**Union Proposal #28 - Union Counter 1**  
**Date Presented: 9/22/22**

Subject: Emergency Response Compensation

Notwithstanding any other MOU provision(s) to the contrary, if, during an activation of the Emergency Operations Center (EOC) lasting more than two (2) consecutive days, exempt personnel who are required to work in excess of forty (40) hours in a workweek will receive additional compensation for such affected personnel at their hourly rate not in excess of 100 hours per qualifying incident. Employees must be assigned work related to the EOC activation and must complete an Activity Log, ICS 214. Activations of the EOC must fall within the guidelines of the Solano County Emergency Operations Plan (EOP) to qualify for compensation.
