Dear Candidate:

Congratulations on your decision to run for office. We have compiled this guide to assist you in preparing for the upcoming election, and we urge you to study it carefully. This handbook does not contain all information concerning elections but rather is a summary of general provisions related to candidates running for office.

It is divided into several chapters, and we direct your attention in particular to sections pertaining to eligibility requirements, filing fees (if any), and the filing requirements and deadlines.

Our staff has attempted to make this handbook as informative as possible and will make every effort to answer your questions. However, this handbook is a general reference guide and is not intended to be a substitute for legal advice which the Registrar of Voters office is precluded by law from offering. We strongly urge all candidates to consult private legal counsel when legal questions arise.

The staff of the Registrar of Voters office joins me in wishing you the best of luck in your endeavors.

Sincerely,

SOLANO COUNTY REGISTRAR OF VOTERS

Lindsey McWilliams
Assistant Registrar of Voters

This Candidate Guide is intended to provide general information about the nomination and election of candidates and other election related issues. No duty is imposed upon the Registrar of Voters to determine whether a candidate meets the requirements for holding office. The Declaration of Candidacy, which each candidate must sign under penalty of perjury, states that the candidate meets the statutory and/or constitutional qualifications for office (including, but not limited to, citizenship, residency, etc).

This guide is intended to be a resource and is not legally sufficient. In the case of conflict with rule or law, the rule or law will apply. It is distributed with the understanding that the Solano County Registrar of Voters is not rendering legal advice and the individual, organization, or candidate using this guide must not consider it to be a substitute for legal counsel.

Unless otherwise indicated, all code section references are to the California Elections Code.

(2) The provision of "documentation," for purposes of compliance with the requirements of paragraph (1), may include the submission of either an original, as defined in Section 255 of the Evidence Code, or a duplicate, as defined in Section 260 of the Evidence Code. (b) This section shall be applicable to the following Offices: Auditor/Controller, District Attorney, Sheriff/Coroner, County Superintendent of Schools, Superior Court Judges and Treasurer/Tax Collector/County Clerk.

BALLOT DESIGNATION

The ballot designation is the word, or group of not more than three (3) words, which will appear on the ballot under the candidate's name, designating the current principal profession, vocation, or occupation of the candidate.

Multiple designations are **usually** acceptable, provided that the three-word limitation is met. When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash ("/"). An example of an acceptable designation would be "Legislator/Rancher/Physician."

The ballot designation that a candidate may use is governed by Elections Code §13107, which states the following:

- (a) With the exception of candidates for Justice of the State Supreme Court or Court of Appeal, immediately under the name of each candidate, and not separated from the name by any line, may appear at the option of the candidate only one of the following designations:
 - (1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by the vote of the people, or to which he or she was appointed, in the case of a superior, municipal, or justice court judge.
 - (2) The word "**incumbent**" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination documents, and was elected to that office by a vote of the people, or, in the case of a superior, municipal, or justice court judge, was appointed to that office.
 - (3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word.
 - (4) The phrase "**appointed incumbent**" if the candidate holds an office **other than a judicial office by virtue of appointment**, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "**appointed**" and the title of the office. In either instance, the candidate may not use the unmodified word "**incumbent**" or any word designating the office unmodified by the word "**appointed.**" However, the phrase "**appointed incumbent**" shall not be required of a candidate who seeks reelection to an office, which he or she holds, and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to §5326 and §5328 of the Education Code or §7228, §7423, §7673, §10229 or §10515 of the Elections Code.

- (b) **Neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:**
- (1) It would mislead the voter.
 - (2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
 - (3) It abbreviates the word “**retired**” or places it following any word or words which it modifies.
 - (4) It uses a word or prefix, such as “**former**” or “**ex-**,” which means a prior status. The only exception is the use of the word “retired, placed before the title.”
 - (5) It uses the name of any political party, whether or not it has qualified for the ballot.
 - (6) It uses a word or words referring to a racial, religious, or ethnic group.
 - (7) It refers to any activity prohibited by law.
 - (8) It refers to status such as “veteran, husband, wife, activist, taxpayer, etc.”
- (c) If, upon checking the nomination documents, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the election official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate’s nomination documents.
- (1) The candidate shall, within three days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.
 - (2) In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate’s name.
- (d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e).
- (e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, **at least 98 days prior to the general election**, requests in writing a different designation which the candidate is entitled to use at the time of the request. The request shall be accompanied by a Ballot Designation Worksheet.
- (f) In all cases, words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Elections Code §13207 and §13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office.
§13106

Guidelines

The following are guidelines to assist candidates in selecting appropriate ballot designations. The guidelines were issued by the Secretary of State's office and incorporate past Secretary of State and court interpretations on acceptable and unacceptable designations.

