VOTING OPTIONS FOR ALL VOTERS

In an effort to provide a safe voting environment, the Solano County Registrar of Voters has prepared several voting options for all voters. You have received a Vote by Mail ballot for the election in this packet.

Below is a description of the different options you have for voting to help provide a safe voting environment for all voters, our staff, and our community partners:

No Contact Voting:

As an option to in-person voting, all voters can vote from the safety of their home, using the enclosed ballot. Ballots can be returned to our office in one of three manners:

Ballot Drop-Off:

Starting October 7th through Election Day (29 days) - Ballot drop-off times and locations are identified on the next page (drop box is inside an office building).

Curbside Drop-off:

Starting October 31st through Election Day (5 days) - Curbside drop-off times and locations are identified on the next page (stay in your vehicle, hand ballot to poll workers).

Election Day Drop-Off:

Election Day (1 day) - Poll Place drop-off locations are available on Election Day-all locations are open from 7a.m. to 8p.m.

All ballots must be received or post-marked by Election Day. All postage is paid by the Registrar of Voters Office for voters mailing ballots back to our office. Voters do not have to vote this ballot, and can still choose to vote in-person using one of the options listed below.

Limited Contact Voting:

At your assigned poll place, you can request to vote “curbside” from the comfort of your vehicle. Look for the blue cone outside of your polling place, and call the number listed on the cone. Poll workers will come out to your vehicle with your ballot and will securely deposit it for you.

This same curbside option is available if you want to drop off your Vote by Mail ballot. It may be preferable for you to remain in your vehicle and we support that option.

In-Person Voting:

Traditional polling places are still available. Your assigned location is included on the cover sheet with your official ballot. Some voters may experience additional wait times due to the need to provide social distancing within the voting location. Please be prepared: it may take longer than usual to vote at your polling place.

If you need assistance...

As a voter, you may bring up to two individuals with you to your polling place to help you cast your ballot, as long as those individuals do not represent your employer or your union. Your polling place will have copies of the ballot in Spanish and Tagalog and may have poll workers ready to assist you who speak Spanish and Tagalog.

Si necesitas ayuda ...

Como votante, usted puede traer dos individuos a la estación de votación para que le ayuden a emitir su voto. Sus acompañantes no pueden ser representantes de su empleador o sindicato. La estación de votación quizá mantenga copias en español de la papeleta de votación y emplee trabajadores que le puedan asistir en español.

Kung kailangan mo ng tulong...

Bilang botante, maaari kang magkaroon ng hanggang dalawang tao sa iyong lugar ng botohan o presinto upang matulungan kang i-record ang iyong balota, hangga't ang mga taong ito ay hindi kinakatawan ng iyong tagapag-employo o iyong unyon. Magkakaroon ng mga kopya ng iyong balota na isinalin sa Tagalog sa iyong lugar ng botohan. Maaaring may mga taong nagtatrabaho na nagsasalita ngtagalog sa lugar ng botohan.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 4**

MIKE THOMPSON

Occupation: Member of Congress

Education and Qualifications: I was born, grew up, and still live in our district. It is my honor to represent our district in Congress.

I worked to enact an historic investment in our nation's infrastructure which has improved our roads, highways, bridges, airports, ports, and broadband. As chairman of the House Ways and Means Select Revenues Subcommittee, I wrote legislation that provided the largest investment to combat climate change ever signed into law. I voted for legislation that is cutting prescription drug costs and health care premiums and spurring an historic investment in American manufacturing and creating jobs.

Since the tragic fires in our district, I passed legislation to provide relief for fire survivors, offset costs to local and state governments, deliver assistance for agricultural producers, and incentivize the building of 1,200 affordable housing units in our district. I worked to enact the Bipartisan Safer Communities Act, the most impactful gun violence prevention law to be enacted in nearly 30 years. I'm working to preserve Social Security, Medicare, and veterans' benefits, pass comprehensive immigration reform, strengthen our national security and protect women's reproductive rights.

I have helped constituents recoup tens of millions of dollars from federal agencies and secured millions of dollars for local projects that modernize our roads and grow our economy.

Together, we can ensure our district remains the best place to live, start a business, raise a family, and retire with dignity. I would be honored to have your support.

**DECLARACIÓN DE CANDIDATO PARA
REPRESENTANTE DE ESTADOS UNIDOS EN EL CONGRESO, DISTRITO 4**

MIKE THOMPSON

Ocupación: Miembro del Congreso

Educación y Competencia: Nací, crecí y aún vivo en nuestro distrito. Es un honor para mí representar a nuestro distrito en el Congreso.

