Start

The Bay Area's housing affordability and homelessness challenges are serious problems that require bold solutions.

14

Rents and home purchase prices have risen much faster than incomes, pushing families, seniors, and young adults out of their homes and neighborhoods. Our region needs more housing that is affordable for a broad range of incomes, located close to transit and jobs, and meets each community's unique needs.

49

Regional Measure 4 is a bold step to address housing affordability and homelessness. It will help working people, seniors, veterans and others find and keep a safe, affordable place to live by creating over 70,000 new affordable homes and apartments, protecting vulnerable tenants, and providing first-time homeownership assistance programs.

47

Don't fall for scare tactics, review the facts at [YesOnRM4.com](http://YesOnRM4.com):

10

- **FACT: RM4 Ensures Strict Oversight and Transparency:** An independent citizens' oversight committee will ensure funds are used only as intended, with required annual audits submitted to the California State Auditor and the public.
- **FACT: RM4 will Leverage Additional Funding:** Qualifies the Bay Area for approximately \$30 billion in private, state, and federal matching funds.
- **FACT: RM4 will Create Jobs and Boost the Economy:** Creates nearly 100,000 construction and permanent jobs.
- **FACT: RM4 will Reduce Commute Times:** Builds new homes where people work, shop, and take public transit, improving convenience and reducing greenhouse gas emissions.
- **FACT: RM4 will Demand Accountability:** Forbids using funds for operating expenses, and ensures all funds stay local and never taken by the state government.
