BUDGET DETAIL AND PAYMENT PROVISIONS

1. METHOD OF PAYMENT

- A. Upon submission of financial data (invoice) by Contractor, and upon approval by County, County shall, in accordance with the "Contractor Budget" attached to and incorporated into this Contract as Exhibit B-1, pay Contractor monthly in arrears for fees and expenses actually incurred the prior month, up to the maximum amount set forth in each line item in Exhibit B-1.

Invoice must identify corresponding ARPA Project Number and JL Key for each expenditure.

- B. Contractor may request transfers between the budget line items set forth in Exhibit B-1 by submitting to County a completed "Budget Modification Request Form" as provided by County upon request. Transfers between budget line items may be made only upon prior written approval of County, which approval may be withheld in the sole and absolute discretion of County.
- C. Contractor must maintain backup documentation onsite that supports the financial data submitted to County. Contractor shall make available this backup documentation upon request of County. Financial data (invoice) submitted by Contractor must meet the criteria set forth in section E below.
- D. Contractors that are non-profit, community-based organizations granted tax-exempt status under Internal Revenue Code Section 501 may receive a one-time cash advance of up to 10% of the total amount of the grant for expenses necessary under this Contract. In order to receive an advance, Contractor must submit to County a detailed written request documenting the need for an advance and evidencing that Contract activities cannot be carried out without the advance. Such evidence must consist of a current balance sheet, cash flow statement, and/or other documentation specific to the grant that adequately supports the request, and a detailed budget for utilization of the funds. County must approve all advances in writing, which approval may be withheld in the sole and absolute discretion of County for any reason or no reason. The advance amount will be repaid by Contractor at an equitable rate, but no less than 1/12 of the total amount advanced will be offset against each monthly claim submitted by Contractor. In no event shall the advance monies be sustained beyond the first 12 months after the start date of the contract period.
1. Contractor may receive an advance as provided in subsection D above only if it provides a fidelity bond by an admitted surety in the amount of the advance and naming County as beneficiary. The original bond certificate must be submitted to and approved by County prior to any disbursement of funds. Any costs associated with obtaining said fidelity bond shall be Contractor's responsibility, not chargeable to County. The bond must be valid for the life of the advance or any portion of the advance.
 2. Contractor may not use cash advances to provide working capital for non-County programs. Whenever possible, Contractor advances must be deposited in interest-bearing accounts, and the interest used to reduce program costs. Carry-over of any portion of an advance or interest from an advance into a subsequent fiscal year is not allowed. Any and all unused funds of any nature distributed by County to Contractor pursuant to this Contract, including the unused portion of any advance or interest, shall be returned to County within 30 days following the end of the contract period.

E. The following criteria apply to financial data submitted by Contractor under this Contract:

1. Requests for payment of personnel costs must include positions, salary, and actual percentage of time for each position. If Contractor provides fringe benefits to part time employees, salary and fringe benefits must be pro-rated for non-full-time employees. Salaries are fixed compensation for services performed by staff who are directly employed by Contractor and who are paid on a regular basis. Employee benefits and employer payroll taxes include Contractor's contributions or expenses for social security, employee's life and health insurance plans, unemployment insurance, pension plans, and other similar expenses that are approved by County. These expenses are allowable when they are included in the grant award and are in accordance with Contractor's approved written policies.
2. Salaries and benefits of personnel involved in more than one grant or project must be charged to each grant based on the actual percentage of time spent on each grant or project. The annualized actual percentage charged for a particular position (e.g., Project Director) cannot exceed the annual percentage approved in the grant award. Similarly, the dollar amount charged for a particular position also may not exceed the dollar amount in the approved grant award. Functional timesheets or an allocation plan must be maintained that support the time charged to County.
3. Allowable operating expenses are defined as necessary expenditures exclusive of personnel salaries, benefits, equipment or payments to subcontractors. Such expenses include specific items directly charged to the project. The expenses must be grant-related (i.e., to further the program objectives as defined in the grant award) and be incurred (realized) during the grant period. County reserves the right to make the final determination if an operating expense is allowable and necessary.
4. Indirect costs are shared costs that cannot be directly assigned to a particular activity but are necessary to the operation of the agency and the performance of the project.