Acceptable Designations

1. A principal profession, vocation, or occupation is the primary job or work one does which is the means of livelihood or production of income, as opposed to a hobby or avocation. Some persons may work at more than one profession, vocation, or occupation. Exceptions may apply for persons retired or unemployed by choice or by circumstance. **No designation, which connotes a status, is acceptable such as "Veteran".**
2. A candidate may use either his or her current principal profession, vocation, occupation, regardless of the amount of time in which the candidate has engaged in such or, in the alternative, any principal profession, vocation or occupation in which the candidate was engaged over the course of the previous calendar year even though it may no longer be one in which the candidate is currently engaged. In choosing between the alternatives, the candidate must ask himself or herself: "What is my primary job right now?" and "What was my primary job last year?" Either job, if otherwise proper, based on the statutory criteria, may be used as a ballot designation. For purposes of this section, the "calendar year immediately preceding the filing of nomination documents" is defined as that year beginning January 1 immediately preceding the year in which nomination documents for the office are allowed to be filed.

Organization names must be replaced with generic references. For example, "**President, Computer Company**" would be acceptable; "**President, Apple Computer**" would not be allowed. Similarly, based on previous court interpretation, a designation such as "**Director, ABC Club**" would not be permissible, whereas, "**Administrator, Environmental Club**" would be. Ballot designations are not intended to advertise a specific product, corporation, or organization; they are intended to reveal what a candidate does, not for whom the work or service is performed.

The word "**retired**" may be allowed, but it must precede the word(s), which it modifies and may not be abbreviated. "**Retired Policeman**" is acceptable, but "**Policeman, Retired**" is not. Retired is defined as having given up one's work, business, career, etc. especially because of advanced age. Generally, a retired status **may** be allowed if the candidate can demonstrate retirement.

The following are examples of evidence supporting retired status:

- a. Served in the position being requested to be listed as retired from for more than 5 years;
- b. Is collecting or eligible to collect retirement benefits/pension (i.e., is vested);
- c. Is 55 or more years old;
- d. Left the position voluntarily after serving a minimum of 5 years;
- e. If requesting the use of a retired public office designation was not recalled from or did not fail to win that office or surrender it to run for another office in a previous election campaign;
- f. Has not had another more recent occupation;
- g. Retirement benefits are providing a principal source of income.

Because the Elections Code specifically forbids the use of a prior profession, vocation or occupation, unless the candidate is retired there from, the election official **may** require candidates to provide substantiating evidence or documentation in support of the requested designation.

Unacceptable Designations

A political party central committee designation is not a principal profession, vocation, or occupation as prescribed in this statute, nor is it an elective county or state office.

Ballot designations suggesting an evaluation of a candidate such as “**Best** _____,” “**Exalted** _____,” “**Prominent** _____,” “**Advocate**,” “**Activist**,” “**Reformer**,” “**Pro-**” and “**Anti-**” anything conveying a philosophy, or words connoting a status are unacceptable designations. Statements of philosophy belong in campaign ads and literature, not as ballot designations.

Commercial or proper names such as “**IBM President**,” “**Director, Health Services**,” or “**Sierra Club Secretary**,” are not permissible. Generic descriptions of specific jobs should be substituted; for example, “**Computer Corporation President**,” “**State Agency Director**,” or “**Nonprofit Organization Secretary**.”

Examples of unacceptable status claims include “**taxpayer**,” “**citizen**,” “**patriot**,” and “**renter**.”

Use of “Community Volunteer”

The phrase “Community Volunteer” shall constitute a valid principal vocation or occupation subject to the following conditions:

1. A candidate’s community volunteer activities constitute his or her principal profession, vocation or occupation.
2. A candidate is not engaged concurrently in another principal profession, vocation or occupation.
3. A candidate may not use the designation of “community volunteer” in combination with any other principal profession, vocation or occupation designation.

The Secretary of State shall by regulation define what constitutes a community volunteer. §13107.5

Change of Ballot Designation

No ballot designation given by a candidate may be changed after the final date for filing nomination papers, except as specifically requested by the Registrar of Voters because the designation requested is not acceptable under Elections Code §13107(c).

PLACEMENT OF NAMES ON THE BALLOT

The order in which candidates' names shall be placed on the ballot is specified in Elections Codes §13111 and §13112. Election Code §13109 specifies the order of precedence of offices on the ballot.

Random Alphabet Drawing

At 11:00 a.m. on the 82nd day before the election (March 18, 2010), the Secretary of State's office selects each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The Registrar of Voters conducts a random alphabet drawing to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabets are used in determining the order of all candidates' names on the ballot.

