VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. All voters received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an alternative to in-person voting, you can vote from the safety of your home using the enclosed ballot. Ballots can be returned to our office in one of two manners:

Ballot Drop-Off:

Starting 29-days before the election through Election Day - Drop-off times and locations are identified on the next page (drop box is inside an office building).

Election Day Drop-Off:

Election Day (1-day) - Poll Place drop-off locations are available on Election Day-all locations are open from 7 a.m. to 8 p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, you can request to vote “curbside” from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

If you need assistance...

As a voter, you may bring up to two individuals with you to your polling place to help you cast your ballot, as long as those individuals do not represent your employer or your union. Your polling place will have copies of the ballot in Spanish and Tagalog and may have poll workers ready to assist you who speak Spanish and Tagalog.

Si necesitas ayuda ...

Como votante, usted puede traer dos individuos a la estación de votación para que le ayuden a emitir su voto. Sus acompañantes no pueden ser representantes de su empleador o sindicato. La estación de votación quizá mantenga copias en español de la papeleta de votación y emplee trabajadores que le puedan asistir en español.

Kung kailangan mo ng tulong...

Bilang botante, maaari kang magkaroon ng hanggang dalawang tao sa iyong lugar ng botohan o presinto upang matulungan kang i-record ang iyong balota, hangga't ang mga taong ito ay hindi kinakatawan ng iyong tagapag-empleyo o iyong unyon. Magkakaroon ng mga kopya ng iyong balota na isinalin sa Tagalog sa iyong lugar ng botohan. Maaring may mga taong nagtatrabaho na nagsasalita ngtagalog sa lugar ng botohan.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 4**

JOHN MUNN

Occupation: Soil and Water Scientist, Farmer, Rancher

Education and Qualifications: I am a life-long California resident, grew up on a family farm, and have been married to Shelley for 51 years. We have three children. I served on the Davis School Board and have been President of the Yolo School Boards Association, the Yolo Taxpayers Association, and California's Professional Soil Scientists Association. I view financial responsibility, law enforcement, and support for families as essential to avoiding future problems. I have degrees in Soil and Water Science and in Engineering, worked for the U.S. Forest Service and the California Department of Forestry and Fire Protection, and have returned to farm and ranch life.

Now, I am asking "Is this what you want?" Our national debt is approaching \$32 trillion (\$95,000 per person), more than we spend annually for private goods and services. This is passed to future generations. And nearly another \$2 trillion was borrowed this year. Let's quit spending what we don't have, while supporting national defense and protecting Social Security and Medicare that we have paid for.

Crime, fuel prices, inflation, and government constraints have increased. We're losing control of our borders. Health care is more complex and less transparent. And students lack basic skills to make up their own minds, while parents are discouraged from knowing what schools are doing. Is this what you want?

Tax increases, more spending, and political correctness have not solved our problems. And, too often, government is contributing to these problems. More information about issues, positions, and my background is available at www.Munn4Congress.com.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 4**

MIKE THOMPSON

Occupation: Member of Congress

Education and Qualifications: I was born, grew up, and still live in our district. It is my honor to represent our district in Congress.

I worked to enact an historic investment in our nation's infrastructure which has improved our roads, highways, bridges, airports, ports, and broadband. As chairman of the House Ways and Means Select Revenues Subcommittee, I wrote legislation that provided the largest investment to combat climate change ever signed into law. I voted for legislation that is cutting prescription drug costs and health care premiums and spurring an historic investment in American manufacturing and creating jobs.

Since the tragic fires in our district, I passed legislation to provide relief for fire survivors, offset costs to local and state governments, deliver assistance for agricultural producers, and incentivize the building of 1,200 affordable housing units in our district. I worked to enact the Bipartisan Safer Communities Act, the most impactful gun violence prevention law to be enacted in nearly 30 years. I'm working to preserve Social Security, Medicare, and veterans' benefits, pass comprehensive immigration reform, strengthen our national security and protect women's reproductive rights.

I have helped constituents recoup tens of millions of dollars from federal agencies and secured millions of dollars for local projects that modernize our roads and grow our economy.

