LAW ENFORCEMENT FORUM

The Solano County District Attorney's Office held a Law Enforcement Forum on December 16, 2024, shortly before Prop 36 (Homelessness, Drug Addiction, and Theft Reduction Act) went into effect. Prop 36 passed overwhelming in Solano County (70%). Prop 36 reverses some of the unintended consequences of Prop 47, which reduced the penalties for repeat drug and theft offenders, by holding repeat drug and theft offenders accountable.

On February 27, 2025, several affiliates of the Brown Brotherhood gang (subset of the Sureño gang) were arrested after a year-long investigation into the trafficking of guns and drugs in Solano County. Large scale quantities of cocaine and methamphetamine were seized. Additionally, over 100,000 pills containing fentanyl were located along with 21 firearms.

Operation Waterfront, led by the **FBI Violent Crimes Task Force**, involved the collaboration of members of our local law enforcement partners including **Vallejo Police Department, Solano County Sheriff's Office, Vacaville Police Department, Fairfield Police Department, and the Solano County District Attorney Bureau of Investigations**, working together with members of the **FBI San Francisco team and FBI Sacramento team**.

All of our law enforcement partners at the local, state, and federal level are committed to the safety of our citizens here in Solano County. Our office, together with our law enforcement partners, will continue to prioritize dismantling and disrupting the criminal activity of those trafficking humans, guns, and drugs.