Trabajé para promulgar una inversión histórica en la infraestructura de nuestra nación que ha mejorado nuestras carreteras, autopistas, puentes, aeropuertos, puertos y banda ancha. Como presidente del Subcomité de Ingresos Especiales de Medios y Arbitrios de la Cámara de Representantes, redacté una ley que aportó la mayor inversión jamás aprobada para combatir el cambio climático. Voté a favor de una legislación que está reduciendo los costos de los medicamentos recetados y las primas de atención médica y estimulando una inversión histórica en la fabricación estadounidense y la creación de puestos de trabajo.

Desde los trágicos incendios ocurridos en nuestro distrito, aprobé leyes para socorrer a los supervivientes de los incendios, compensar los costos de los gobiernos locales y estatales, prestar ayuda a los productores agrícolas e incentivar la construcción de 1,200 viviendas asequibles en nuestro distrito. Trabajé para promulgar la Ley Bipartidista de Comunidades más Seguras, la ley de prevención de la violencia con armas de fuego más impactante que se ha promulgado en casi 30 años. Estoy trabajando para preservar el Seguro Social, Medicare y los beneficios de los veteranos, aprobar una reforma migratoria integral, reforzar nuestra seguridad nacional y proteger los derechos reproductivos de las mujeres.

He ayudado a los ciudadanos a recuperar decenas de millones de dólares de las agencias federales y he conseguido millones de dólares para proyectos locales que modernizan nuestras carreteras y hacen crecer nuestra economía.

Juntos podemos garantizar que nuestro distrito siga siendo el mejor lugar para vivir, iniciar un negocio, formar una familia y jubilarse con dignidad. Sería un honor contar con su apoyo.

We have three children. I served on the Davis School Board and have been President of the Yolo County School Boards Association, the Yolo County Taxpayers Association, and the Professional Soil Scientists Association of California. I view government financial responsibility, law enforcement, a good education, and support for families as essential to avoiding future problems. I have degrees in Engineering and in Soil and Water Science, worked for the U.S. Forest Service and the California Department of Forestry and Fire Protection, and have returned to farm and ranch life.</p> <p>I am asking "Is this what you want?" Our national debt is \$34 trillion (more than GDP, \$100,000 per person, and passed to our children), nearly \$2 trillion was borrowed last year, and \$900 billion was spent on interest (more than for national defense). Let's quit spending what we don't have, while supporting national defense and protecting Social Security and Medicare that we have already paid for.</p> <p>Crime, food and fuel prices, inflation, and government constraints have increased. Our borders have been opened to illegal immigration. Health care is more complex and less transparent. And students lack basic skills to make up their own minds, while parents are prohibited from knowing what schools are doing. Is this what you want?</p> <p>Tax increases, more spending, open borders, and political correctness will not solve our problems. And, too often, government is contributing to problems. Formé parte de la Junta Escolar de Davis y he sido Presidente de la Asociación de Juntas Escolares del Condado de Yolo, de la Asociación de Contribuyentes del Condado de Yolo y de la Asociación de Científicos del Suelo Profesionales de California. Considero que la responsabilidad financiera del gobierno, las fuerzas del orden público, una buena educación y el apoyo a las familias son esenciales para evitar problemas futuros. Nuestra deuda nacional asciende a \$34 billones (más que el PIB, \$100,000 por persona y transmitidos a nuestros hijos), el año pasado se pidieron prestados casi \$2 billones y se gastaron \$900 mil millones en intereses (más que en defensa nacional). Dejemos de gastar lo que no tenemos, mientras apoyamos la defensa nacional y protegemos al Seguro Social y Medicare que ya hemos pagado.</p> <p>Han aumentado el crimen, los precios de los alimentos y el combustible, la inflación y las restricciones gubernamentales. Nuestras fronteras se han abierto a la inmigración ilegal. Los cuidados de la salud son más complejos y menos transparentes. Y los estudiantes carecen de los conocimientos básicos para decidir por sí mismos, mientras que a los padres se les prohíbe saber lo que hacen las escuelas. ¿Es esto lo que usted quiere?</p> <p>El aumento de los impuestos, más gasto, fronteras abiertas y lo políticamente correcto no resolverán nuestros problemas. **STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

THOM BOGUE

Occupation: City Council Member / Business Owner

Education and Qualifications: As a former Vice Mayor, Mayor, current City Council Member, and Small Business owner, I have held key positions with esteemed organizations including the Solano Transportation Authority (STA), Solano County Water Agency (SCWA), Yolo-Solano Air Resource Board, Green Belt Authority, Association Bay Area Governments (ABAG) Planning Commission and Executive Board.