Together, we can ensure our district remains the best place to live, start a business, raise a family, and retire with dignity. I would be honored to have your support.

**DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 4**

MIKE THOMPSON

Ocupación: Miembro del Congreso

Educación y Curriculum Vitae: Nací, crecí y aún vivo en nuestro distrito. Es un honor para mí representar a nuestro distrito en el Congreso.

Trabajé para promulgar una inversión histórica en la infraestructura de nuestra nación que ha mejorado nuestras carreteras, autopistas, puentes, aeropuertos, puertos y banda ancha. Como presidente del Subcomité de Ingresos Especiales de Medios y Arbitrios de la Cámara de Representantes, redacté una ley que aportó la mayor inversión jamás aprobada para combatir el cambio climático. Voté a favor de una legislación que está reduciendo los costos de los medicamentos recetados y las primas de atención médica y estimulando una inversión histórica en la fabricación estadounidense y la creación de puestos de trabajo.

Desde los trágicos incendios ocurridos en nuestro distrito, aprobé leyes para socorrer a los supervivientes de los incendios, compensar los costos de los gobiernos locales y estatales, prestar ayuda a los productores agrícolas e incentivar la construcción de 1,200 viviendas asequibles en nuestro distrito. Trabajé para promulgar la Ley Bipartidista de Comunidades más Seguras, la ley de prevención de la violencia con armas de fuego más impactante que se ha promulgado en casi 30 años. Estoy trabajando para preservar el Seguro Social, Medicare y los beneficios de los veteranos, aprobar una reforma migratoria integral, reforzar nuestra seguridad nacional y proteger los derechos reproductivos de las mujeres.

He ayudado a los ciudadanos a recuperar decenas de millones de dólares de las agencias federales y he conseguido millones de dólares para proyectos locales que modernizan nuestras carreteras y hacen crecer nuestra economía.

Juntos podemos garantizar que nuestro distrito siga siendo el mejor lugar para vivir, iniciar un negocio, formar una familia y jubilarse con dignidad. Sería un honor contar con su apoyo.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 4**

ANDREW DAVID ENGD AHL
Occupation: Account Executive

AGE: 34

Education and Qualifications: I am a champion for Universal Healthcare, reforming our criminal justice system, protecting our democracy and civil rights, combatting climate change, and opposing corruption and authoritarianism.

When I first made the decision to run for Congress, I did so because I feared the rising divides in our political discourse and believed that I had a voice to bring us back together and prove that anyone who truly cared for our people could be a champion for meaningful change.

In the time since, almost dying from cancer focused my perspective of what truly matters in this life, and that is having love for others and the courage to stand strong in the face of forces that would seek to tear us apart.

We are a diverse and beautiful people, and if we choose to stand together, we can find a path forward to heal the wounds of the past and become the America we can and should be; a place where liberty and justice belong to all and where one can live and love who and how they choose in pursuit of their happiness.

Whether I personally succeed in this endeavor or not, I hope that you will have the courage to pick up the cause of a United Nation that chooses Love over Hate, Wisdom over Ignorance, and a brighter future for all. The American Dream belongs to all who are and would be free, and to you and those I love, know that I will always be your champion!

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 4**

NIKET PATWARDHAN

AGE: 68

Occupation: Retired Software Development Manager/Lecturer

Education and Qualifications: I believe democracy works best when politicians have competition, and so listen to and work for the people, rather than a party or group. My experience herding some very independent cats (software engineers) into creating new things has taught me that it is especially important to draw out and hear newbies for ideas that may sound far out at first, marry those ideas with common sense, and then use experts with deep knowledge to flesh out and implement them quickly and well.

I also find that I need to get people to avoid identifying with a group. Tribal, group or party allegiance works against good compromises, as the rewards of "belonging" force a member to commit to group ideology and help the group "win". Sometimes it even forces members to suppress or reject good ideas from the "other" side, or push things to extremes in an effort to "outdo" others.