Rotation of Names on the Ballot

Statewide Offices

Candidates for offices voted on throughout the state are placed on the ballot in the random order in the First State Assembly District. In the next district, the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.

Congress/State Board of Equalization

Candidates are placed on the ballot in the random order in the lowest numbered **State Assembly District within the Congressional District.**

The candidates' names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.

Countywide Offices

Candidates for countywide offices are placed on the ballot in random order and rotated by Supervisorial Districts within the county.

State Senate and Member of the Assembly in Districts that Cross County Lines

Candidates are placed on the ballot in a random order drawn by the Registrar of Voters Office within each county.

Supreme Court Justices/Court of Appeal Justices and other offices

Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.

WRITE-IN-CANDIDACY

Every person who desires to be a write-in candidate and have his or her name, as written, on the ballot of an election counted for a particular office shall file **not later than 14 days before the election, which is May 25, 2010 for the Primary Election.**

1. A statement of write-in candidacy that shall contain:
 - candidate's name
 - residence address
 - declaration stating that he or she is a write-in candidate
 - title of the office for which he or she is running
 - the party nomination which he or she seeks, if running in a primary election
 - the date of the election
2. The required number of signatures on the nomination papers, if any, for that office.
3. Certain county offices (District Attorney, Treasurer/Tax Collector/County Clerk, Auditor/Controller, Assessor/Recorder, Sheriff/Coroner and Judge of the Superior Court require documentation proving qualifications to be filed per Elections Code §13.5 or Government Code §24001. Refer to pages 19 – 22 for detailed information.

The statement and nomination papers shall be available on the 57th day prior to the election, which is April 12, 2010 for which the candidate is filing as a write-in candidate, and shall be delivered to the election official responsible for the conduct of the election no later than the 14th day prior to the election, which is May 25, 2010.

Signers of nomination papers for a write-in candidate shall be voters in the district or political subdivision in which the candidate is to be voted on. In addition, if the candidate is seeking a party nomination for an office, the signers shall also be affiliated with the party whose nomination is sought. **No fee or charge shall be required of a write-in candidate. §8600-8604**

Judicial Incumbent Only Nominee- Petition Calling Election Required for Write-In Candidacy

In the circumstance where a judicial incumbent is the only candidate, the candidate's name shall not appear on the primary election ballot **UNLESS** there is a petition filed with the Registrar of Voters office within 10 days after the final date for filing nomination papers for the office. The petition must indicate that a write-in campaign will be conducted for the office and signed by 100 registered voters qualified to vote with respect to the office. §8203

If the name of the incumbent judicial candidate did not appear on the direct primary election ballot, it shall not appear on the November 2, 2010 ballot, **UNLESS** there is a petition filed with the Registrar of Voters office not less than 83 days before the general election. The petition must indicate that a write-in campaign will be conducted for the office and signed by 100 registered voters qualified to vote with respect to the office. §8203

CANDIDATE STATEMENT FEES

Cost and Advance Payment

Candidate statement costs are based on translating, typesetting, printing and distribution. Payment is required at the time the statement is filed.

The candidate statement cost is an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the Solano County Registrar of Voters may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. §13307(c).

Statements will be printed in the Voter Information Pamphlet portion of the Sample Ballot, in the order determined by the random alphabet drawn pursuant to Elections Code §13112. Rotation shall not apply to the order in which statements are printed.

Indigent Candidates

If a candidate claims to be indigent and unable to pay for the candidate statement in advance, he or she must submit proof of indigence to the Registrar of Voters at the time that the statement is filed. Proof includes a statement of financial worth and the candidate's most recent Federal income tax returns. The statement of financial worth includes the candidate's employer, income, real estate holdings, tangible personal

property, and financial obligations. The candidate must certify the statement as true and correct under penalty of perjury, under the laws of the State of California.

If the Registrar of Voters determines that the candidate is indigent, his or her statement will be printed and mailed without advance payment. If the Registrar of Voters determines that the candidate is not indigent, he or she must pay the required fee or withdraw the statement within three days of notification. The Registrar of Voters is not obligated to print and mail the statement if payment is not received. As with all other nomination documents, the statement of financial worth and accompanying documents are a public record.

THIS INDIGENCE PROVISION DOES NOT WAIVE THE PAYMENT OF A CANDIDATE STATEMENT FEE. IT ONLY DELAYS PAYMENT OF THE FEE UNTIL AFTER THE ELECTION. THE TOTAL FEE IS DUE AND PAYABLE UPON RECEIPT OF THE BILL.