I have collaborated with Congressmen to secure housing for our homeless veterans. Successfully housed up to 75% of our local homeless population. Developed a comprehensive plan to incorporate income-based housing within every residential project, effectively addressing this crisis head-on. By doing so, we will create safer and more prosperous communities.

In partnership with STA significantly enhanced public transportation: Expanding bus routes, ferry services throughout the bay area, and door-to-door services for the elderly.

Additionally, we allocated funds to support our agricultural community in meeting climate change mandates. While I do not fully endorse California's complete transition to electric energy, I acknowledge the importance of expanding our resource base while concurrently improving our use of fossil fuels. I believe that diversification is the key to our future success.

As a father, I have always prioritized parental rights. I strongly advocate for parents having the final say in matters concerning their children's education.

Recognizing California residents possess tremendous potential, I believe that transcending partisan politics, working together, we can restore our Golden State to its former glory, regain its esteemed status, bring prosperity and an enhanced quality of life back to all Californians. **STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 3**

CHRISTOPHER CABALDON

Occupation:

Education and Qualifications: Like so many of us, the opportunity for a good education changed my life. I was honored when President Obama appointed me to create over 400 initiatives across the country to guarantee a tuition-free college education for graduating local high school seniors.

As Vice-Chancellor of California Community Colleges and university professor, I've worked to strengthen California's education system. In the Senate, I'll deliver resources to help students succeed and prepare them for modern careers.

As West Sacramento mayor, I turned our forgotten industrial town into a place that was named "America's Most Livable City" with good jobs, safe neighborhoods, and quality housing that's affordable. I'm running for Senate to expand prosperity and economic opportunity to families everywhere.

During my tenure as mayor, we lowered unsheltered homelessness by 58%. I'll focus on building more housing, expanding mental health and job training services, and keeping us safe. I know we can make communities more secure because I've done it, cutting burglary and assault rates by more than half.

A proven champion for the environment and agriculture, I've cracked down on polluters and protected thousands of acres of habitat, farmland, and open space. I'll protect our water supplies and communities threatened by wildfires and floods.

My campaign is supported by the California Democratic Party, Planned Parenthood Northern California Action Fund, the Sierra Club, and Congressman Mike Thompson. I have a track record of delivering real results on the biggest challenges facing our communities. I hope to earn your vote. www.CabaldonforSenate.com

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

LORI WILSON

Occupation: Assemblymember, 11th District

Education and Qualifications: As your state representative, I'm delivering results for our community and focused on building a California for everyone!

I made a promise to you in early 2022 to hit the ground running fighting for the issues you care about. I've kept that promise!

I've delivered over \$20 million in state resources directly to our District for public safety, housing, electric vehicle infrastructure, flood resiliency, and transportation projects while passing landmark legislation supporting manufacturing, people with disabilities, flood control projects, habitat restoration, and the needs of farmers.

All this was accomplished while I battled breast cancer! Now, cancer-free and with a continued sense of purpose and optimism for the future, "y'all ain't seen nothing yet".

We need long-term solutions for homelessness, housing, public safety, climate change, transportation and more. That's why I led negotiations for the statewide bond measures on your ballot, Proposition 2 and Proposition 4, giving you the choice to fund education, key infrastructure projects, and other priorities for our state.

As the chair of the Assembly Transportation Committee, I'm working to speed construction to improve traffic circulation and lessen commute times. Making Interstate 80, Highway 12, State Route 37 and our local roads safer!

I'm also deeply concerned about our democracy. To that end, as the Chair of the California Legislative Black Caucus, I'm reaching out across diverse communities to reinforce everyone's right to live their version of the California Dream with dignity and respect.

Let's build a California for everyone, I would be honored to have your vote. Thank you.

**DECLARACIÓN DE CANDIDATA PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 11**

LORI WILSON

Ocupación: Miembro de la Asamblea, Distrito 11

Educación y Competencia: Como su representante estatal, ofrezco resultados a nuestra comunidad y me centro en construir una California para todos.

A principios de 2022 le prometí que me pondría manos a la obra para luchar por los asuntos que a usted le preocupan. ¡He cumplido esa promesa!