I believe my experience and circumstances give me the tools to work across parties to fight "groupthink" in Congress and use the vast knowledge in government bureaucracies for the benefit of our district. I have a Masters in Computer Science. My campaign website is niket2024.com

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

ROZZANA VERDER-ALIGA

Occupation: Mental Health Provider/City Council Member

Education and Qualifications: Listening is a fundamental skill for helping others. Listening has made me an effective mental health provider for thousands of patients in Solano County and a force for change on the school board and city council.

So, it concerns me to see many leaders at the State Capitol aren't listening to voters. Voters demand action on difficult issues like homelessness, but nothing changes and problems continue growing. I'm running for Senate to carry the message that Sacramento's attitude and mindset must change. I've done that as a school board member and city councilmember, where I inherited sizeable problems others created, listened to voters' concerns and their priorities, then led needed, positive change for Vallejo's finances, including turning red ink into a \$24 million surplus this year.

I bring passionate advocacy for social progress. I've spent the past two-plus decades fighting for women's reproductive health, LGBTQ+ rights, environmental justice, diversity in hiring in my county mental health team, in our schools, and at my city, and securing mental health services for students in our schools.

This is why I'm the officially endorsed candidate of the California Democratic Party, California Professional Firefighters, and California Teachers Association.

Locally, I would be Solano's first Senator in generations, someone coming home here every day, engaging with our community, fighting for us. That local focus is part of the reason Congressman John Garamendi, Senator Bill Dodd, Assemblywoman Lori Wilson, community leaders and majorities of Solano County Board and city councils endorse me.

I would be honored to have your vote.

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

JACKIE ELWARD

Occupation: Public Servant

Education and Qualifications: I'm a proud progressive Democrat, educator, Councilwoman, labor organizer, and mother. I'm also a first-generation immigrant from the Democratic Republic of Congo a country destabilized by corruption, authoritarianism, and environmental devastation. I've seen what happens when governments fail, and I want California to thrive.

I'm running for State Senate, because you deserve a Senator who will do the right thing, even when no one is looking.

The ONLY candidate endorsed by California Environmental Voters: they know I'll fight to protect the Delta and stop out-of-town billionaires from destroying our precious open space and jeopardizing Solano County's cherished partnership with Travis Air Force Base.

The ONLY candidate endorsed by the California Nurses Association: they know I'll champion health care for all, mental health care, and affordable prescription drugs for everyone in our community.

The ONLY candidate endorsed by the California School Employees Association: they know I'll prioritize quality, safe public schools.

I'm a practical progressive who gets things done. When I was Mayor of my city, I brought divergent voices together and oversaw a drastic reduction in homelessness by demanding accountability and results. Today, I serve on the Board of my County's Continuum of Care, which ensures that overlapping homelessness programs are working together to achieve common goals. Breaking through red tape to help people is what I do best.

In the State Senate, I will continue being a champion for housing that Solano County families can afford, climate leadership, abortion rights, equal rights for all, and fair wages and benefits for all workers. I ask for your vote.

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

CHRISTOPHER CABALDON

Occupation: Educator/State Commissioner/Retired Mayor

Education and Qualifications: Like so many of us, the opportunity for a good education changed my life. I was honored when President Obama appointed me to work with Dr. Jill Biden to create over 400 initiatives across the country to guarantee a tuition-free college education for graduating local high school seniors.

As Vice-Chancellor of California Community Colleges and university professor, I've worked to strengthen California's education system. In the Senate, I'll deliver resources to help students succeed and prepare them for modern careers.

As West Sacramento mayor, I turned our forgotten industrial town into a place that was named "America's Most Livable City" with good jobs, safe neighborhoods, and quality housing that's affordable. I'm running for Senate to expand prosperity and economic opportunity to families everywhere.

During my tenure as mayor, we lowered unsheltered homelessness by 58%. I'll focus on building more housing, expanding mental health and job training services, and keeping us safe. I know we can make communities more secure because I've done it, cutting burglary and assault rates by more than half.

A proven champion for the environment and agriculture, I've cracked down on polluters and protected thousands of acres of habitat, farmland, and open space. I'll protect our water supplies and communities threatened by wildfires and floods. As your Senator, I'll bring home our fair share of state and federal dollars, using my experience as an appointee of five California governors.