EXHIBIT C **GENERAL TERMS AND CONDITIONS**

1. CLOSING OUT

A. County will pay Contractor's final request for payment providing Contractor has paid all financial obligations undertaken pursuant to this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to pay any obligations outstanding, County will withhold from Contractor's final request for payment the amount of such outstanding financial obligations owed by Contractor. Contractor is responsible for County's receipt of a final request for payment 30 days after termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

2. TIME

Time is of the essence in all terms and conditions of this Contract.

3. TIME OF PERFORMANCE

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

4. TERMINATION

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

5. SIGNATURE AUTHORITY

The parties executing this Contract certify that they have the proper authority to bind their respective entities to all terms and conditions set forth in this Contract.

6. REPRESENTATIONS

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

B. Minimum Scope of Insurance

Coverage must be at least as broad as:

(1) Insurance Services Office Commercial General Liability coverage (occurrence Form CG 00 01).

(2) Insurance Services Office Form Number CA 00 01 covering Automobile Liability, Code 1 (any auto).

(3) Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

C. Minimum Limits of Insurance

Contractor must maintain limits no less than:

(1) General Liability: **\$2,000,000** per occurrence for bodily injury, personal injury and property damage, or the full per occurrence limits of the policy, whichever is greater. If Commercial General Liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

(2) Automobile Liability: **\$1,000,000** per accident for bodily injury and property damage.

(3) Workers' Compensation: As required by the State of California.

(4) Employer's Liability: **\$1,000,000** per accident for bodily injury or disease.

D. Additional Insurance Coverage

To the extent coverage is applicable to Contractor's services under this Contract, Contractor must maintain the following insurance coverage:

- (1) Cyber Liability: **\$1,000,000** per incident with the aggregate limit twice the required limit to cover the full replacement value of damage to, alteration of, loss of, or destruction of electronic data and/or information property of the County that will be in the care, custody or control of Contractor under this Contract.
- (2) Professional Liability: **\$2,000,000** combined single limit per claim and in the aggregate. The policy shall remain in full force and effect for no less than 5 years following the completion of work under this Contract.

E. If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

F. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

- (1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or
- (2) Contractor must provide a financial guarantee satisfactory to County guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

G. Other Insurance Provisions

(1) The general liability and automobile liability policies must contain, or be endorsed to contain, the following provisions:

- (a) The County of Solano, its officers, officials, agents, employees, and volunteers must be included as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of Contractor; and with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts or equipment furnished in connection with such work or operations. General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. The policy shall also include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the County in the care, custody, or control of the Contractor. If not covered under the Contractor's Professional Liability policy, such "property" coverage of the County may be endorsed onto the Contractor's Cyber Liability Policy.

(3) Should any of the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered in accordance with the policy provisions.

H. Waiver of Subrogation

(1) Contractor agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

(2) The Workers' Compensation policy must be endorsed with a waiver of subrogation in favor of County for all work performed by Contractor, its employees, agents and subcontractors.

I. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII unless otherwise acceptable to County.

J. Verification of Coverage

(1) Contractor must furnish County with original certificates and endorsements effecting coverage required by this Contract.

(2) The endorsements should be on forms provided by County or, if on other than County's forms, must conform to County's requirements and be acceptable to County.

(3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

8. BEST EFFORTS

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

9. DEFAULT

A. If Contractor defaults in Contractor's performance, County shall promptly notify Contractor in writing. If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

D. If this Contract is terminated because of Contractor's default, County shall be entitled to recover from Contractor all damages allowed by law.

10. INDEMNIFICATION

A. Contractor will indemnify, hold harmless and assume the defense of the County of Solano, its officers, employees, agents and elective and appointive boards from all claims, losses, damages, including property damages, personal injury, death and liability of every kind, directly or indirectly arising from Contractor's operations or from any persons directly or indirectly employed by, or acting as agent for, Contractor, excepting the sole negligence or willful misconduct of the County of Solano. This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless if any insurance is applicable or not.

11. INDEPENDENT CONTRACTOR

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

B. Contractor shall have no claim against County for employee rights or benefits including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, retirement benefits, Social Security, disability, Workers' Compensation, unemployment insurance benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

E. As an independent contractor, Contractor is not subject to the direction and control of County except as to the final result contracted for under this Contract. County may not require Contractor to change Contractor's manner of doing business, but may require redirection of efforts to fulfill this Contract.