He obtenido más de \$20 millones en recursos estatales directamente para nuestro Distrito para proyectos de seguridad pública, vivienda, infraestructura de vehículos eléctricos, resiliencia a las inundaciones y transporte, al tiempo que aprobaba leyes históricas de apoyo a la industria manufacturera, las personas con discapacidad, los proyectos de control de inundaciones, la restauración del hábitat y las necesidades de los granjeros.

¡Todo esto lo conseguí mientras luchaba contra el cáncer de seno! Ahora, sin cáncer y con una sensación de propósito y optimismo para el futuro, "todavía no han visto nada".

Necesitamos soluciones a largo plazo para la indigencia, la vivienda, la seguridad pública, el cambio climático, el transporte y mucho más. Por eso encabezé las negociaciones para las iniciativas de ley de bonos a nivel estatal en su boleta, la Propuesta 2 y la Propuesta 4, que le dan la opción de financiar la educación, proyectos clave de infraestructura y otras prioridades para nuestro estado.

Como presidenta del Comité de Transporte de la Asamblea, estoy trabajando para acelerar las obras que mejoren la circulación del tráfico y reduzcan los tiempos de desplazamiento al trabajo. ¡Hacer más seguras la Interestatal 80, la Autopista 12, la Ruta Estatal 37 y nuestras carreteras locales!

También me preocupa profundamente nuestra democracia. Con ese fin, como Presidenta de la Asamblea Partidaria Legislativa Negra de California, estoy tendiendo la mano a diversas comunidades para reforzar el derecho de todos a vivir su versión del Sueño de California con dignidad y respeto.

Construyamos una California para todos, sería un honor contar con tu voto. Gracias.

**PAHAYAG NG KANDIDATO PARA SA
MIYEMBRO NG ASEMBLEYA NG ESTADO, DISTRITO 11**

LORI WILSON

Trabaho: Miyembro ng Asembleya, Ika-11 Distrito

Edukasyon at mga Kuwalipikasyon: Bilang inyong kinatawan ng estado, maghahatid ako ng mga resulta para sa ating komunidad at nakatuon sa pagbuo ng California para sa lahat!

Nangako ako sa inyo sa unang bahagi ng 2022 na simulan ang pakikipaglaban para sa mga usaping pinahalagahan ninyo. Tinupad ko ang pangakong iyon!

Direkta kong inihatid ang mahigit \$20 milyon sa mga mapagkukunan ng estado sa Distrito para sa pampublikong kaligtasan, pabahay, imprastruktura ng de-kuryenteng sasakyan, katatagan sa baha, at mga proyektong pantransportasyon habang nagpapasa ng makasaysayang lehislasyon na sumusuporta sa pagmamanupaktura, mga taong may mga kapansanan, mga proyekto sa pagkontrol ng baha, pagpapanumbalik ng tahanan ng buhay-ilang, at mga pangangailangan ng mga magsasaka.

Naisakatuparan ang lahat ng ito habang nilalabanan ko ang kanser sa suso! Ngayong walang na akong kanser at may nagpapatuloy na layunin at optimismo para sa hinaharap, "hindi niyo pa nakikita ang lahat".

Kailangan natin ang mga pangmatagalang solusyon para sa kawalan ng tirahan, pabahay, pampublikong kaligtasan, pagbabago sa klima, transportasyon at marami pa. Kung kaya pinangunahan ko ang mga negosasyon para sa mga panukala sa bono sa inyong balota sa buong estado, ang Proposisyon 2 at Proposisyon 4, na magbibigay sa inyo ng mapagpipilian para pondohan ang edukasyon, mga pangunahing proyektong imprastruktura, at iba pang mga priyoridad para sa ating estado.

Bilang tagapangulo ng Komite ng Asembleya sa Transportasyon, nagsusumikap ako upang mapabilis ang konstruksyon upang mapabuti ang sirkulasyon ng trapiko at mabawasan ang mga oras ng biyahe. Ginagawang mas ligtas ang Interstate 80, Highway 12, State Route 37 at ang ating mga lokal na daan.