It's about lifting up the right values—and delivering the right results. I hope to earn your vote.

THOM BOGUE

No Candidate Statement provided.

JIMIH JONES

No Candidate Statement provided.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

JEFFREY FLACK

Occupation: Data and Policy Analyst

Education and Qualifications: The cost of living, and quality of life have made California a hard sell. Hundreds of thousands of people make the painful decision to leave every year. I was nearly one of them. But this is my birthplace, and I think it is worth fighting for.

I am running for Assembly focused on reducing the cost of living, improving education, and reforming the mental health and criminal justice systems.

In the 2022-23 school year, only 47% of students met standards for English, and only 35% of students met standards in Math. Education needs new ideas and deep change. We are failing our students and robbing a generation.

Anyone who has opened their electricity bill or filled up their car understands that the cost of energy in California is incredibly high and getting higher. It is time to bring accountability and reform to the public utilities and their regulators.

Californians are compassionate, but that compassion isn't endless. We have experienced an experiment in criminal justice and mental health that has failed. It is time to take a different approach that recognizes not only the dignity of the individual, but also that of the community.

I have been a data and policy analyst my entire career. It is time to bring data-driven, common-sense solutions to California's problems. I hope you will join me as we take on the challenge together.

MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

WANDA M. WALLIS

Occupation: Realtor/Businesswoman/Mom

Education and Qualifications: My name is Wanda Wallis, I am a Solano County and Suisun City resident for 20 years. I am a mother to one adult son, and I have been happily married for 20 years. As a businesswoman, I am running a grassroots campaign in my election for CA State Assembly District 11. It's time to bring back common sense, integrity and transparency.

My platform is simple:

Families are the foundation of society. Children are our future. Parents are the best advocates of their children's education and wellbeing. I stand with parents and their rights to oversee and direct their children's learning. I will fight to protect parental rights, children belong to the parents not the government.

The people demand safer streets and neighborhoods. Laws that incentivize crime and reduce funding for law enforcement have emboldened criminals. Criminals must be held responsible. I will fight to hold criminals accountable.

High taxes, overburdensome regulations, and crime are driving businesses out of California. As a businesswoman, I am well acquainted with the loss of economic opportunities for small businesses. I will fight to reduce business taxes, repeal burdensome regulations, and work to create a sustainable economic environment for all Californians.

It is time for a new voice in the California Legislature that represents ALL people. I am the new voice of the people to restore Accountability and Integrity by working together to make communities safe, and promote policies for economic prosperity. I'm Wanda Wallis, vote for me.

WANDA M. WALLIS

Ocupación: Corredora de Bienes Raíces/Mujer de Negocios/Mamá

Educación y Competencia: Me llamo Wanda Wallis, resido en el Condado de Solano y en Suisun City desde hace 20 años. Soy madre de un hijo adulto y estoy felizmente casada desde hace 20 años. Como mujer de negocios, estoy llevando a cabo una campaña de base en mi elección para el Distrito 11 de la Asamblea Estatal de CA. Es hora de recuperar el sentido común, la integridad y la transparencia.

Mi plataforma es sencilla:

Las familias son el cimiento de la sociedad. Los niños son nuestro futuro. Los padres son los mejores defensores de la educación y el bienestar de sus hijos. Apoyo a los padres y su derecho a supervisar y dirigir el aprendizaje de sus hijos. Lucharé para proteger los derechos de los padres, los niños pertenecen a los padres, no al gobierno.

La gente exige calles y vecindarios más seguros. Las leyes que incentivan el crimen y reducen el financiamiento de las fuerzas del orden público han envalentonado a los criminales. Los delincuentes deben ser considerados responsables. Lucharé para que los delincuentes sean considerados responsables.

Los elevados impuestos, la excesiva regulación y el crimen están expulsando a los comercios de California. Como mujer de negocios, conozco bien la pérdida de oportunidades económicas para las pequeñas empresas. Lucharé por reducir los impuestos a los comercios, abrogar las regulaciones gravosas y trabajar para crear un entorno económico sostenible para todos los californianos.

