of Division 3.5 (commencing with Section 9840) of the Vehicle Code. 4.11.130 Enjoining Collection Forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this Chapter, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

SECTION 2. NO MANDATORY DUTY OF CARE. This ordinance is not intended to and shall not be construed or given effect in a manner which imposes upon the City, or any officer or employee thereof, a mandatory duty of care towards persons or property within the City or outside of the City so as to provide a basis of civil liability for damages, except as otherwise imposed by law.

ARGUMENT IN FAVOR OF MEASURE D

YES on D – Protect Local Control and Keep Dixon Safe!

Sacramento politicians continue to impose expensive regulations and bureaucracy on our community. Did you know Dixon has lost millions to these politicians telling us what to do? **YES on D** keeps OUR money LOCAL to address our own critical needs and priorities. *Not a penny of Measure D funding can be touched by Sacramento, or anyone else!*

YES on D protects lives and homes! Fire threats and extreme drought are real. **YES on D** ensures Dixon firefighters can access local, reliable, adequate water equipped with the tools they need to respond to any disaster to save lives and property.

YES on Measure D maintains local:

- Fire prevention
- Rapid 911 emergency response/emergency preparedness
- Neighborhood police patrols
- Crime, gang, and drug prevention
- Street, landscaping, and pothole repair

YES on D makes our streets safer. Measure D maintains and repairs streets and potholes before they become even more dangerous and more costly to fix!

YES on D reduces crime and keeps our neighborhoods safe with a high-level of police services, including rapid 911 emergency response, neighborhood patrols, anti-drug and gang programs, and crime prevention and investigation.

Measure D requires strict accountability, including Independent Citizens Oversight with public disclosure of spending, mandatory financial audits, and yearly public reports to the community to ensure funds are spent on OUR priorities. By law, ALL **Measure D** funding must stay here in Dixon, and none can be taken by the State.

Measure D is NOT a tax on your home or property and out-of-town visitors will pay their fair share.

Measure D was developed after receiving input from hundreds of Dixon residents!

Join us in voting **YES on D** to keep our community safe and protect our local control!

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE D

Vote NO on Measure D. It is a "GENERAL FUND TAX" which means it goes directly into the GENERAL FUND and allows any three members of the City Council to spend it for any purpose.

We are tired of local politicians who don't listen to residents, but take our tax dollars to pay for excessive management salaries and pensions, excessive contracts for attorneys, and for projects like the Pardi Market site, the train station where no train stops, a SECOND HIGH PAID CITY CLERK to undermine the elected City Clerk, and consultants that do the work staff should be doing.

We are proud that currently Dixon's sales tax rate is lower than other Solano cities. It gives Dixon businesses and local workers a needed competitive advantage over other cities. Raising the sales tax will HURT LOCAL BUSINESSES that provide local jobs.

Proponents argue that "Dixon has lost millions" because "Sacramento politicians ... impose expensive regulations and bureaucracy on our community." That's a good reason to elect new state officers, but not to raise your taxes.

DON'T TRUST city bureaucrats, local insiders and politicians who hate to listen to their constituents and repeatedly provide misinformation, ignore cost saving technologies, and waste YOUR money. These insiders never have enough of your tax money. What they need to know is that we want better management of our money not higher taxes!

VOTE NO ON MEASURE D!

ARGUMENT AGAINST MEASURE D

NO on Measure D!

Under our state constitution, “protection of public safety is the first responsibility of local government.” When budgeting, “local officials have an obligation to give priority to the provision of adequate public safety services.”

Dixon has its priorities backwards by threatening to cut police, fire, 911, and emergency services unless voters agree to another sales tax increase.

It’s blackmail to threaten public safety services when Dixon’s budget contains plenty of unnecessary fat that could be cut instead.

It’s dishonest to say this tax will protect public safety when the measure leaves out any guarantee that the funds will go to public safety.

Why is there no guarantee? Because the funds will probably go elsewhere!

The biggest unnecessary drain on the City’s budget is overly generous pensions and retiree health benefits the City continues to promise to city employees.

While taxpayers witness their own retirement investments destroyed by stock market losses and runaway inflation, Dixon would make matters worse by raising taxes to fund guaranteed retirement benefits for public employees.

And talk about confusing! Instead of saying it adds another one cent to our sales tax, Measure D says it will “establish a one cent sales tax.” That sounds like the tax will be reduced to one cent, potentially misleading hundreds of voters and prompting litigation.