Lubos kong inaalala ang ating demokrasya. Sa layuning iyon, bilang Tagapangulo ng California Legislative Black Caucus, nakikipag-ugnayan ako sa iba't ibang komunidad upang mabigyang-diin ang karapatan ng bawat isa na mamuhay sa kanyang bersyon ng California Dream nang may dignidad at paggalang.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 11**

DAVID ENNIS

Occupation: Professional Civil Engineer

Education and Qualifications: People in our District are struggling to make ends meet. While the homeless look for shelter, our state legislatures focus on issues that do not put food on the table, stop crime, or improve our schools. I have a new vision, back to basics and getting our children a good education, helping small business stay in business, and creating jobs for hard working folks. With common sense and community spirit, we can make California proud again.

I am a professional civil engineer (Duke) licensed in California since 1994 with executive experience in the aerospace industry. I envision a crime free and affordable District with local jobs and shorter commutes. I want our local schoolboards to focus on reading, writing, and arithmetic (STEM), independent of statewide educational mandates. I support school choice, and a back-to-basics approach to education. I want to stop crime, and reform criminals, mindful that the victims are not guilty! We need to prevent crime and fix Prop 47.

I spent 2 years on the San Leandro Planning Commission and 4 years as President of the United Parents for San Leandro High School. I have spent 6 years reviewing cost effectiveness and technical feasibility for FEMA projects in California, Texas, and Puerto Rico approving over \$1BN of projects with Federal funding for resilient infrastructure instead of more local taxes.

Details are on my website: <https://www.ennis2024.org>

I will earn your vote, focused on supporting our families, building affordable housing, crime free safety, education, and jobs.

**DECLARACIÓN DE CANDIDATO PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 11**

DAVID ENNIS

Ocupación: Ingeniero Civil Profesional

Educación y Competencia: La gente de nuestro Distrito tiene dificultades para llegar a fin de mes. Mientras los indigentes buscan refugio, nuestras legislaturas estatales se enfocan en asuntos que no ponen comida en la mesa, ni detienen el delito, ni mejoran nuestras escuelas. Tengo una nueva visión, volver a lo básico y lograr que nuestros hijos reciban una buena educación, ayudar a las pequeñas empresas a seguir funcionando y crear puestos de trabajo para la gente trabajadora. Con sentido común y espíritu comunitario, podemos hacer que California vuelva a sentirse orgullosa.

Soy ingeniero civil profesional (Duke) licenciado en California desde 1994 con experiencia ejecutiva en la industria aeroespacial. Imagino un Distrito sin crímenes y asequible, con empleos locales y desplazamientos más cortos. Quiero que nuestras juntas escolares locales se centren en la lectura, la escritura y la aritmética STEM (Ciencia, Tecnología, Ingeniería, Matemática), independientemente de los mandatos educativos estatales. Apoyo la elección de escuela y un enfoque de la educación que vuelva a lo básico. Quiero acabar con el crimen y reformar a los delincuentes, ¡sin olvidar que las víctimas no son culpables! Necesitamos prevenir el crimen y corregir la Prop 47.

Pasé 2 años en la Comisión de Planificación de San Leandro y 4 años como Presidente de Padres Unidos para la Escuela Secundaria San Leandro. He pasado 6 años revisando la rentabilidad y la viabilidad técnica de los proyectos de la FEMA en California, Texas y Puerto Rico, aprobando más de \$1Mil Millones en proyectos con financiamiento Federal para infraestructuras resilientes en lugar de más impuestos locales.

Encontrará más información en mi página web: <https://www.ennis2024.org>

Me ganaré su voto, centrándome en el apoyo a nuestras familias, la construcción de viviendas asequibles, la seguridad sin delitos, la educación y el empleo.

CHARLES A. HERICH

AGE: 64

Occupation:

Education and Qualifications: Hello again; my name is Charles Herich and I am running for re-election of the Solano Irrigation District (SID) Director - Division 2. It has been both a pleasure and an honor to serve you as the Division 2 Director for the past 3-1/2 years. Although this job can be rewarding and interesting, it can also be very challenging and somewhat frustrating at times. However, I believe that working closely with the other SID board members that we have achieved significant results. We have been able to keep SID's rate increases @ less than the California inflation rate while improving SID's safety and reliability performance. Water rate increases have been 3 – 4 % on average for the past 3-1/2 years while the California's inflation rate has been above 8 % on average for the last 3-1/2 years. By comparison, PG&E's rate increases have been more than 12 % per year over the same period of time. More work needs to be done in this area and I intend to focus my efforts on cost efficiency, safety, and reliability. I am asking for your support by voting for me.