Es tiempo de que haya una nueva voz en la Legislatura de California que represente a TODA la gente. Soy la nueva voz de la gente para restaurar la Responsabilidad y la Integridad trabajando juntos para hacer que las comunidades sean seguras, y promover políticas para la prosperidad económica. Soy Wanda Wallis, vote por mí.

PARCEL TAX RENEWAL MEASURE**

To continue outstanding academics in science, technology, engineering, math, reading, writing, arts/ music; attract and retain high quality teachers; support student mental health/ safety; continue athletics, library services, and limit class sizes, shall Davis Joint Unified School District's measure be adopted, renewing the expiring education parcel tax at the current rate of \$768/ year, raising approximately \$11,700,000 annually until ended by voters, with adjustments for inflation; senior/ disability exemptions; and independent oversight; for the exclusive use of Davis schools?

YES

NO

**YOLO COUNTY COUNSEL ATTORNEY'S IMPARTIAL
ANALYSIS OF MEASURE N**

Measure N, a Davis Joint Unified School District ("District") Parcel Tax measure, seeks voter approval to authorize the District to levy an annual parcel tax beginning on July 1, 2024, on all parcels of taxable real property in the District, at a rate of \$768.00 per parcel annually, raising approximately \$11.7 million per year, increased for inflation every July 1 beginning in the 2025-26 tax year. The parcel tax will be levied every year until such time as the Board of Education ("Board") of the District or the voters modify, replace, or eliminate it in accordance with applicable law. Measure N would terminate and replace the existing 2016 Measure H, which expires on June 30, 2025.

A school district may levy special taxes upon approval by two-thirds of the votes cast. (See Cal. Const. Art. XIII A, § 4; Art. XIII C, §2; Cal. Gov't Code §§ 50075-50077, 50079, & 53722.) If two-thirds of the qualified electors voting on this measure vote for approval, a special parcel tax will be imposed annually at the rate described above until modified, replaced, or eliminated by the Board. The tax will be collected by the County Tax Collectors of the Counties of Yolo and Solano at the same time, in the same manner, and subject to the same penalties as ad valorem property taxes.

Upon application to the District, an exemption from payment of the special tax may be granted on any single-family parcel owned by a person occupying said parcel as their principal residence and attaining 65 years of age prior to July 1 of the tax year; or are receiving Supplemental Security Income for a disability, regardless of age; or receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services. Applications for such exemptions must be made and delivered to the District in accordance with the process established by the Board, or its designee.

If two-thirds of the qualified electors voting on this measure vote for approval funding will be used for the specific

purposes of continuing outstanding academics in science, technology, engineering, math, reading, writing, arts/ music; attracting and retaining high quality teachers; supporting student mental health/ safety; continuing athletics, library services; and limiting class sizes. Proceeds may not be used for any non-specified purposes and will be allocated each year by the Board. In no event will the funds be used for contract management salaries or pensions. The measure further provides for an annual written report detailing the funds collected and expended and the status of any authorized project or expense. The Board will appoint a citizens' oversight committee to provide oversight of the revenue expenditures.

If two-thirds of the qualified electors voting on this measure do not vote for approval, the measure will fail, and the levy will not be authorized.

This measure is placed on the ballot by the Board of the District.

Dated: November 13, 2023.