CANDIDATE STATEMENT GUIDELINES

California Elections Code §13307-§13317

Filing Information

Candidates' statements shall be filed in the office of the election official of each county within the district in which the candidate wishes a statement to be printed, not later than 5:00 p.m. on the 88th day prior to the election, or in the event that the nomination period has been extended, until 5:00 p.m. on the 83rd day prior to the election.

Statements may be withdrawn, but not changed, until 5:00 p.m. of the next working day after the 88th or 83rd day prior to the election, whichever is applicable.

Important notice to candidates in districts that encompass more than one county. Procedures, requirements, fees, formats and public examination periods for candidates' statements may vary between counties. It is the candidate's responsibility to contact each county in which he or she wishes to have a statement printed within the district to obtain the appropriate information from each county. Failure to do so may jeopardize the printing of the candidate's statement.

Counties may require candidates to deposit the estimated cost of printing the statement at the time of filing the statement or may invoice the candidate for the actual cost of printing the statement after the election. If the actual cost of printing the statement exceeds the deposited amount, the candidate will be invoiced for the remainder of the cost. If the actual cost of printing the statement is less than the deposited amount, the candidate will receive a refund of the overpayment.

The statement will be printed in languages required by the Voting Rights Act as well as those languages, if any, required by the counties within the jurisdiction. If Spanish is not a required language, a candidate may request a Spanish translation of his or her statement at additional cost.

Candidate Statement Viewing and 10- Day Public Examination Period

Candidates' statements are confidential until the expiration of the period for filing such statements. After the deadline has passed, there is a 10-calendar day public examination period when the documents may be reviewed. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed. If the statement is filed in more than one county, the writ or injunction must be sought in each county in which amendments or deletions to the statement are sought. §13313

Candidates may review their statements for omissions or typographical errors made by this office, the certified translators, and/or the printers. If the candidate believes there is a translation error, the translated statement will be sent back to the certified translators for review and a **final determination**. During the viewing period, candidates are not allowed to change any errors or formatting **they** may have made when preparing their statement.

Statements will be printed in the Voter Information Pamphlet portion of the Sample Ballot, in the order determined by the random alphabet drawing pursuant to Elections Code §13112. Rotation shall not apply to the order in which statements are printed.

THE PRINTED CANDIDATE'S STATEMENT

STATEMENT OF CANDIDATE FOR
MEMBER OF CITY COUNCIL
City of Candidate

DAVID HOWELL

AGE: 42

Occupation: Attorney

Education and Qualifications: My credentials include: Graduate of local high schools; UCLA graduate with a B.S. and MBA; US Air Force sergeant.

I can bring to the office a diversity of viewpoints and experience. Born and raised in Solano County, with my family still small business owners, I can appreciate the concerns of the city. Having been in business since my undergraduate days at UCLA, and with my experience in the rental and real estate fields, I appreciate the practical housing requirements of our community.

I support a shopping area center in the city and would insist on a plan to encourage the commercial enterprises which complement our shopping needs. Our Council should actively consider subsidized housing for senior citizens and perhaps others.

If elected to this office, I will do my best to continue to serve as a leader and role model for our community and children.

Statements not conforming to these guidelines will be reformatted and set in uniform type by the elections official. The Registrar of Voters bears no responsibility for the correct typesetting of statements which must be reformatted.

No Editing of Candidate's Statement

The statement may be withdrawn, but not changed, during the period for filing nomination documents and until 5:00 p.m. of the next working day after the close of the nomination period. Any request for withdrawal of a candidate statement must be submitted in writing and signed by the candidate.

Candidates may review their statements for omissions or typographical errors made by this office, the certified translators, and/or the printers. Candidates are urged to make certain that the committee treasurer, and other personnel involved in the financial side of the campaign are fully aware of their responsibilities under the law. **We recommend that you contact the Fair Political Practice Commission** for advice. The manuals and forms are also available on the Fair Political Practices website www.fppc.ca.gov. Government Code §81010, 83113

All statements filed are a matter of public record. They may be inspected at the office of the Solano County Registrar of Voters by anyone, and copies may be purchased at ten cents (\$0.10) per page. Government Code §81008

A \$10 per day late filing penalty may be assessed for a statement filed after the prescribed deadline. The **First Pre-Election** statement, which can be personally delivered or mailed by first-class is considered filed on the date of the postmark. Certified mail is recommended but not required. The **Second Pre-Election Statement** must be sent by guaranteed overnight mail or delivered by the candidate or committee. Government Code §91013

Violations of the campaign disclosure law may result in criminal prosecution by the State Attorney General or the County District Attorney; or civil action by the FPPC, the District Attorney, or a private citizen. Government Code §91000

The FPPC has a form for officeholders for reporting, the Candidate Intention Statement (Form 501). If you plan to be a candidate for a local office, and you intend to receive contributions from others, or you plan to expend personal funds* on your campaign, you must file a Candidate Intention Statement (Form 501) with the local filing officer **BEFORE** you solicit or receive any contributions.