F. Contractor may provide services to others during the same period Contractor provides service to County under this Contract.

G. Any third persons employed by Contractor shall be under Contractor's exclusive direction, supervision and control. Contractor shall determine all conditions of employment including hours, wages, working conditions, discipline, hiring and discharging or any other condition of employment.

H. As an independent contractor, Contractor shall indemnify and hold County harmless from any claims that may be made against County based on any contention by a third party that an employer-employee relationship exists under this Contract.

I. Contractor, with full knowledge and understanding of the foregoing, freely, knowingly, willingly and voluntarily waives the right to assert any claim to any right or benefit or term or condition of employment insofar as they may be related to or arise from compensation paid hereunder.

12. RESPONSIBILITIES OF CONTRACTOR

A. The parties understand and agree that Contractor possesses the requisite skills necessary to perform the work under this Contract and County relies upon such skills. Contractor pledges to perform the work skillfully and professionally. County's acceptance of Contractor's work does not constitute a release of Contractor from professional responsibility.

B. Contractor verifies that Contractor has reviewed the scope of work to be performed under this Contract and agrees that in Contractor's professional judgment, the work can and shall be completed for costs within the maximum amount set forth in this Contract.

C. To fully comply with the terms and conditions of this Contract, Contractor shall:

Contractor shall employ or retain no such person while rendering services under this Contract. B. Contractor has an affirmative duty to disclose to County in writing the name(s) of any person(s) who have an actual, potential or apparent conflict of interest.

16. DRUG FREE WORKPLACE

Contractor represents that Contractor is knowledgeable of Government Code section 8350 et seq., regarding a drug free workplace and shall abide by and implement its statutory requirements.

C. If County consents to the use of subcontractors, Contractor shall require and verify that its subcontractors maintain insurance meeting all the requirements stated in Section 7 above.

D. Assignment by Contractor of any monies due shall not constitute an assignment of the Contract.

22. UNFORESEEN CIRCUMSTANCES

Contractor is not responsible for any delay caused by natural disaster, war, civil disturbance, labor dispute or other cause beyond Contractor's reasonable control, provided Contractor gives written notice to County of the cause of the delay within 10 days of the start of the delay.

the close of the current appropriation year.

D. This Contract is void and unenforceable if all or parts of federal or state funds applicable to this Contract are not available to County. If applicable funding is reduced, County may either:

31. CONFLICTS IN THE CONTRACT DOCUMENTS

The Contract documents are intended to be complementary and interpreted in harmony so as to avoid conflict. In the event of conflict in the Contract documents, the parties agree that the document providing the highest quality and level of service to the County shall supersede any inconsistent term in these documents.

33. PRICING

Should Contractor, at any time during the term of this Contract, provide the same goods or services under similar quantity, terms and conditions to one or more counties in the State of California at prices below those set forth in this Contract, then the parties agree to amend this Contract so that such lower prices shall be extended immediately to County for all future services.

34. USE OF PROVISIONS, TERMS, CONDITIONS AND PRICING BY OTHER PUBLIC AGENCIES

Another public agency wishing to use the provisions, terms, and pricing of this Contract to contract for equipment and services comparable to that described in this Contract shall be responsible for entering into its own contract with Contractor, as well as providing for its own payment provisions, making all payments, and obtaining any certificates of insurance and bonds that may be required. County is not responsible for providing to any other public agency any documentation relating this Contract or its implementation. Any public agency that uses provisions, terms, or pricing of this Contract shall by virtue of doing so be deemed to indemnify and hold harmless County from all claims, demands, or causes of actions of every kind arising directly or indirectly with the use of this Contract. C. This representation and warranty shall be an ongoing representation and warranty during the term of this Contract and Contractor must immediately notify the County of any change in the status of the representation and warranty set forth in this section.

D. If services pursuant to this Contract involve federally-funded programs, Contractor agrees to provide certification of non-suspension with submission of each invoice. Failure to submit certification with invoices will result in a delay in County processing Contractor's payment.

36. EXECUTION IN COUNTERPARTS