**MEASURE N
FULL TEXT**

Davis Joint Unified School District Parcel Tax Renewal Measure

SECTION I: KEY FINDINGS

- Davis Joint Unified School District (DJUSD) serves approximately 8,500 local students from preschool through 12th grade and adult education at our award-winning schools.
- Student achievement in DJUSD consistently ranks among the best in the State and nation.
- For nearly forty years, Davis schools have benefited from locally controlled funding from an education parcel tax to provide a high-quality instructional program for students and to support teachers.
- Locally controlled funding from the voter-approved education parcel tax has been essential for making Davis schools less dependent on inadequate state funding, keeping great teachers in Davis classrooms and protecting critical programs in reading, writing, science, technology, engineering and math (STEM), and art and music.
- Unless renewed by voters, funding from DJUSD's education parcel tax will expire in June 2025 and DJUSD would have to cut approximately \$12 million from its annual budget, potentially leading to extensive teacher layoffs, larger class sizes, and severe cuts to academic programs.
- To maintain local funding and prevent cuts to teachers and classroom instruction, the DJUSD Board of Education believes the expiring education parcel needs to be renewed.
- The proposed education parcel tax renewal measure would not increase taxes and would simply continue the current rate structure with annual adjustment for inflation.
- If renewed by local voters, funding from the education parcel tax will continue to be used to maintain quality education by protecting quality science, technology, engineering and math (STEM), reading, writing, art and music programs; attracting and retaining high quality teachers; maintaining athletics and library services, promoting student physical and mental health and safety; and maintaining manageable class sizes.
- The proposed parcel tax renewal measure would continue mandatory local control and fiscal accountability requirements, including mandatory public disclosure of all spending, an independent citizens' oversight committee's annual audit to ensure funds are spent as promised, and a strict prohibition against funds being used for contract management salaries or pensions.
- Homeowners aged 65 and over and homeowners who receive supplemental security income (SSI) for disability or social security disability (SSDI) benefits would continue to be eligible for an optional exemption from the cost and do not have to reapply if they already qualify for an exemption.
- All revenue from this measure must be spent locally for the exclusive use of Davis schools for the benefit of Davis students only.
- The Board of Education believes that continuing locally controlled funding from the education parcel tax is vital for maintaining student achieve and ensuring students are prepared for success after graduation.
- The Board of Education believes that quality Davis schools support the quality of life in Davis and help keep property values strong.

B. Basis of Tax

This qualified special tax (“Parcel Tax”) shall authorize the District to levy a tax on all Parcels of Taxable Real Property in the District at a rate of Seven Hundred Sixty-Eight Dollars (\$768) per parcel (“Parcel Tax Rate”), commencing with the 2024-25 tax year, and adjusted annually thereafter as stated below. The Parcel Tax will be levied every year until such time as the Board or voters modify, replace or eliminate the Parcel Tax in accordance with applicable law.

This Parcel Tax shall replace the final year of collection (2024-25) of the qualified special tax authorized by voters as “Measure H” in November, 2016. If this Measure is passed by voters, the final year of collection for the Measure H qualified special tax shall be 2023-24.

To account for the impact of inflation on the cost of delivering the classroom programs and student services supported by the education parcel tax, the Parcel Tax Rate as set forth above, shall be adjusted annually for inflation, if an as determined by the Board, commencing as of the 2025-26 tax year, by the change in the “Consumer Price Index for all Urban Consumers California (1982- 84=100)” published by the U.S. Department of Labor, Bureau of Labor Statistics. In the event this index is no longer published, the Board shall adopt a comparable index of general price levels as it shall reasonably determine.

“Parcel of Taxable Real Property” is defined as any unit of real property in the District that receives a separate tax bill for *ad valorem* property taxes from the Yolo or Solano County Treasurer-Tax Collector’s Office, as applicable depending on parcel location. All property that is otherwise exempt from or upon which no *ad valorem* property taxes are levied in any year shall also be exempt from the Parcel Tax in such year.

If more than one adjacent Assessor parcel constitutes a single parcel under the Subdivision Map Act (California Government Code section 66410 *et seq.*), then the parcel will be treated as a single Parcel of Taxable Real Property for purposes of the amount of tax due, and a claim for refund may be made by the property owner pursuant to the claim procedures outlined below.

C. Exemptions

Under administrative procedures established by the District, including deadlines for submittal of applications, an exemption from payment of the special tax may be granted on any single-family parcel owned by one or more persons who is/are:

1. An individual who will attain 65 years of age prior to July 1 of the tax year and occupying said parcel as their principal residence (“Senior Citizen Exemption”); or
2. Receiving Supplemental Security Income for a disability, regardless of age, and occupying said parcel as their principal residence (“SSI Exemption”); or
3. Receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250

percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services and occupying said parcel as their principal residence (“SSDI Exemption”).

Exemptions may be granted based on a one-time application, and exemptions granted under the requirements of prior measures levied by the District will not require reapproval. However, continued exemption is subject to the District’s right to verify a property owner’s continued eligibility with the requirements under which they were granted an exemption. The Board may elect to remove or add exemptions based on changes in the law that occur during the life of the tax.

