

Edible Food Donations are Easy with MealConnect!

Food generators can donate edible food using the MealConnect platform. Donations benefit the local community, reduce harmful emissions, and feed those in need!

1. Connect

Go to the MealConnect desktop or mobile site, download the MealConnect app, and create your account.

MealConnect®

2. Share

Post a photo of your donation along with basic information including preferred pick-up time.

DRAFT

3. Match

Your post will be sent to a trusted non-profit partner in our community.

4. Await Pick-up

Your local food shelf or pantry will schedule a pick-up time and provide a volunteer to receive your donation.