LANCE A PORTER

Occupation: Retired Businessman / Farmer

Education and Qualifications: My name is Lance Porter and I am excited to announce my candidacy for the SID Board. I am a customer of SID and a long-time successful business owner in Vacaville.

In my role as a business owner, I understand firsthand the key factors that drive success: a focus on the customer, operational efficiency, and cost control. I am confident in my ability to focus on these three issues while managing costs effectively and eliminate waste.

Adapting to a changing environment is crucial for any successful enterprise. Over my 40-year career, I have consistently demonstrated my ability to evolve and thrive in shifting circumstances. With SID facing water restriction mandates from the State Government in Sacramento, it is imperative to have someone who excels at anticipating and navigating change. This is where my expertise shines.

SID requires thoughtful, strategic, and experienced leadership. I have a proven record in these areas, and with your support, I would be honored to contribute my skills to lead SID effectively over the next four years.

Thank you in advance for your vote!

WILLIAM D BRAZELTON

Occupation: Farmer

Education and Qualifications: I am running for Solano Irrigation District, Division 2 because I believe I can bring a balanced perspective to the board.

My family has been farming in Solano County since 1915 and as a 4th generation farmer I've had the opportunity to see how water impacts our agricultural lands.

In 2021 I spent the summer working for Solano Irrigation District as a Watertender where I became familiar with the infrastructure through which our water flows, making a mental note of how the infrastructure and organization could use some improvements for continued success.

As a farmer that uses Solano Irrigation District water, this experience allowed me to better understand how water impacts both the organization and the end user.

Additionally, for over 10 years I have been on the Solano County Farm Bureau Board of Directors, advocating for farmers and ranchers at the local, state, and federal levels. I've built strong relationships with our representatives over this time, allowing me to advocate for our Solano County water resources.

I look forward to serving you on the Solano Irrigation District Board of Directors, Division 2. Thank you for your vote.

MEASURE J

CITY OF DIXON - SALES TAX MEASURE

Keep Dixon Dixon Measure: Shall the measure maintaining local control of the City of Dixon's financial stability and essential services including 911 emergency response times, fire/paramedic protection; retaining/attracting firefighters/paramedics/police; preventing crime; providing safe routes to school; keeping public spaces safe/clean; attracting/retaining local businesses; repairing streets/potholes; by establishing a 1¢ sales tax until ended by voters, providing approximately \$3,000,000 annually, requiring public spending disclosures/ all funds used in Dixon, be adopted?

YES

NO

**CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE J
1% TRANSACTIONS AND USE TAX (KNOWN AS "SALES TAX")**

Transaction and Use Taxes, also known as "sales taxes," are taxes imposed on the sale of tangible goods at the retail level, which local agencies are authorized to impose under section 7285.9 of the Revenue and Taxation Code. Sales taxes do not apply to many foods and groceries, prescription medicine, utilities, or payment for services.

Under the California Constitution, local governments may vote to levy a new sales tax, subject to approval by the voters at an election. While revenues from most sales taxes are divided among state and local government, revenues from a new local sales tax approved by the voters remain in the local jurisdiction, such as the City of Dixon, and are not shared with the State or the County.

On July 25, 2024, the City Council unanimously voted to place Measure J on the ballot for the November 5, 2024, general municipal election. If approved by a majority of City of Dixon voters (50% + 1), this measure would authorize an additional 1% sales tax within the City of Dixon. The City of Dixon currently has a 7.375% sales tax rate. If the measure passes, the new sales tax rate would be 8.375%. This sales tax is a "general tax," meaning that revenues raised from the tax would go into the City's general fund to pay for any lawful City program, service, or improvement.

According to the City Council, the new tax is proposed to maintain the City's long-term financial stability and necessary funding for public services. It is estimated that the proposed sales tax will provide an additional Three Million Dollars (\$3,000,000) in annual local funding. The funds are proposed to be used on public services including 911 emergency response times; fire/paramedic protection; retaining/attracting firefighters, paramedics, and police; preventing crime; providing safe routes to school; keeping public spaces safe/clean; attracting/retaining local businesses; and repairing streets and potholes.

The measure would also require an annual audit and disclosure report. The annual disclosure report is required to be posted to the City's website and describe the revenues and expenditures from the sales tax collections.

If Measure J passes, the change in the sales tax rate would

take effect no earlier than January 2025. The 1% sales tax increase would remain in effect until ended by Dixon voters at an election. The tax would be collected in the same manner as existing sales taxes.

A "yes" vote on Measure J will authorize the 1% sales tax.