The District shall annually provide to the County Tax Collector or other appropriate County official a list of parcels that the District has approved for an exemption.

D. Claim Procedures

With respect to all general property tax issues and billing matters within its jurisdiction, the Yolo or Solano County Tax Assessor, as applicable, or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the special tax, including determination of Senior Citizen Exemption, SSI Exemption, and the SSDI Exemption, the decisions of the District shall be final and binding. In the latter case, a claim for a refund of the special tax shall comply with the following and any additional procedures or as otherwise established by the Board:

1. All claims shall be filed with the Superintendent of the District no later than one year after the date the Parcel Tax was paid. The claimant shall file the claim within this time period and the claim shall be finally acted upon the Board as a prerequisite to bringing suit thereon.
2. Pursuant to Government Code section 935(b), the claim shall be subject to the provisions of Government Code sections 945.6 and 946.
3. The Board shall act on a timely claim within the time period required by Government Code section 912.4.
4. The procedure described herein, and any additional procedures established by the Board, shall be the exclusive claims procedure for claimants seeking a refund, reduction, or recomputation of the Parcel Tax. Whether any particular claim is to be resolved by the District or by a County shall be determined by the District, in coordination with the County as necessary.

E. Appropriations Limit

Pursuant to California Constitution article XIII B and applicable laws, the appropriations limit for the District will be adjusted periodically by the aggregate sum collected by levy of the Parcel Tax.

F. Accountability Measures

The proceeds of the Parcel Tax shall be applied only to the Programs identified above. The proceeds of the Parcel Tax shall be deposited into a fund, which may include subaccounts if needed, which shall be kept separate and apart from other funds of the District. No later than December 31 of each year while the tax is in effect, the District shall prepare and file with the Board a report detailing the amount of funds collected and expended, and the status of any project authorized to be funded by this measure.

In addition, a Citizens Oversight Committee shall be appointed by the Governing Board to ensure that the Parcel Tax proceeds collected pursuant to this measure are spent for their authorized purposes, and to report annually to the Board and the public regarding the expenditure of such funds. The Board may designate an existing Citizens Oversight Committee to oversee the Parcel Tax collections from this measure if desired.

G. Severability

The Board hereby declares, and the voters by approving this measure concur, that every section and part of this measure has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part of the measure, including the Parcel Tax, the Parcel Tax Rate, the Programs or any other aspect of the measure be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts of the measure hereof shall remain in full force and effect to the fullest extent allowed by law.

H. Protection of Funding

Current law forbids any decrease in State or Federal funding to the District because of the District’s levy of the Parcel Tax. However, if any such funds are reduced because of the levy thereof, then the amount of the Parcel Taxes may be reduced annually as necessary in order to restore such State or Federal funding.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT IN FAVOR OF MEASURE N

For forty years, Davis residents have invested in providing an excellent education for all students by committing to parcel taxes that fund our local classrooms.

Measure N will **renew the expiring parcel tax** to ensure continued funding for vital school programs in perpetuity. Measure N maintains the current per parcel cost of \$64 per month, continues exemptions available for senior citizens and individuals with disabilities, and requires annual audits by a citizens' oversight committee.

Without Measure N, **our schools would lose nearly \$12 million** in annual funding – almost 10% of the district budget. This means we would:

- face significant teacher layoffs;
- have larger class sizes;
- be forced to cut programs and services.

With Measure N, **our schools will maintain:**

- smaller class sizes;
- 100 teaching and educational staff positions;
- outstanding core academic programs in science, technology, engineering, math, reading, and writing;
- robust programs in art, music, world languages, career technical education, AP courses, and other electives;
- athletics and co-curricular programs such as robotics, journalism, theater, and debate;
- counseling and nursing services to support safety and student mental and physical health;
- librarians in primary and secondary schools.

Because of how California funds schools, Davis receives less funding per student from the state than most districts. Measure N allows Davis to **protect quality educational programs** and have local control over how our dollars are spent, so we can best prepare our students for success.

