

Rebuttal to Argument Against Measure E Vacaville Unified School District

Please don't let the argument against Measure E mislead you. The author doesn't live here and has submitted similar arguments against other Solano County school districts.

Many of Vacaville's most respected community members support Measure E. Let's trust them and not listen to incorrect statements from an outsider.

Consider the FACTS, and vote Yes on E.

FACT: Student enrollment is growing, which is why we need more classrooms and a new school. Enrollment in 2022 was 13,074; last year enrollment was 13,377, an increase of over 300 students in just two years.

FACT: By law, Measure E requires an independent citizens' oversight committee that is independent and ensures no waste or fraud on expenditures. No members can be employees of the District, and public reports are presented annually.

FACT: Measure E is the only way to improve classrooms and facilities with every penny spent on neighborhood schools. The project list in your voter pamphlet details the allowed use of funds on things like roofs, safety, science labs, and career technical classrooms. By law, no monies can be taken by the State or used for administrator salaries or benefits.

Measure E has unanimous support from Vacaville City Council and Vacaville Unified School Board, County Supervisor John Vasquez, local businesses, senior citizens, teachers, parents, and so many more. Let's listen to the people that actually live here and are part of the Vacaville community.

Our students deserve a quality education. **Join us and vote YES on E for Excellent Vacaville schools.**