A "no" vote on Measure J will not authorize the 1% sales tax.

The above statement is an impartial analysis of Measure J written by the City Attorney for the City of Dixon. If you desire a copy of the measure, please contact the City Clerk's Office at (707) 678-7000 or lruiz@cityofdixon.us and a copy can be mailed at no cost to you.

“Operative date” means the first day of the first calendar quarter commencing more than 10 days after the adoption of this Chapter, the date of such adoption being as set forth below.

4.11.030 Purpose.

This Chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this Chapter which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.
- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Chapter.
- E. To adopt a retail transactions and use tax for unrestricted public safety and general revenue purposes to remain in effect until the voters amend or repeal it.

4.11.040 Contract with State.

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this Chapter; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

4.11.050 Transaction Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this Chapter.

4.11.060 Place of Sale.

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State Sales and Use Tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

4.11.070 Use Tax Rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this Chapter for storage, use or other consumption in said territory at the rate of one percent (1 %) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

4.11.080 Adoption of Provisions of State Law.

Except as otherwise provided in this Chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Chapter as though fully set forth herein.

4.11.090 Limitation on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefore. However, the substitution shall not be made when:
 - 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;
 - 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Chapter;

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

- a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or
- b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4.11.110 Exemptions and Exclusions.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax levied by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. 3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this Chapter.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this Chapter.

5. For the purposes of subsections (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax levied by this Chapter, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

For the purposes of subsections (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or

lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (8), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this State or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this subsection, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of the Internal Revenue Code and the regulations thereunder.

8. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Chapter 2 of Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this Chapter may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for, a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

4.11.120 Amendments to State Law.

All amendments subsequent to the effective date of this Chapter to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this Chapter, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this Chapter.

4.11.130 Enjoining Collection Forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this Chapter, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

4.11.140 Annual Accountability Report.

The City Council shall cause preparation of an annual accountability report for the benefit of the citizens of the City and in order to assure accountability in the expenditure of tax revenues received pursuant to this Chapter. The annual accountability performance report shall be posted on the City's website and shall include the following information:

- A. The amount of revenue collected pursuant to the transactions and use tax imposed by this Chapter;

 - 2. A listing of capital facility expenditures (such as streets, police and fire facilities, emergency communication systems, and other general fund capital expenditures).
 - 3. Such other categories of general fund services or capital expenditures as the City Council may from time to time deem necessary and desirable.

4.11.150 Annual Audit and Review.

The audit results may be combined with the audit of other City funds, so long as the proceeds from this Chapter are reported separately. The City Council shall discuss the results of such audit at a meeting of the City Council that is open to the public. The report of such audit shall be posted on the City's website.

SECTION 2. NO MANDATORY DUTY OF CARE. This ordinance is not intended to and shall not be construed or given effect in a manner which imposes upon the City, or any officer or employee thereof, a mandatory duty of care towards persons or property within the City or outside of the City so as to provide a basis of civil liability for damages, except as otherwise imposed by law.

City voters declare that they would have adopted this ordinance, and each and every section, subsection, sentence, clause, or phrase not declared invalid or unconstitutional, without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional.

SECTION 8. REPEAL OR AMENDMENT. This ordinance shall not be repealed or amended, except by a measure approved by a majority of electors voting on the issue at a General Municipal Election, or at a special election called for that purpose.

SECTION 9. CERTIFICATION. The City Clerk shall certify the final approval of this ordinance, publish the same as required by law, and forward a certified copy of the adopted ordinance to the California Department of Tax and Fee Administration.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS.

ARGUMENT IN FAVOR OF MEASURE J

We ask for your support for Measure J and support for our public safety officers and city. We are proud of Dixon-a city with the lowest sales tax rate in California, where families feel safe, and services are reliable. But now, our ability to maintain what makes Dixon special is at risk.

While we have kept taxes low, the world around us has changed. It is getting harder to maintain the essential services that make Dixon a great place to live. Our police officers and firefighters - the brave men and women who put their lives on the line to protect us - are being taken away by neighboring cities that can offer them better pay, facilities and equipment.

This isn't just about numbers on a budget. It's about the safety of our families, the security of our neighborhoods, and the future of our children. If we don't act, we risk losing the very people who keep our community safe. Measure J is about making sure that doesn't happen.

By adding a one cent tax to every dollar spent in Dixon, we can ensure that Dixon has the resources it needs to attract and retain the best public safety officers and maintain the essential services we all depend on. Every single penny generated by this measure will stay in Dixon and can't be taken away by the politicians in Sacramento.