Measure N makes sense for all, whether your children benefit from an exceptional public education, you are a homeowner whose home value depends on sustaining quality schools, or you believe that investing in our children is the right thing to do.

Vote Yes on Measure N to renew your support for our children, our schools, and our community.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE N

The School Board is treating property owners as an ATM money dispensing machine. This time hitting them with a permanent \$787 new tax with no cap and an unknown built-in increase every year. It is falsely presented as a renewal. Renewal means to continue the same with the same conditions. This is a new permanent tax with unknown built-in increases every year with no cap.

These taxes started in 2011 with Measure A, a \$200 temporary parcel tax for two years to add extra activities like music and sports. They are on top of the \$70 million dollars the District receives from our taxes though the state and federal government. In 2014, 2016 they increased the taxes, they transformed into \$620 plus yearly increases. The "temporary tax" has gone from \$200 now to \$747. Now they are "starting" the new permanent tax at \$787 with no cap, and built-in increases every year forever. A YES vote is a blank check.

They say "until rejected by the voters" meaning forever. The new tax will be squandered amongst the teachers' unions, employees' bloated salaries with no tangible benefits to students. The days of glory of this District are gone. They are more interested in indoctrinating kids with gender-sexual ideology and anti-parent policies than teaching the basics Civics, English Math and Science.

If you rent house/apartment vote against Measure N. Landlords will pass the new tax on to you as higher rent.

ARGUMENT AGAINST MEASURE N

Measure N enacts, forever, a separate and unequal education plan for Davis schools. Vote NO and make the School Board fix it.

Separate because it only protects the programs favored by the privileged, well educated, affluent, elite, whose children are expected to attend highly ranked, selective and exclusive universities.

Separate because vocational education is not mentioned and is apparently unworthy of similar support. There is nothing for the many students who want to get a job and prepare to learn a trade, such as to be a plumber, auto mechanic, or carpenter.

Separate because it does not mention students with special needs due to poverty, or immigration, or domestic abuse. Nor does it mention students with disabilities and their needs including transportation to school.

Unequal because, if “inadequate” State funding is cut, Measure N makes advanced placement, athletic, and extra curricular programs secure, while excluded instructional programs and the cost to maintain school buildings must face off in a “Hunger Games” fight for school funds. (Note that while properly excluded from Measure N, contracted pay and pensions for Administrators and interest on bonds are required to be paid by state law).

Forever because, unlike its predecessors, Measure N eliminates the requirement that at regular intervals the School Board evaluate the measure and modify it to meet the changing needs of the School District, and to then seek voter approval for its renewal. Instead, the plan for education embraced by Measure N will remain the same for future generations.

A NO vote on Measure N does not affect the current parcel tax, which remains in effect for two more years.

Measure N is No Good. Vote No and tell the School Board to fix it.

REBUTTAL TO ARGUMENT AGAINST MEASURE

The authors of the “No” argument confuse elitism with **excellence**. Davis voters deeply value education and have approved a parcel tax measure for 40 years **because it funds outstanding programs that benefit ALL students in our district**.

In elementary schools it funds:

- Reading aides;
- Counselors;
- Nurses;
- Science teachers;
- Librarians;
- More teachers to reduce class size.

In secondary schools it funds:

- Career Technical Education programs in agriculture, industrial arts, automotive, and health sciences;
- 7th period electives;
- Athletics, arts, music, and engineering activities;
- Additional counselors and nurses;
- More teachers to reduce class size in core subjects including math, English, and science.

These programs help all our students to thrive and **do so for \$64 a month** per parcel.

Moreover, the argument that we should wait to approve a parcel tax ignores the reality that if it is not renewed in 2024, the district will need to start the layoff process for **more than 100 teachers** at the beginning of 2025.

Davis public schools are the pride of our community because we offer excellent educational opportunities to ALL students. For 40 years, our schools have relied on voter-approved, locally controlled funding to prepare students for success upon graduation, whether they are going to a community college, a university, or into the workforce.

Voting Yes on Measure N will renew the current parcel tax at its existing level to ensure we provide the best opportunities for each and every one of our students.
