Project Title: Suisun Force Main Reliability Project

Project Applicant: Fairfield-Suisun Sewer District

Project Location (include county): Cities of Fairfield & Suisun City, Solano County

Project Description:

FSSD is proposing to construct two new parallel force mains to operate in lieu of the existing Suisun Force Main to ensure service reliability. The existing force main would be inspected after the new parallel force mains are installed and either abandoned, repurposed, or rehabilitated as a separate project based on the inspection results. The project would also include installation of appurtenant infrastructure necessary for operation and maintenance of the force mains and stormwater

This is to advise that the Fairfield-Suisun Sewer District has approved the above (Lead Agency or Responsible Agency)

described project on 11/25/24 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
