**GENERAL TERMS AND CONDITIONS****1. CLOSING OUT**

A. County will pay Contractor's final request for payment providing Contractor has paid all financial obligations undertaken pursuant to this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to pay any obligations outstanding, County will withhold from Contractor's final request for payment the amount of such outstanding financial obligations owed by Contractor. B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

**2. TIME**

Time is of the essence in all terms and conditions of this Contract.

**3. TIME OF PERFORMANCE**

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

**4. TERMINATION**

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

## 7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

### B. Minimum Scope of Insurance

- (2) Professional Liability: **\$2,000,000** combined single limit per claim and in the aggregate. The policy shall remain in full force and effect for no less than 5 years following the completion of work under this Contract.

E. If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

F. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

- (1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or

General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. The policy shall also include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the County in the care, custody, or control of the Contractor. (3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

**8. BEST EFFORTS**

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

Contractor represents that it is knowledgeable of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations issued by the U.S. Department of Health and Human Services (45 C.F.R. parts 160-64) regarding the protection of health information obtained, created, or exchanged as a result of this Contract and shall abide by and implement its statutory requirements.

## **30. WAIVER**

Any failure of a party to assert any right under this Contract shall not constitute a waiver or a termination of that right, under this Contract or any of its provisions.

## **31. CONFLICTS IN THE CONTRACT DOCUMENTS**

The Contract documents are intended to be complementary and interpreted in harmony so as to avoid conflict. In the event of conflict in the Contract documents, the parties agree that the document providing the highest quality and level of service to the County shall supersede any inconsistent term in these documents.

## **32. FAITH BASED ORGANIZATIONS**

A. Contractor agrees and acknowledges that County may make funds available for programs or services affiliated with religious organizations under the following conditions: (a) the funds are made available on an equal basis as for programs or services affiliated with non-religious organizations; (b) the program funded does not have the substantial effect of supporting religious activities; (c) the funding is indirect, remote, or incidental to the religious purpose of the organization; and (d) the organization complies with the terms and conditions of this Contract.

B. Contractor agrees and acknowledges that County may not make funds available for programs or services affiliated with a religious organization (a) that has denied or continues to deny access to services on the basis of any protected class; (b) will use the funds for a religious purpose; (c) will use the funds for a program or service that subjects its participants to religious education.

## **33. PRICING**

Should Contractor, at any time during the term of this Contract, provide the same goods or services under similar quantity, terms and conditions to one or more counties in the State of California at prices below those set forth in this Contract, then the parties agree to amend this Contract so that such lower prices shall be extended immediately to County for all future services.

### **34. USE OF PROVISIONS, TERMS, CONDITIONS AND PRICING BY OTHER PUBLIC AGENCIES**

Contractor and County agree that the terms of this Contract may be extended to any other public agency located in the State of California, as provided for in this section. Another public agency wishing to use the provisions, terms, and pricing of this Contract to contract for equipment and services comparable to that described in this Contract shall be responsible for entering into its own contract with Contractor, as well as providing for its own payment provisions, making all payments, and obtaining any certificates of insurance and bonds that may be required. County is not responsible for providing to any other public agency any documentation relating this Contract or its implementation. Any public agency that uses provisions, terms, or pricing of this Contract shall by virtue of doing so be deemed to indemnify and hold harmless County from all claims, demands, or causes of actions of every kind arising directly or indirectly with the use of this Contract. County makes no guarantee of usage by other users of this Contract nor shall the County incur any financial responsibility in connection with any contracts entered into by another public agency. Such other public agency shall accept sole responsibility for placing orders and making payments to Contractor.

C. This representation and warranty shall be an ongoing representation and warranty during the term of this Contract and Contractor must immediately notify the County of any change in the status of the representation and warranty set forth in this section.

D. If services pursuant to this Contract involve federally-funded programs, Contractor agrees to provide certification of non-suspension with submission of each invoice. Failure to submit certification with invoices will result in a delay in County processing Contractor's payment.

### **36. EXECUTION IN COUNTERPARTS**

This Contract may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument, it being understood that all parties need not sign the same counterpart. In the event that any signature is delivered by facsimile or electronic transmission (e.g., by e-mail delivery of a ".pdf" format data file), such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or electronic signature page were an original signature.