In addition, if you receive contributions from others totaling \$1,000 or more for your campaign, a Statement of Organization Form 410 must be filed with the Secretary of State (and a copy to the local filing officer) within 10 days of receiving \$1,000 in contributions. Government Code §84102

*Excluding personal funds used to pay filing fee and/or fee for statement of qualifications in the ballot pamphlet.

A candidate must establish separate committees for each campaign account for which, \$1,000 or more has been received. A Statement of Organization (Form 410) must be filed with the Secretary of State and a copy to the local filing officer for each committee.

For details, refer to the Information Manual on Campaign Disclosure Provisions for Officeholders, Candidates, and their Controlled Committees, or **call the Fair Political Practices Commission toll free advice line 1-866-ASK-FPPC (1-866-275-3772) if you have questions or visit the website at www.FPPC.ca.gov if you need assistance.**

Within 10 days of receiving \$1,000 in contributions, a Statement of Organization (Form 410) must be filed with the Secretary of State and a copy to the local filing officer. This will establish your committee and give you an identifying number. To terminate a committee, the termination section on the Form 410, Statement of Organization must be completed and filed with the Secretary of State and local filing officer.

During the campaign, you will have to file at least four campaign disclosure statements.

Who must file?

The Political Reform Act was adopted by voter initiative in 1974 and has been periodically amended by legislation and initiatives. The Act requires that campaign disclosure reports provide the public with the identity of contributors and amounts they give; and the amount officeholders, candidates, and committees spend.

The following candidates and committees **must** file campaign statements and should use the Fair Political Practices Commission Campaign Manual 2 (May 2007) as a guide for their filing obligations. The manual is available at the Registrar of Voters office.

- Candidates for state and local elective office.
- State and local elected officeholders.
- Committees controlled by state and local officeholders and candidates.
- Jointly controlled (slate) committees.

Filing Obligations

All state and local elected officeholders, candidates for state and local elective offices and their controlled committees are required to file campaign statements at specified intervals. (See filing schedule.) These dates are set by law and cannot be changed. You will be required to amend your statement if your report is not completed correctly. All committees should file with the appropriate method of delivery, as well.

Failure to file appropriate statements and reports in compliance with the Act can result in substantial criminal, civil, and administrative penalties. In addition, failure to file within the prescribed deadlines can lead to late filing penalties of \$10 for each day the statement is late. The law does not allow for extensions of the due dates for the filing of campaign statements. If you file your statement late, you must also submit a written statement explaining why it was late in order to request a waiver of your fine. However, after the filing officer has sent you a specific, written notice regarding your failure to file and if you do not file within ten days of receipt of the notice, the law precludes the filing officer from waiving any fine.

Please refer to the campaign disclosure manual for where to file the various Campaign Statements. The Secretary of State will only consider waiver of fines based upon specified “good cause” reasons for late filings. Acceptable “good cause” reasons involve situations beyond a filer’s control (for example, incapacitating physical illness and natural disasters). The rules for fine waivers are very specific and limited.

QUESTIONS REGARDING FILING OBLIGATIONS SHOULD BE ADDRESSED TO THE FAIR POLITICAL PRACTICES COMMISSION (FPPC) TOLL-FREE ADVICE LINE: 1-866-ASK-FPPC (1-866-275-3772)

Use of Surplus Funds

Campaign funds held by a candidate or officeholder become “surplus” on the closing date for the post-election filing period if defeated in an election, or the date of leaving office, whichever occurs last, unless the funds have been re-designated for a future election prior to that date. **Surplus funds may be spent only in the following manner:**

- Payment of outstanding campaign debts;
- Refunding to contributors on a pro-rata basis;
- Donations to a bona fide charitable, educational, civic, religious, or similar tax-exempt, nonprofit organization, provided no substantial part of the proceeds will have a material financial effect on the candidate, on any member of the candidate’s immediate family (spouse and children under age 18 who are claimed as deductions for tax purposes), or the campaign treasurer;
- Contributions to a political party or committee, so long as the funds are not used to make contributions in support of or opposition to a candidate for elective office. (The funds must be used for the party or committee’s overhead expenses.)
- Contributions to support or oppose any candidate for federal office, any candidate for elective office in a state other than California, or any ballot measure; or
- Payment for professional services or attorneys’ fees for litigation which arises out of campaign or election activities. Government Code §89519

Termination

Once contributions and expenditures cease for a particular office, all funds are expended, the ending cash balance is \$0.00, and the bank account is closed, an original and one copy of the Form 410 Statement of Organization Termination must be filed with the Secretary of State; and a copy of the Form 410 Statement of Organization Termination, along with an original and one copy of your Form 450 or 460 must be filed with the Registrar of Voters.