Of greatest concern, however, is how higher sales taxes will hurt local businesses. Local businesses already struggle as shoppers increasingly opt for the convenience of Amazon and other online retailers. Many struggling businesses may not survive a sales tax hike that drives even more shoppers away from buying local.

The measure boasts “independent citizen oversight,” but the measure contains no spending guarantees that an oversight committee could enforce. Dixonites don’t need another committee. Your oversight will be voting NO on Measure D!

REBUTTAL TO ARGUMENT AGAINST MEASURE D

Don’t be misled by the opposition – two don’t even live in Dixon! DIXON residents determine the direction of our community – NOT outside interests who disregard the facts.

The truth is, **Measure D** protects OUR money from Sacramento and is spent **LOCALLY** for critical local needs. As an independent, self-determined community – we do not want or need outsiders and politicians telling us what to do.

Measure D keeps Dixon safe and improves our quality of life, period. When we maintain our own local control and safety, all of us – residents and business owners alike – benefit. No one will want to do business here if it’s not safe!

Measure D was developed in consultation with the community and is accountable to the community. Here are the facts the opposition wants you to ignore:

FACT: Yes on D maintains the firefighting, medical response, emergency preparedness, and high-level of police services we all need.

FACT: Dixon has 45 miles of roads rated only “fair” by independent experts. **Yes on D** brings streets up to standards to keep our streets safe. It is fiscally responsible to maintain and fix roads now before becoming more dangerous and expensive.

FACT: Yes on D generates stable funding that keeps our dollars local to benefit residents – not a dime can be spent without public oversight or be seized by County or State government.

Public audits, reports, and oversight ensure all **Measure D** funds are spent as promised on the community’s priorities for critical local services.

TIME OFF TO VOTE

**POLLS ARE OPEN FROM 7:00 A.M.
TO 8:00 P.M. EACH ELECTION DAY**

If you are scheduled to be at work during that time and you do not have sufficient time outside of working hours to vote at a statewide election, California law allows you to take up to two hours off to vote, without losing any pay.

You may take as much time as you need to vote, but only two hours of that time will be paid.

Your time off for voting can be only at the beginning or end of your regular work shift, whichever allows the most free time for voting and the least time off from your regular working shift, unless you make another arrangement with your employer.

If three working days before the election you think you will need time off to vote, you must notify your employer at least two working days prior to the election.

Your vote is important to us and we want to do all that we can to make the whole in-person voting experience enjoyable. Below you will find a few tips that you may find helpful.

Before you go...

Take note of your Voting Locations. Your voting location may have changed since our last election. You can find the address and quick reference map to voting locations on the enclosed voter flyer. You can also find voting locations on the Registrar of Voter's website: www.solanocounty.com/elections.

Practice marking your ballot. We have provided a sample of your ballot for you to make selections before heading to the polls. Use it as a guide when you vote your official ballot on Election Day. To request a sample ballot, you can download one from our website: www.solanocounty.com/elections or call our office at 707-784-6675.

On Election day...

Check your time. Many voters vote on their way to work, on their lunch hour, or after work. If you have flexibility in your schedule consider visiting us mid-morning or mid-afternoon to miss the crowds.

If you have questions, please ask. Your poll workers will have the answers to many of your questions. You can also give us a call at (707) 784-6675 and we will be glad to help.

If you need assistance...

As a voter, you may bring up to two individuals with you to your polling place to help you cast your ballot, as long as those individuals do not represent your employer or your union. Your polling place will have copies of the ballot in Spanish and Tagalog and may have poll workers ready to assist you who speak Spanish and Tagalog.

Como votante, usted puede traer dos individuos a la estación de votación para que le ayuden a emitir su voto. Sus acompañantes no pueden ser representantes de su empleador o sindicato. La estación de votación quizá mantenga copias en español de la papeleta de votación y emplee trabajadores que le puedan asistir en español.

Bilang botante, maaari kang magkaroon ng hanggang dalawang tao sa iyong lugar ng botohan o presinto upang matulungan kang i-record ang iyong balota, hangga't ang mga taong ito ay hindi kinakatawan ng iyong tagapag-employo o iyong unyon. Magkakaroon ng mga kopya ng iyong balota na isinalin sa Tagalog sa iyong lugar ng botohan. Maaaring may mga taong nagtatrabaho na nagsasalita ngtagalog sa lugar ng botohan.