More than half of the revenue generated by Measure J will be paid by people who do not live in Dixon.

We are asking you to join our public safety officers and local businesses leaders in support of Measure J. Let's stand up for our city, for our safety, and for our future.

Let's keep Dixon dollars in Dixon and ensure a strong and vibrant city for generations to come.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE J

Vote NO on Measure J. It is a "GENERAL FUND TAX". It goes directly into the GENERAL FUND and allows any three members of the City Council to spend it for any purpose.

How is it possible that "more than half of the revenue generated by Measure J will be paid by people who do not live in Dixon?" Who are these people? Dixon is not a tourist destination!

The proponents state "keep Dixon dollars in Dixon." How can we do that when they want to raise the sales tax? Shoppers will choose to shop elsewhere like Amazon and other online retailers.

They claim they are "proud" because Dixon's sales tax rate is lower than other Solano cities, but they want to raise it so Dixon businesses and local workers will not have a needed competitive advantage over other cities.

We are tired of local politicians who don't listen to residents but take our tax dollars to pay for excessive management salaries and pensions, excessive contracts for attorneys and consultants that do the work staff should be doing.

Raising the sales tax will hurt local businesses that provide local jobs.

DON'T TRUST city bureaucrats, employee unions and politicians who hate to listen to their constituents and repeatedly provide misinformation, ignore cost saving technologies, and waste YOUR money. These politicians never have enough of your money. What they need to know is that we want better management of our money not higher taxes!

ARGUMENT AGAINST MEASURE J

VOTE NO on Measure J.

In 2022, you defeated Measure D, the last attempt to raise sales taxes. Now politicians again hope to fool us into increasing sales taxes.

The ordinance says a large share will be “paid by visitors to Dixon.” Really? Is Dixon a popular vacation destination or busy transportation hub?

This tax will fall on us.

Dixon’s sales tax is 7.38%. This includes 6% state sales tax. “Local” is everything that is not state and would include county and district taxes. They say they’re only adding 1%. But the current local rate of 1.375% will increase to 2.375%. That’s an increase of over 70%!

For expensive purchases, a 70% increase in local sales taxes will hurt. It will hurt seniors, the disabled, and low-income families the most because they spend a larger portion of their income on taxable goods. Measure J will increase the already high cost of living for ALL residents.

Higher sales taxes deter new businesses from locating in Dixon, potentially stunting economic growth and job creation. Local businesses already struggle as shoppers choose the convenience of Amazon and other online retailers. Many businesses may not survive a sales tax hike that drives even more shoppers away.

It’s dishonest to say this tax will go to public safety, disaster preparedness, or street maintenance. The revenues from this measure go to the General Fund which the city council may spend on any pet project. The biggest drain on any city’s finances are generous salaries, pension obligations and health benefits.

Measure J has no detailed plans on how the additional revenue will be allocated, raising concerns about transparency and efficient use of funds. Without strict controls funds may be mismanaged or diverted to less critical areas.

VOTE NO on Measure J. They may hear you this time.

REBUTTAL TO ARGUMENT AGAINST MEASURE J

As a Dixon business owner, I fully support Measure J. Our city is thriving, and it’s crucial we equip our community with the necessary tools to keep Dixon a great place to live and do business.

Dixon has maintained the lowest possible sales tax rate, getting just one cent for every taxable dollar spent. Meanwhile, neighboring communities with higher rates are luring away our valued police officers, firefighters and city employees.

Measure J is an important change to ensure Dixon remains competitive in retaining and attracting those we rely on to keep our community safe and maintain our quality of life. Every penny generated by Measure J will be used and spent in Dixon for Dixon.

Our city benefits from a vibrant commercial and retail corridor along Highway 80, attracting numerous non-residents who shop and dine here and contribute to our local economy every day. Measure J ensures these visitors also contribute to preserving our community. According to estimates from revenue auditors HDL Companies, over half of the revenue generated by Measure J will be paid by non-residents.

Contrary to opponents’ concerns, Measure J will enhance Dixon’s attractiveness to new businesses by promoting a well-funded, stable, and secure environment. A robust local economy draws businesses, enhances commerce, and creates jobs.

I urge you to join business leaders and our local police and firefighters in supporting Measure J. It’s a vital investment in our future, ensuring Dixon remains a safe, prosperous community where both business and quality of life can flourish.