CAMPAIGN LITERATURE

Mass Mailing

If you are planning any type of mass mailing, please contact the post office in advance for specific postal regulations.

“Mass mailing” means more than two hundred (200) substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter, or other inquiry. Government Code §82041.5

Government Code §84305 provides as follows:

- (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization’s address is a matter of public record with the Secretary of State.
- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
- (c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).

Mass Mailing Prohibitions

No newsletter or other mass mailing shall be sent at public expense.
Government Code §89001

As used in this section, “paid political advertisement” shall mean and shall be limited to published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office. §20008

Elections Code §20009 provides as follows:

(insert name and address of the person or organization responsible for preparation thereof).”

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

- (b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.
- (c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

Truth in Endorsements Law

Elections Code §20000-§20009 provide additional information regarding restrictions on endorsements, representation requirements, etc. A copy of the code is available for viewing at The Registrar of Voters office, or a copy of the applicable pages may be purchased for the standard copy fee.

Campaign Literature Containing Polling Place of Voter

Candidates are requested not to distribute or mail campaign literature telling voters where their polling places are. Invariably some polling place changes occur in the last few days before an election. This would be confusing to the voters, and this misinformation would cause problems for voters and staff, as well as for the candidates.

ELECTION DAY PROHIBITIONS

Electioneering Near Polling Place

No person, on Election Day shall, within 100 feet of a polling place:

- (a) Circulate an initiative, referendum, recall, or nomination petition or any other petition.
- (b) Solicit a vote or speak to a voter on the subject of marking his ballot.
- (c) Place a sign related to voters' qualifications or speak to a voter on the subject of his qualifications except as provided in Elections Code §14240.
- (d) Do any electioneering.

As used in this section "100 feet of a polling place" means a distance 100 feet from the room or rooms in which voters are signing the roster and casting ballots.

Any person who violates any of the provisions of this section is guilty of a misdemeanor. §18370

Electioneering During Vote by Mail Voting

No candidate or representative of a candidate, shall solicit the vote of an vote by mail voter, or do any electioneering, while in the residence or in the immediate presence of the voter, and during the time he or she knows the vote by mail voter is voting. §18371

Solicitation Dissuading Persons From Voting

Within 100 feet of a polling place, no person shall, with the intent of dissuading another person from voting, speak to a voter about marking their ballot or about their qualifications to vote. §18371

Offering/Accepting Rewards For Voting

Persons must not pay, offer to pay or accept payment for voting, registering to vote, for or against any candidate in any election that includes a federal candidate. Fed Law -42 U.S.C. 1973i(c), 18 U.S.C. 597, 608(b)

Exit Polling

Court decisions (*National Broadcasting Co, Inc et al vs Cleland, et al No. 88-320 M.D. Ga., March 1, 1988*) and (*The Daily Herald Co. v Munro No. 84-4005 9th Circuit, November 2, 1984*) indicated that the 100 foot limit was not justified when applied to exit polling.

Based on these decisions, the Secretary of State, in consultation with the California Attorney General's Office, in the 1980's concluded that a 25-foot limit on exit polling was enforceable.

GLOSSARY OF FORMS

DECLARATION OF CANDIDACY: All candidates for public office in California are required to file a **Declaration of Candidacy**. This is the official form used by a candidate to declare himself or herself a candidate for public office. The form contains information regarding the way the candidate's name shall appear on the official ballot and the candidate's ballot designation. The **Declaration of Candidacy** shall be obtained from, and delivered to, the county elections official of the county in which the candidate resides as a voter. The **Declaration of Candidacy** must be executed in the office of the election official unless the candidate, in a written statement signed and dated by the candidate, designates a third party to obtain the **Declaration** from the county elections official and deliver it to the candidate. Such written statement shall state that the candidate is aware that the **Declaration of Candidacy** must be properly executed and delivered no later than 5:00 p.m. on the final day of filing. §§8020, 8028(b), 8040, 8100, 8105

NOMINATION PETITION: Candidates for public office, must file a **Nomination Petition** containing the signatures of registered voters who are qualified to vote for the office. The **Nomination Petition** must be double sided and the affidavit of circulator completed in circulator's own handwriting. Each section of the **Nomination Petition** must be delivered to the county elections official of the county in which the signer resides as a voter, no later than 5:00 p.m. on the final day of the nomination period. The signer must be a resident of the jurisdiction and the county and registered with the same party (for partisan offices only) as the candidate for whom the petition is being circulated.

The candidate may appoint persons to circulate the nomination paper, but is no longer required to file an appointment of circulator form. The circulator must be a resident of the jurisdiction and of the county in which he/she gathers signatures.

No more signers shall be secured for any candidate than the maximum number required in this article. If, however, through miscalculation or otherwise, more signers are secured than the maximum number, the officer with whom the nomination papers are filed shall, with the written consent of the candidate, withdraw the excess number.

NOTE: In some circumstances signatures-in-lieu of filing fee petitions may satisfy the nomination signature requirements. Please check with your local Registrar. §§8061, 8062, 8066, 8067, 8106(b)(4)

PETITION IN LIEU OF FILING FEE (SIGNATURES-IN-LIEU): A candidate may submit a petition containing signatures of registered voters in-lieu of paying the filing fee to run for office. The signatures submitted may cover all or a pro rata portion of the filing fee. Any registered voter may sign an in-lieu-of-filing-fee petition for **any candidate for whom he or she is eligible to vote**. However, persons using Elections Code §8106(a)(6) provisions are limited to signatures from members of their own parties, except that all voters registered with non-qualified parties, as well as voters who have

registered as Decline to State and Nonpartisan may sign the petition of any partisan candidate whose party, at the time of submission of the petitions for verification, has notified the Secretary of State that it has adopted a rule allowing such registrants to vote their party's ballot at the ensuing primary election.* If a voter signs more candidates' petitions than there are offices to be filled, the voter's signature shall be valid only on those petitions which, taken in the order they were filed, do not exceed the number of offices to be filled. The circulator must be a resident of the jurisdiction and of the county in which he/she gathers signatures.

Exception: The candidate may circulate an in-lieu petition / nomination petition in all shared counties affecting the district. § 106 (a)

****For up-to-date information regarding which parties will participate in this process call the Secretary of State's toll free number 1-866-387-8683***

Each candidate may submit a greater number of signatures to allow for subsequent losses due to invalidity of some signatures. The elections official shall not be required to determine the validity of a greater number of signatures than that required. §8106

No additional signatures may be filed after the filing date, but supplemental signatures may be filed to replace signatures in the original filing that were found insufficient. That portion of the filing fee not covered by the signatures must be paid in full before the nomination documents may be filed. §8105, 8106

NOTE FOR CANDIDATES RUNNING FOR MULTI-COUNTY OFFICES: When there is more than one county involved in a specific jurisdiction, candidates may obtain the Petition in Lieu form from any county in the jurisdiction. Solano County will accept another county's Petition-in-Lieu form but **we recommend that the candidate contact the other counties involved to determine if they would accept our forms.**

Note: The Secretary of State's office cannot accept petitions-in-lieu of filing fees since they have no way of verifying the signatures. §§8103(a)(1), 8105, 8106(a)(3), (6)

SIGNATURES IN LIEU OF FILING FEE USED FOR NOMINATION: If a candidate submits an in-lieu-of-filing-fee petition, the county elections official shall count all valid signatures appearing on the petition toward the number of nomination signatures required for the candidate's nomination paper provided they are registrants of the same party as the candidate. A signers party is not an issue if the candidate is running for a non-partisan office. If the in-lieu-of-filing-fee petition contains the requisite number of valid signatures for the nomination paper, the candidate is not required to circulate and file a nomination paper, but may request the county elections official to accept the petition in-lieu of filing fee as a nomination paper instead of filing separate additional nomination papers. If the petition in-lieu of filing fee does not contain the requisite number of valid signatures for the nomination paper, the candidate shall be entitled to file, within the time period allowed for filing nomination papers, a nomination paper in order to obtain the requisite number of valid signatures required to be submitted to the elections official on a nomination paper. If a partisan candidate uses his petition-in-lieu signatures as nomination signatures, those signers must be registered with the

candidate's party. The nomination paper shall be delivered to the county elections official of the county, in which the signer resides and is a voter.

Each candidate may submit a greater number of signatures to allow for subsequent losses due to invalidity of some signatures. The elections official shall not be required to determine the validity of a greater number of signatures than that required.

Note: The candidate is still required to file a declaration of candidacy during the nomination period. §§8061, 8062, 8106

CODE OF FAIR CAMPAIGN PRACTICES (Voluntary): This form is a voluntary pledge by candidates concerning campaign practices. At the time an individual files his or her Declaration of Candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the county elections official is required to give the individual a copy of the **Code of Fair Campaign Practices** and a copy of the provisions of Chapter 5, Division 20 of the Elections Code. The form is filed with the candidate's nomination documents and is open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code. §§20440, 20442, 20444

STATEMENT OF ECONOMIC INTERESTS: Government Code §87300 requires every agency to adopt a conflict of interest code. A conflict of interest code is a document, which designates the positions within an agency, which make or participate in making governmental decisions, which may have a foreseeable material effect on any financial interest.

Only candidates for elective office **so designated under the agency's conflict of interest code**, and candidates for public office listed in Government Code section 87200, must file a **Statement of Economic Interests** with their nomination papers. Elected officials, if so designated, must also file a **Statement of Economic Interests** within 30 days of assuming office; annually; and within 30 days of leaving office. If an individual is appointed to an office, he or she must file a **Statement of Economic Interests** within 10 days of assuming office. Under certain conditions, the **Statement of Economic Interests** need not be filed if such a statement was filed within 60 days prior to the filing of a Declaration of Candidacy or prior to the date of assuming office. Government Codes §87200, §87300, §87500

5. May I withdraw my candidate's statement after it is filed?

The candidate statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 of the next working day after the close of the nomination period.

6. If my contest does not appear on the ballot due to an insufficient number of candidates, will my candidate statement fee be refunded?

Yes, our office will contact you to make arrangements to return your fee.

7. Can my spouse, relative, friend, or campaign manager pick up nomination documents for me?

The candidate in person must pick up all forms or the candidate's representative must present a letter of specific authorization, signed by the candidate. This statement must contain the candidate's name, the office he or she is seeking, and party affiliation, if applicable. The statement shall include language indicating that the candidate is aware that the declaration of candidacy must be properly executed and delivered to the election official of the county of the candidate's residence by the 88th day prior to the direct primary election, which in this case is March 12, 2010. That statement shall be retained by the elections official.

8. Can my spouse, relative, friend, or campaign manager file my nomination documents, or can I mail them to you?

Election law does not specifically prohibit another person from filing nomination papers for a candidate. However, candidates are urged to file in person. The reasons are twofold:

- A. The declaration of candidacy is not to be removed from the office of the Registrar of Voters (except as provided in Elections Code §8028), Additionally, a member of the Registrar of Voters' staff, a qualified officer, or a notary public must administer the oath or affirmation, which is part of the declaration of candidacy form. It is much easier for a candidate to file the nomination papers in person and have the oath administered at the time he or she files; and
- B. The signature of the candidate, as well as other data, is required on many documents required in the nomination process. If through an oversight the nomination papers are incomplete, the problem can easily be rectified when a candidate files in person.

It is not recommended that nomination documents be mailed back. However, if mailed back, nomination documents must be received in our office by 5:00 p.m. on the close of nominations, regardless of the postmark.

9. I am unable to complete and file my campaign disclosure statement (FPPC filings) by the filing deadline. Can I obtain an extension?

NO. There is no provision in the Political Reform Act that permits any filing officer to extend a filing deadline. Statements that are late are subject to a fine of \$10.00 per day until the statement is filed.

10. Can I obtain election night results on the Internet?

Yes, you may obtain the information from the Registrar of Voters' website, at www.solanocounty.com/elections.

11. Why is there so much paperwork involved in being a candidate?

Election law specifies documents required, as well as format, filing dates, etc. The filing requirements are not discretionary. Our staff is here to help you through the process.

12. What happens if some of the signatures I obtain on my nomination papers are not of registered voters or do not live within the jurisdiction I seek to represent?

File your nomination papers early to avoid the consequences of a problem of this type. The Registrar of Voters must certify that the signatures on nomination papers are of registered voters residing within the jurisdiction. If you wait until the last day to file and your sponsors' signatures for any reason are insufficient, you will not qualify to be a candidate. If you file early, there will be time for the Registrar of Voters to check the signatures and notify you of any insufficiencies. You will then have an opportunity to submit supplemental signatures.

Canvass / Certification

Canvass is a process of reconciling numbers and the supplemental counting of vote by mail ballots turned in at the polls, provisional and write-in ballots. The numbers of voted ballots reported by pollworkers and vote by mail ballots are matched to what the computer counted. California law permits 28 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of the voting precincts. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts. The canvass is complete when the elections official signs the Certification of the Election Results. **(E.C. § 15620)**

STATEMENT OF VOTES CAST

The Semifinal Official Canvass Statement of Votes Cast (SVC) which reports election results by individual voting precincts is available after the election at the elections office. For most elections, this report is also posted on the department's website. Once the election is certified, the Final Official Canvass Statement of Votes Cast is made available at our office and on the website.
